As a pastor he was loving and faithful, as a teacher earnest and consecrated, as a husband tender and true, and as a father his love and devotion knew no bounds. Bro. Young was a man of culture, of excellent social qualities and of unswerving integrity. He was a man of good natural ability and with more than average acquirements. He was able in the pulpit, faithful as a pastor and kind as a friend. Funeral services were conducted at the home Rev. Richard Crewes having charge. Presiding Elder W. R. Wiley preached the sermon. There were fourteen ministerial brethren in attendance.

### THOMAS M. HARRIS.

Thomas M. Harris, an honored member of this Conference has recently passed from labor to reward. He was born at Mineral Point, Wisconsin, in the month of April, 1857, where he grew to manhood and received his education. He was united in marriage May 27, 1879, to Miss Martha Beckerleg, who shared faithfully the joys and sacrifices of this faithful servant of God. To this union three children were born—one son, J. L., and two daughters, Ethel M. and Beulah W., all of whom, with the wife, and father and mother and three brothers and three sisters survive him.

The funeral took place in the home at Bloomington, Ill., where he had lived for 18 months, and was largely attended. All the Methodist Episcopal ministers of Bloomington and Normal were present. There were many beautiful floral tributes brought by loving friends. Addresses were made by Rev. Richard Crewes, of Normal and Rev. G. A. Scott, of Bloomington. Brother Harris' early ministry was spent in the Primitive Methodist church in which he served the following charges: Little Grant and Platsville, Wisconsin, and Kewanee, Braidwood and Streator, Ill. In the Fall of 1887, he joined the Central Illinois Conference of the Methodist Episcopal church. In this Confer-

ence he served the following charges: Colona, Milan, Sheffield, Mazon, one year each; Chebanse, two years; Clifton, three years; Woodland, Del Ray, Williamsfield and Morton, each one year. In 1900 he took a supernumerary relation and moved to Bloomington to enjoy the advantages of her schools for his family.

A good man has departed. His sun has gone down, while it is yet day. And yet the good man's sun never sets. It has vanished at its meridian glory. He has gone to the bosom of the Master, whom he so dearly loved and faithfully served.

WILBERT STANLEY BAKER.

Wilbert Stanley Baker was born at Aultsville, Ontario, Canada, July 24, 1870, where he spent his boyhood days. His early education was in the public schools of Ontario, and the business college of Belleville, Canada, and later graduated from Dixon College, Dixon, Ill. He came to Illinois in 1892 and taught school for several years, the last four years as principal of Princeville schools In the meantime he studied law, which to him was a favorite study, having in thought, the judicial bench, as his ultimate goal. When he was ready to be admitted to the bar, he sacrificed his cherished hopes and consented to yield to the call of the Holy Spirit, whose voice he had for years been endeavoring to suppress, and began to prepare for the ministry. He was converted in the Bridge Street Sunday school, Canada, and united with our church while attending college at Dixon, Illinois.

It might be presumed because his spiritual birthplace was in the Sunday school that he was strong in sympathy for this field of great usefulness, and as happiness is the natural birthright of the children, he partook of that spirit and lived it in his Christian life—for he was a happy Christian.

Brother Baker was admitted on trial in the Central Illinois Conference in the year 1899, and preached one year at Yates City, one year at Dunlap, and nine months on the Whitefield charge. These charges he served with great acceptability, and among those whom he served as pastor he is held in great esteem. He was an able preacher, a true pastor, a fine student, and devoted to every interest that enters into the work of the ministry. Had health remained and life been spared this man would, without doubt, have reached high rank among us. His brief life in the ministry impressed us with his Chrstian manhood and that he was one indeed upon whom the Divine seal had been placed.

Bro. Baker was married to Miss Elizabeth Ferguson of Princeville, Ill., May 19, 1896. To them two children were born—a son and a daughter. Their home, which was founded upon the divine plan, remained in every essential as it began. While the health of Bro. Baker was somewhat impaired during the last year of his ministry, his illness took on a serious form about the middle of the month of May, and on Sunday morning, June 8th, 1902, his spirit went to God. He spoke no parting word when dying, but looked out of his eyes the holy calm of a soul that was trusting in the blood that cleanseth from all sin, and the triumph that only those can know, who have believed in him who is able to keep us from falling and present us faultless before the presence of his glory with exceeding joy.

On Wednesday afternoon, June 11th, funeral services were held for our deceased brother, in the Princeville M. E. church, he having died at the home

of his father-in-law, Mr. Ferguson. Rev. F. W. Merrell, Presiding Elder of Peoria District, preached the funeral discourse, and the pastor, R. L. Vivian, read the obituary. Eighteen of Bro. Baker's ministerial brethren attended the funeral , six of whom acted as pall bearers. The remains were laid to rest in the Princeville cemetery.

## MRS. N. G. CLARK.

Annie West, wife of Rev. Newton G. Clark, was born a mile north of Maquon, Ill., Sept. 23, 1840. She was the oldest of eight children, five of whom are still living. She died in the hospital in Galesburg, Ill., Nov. 22, 1901, aged sixty-one years.

For some years she attended school in Maquon, and finished her education at Westville, Ind. She was married to Newton G. Clark March 11, 1860, at the home of her mother, by Rev. William Clark, father of the groom. She and her husband were brought up in the same neighborhood, near the Gilson camp ground. So they were children together, and schoomates, and their whole lives were spent together. And now that she has gone the pain of parting is all the more severe because of the breaking of ties strengthened by life-long associations. The husband's bereavement is unusually sad. She also leaves two daughters: Elsie May, wife of Levi A. Bays, of Lewistown, Ill., and Mary Lydia, wife of Dr. James U. Long, of Maquon, Ill., her aged mother and three grand children, and a large number of relatives and friends who sincerely mourn her departure.

In January, 1869, she was converted and joined the Methodist Episcopal church in a revival held in Clark's Chapel, on Gilson Circuit, by Rev. Stephen Brink. A few months later she and her two daughters were baptized, and she was received into full membership by the same pastor that led her to Christ. She was very quiet and unassuming, and in her religious life she was not demonstrative. She said little upon the subject of religious experience. But she was a true and faithful wife and mother, and made her home a delightful habitation, as they can testify who were permitted to enjoy its hospitality.

In 1870 her husband was licensed to preach, and in 1874 he was received on trial in the Central Illinois Conference, and for nineteen years she shared with him the toils, trials and triumphs of the Methodist itinerancy.

She possessed many excellent qualities, and so gained a place in the affections of all who knew her. She was especially kind in looking after the sick and needy. On Cuba Circuit, when there was an unusual amount of sickness in the community, she spent the greater part of the time in caring for the sick and the afflicted, and it is thought that this sympathetic service brought on the disease which terminated in death. After that time she was never well.

In 1892 on account of the failing health of both husband and wife, he took a supernumerary relation to the Conference, and took up their residence in Maquon, where she furnished her aged mother a home. After years of suf-

fering, on the 18th of August, 1901, she was laid upon the bed of sickness, and growing worse, on the 1st of October she was taken to the hospital in Galesburg, where she endured an operation, from which she never rallied. All that love and skill could do was done, but without avail. Surrounded by her husband and family who watched in helpless agony, she gradually sank into the painless sleep of death.

From the first she thought that she would not recover, and lovingly charged her husband to take care of her mother. She rests from toil and pain, and her loved ones, now so deeply bereaved, expect to meet her in heaven.

MRS. SARAH A. TALLMAN.

Mrs. Sarah A. Tallman was born in Ohio, September 24, 1829, and died in Kankakee, Ill., December 15, 1901, and in her seventy-third year. She came with her parents to Illinois when but a child, settling in Knox county, near Maquon, where she grew to womanhood. Thirty-five years before her death she was married to Dr. B. F. Tallman, who, after their marriage, entered the Methodist ministry and the Central Illinois Conference. For twenty-eight years she walked beside this forceful and positive preacher of the word, sharing with him the labors and honors of the itinerant life.

This loyal woman partook of the same positive character religiously that was so marked in her husband; and lost none of her interest in either the church or the ministry after his death. In November last, she was numbered with the scores of typhoid fever patients in the city of Kankakee. She had been a sufferer from a weak heart for two or three years, but all the while faithful to church and other duties. Almost entirely recovered from her attack of typhoid, she found that her heart functions were most seriously impaired. She was seemingly almost well again on Saturday the 14th, but on Sunday, while the congregation were engaged in the services of the morning hour, and at which she had always been so faithful, the heart seemed to refuse to perform its wonted functions and she stood at once at death's door. At about 3 o'clock in the afternoon the heart suddenly ceased action, there was one vain effort to breathe and all was over. No other member of First Church could have been missed more in the community of her residence. She is mourned and missed, but by no means forgotten. Her body sleeps; her spirit has returned to Him who gave it. Three daughters and four grandchildren survive her.

FANNIE W. WOOLLEY.

Fannie W. Thomas, daughter of Isaac and Lydia Thomas, was born in Wyoming, Ill. November 16, 1852, and passed away in Pasadena, California, December 28, 1901. She grew to woman hood at the place of her birth, attended school at Mt. Sterling, Ill., for a time, and later at Hedding College, where, during the winter of 1872, she was converted and united with the Methodist Episcopal church, of which she remained a devoted member until she passed to the church triumphant.

She spent some time in teaching, for which work she was peculiarly suited, and those she taught cherish her memory with loving appreciation.

For many years she was organist in the church at Wyoming. She was a

beautiful singer, and cheered and comforted many during all her life with her sweet hymns and songs.

September 3, 1873, she was united in marriage with Reverend William Woolley, and for more than twenty-eight years she joyfully shared with her husband the work of the itinerancy. For this work she had a special fitness —a sympathetic nature, a loving heart.

Wherever, according to the economy of her church, their field of labor was located, she speedily won the confidence and love of those with whom she labored. She was most eminently successful as a leader and teacher of the young people and children, and for these wherever she lived, while in the work as a pastor's wife, she devotedly and cheerfully poured out her heart's richest offerings.

To Rev. and Mrs. Woolley two children were born—a son and a daughter. During her last illness she said it had always been her prayer that her life would be spared until her children should be grown. In this her prayer was answered, and during her long illness in California, both were with her to administer all that love and tender care, in its fullest measure, could contribute to alleviate her sufferings. Her husband was on his way to her, but the Death Messenger came sooner than was anticipated by most skilled physicians, and she gained her home in heaven before he reached her side. She, anticipating that she might be gone before he arrived, left messages of love for him and other dear ones, expressed her confidence in God, and, in visions that mortals ordinarily are not permitted to behold, saw, as she said, birds and flowers and heard sweet music.

A brief service, conducted by Rev. J. M. Huston, was held in Pasadena, California, where many friends spake their words of love for her who had passed on and shed their tears of sympathy for those who linger.

She was brought to Wyoming, Ill.,—to the home of her childhood—for burial, where on Wednesday, Jan. 15, 1902, at the Methodist Episcopal church, the last sad services were held. They were under the direction of Rev. J. F. Robinson, who spoke comforting, sympathetic words, as did also Rev. R. B. Williams, while Rev. R. A. Brown paid loving tribute to her memory. Twelve ministers were present and took some part in the service, while many others sent letters and messages of condolence.

She suffers no more pain, endures no more weariness. She rests from her labors and her works will follow her. "Her children arise up and call her blessed; her husband also, and he praiseth her."

## MRS. U. J. GIDDINGS.

Martha E. Rose was born in Woods County, Ohio, January 10, 1837, and died in Cornell at the home of her son, Rev. F. J. Giddings, February 18, 1902. She came to Illinois in 1857, and one year later attended Mount Ida College, Davenport, Iowa. She was united in marriage to Rev. U. J. Giddings March 19, 1859, and became the mother of two children, Mrs. J. F. James, wife of the Rev. J. F. James, of New Boston, and Rev. F. J. Giddings, of Cornell, Illinois. On account of the failing health of her husband the family moved to Pekin, Illinois, in 1874, and later to Bloomington. In 1876 and 1877 she was matron of the young men's boarding hall in connection with the Wesleyan University. She moved from Bloomington to Normal and for 13 years boarded the stu-

dents of the State Normal. In 1891 she was elected matron of Henrietta Hall of the Wesleyan University in Bloomington and afterwards filled a like position in Onarga for Grand Prairie Seminary for seven years.

She was converted at the age of 17, and for nearly half a century, like Enoch, walked with God. The funeral services were held at Cornell and conducted by Rev. H. Tiffany, and at Normal conducted by Dr. W. R. Wiley, Dr. Richard Crewes and Rev. John W. Denning. The interment was at Bloomington beside her husband who died in 1884. Mrs. U. J. Giddings was one of the elect women of the Central Illinois Conference. She was broad-minded and loyal to every interest of the church. She was a member of the Woman's Foreign Missionary Society from its beginning, and a loyal worker in the W. C. T. U. From the very nature of her work she came in contact with a great many young men and women, and was to them a source of wisdom and inspiration. In labors she was abundant, in doctrine sound and in Christian experience clear and scriptural and devout. Upon the altars of her church and her home she placed her time, her energy, her all. She was weary with the conflict, for the battle had been long and sore; she had measured up to every occasion with a Pauline heorism until the earthen vase became weak and no longer tenantable and then God promoted her to the house not made with hands, eternal in the heavens. Mrs. Giddings was like Mary in her devotions to her Lord; like Ruth in her loyalty to her church; and like Hannah in consecrating her two children to God and training them for the Master's service. I knew her well and could I wreathe a garland of flowers expressive of her true and noble life, it would be a wreath lily white and rose fragrant, with these words, "She hath done what she could."

Concerning this Christian woman we have hopes large with immortality. The day her children said in sadness "she is dead," the angels said in gladness, "She is alive forever more." We are not in doubt concerning our loved ones who have passed to the beyond. We know where they are and what they are doing. "Therefore are they before the throne of God, and serve him day and night in his temple: and He that sitteth on the throne shall dwell among them. They shall hunger no more; neither thirst any more; neither shall the sun light on them nor any heat. For the Lamb which is in the midst of the throne shall feed them, and shall lead them unto living fountains of waters: and God shall wipe away all tears from their eyes."

## CATHERINE KERR WATSON.

Catherine Kerr Watson was born in Beragh ,Tryone County, Ireland, the 12th day of March, 1830, and died in Lincoln, Nebraska, March 10, 1902. She was converted in her early years and united with the Wesleyan church, and continued a faithful Christian until called to her eternal reward. She was married to Thomas Watson November 12, 1847, soon after which they came to America. Here they joined the Methodist Episcopal church and her husband, Rev. Thomas Watson, became a member of Peoria Conference (now Central Illinois) in which they labored together until he went to his purchased possessions May 9, 1879.

Sister Watson was a devoted wife. She made her husband's work her

own, and with the greatest interest espoused the cause to which he had devoted his life. She helped to bear his burdens and as thoroughly shared his joys. As mother she was not less devoted. To her in no small degree was committed the training, rearing and educating of six daughters and two sons. To this work she gave herself with cheerful sacrifice. It was here she won for herself woman's highest and noblest distinction, the glory of loving and devoted motherhood. These sons and daughters lived to cheer, comfort and bless her in her last years. The eldest daughter is the wife of the Rev. E. N. Bentley. The second daughter, Miss Rebecca, has for twenty years been a missionary in Japan. This daughter had been spending a year at home for rest and recuperation. Just a few hours before she was to have said goodbye for her return trip to Japan, her beloved mother was stricken. The family had removed to Nebraska in 1882, and in 1894 made their home in Lincoln, the same state, and here her life's work was ended.

The deceased was a womanly woman, strong, forceful, kind, sympathetic, with a Christian character capable of unfolding the possibilities of her soul. Her illness was of short duration. On the 3rd day of March last, she was stricken with paralysis, and on the evening of March 10th, she quietly passed to the home beyond.

The funeral services were conducted by her pastor, Rev. N. A. Martin. He was assisted by Revs. J. F. Hemper, F. L. Wharton, C. L. Lemon, L. F. Smith and U. N. Powers. The interment was at Preemption, Illinois. A well spent life was hers. With faculties unimpaired, she ceased to live here and began to live there.

MRS. U. Z. GILMER.

Mary Caroline McCullough was born in Rush County, Ind., Nov. 12, 1851. While she was yet young the family came to Illinois and settled finally near Spring Grove, in Warren county.

In December, 1870, she was married to U. Z. Gilmer, then a student in Monmouth College. Two years later, when her husband was graduated from the college, she entered with him into the ranks of the Methodist ministry. For 30 years she pursued unfalteringly this laborious and joyful way. Eight children were born to them, of whom two died in infancy. Of the six who remain, all show in their Christian profession by their devotion to Christ and his cause, in spirit and conduct, the impress of a devoted mother's prayers and beautiful life; and one of her children, her eldest son, on yesterday was received on trial in his honored father's Conference, his sainted mother's Conference. After months of patient suffering, on May 29, 1902, at Abingdon, she died in great peace, and was laid to rest in the Monmouth cemetery.

Funeral services were held in Abingdon, conducted by the pastor, J. H. Batten, assisted by R. E. Buckey and other members of the Conference; and brief services were held in Monmouth at the home of her brother, Mr. W. W. McCollough, conducted by Rev. S. Van Pelt, the pastor of our church at Monmouth, and Mr. McCullough's pastor, Dr. Dean, of the Presbyterian church.

Her devoted husband and her loving children have wished that little be said in a public way, but the members of this Conference desire to put on record their loving remembrance of Sister Gilmer, who has walked for these

years by the side of our brother and in the same path and in a common work with us. She was a woman of strong and beautiful character and great usefulness. How much of the transparency, sweetness, courage, loftiness and power in the ministry of the husband, may be attributed to the fidelity, courage, sympathy of the pure, loving Christian wife, none but our Lord can know. "Her children rise up and call her blessed; her husband also, and he praiseth her." She being dead, yet speaketh.

MRS. A. A. REGER.

Frances A. Reger, wife of Rev. A. A. Reger, was born in Vincennes, Ind., Oct. 2, 1822, and departed this life at Secor, Ill., July 9, 1902. She was the daughter of Horace Luddington, an esteemed local preacher. Her natural abilities were above the average, and her opportunities for improvement were good. Many of her poems were regarded with favor by literary critics. She was brought to the Savior in early life, and was thoroughly conscientious in the discharge of every religious duty.

She was united in marriage to Rev. A. A. Reger, of the Pittsburg Conference, June 6th, 1843, and her first experience as a minister's wife was at Bridgeport, Ohio. She was the mother of six children, three of whom survive her. She was a true and faithful companion, in whom the heart of her husband could safely trust. She was a model mother, looking well to the spiritual interests of her children, especially during the absence of the husband and father. As a minister's wife she was faithful to all the duties of her exalted station, shrinking from no sacrifice, however trying, and counting "all things but loss," so that she might win Christ and be accepted of him. While her husband was on those large districts in the West Virginia Conference, forty years ago, she was constant in sisterly goodness and untiring efforts for the comfort and happiness of all the preachers associated with him. During the years preceding the Civil war her zeal to impart a knowledge of the sacred Scriptures to the unfortunate slaves, often exposed her to danger, but she "dared to do right" in the face of opposition and trial, "esteeming the reproach of Christ" and the advancement of his kingdom, the chief end of her being.

But her greatest work was accomplished in the sympathy and help that she cheerfully rendered her companion in his arduous work. She helped him to bring out his best powers. When he was weak and discouraged, she was strong and full of hope. When he felt that his field of labor was hard, she said, "Let us make it a desirable place for our brethren."

She was suddenly called to pass away to her heavenly home. Being in her usual health until about 5 o'clock in the morning, she was stricken with a fatal illness, and before the close of the day her spirit went home to God. Her body rests besides those of her beloved husband and son, in Rose Hill cemetery, Mount Ayr, Iowa.

## MRS. P. T. RHODES.

This is a world of strange conditions, but suggestive and all weaving in to make the web of a wonderful life. Here is a peculiar condition. An annual Conference of the Methodist church, with its friends in congregation assembled, is asked to pause and give its thought and respect to the memory of a woman, who lived and died in another state; whom not one of us, not even the writer, ever saw, nor knows the name by which her mother called her in her childhood. The essential thing is to be in the line of God's people and at the end He who knows all things will deal justly, as He does know.

It is known that there was a widow owning and occupying her home in Attica,Fountain County, Indiana. She was a member of the Christian church. About four years ago she became the wife of Rev. P. T. Rhodes. She has lately passed away. Her life, character and history are to us unknown.

Why then speak of her? She was the wife of Rev. P. T. Rhodes. But who was and is this man? A pioneer in Illinois Methodism; a man who helped to change the swamps into a garden of worth and beauty; a man who erected lasting monuments to his memory; a man whose achievements speak now for him in his old age, and by them he will still loudly speak when he shall have passed from us forever. Grand Prairie Seminary, at Onarga, is his Master work. He says he himself was educated in "Brush College." He clearly foresaw the need to the church of a Christian school as a place of preparation for the church's laborers in the great fields where the harvests are already white. His soul went out in sympathy for the ever increasing army of young people who would desire a home in a Christian school, or who could be brought under its influence and sent out to bless the world.

In his brain the Seminary was conceived, in his heart love for it was cherished, in his hands the forces were directed which produced the results of his desire. Whatever Grand Prairie Seminary ever becomes the portrait of this man must ever hang in the place of honor as its founder. For this we know him today. And because this woman came to make more cheerful and happy a few of the years of his great age, we honor her memory, regretting that we did not know her better, but trusting she is with Him who knows us all and all things as well; and praying that the consolation of God's truth shall be abundant to our veteran brother in the days of his sorrow.

# Ministers' Wives' Association.

"Friendship, Cheer, Helpfulness."

This Association came into existence at Kewanee, September 21, 1901, at the forty-sixth annual session of the Central Illinois Conference. It is designed to furnish an opportunity for better acquaintance among the ministers' wives and to be a source of cheer and helpfulness in their common labors. The wife of every member of the Conference, by virtue of her position, is a member of the Association. It is patterned after similar organizations in the Colorado, California and other Conferences.

Between twenty and thirty women were present at the first meeting. Mrs. Bishop Walden was present and was elected an honorary member. Her words of reminiscence and encouragement will linger long in the memory of those who heard them.

The officers elected were: President, Mrs. Frizzelle; 1st Vice President, Mrs. Merrell; 2nd Vice President, Mrs. Wiley; 3rd Vice President, Mrs. Robinson; Secretary and Treasurer, Mrs. Ryan.

For the meeting this year the Conference program committee graciously assigned the latter half of Saturday afternoon. Many members of the Conference and other visitors shared with the Association the pleasure of listening to Bishop Vincent's address on "The Minister's Wife and the Church." He elaborated most felicitously the thought that a well-ordered, refined parsonage home is the strongest lever in the execution of any plans for usefulness in the church which a minister's wife is led by her own particular endowments to undertake. Mrs. Vincent was elected an honorary member and the Bishop responded most feelingly in her behalf. In the absence of the Secretary, Mrs. G. C. Shaffer was chosen Secretary *pro tem.* Interesting letters were read from the Ministers' Wives Association of the Colorado Conference and the Ladies' Aid Society of the California Conference.

At the close of the public meeting seventeen ministers' wives met for business and a social chat.

The officers elected were: President, Mrs. Frizzelle; 1st Vice President, Mrs. Wiley; 2nd Vive President, Mrs. Robinson; 3rd Vice President, Mrs. Van Pelt; Secretary and Treasurer, Mrs. Ryan.

Plans were made for increasing acquaintance in which every member will have an opportunity to share this coming year.

Cheer and helpfulness will be found in the symposium at the meeting next year on "How can one pastor's wife help another?"

CARRIE WARREN FRIZZELLE.

# II. Reports of Standing Committees.

## AMERICAN BIBLE SOCIETY.

WHEREAS, We recognize the great worth and indispensable value of the American Bible Society in the co-operation with our Missionary Society, therefore,

*Resolved,* 1. That we heartily congratulate the Society on the greatness of the work acomplished, and the prospect for the ever increasing usefulness, and that as pastors we will loyally present the urgent need of the Bible Society to our congregations and endeavor to raise the apportionment in full.

*Resolved,* 2. That it shall be our aim to secure for this great and worthy cause an apportionment that shall be equal to at least five per cent. of the missionary apportionment, and that the Presiding Elders are hereby requested to apportion this amount to the charges.

*Resolved,* 3. That the committee on program for the next session of the Annual Conference be requested to arrange for an anniversary of the Society during the session for the reason that the General Conference has provided for at least two such anniversaries during the quadrennium, and for the further reason that no such anniversary has been held in this Conference for a number of years.

*Resolved,* 4. That we have heard with pleasure the presentation of this work to the Conference by the Rev. Dr. Pearson and will seek from him such literature as we may need for our own use, and for distribution in the congregation, such literature to be furnished free. His address is Roanoke-Clifton, Cincinnati, Ohio.

J. W. FERRIS, *Secretary.* D. S. ANDREWARTHA, *President.*

## BOOK ACCOUNTS.

Your committee begs leave to call special attention to the following items of interest:

1. That the gratifying increase of sales and profits in the Book and Periodical departments of our Book Concern is due not only to the efficiency of the management but also to the increasing loyalty of the Presiding Elders, pastors and Sunday School superintendents in their insistence on the use of our own publications. Particularly and in the strongest terms would we commend the use of our Sunday School periodicals.

Our church has a remarkably complete and varied system of lesson helps, which are not merely the cheapest from every standpoint of excellence, but they are the best inasmuch as they are the only ones that teach the doctrines and stand for the policy of the Methodist Episcopal Church. If it is our duty to train our young in denominational loyalty, then it is equally our duty to put into our schools our own Sunday School literature and our own only.

2. It is with gratification we note that an increase of nearly fifty per cent. is made this year in the dividend to our Conference and we would urge

our preachers generally to adopt the plan of making all book purchases through our own publishing houses as by so doing they secure the best rates from other publishers and add a small profit to our own Concern.

NELSON J. BROWN, *Secretary.* G. L. TAYLOR, *Chairman.*

## CHURCH EXTENSION.

The Board of Church Extension has demonstrated its utility as a church home finder for the multitudes who seek fellowship with Christ, through the Methodist Episcopal Church; therefore,

*Resolved.* 1. That we congratulate the Board of Church Extension on its progressive spirit and growth during these thirty-eight years of its existence. During these years the Board collected and disbursed $7,748,781.24. Of this, the general fund derived chiefly from collections, bequests, personal gifts for frontier churches $250 each, and maintain fund specials of $100 each, has aggregated $4,803,888.53. The Annuity and Loan funds, including loans returned, amount to $2,944,892.71, making a total amount used $7,748,781.24. With this amount, the Board has aided 12,356 churches. Our Conference has shared in the work as follows: The collections taken in our churches, from the beginning to November 1st, 1902, aggregated $57,573.38. To this our Conference adds this year $1,653, making a total of $59,226.38. Up to November 1st, 1902, 84 churches within our bounds have received aid, by donations of $18,564.15, and by loans of $11,900.

2. That we urge all our people to make a hearty response to the call of the Board for our share in the church extension collection. For the ensuing year our Conference is asked to raise by collections $5,500. Our needy churches may on approved applications receive $1,500. Because the calls made upon this society for aid are many, and the opportunities for help are increasing, it is important that we increase our interest in the needs and plans of this society in order that they may meet the growing needs of new fields.

3. That we most earnestly recommend to all our churches the publications of this Society, "Christianity in Earnest," and the several leaflets, which are the best sources of information upon this subject. We urge all our pastors to secure and circulate the literature of the Board.

4. That we record our pleasure in the visit of the Rev. Dr. Robert Forbes, who represented the Board of Church Extension, and whose presence at our Conference was a source of edification and pleasure.

JOHN MAY, *Secretary.* G. W. PEREGOY, *Chairman.*

## CHURCH INSURANCE.

Your committee on Church Insurance submits the following report:

The Mutual Church Insurance Company being the church protector against loss by fire and wind,

*Resolved,* 1. That we congratulate the Church Insurance Company on the great work that it has been doing in the few years of its existence, having issued policies amounting to nearly $20,000,000 and paid losses of over $70,000. This is a great service to Methodism.

While most of our churches are insured against loss by fire, a great many

carry no protection against wind storm, and during the years, in certain localities, serious have been the losses from this source; therefore,

*Resolved.* 2 That we urge upon our societies everywhere to give proper recognition to the wind storm clause in our insurance policies.

For particulars, address Henry P. Magill, Secretary, 57 Washington St., Chicago, Ill.

A. M. Bowlin, *Secretary.* C. F. W. Smith, *Chairman.*

## DEACONESS BOARD OF NINE.

We recommend the licensing of Miss Jennie W. Elsdon as a Deaconess, and also the renewal of the licenses of Miss Lucy A. Hall, Mrs. N. C. Radford and Miss Mary Jefferson.

We recommend the following as members of the Board:

Three years—A. M. Stocking, Mrs. S. Van Pelt, Mrs. C. V. Engstrom.

Two years—C. O. McCulloch, Wm. Hazzard, W. W. Wyatt.

One year—Thos. Doney, Mrs. Maria Rogers, C. W. Green.

Thos. Doney, *Secretary.* C. O. McCulloch, *President.*

## DEACONESS WORK.

It is with pleasure that we note an increasing interest on the part of our pastors and people in the work of the Methodist deaconesses.

Many of our pastors have been assisted for all or a part of the past year by these trained and consecrated women and they have been found, almost uniformly, helpful both as evangelists and as assistant pastors. Their services among the poor and suffering have brought comfort and hope to many a despairing heart, while as soul winners they have amply demonstrated the value of careful training and persistent effort.

We recommend their services to pastors not only in the cities and large towns but also in villages and country charges.

We especially commend the efficient work done by the band of deaconesses connected with the Peoria Hospital and their work among the poor in that city.

We recommend that the pastors of the Conference call the attention of their Epworth Leagues, Junior Leagues and Sunday Schools to the good that can be done by them in the collection of garments, food, eggs, fruits, old and new muslin and prints, as well as the collection of money to be forwarded to the Deaconess Home and Hospital at Peoria, and the N. A. Mason Old Peoples' Home at Normal, and the Methodist Deaconess Orphanage at Lake Bluff.

We also recommend that the doors of our churches be open to representatives of these deaconess institutions rather than those of the various orphanages and home finding associations not under the guidance and control of our own church. Respectfully submitted,

Alexander Smith,
J. A. Riason,
W. B. Shoop,
W. F. Kettlecamp,
F. J. Giddings,
*Committee.*

## DOMESTIC MISSIONS.

To make possible the extension of evangelical effort into the poorer sections of our large cities and into portions of the districts of our Conference where the people have not gospel privileges, is the object of Domestic Missions.

Because of the great need of work of this kind, this cause should have the hearty support of our pastors and all friends of the needy.

This cause is worthy of the largest gifts and the most earnest endeavors; therefore,

*Resolved,* That we will do all we can to maintain this work, that as pastors we will not fail to take a collection at our earliest opportunity and forward the same to the treasurer.

We nominate the following officers: President, H. D. Clark; Vice President, J. B. Dille; Secretary, J. A. Chapman; Treasurer, D. B. Johnson.

Managers—A. K. Tullis, M. V. B. White, D. F. Wilson, A. H. Smith, C. M. Beecher, H. O. Cady, C. M. Green.

W. R. WARNER, *Secretary.* F. E. SHULT, *President.*

## REPORT OF COMMITTEE ON EDUCATION.

### HEDDING COLLEGE.

Throughout the Conference year just closed our college at Abingdon has enjoyed in every department great prosperity. The academic year 1902-3 brought an increase in the enrollment of more than forty-one per cent. over that of the year preceding; the income from tuitions was increased by almost one hundred per cent, and in spite of the fact that the faculty received an additional member, thereby increasing the pay roll seven per cent., ninety-nine per cent of the salaries of all the instructors and the president were paid in cash—an increase of seventeen per cent. in the amount received by the faculty in the year preceding.

The improvements made on the property amounted to more than eleven hundred dollars. The permanent endowment fund was increased by three thousand five hundred dollars, and a part of the permanent fund heretofore non-productive was made productive.

Hedding College affords unusual advantages. It is our only educational institution of similar grade in this section of the state entirely removed from the influence of the saloon. A spirit of mutual helpfulness obtains throughout the entire student community.

But best of all, our Conference College maintains the old-time interest in the welfare of the spiritual nature. The effort to develop the body and the mind of the student is subordinated to that which looks toward bringing the student into harmony with his own soul and with his God.

The present year begins with a most gratifying prospect The enrollment shows an increase of fifteen per cent. over that for the corresponding time last year, and a corresponding gain is shown in the financial income.

These results are all very largely due to the loyal and self-sacrificing spirit of co-operation shown by the ministers of this Conference.

Hedding is fortunate in having a most capable and efficient faculty, while the able and successful administration of President H. B. Gough affords ample

ground for genuine appreciation of what has been accomplished and confidence that still better things are soon to follow.

We recommend for election as trustees—Ministers, G. D. Hensell, G. Parker Snedaker, Thos S. Pittenger, A. M. Stocking. Laymen, S. T. Mosser, S. Blackstone, W. H. Baird, Samuel Chapman. To fill unexpired term of Thos. Newell, deceased, Mrs. W. K. Sloan, Moline, Illinois. To fill unexpired term of Rev. Nelson G. Lyons, M. L. O'Harra. As Conference visitors, John W. Ferris, J. H. Batten, J. A. Alford, Frank Shult.

### Illinois Wesleyan University.

We heartily commend the action of the Illinois Conference in proposing a fund of $25,000 for the endowment of a chair of Biblical study and pending its completion make provision for the payment of the interest on that amount.

The efficiency of the faculty is a matter of congratulation. The Law school stands among the best in the country. The College of Music is crowded and the work done is of the highest grade. Arrangements have been made with Mrs. Buck by which the generous gift of Dr. Buck becomes immediately productive.

We recognize the post graduate work done by the Wesleyan as equal to that done by any institution.

We recommend the election as trustees C. H. Long, R. Crewes, E. M. Kirkpatrick, U. P. McCormick. Visitors, R. B. Williams, Joe Bell, J. H. Ryan, F. J. Giddings and A. R. Morgan.

### School of Theology.

We are glad to note from the official documents placed in our hands that the theological schools of the church, Garrett, Drew and Boston, have had an increased attendance and growing prosperity. We especially commend Garrett Biblical Institute to the young men of our Conference who may be looking forward to the active work of the ministry and especially to those to whom some experience in the work of preaching has shown the need of a more complete special preparation for their vocation.

The unanimous report of the Board of Visitors representing twenty-three Conferences, says:

"We do most cordially commend the Garrett Biblical Institute to the young men of our several Conferences as an institution for study and preparation for the ministry of the Gospel unsurpassed, and we commend every member of the excellent faculty as worthy of the fullest confidence and respect, both in their teachings and their character as Christian gentlemen."

This feport we cordially endorse We recommend as Conference visitor for two years, Rev. R. E. Buckey.

### Grand Prairie Seminary.

We note with pleasure the efficiency of the faculty of the Seminary. Each teacher is a specialist in his particular department, and the work done is most thorough and inspiring to the individual student. The religious development of the student is as carefully considered as is the intellectual, while the social life is guarded with such restrictions as are necessary to the perfect safety of all entrusted to the care of the institution. We cannot speak in too high terms of the precaution taken by the faculty in securing the student against evils com-

mon to the social environment of the present day life. Military drill has been introduced, which is the best form of outdoor recreation. The material and financial condition is most gratifying. Very imporant improvements have been made in the buildings and on the grounds and in the laboratory during the past year, warranted by the increased income. The increase in attendance of students has been in keeping with the better conditions we have noted. During the past year, exclusive of the successful summer school of which we are proud, 296 different students were enrolled, and now the enrollment is 18 per cent. in advance of last year's at this time.

We recommend as official visitors H. D. Clark, J. F. Robinson, J. A. Johnson, A. M. Stocking, Joe Bell, W. B. Harvey.

NORTHWESTERN UNIVERSITY.

Northwestern University affords unusual advantages to students pursuing undergraduate and postgraduate work. In every deparment prosperity obtains under the efficient management of President Edmond Janes James.

We recommend the re-election of G. R. Palmer as trustee for the term of two years.

We urge that every pastor preach the regular educational sermon any Sunday during the month of May, and impress upon the young people of our church the importance of attending one of our own schools. We request that the general educational collection be taken at this service and not be included in the omnibus plan.

O. T. DWINELL, *Secretary.* H. D. CLARK, *President.*

## EPISCOPAL FUND.

In a communication received from the Treasurer of the Episcopal Fund, we are told that our Conference is apportioned for Episcopal Fund for this year $2,395, and that we were deficient last year $868. But our last published Minutes show we were apportioned $1,463 last year and were deficient only $38. Your committee has no information whereby it can explain this difference.

We further find that upon the basis of the salaries paid pastors and Presiding Elders by the various charges of our Conference that in many cases there is a considerable difference in the pro rata amounts apportioned to the different charges .

Your committee recommends that the Conference request the proper authorities, in reference to this matter, to make the apportionment to the various charges upon a pro rata basis, with the salaries paid the pastors and Presiding Elders of the respective charges.

We further recommend that when this equitable apportionment shall have been made, each pastor use his utmost dilligence to raise the full amount apportioned.

FRANKLIN RIST, *Secretary.* W. WOOLLEY, *President.*

## EPWORTH LEAGUE.

After fourteen years of unparalelled success along social, intellectual, philanthropic, and spiritual lines we rejoice to know that the watchword is still *Forward.*

The Epworth League is doing much toward the conversion of the young people and the moulding of Christian character.

We rejoice in the re-arrangement of the old departments and the creation of the new department of World Evangelism. We hope every League in the Conference will fall into line with the new plan. May the League enter with renewed zeal the campaign for Sabbath observance and temperance reform.

The *Epworth Herald* continues to increase in interest and is the leading religious publication for young people.

We recommend that our pastors heartily co-operate in increasing the circulation.

We recommend the following persons for Conference officers for the ensuing year: President, Rev. J. B. Bartle; Secretary, Rev. H. H. McFall; Treasurer, Rev. A. C. Kelley; Junior League Superintendent, Rev. W. E. Shaw.

WILL J. LEACH, *Secretary.* G. E. ALFORD, *President.*

## FREEDMAN'S AID AND SOUTHERN EDUCATION.

The work of our Society among the freed men and needy white population of the South has been signally blessed of God since its inauguration more than a quarter of a century ago.

The foundations of an educational and religious enterprise were laid securely and the superstructure has been splendidly built thereon, year by year. With the close of the present quadrennium, an advance of $105,000 over the previous four years is shown, and this, too, with a decrease of twenty-five per cent. in the expenses.

Great educational institutions have grown up under the management of this Board, notably, Chaplain University, Clark University, Walden University and Gilbert Academy. There are forty-two other institutions, some of which are equal and some of lesser grades, but all doing a grand work for the elevation of the races in the Southland. These schools were attended last year by 3,581 students, pursuing studies leading to more than a score of different trades and professions. The sum appropriated to this Conference for the support of this society for the coming year is $4,500—none too large—and should be met. Let every pastor faithfully present this cause and that sum may be easily realized.

J. A. ALFORD, *Secretary.* J. P. MCCORMICK, *President.*

## MISSIONS.

We record our gratitude to God that all the great doors of the world have been opened for the preaching of the Gospel of Jesus Christ, and we are glad that our own church is advancing from year to year in the matter of giving to the cause of Christian missions.

We recommend that the provisions of the Discipline, paragraphs 368 to 374 inclusive, be carried out by the pastors as the best possible plan for reaching the last man, and inducing a contribution of at least an average of one dollar from each member of the church. Especially do we urge that the Sunday School be organized into missionary societies, and the Epworth Leagues take up the "Station Plan" as well as organize mission study classes where this is possible in all the churches. Could this be done in our own Conference and throughout

Methodism our aggregate of more than three millions of dollars for the more speedy evangelization of the world would be the result.

We recommend where it can be done without interfering with local church plans the observance of Easter Sabbath as missionary day, both for churches and Sunday Schools, the pastor preaching, or causing to be preached, one or more sermons on the subject.

Believing that the more general diffusion of missionary intelligence is the only means of inducing a steady flow of money into the treasury of the missionary society, we urge our pastors to send the names of all persons paying one dollar or more to the publishers of *World Wide Missions* that they may receive a free copy of this inspiring and helpful periodical; and we also urge that our pastors *systematically* and *persistently* circulate the very excellent line of missionary tracts provided by our missionary secretaries, and which are replete with the freshest information from our world-wide field.

L. F. Cullom, *Secretary.* E. S. Busby, *President.*

## PEORIA DEACONESS HOME AND HOSPITAL.

In accordance with the recommendation of our Conference at its session last year, this institution is now owned and controlled by the Central Illinois Conference. We are pleased to be able to report that the financial management of the past year has been such as to place the Hospital upon a firmer financial basis; and we rejoice with the financial agent in the acquisition of a deed to property valued at not less than eighteen thousand dollars ($18,000) on a very conservative estimate, and we hereby express our appreciation of the faithful and successful work of our Financial Agent, Rev. C. W. Green, in securing the above mentioned property.

There will, however, be no income from this property for some years; and, in the meantime, the institution is greatly burdened by a debt of $11,000.00, provision for the payment of which should be made as soon as possible.

Another imperative need of the institution is more room, as the number of applicants seeking admission into the hospital is on the increase. The matron and medical staff are greatly embarrassed in trying to make room for those who desire to be treated there.

The need of more room means the need of more money to enlarge the building.

We recommend that this Conference approve the setting apart of one Sunday during the year for "Hospital Day," and that the Financial Agent be invited to represent the hospital on our charges, as he may arrange with the pastors, and that collections and subscriptions be taken.

We also recommend that the following persons be elected Trustees for three years: J. H. Ryan, Alexander Smith; Richard Crewes, D. B. Johnson.

Respectfully submitted,

D. M. McLeish, *Secretary.* A. M. Stocking, *Chairman.*

## POST OFFICES.

The work of the Post Office committee is to tabulate, according to districts and charges, all of the post offices in the Conference where our people receive

mail. This is done at the urgent request of the Book Concern for their use in business, and has nothing to do with the post office index in the back of the Minutes. It is, therefore, very desirable that the brethren use due care in filling out the blanks with all post offices where their people receive mail. Having completed the tabulation of post offices, the committee herewith submits its report.

J. R. CLARK, *Secretary.* F. N. WRIGHT, *Chairman.*

## SANCTITY OF THE SABBATH.

The Sabbath was given to man as a day of rest and improvement and we recommend that all Christians, by precept and example, discourage the breaking of the fourth commandment, and that we especially refrain from doing those things which compel others to labor on that day; therefore, be it

*Resolved,* 1. That we believe the growth and purity of both church and state depends upon the faithful observance of this law.

2. That we enter a protest against all forms of Sabbath desecration, such as Sunday visiting and feasting, Sunday picnics and excursions, amusements and all kinds of traffic.

3. That we discourage the reading of secular literature, and the purchase and reading of the Sunday newspaper on the Sabbath day.

4. That we as a Conference condemn the action of the management of the Illinois State Fair in departing from their former custom and in throwing its gates open to the public on the Sabbath day.

CYRUS AMES WRIGHT, *Secretary.* R. W. AMES, *Chairman.*

## STATE OF THE CHURCH.

Believing, as we do, that the church is the one organization through which the world can be brought to Christ, we urge that the highest Christian standard of experience be maintained.

2. We would emphasize the fact that the greatest qualification for ministers in preaching God's word and for men and women in understanding the same, is the baptism of the Holy Ghost.

3. We urge that our doctrines be not modified or changed, but that they be taught more clearly and practiced more thoroughly by both ministry and the laity.

4. We recommend that all the benevolences, especially that of missions, receive still greater attention.

5. We recognize the Epworth League as a strong arm of the church and believe that too great care cannot be taken that its officers be earnest and consistent workers for Christ.

6. Uncompromising opposition to the liquor traffic should be the stand of the church. We deplore the fact that our state legislature is largely dominated by the liquor dealers of the state, and we believe that the time has come for an aggressive movement against the entire system.

7. We recommend that the deaconess movement have the hearty support of the church.

8. The social settlement being conducted by Dr. G. H. Gray in the slum districts of Chicago, has thrown added light upon social and moral conditions as

they largely exist in the chief cities of our country. We heartily commend this work and pledge it our own prayers and sympathies, and encourage the co-operation of all agencies of good as desirable, and a thing to be more earnestly sought.

W. F. Dudman, *Sec.* F. J. Wood, Pres.

## STATE OF THE COUNTRY.

We congratulate ourselves on the continued prosperity of the country and the increasing ability of the church and her adherents to contribute more largely to the great enterprises of the church that make for good morals and therefore good government.

We deprecate the disregard for law and properly constituted authority.

This disregard shows itself in indifference to parental authority; in mobs and lynchings, north and south; in the encroachment of capital upon labor, and its refusal often to listen to the cry that comes from the lips of toil; in the disregard often for the rights of capital and the wanton destrucion of property in strikes and riots on the part of labor.

While it may be true that Mongolian civilization has nothing in common with christian civilization, is it not worth while to ask ourselves if we are wholly consistent in demanding the "open door" policy in China and make our own country practically a closed door. to the Chinese coming to our shores, even to obtain a christian education.

We deprecate all sorts of mob violence and especially would we condemn the kind that strikes not so much at the heinousness of the offense committed as it does at the color or nationality of the criminal who commits it. We are persuaded that if these crimes are allowed to go unchecked and the participators therein to go unpunished or with light punishment, it can only be subversive of all good law and order.

We desire to express our commendation of President Roosevelt in his position that the government cannot discriminate between her citizens who labor and say of one class "you shall' and the other "you shall not."

We deprecate war, and believe it should be the court of last resort, but we most cordially commend the prompt action of President Roosevelt in sending war vessels of Beirut, Syria, when the lives of our official representatives there, and the lives of other Americans residing there were imperilled.

We deeply sympathize with the suffering and wronged Bulgarian christians, through the tyranny and brutality of the "unspeakable Turk" and only regret our inability to more practically assist these our afflicted brethren in their struggle to throw off the yoke of oppression that has galled the neck of their liberty for so many years.

G. R. Palmer, *Sec.* M. V. B. White, *Pres.*

## SUNDAY SCHOOLS AND TRACTS.

1. We recognize in the Sunday school one of the most important factors in the religious and educational life not only of our own age, but of the ages to come, since the Sunday School teaches the Bible and brings the gospel to vast multitudes in the respective periods of childhood.

Our splendid army of 351,402 officers and teachers, in looking after all the

interests of our 32,390 Sunday schools, with more than 2,758,429 scholars are more efficient in their work than ever.

2. It is of vital importance that great care should be exercised in the selecting of teachers. The pastor and superintendent should naturally aid in choosing for the instruction of our children, men and women of earnest christian character, with a knowledge of the Bible, and earnest longing to bring others to Christ.

3. We believe that the literature of the Sunday School supplied by the Methodist Episcopal church, and published by our own Book Concern, under the direction of our most efficient Secretary, Dr. Neeley, is the best for the purpose that can be obtained.

We urge that more persistent effort be made to place our literature in all our schools.

We are confident this will help to build up earnest religious character, loyal to our church, among all of our young people.

4. We recommend that as far as possible the "Home Department" be carefully organized in connection with all of our Sunday schools, in this way reaching those who cannot attend, yet desire to be identified with the school.

We would call attention to the "Cradle Roll" and its efficiency, aiding us to save the children to our church and awaken in the minds of the parents an interest in the work of the church and Sunday school.

1. We commend the work of the Tract Society to the more thoughtfull consideration of the church, calling attention to the work it is doing at home and in the foreign field.

2. We recommend that the pastors in our Conference avail themselves more generally of the liberal offer of the Tract Society, which provides that every preacher can receive from the society free, in the form of tracts, one half of the last collection of his charge for the Tract Society.

3. That we will give to this society our most earnest support in its efforts to spread christian literature throughout the world.

C. W. Ayling, *Secretary.* John A. Edmondson, *President.*

## TEMPERANCE.

1. Intemperance, created and sustained by the legalized saloon, is the great foe of the church, the great peril to our country and the great destroyer of the bodies and souls of men. As Christians and patriots we demand the suppression of the saloon and the entire prohibition of the liquor traffic.

2. We endorse the action of our Generl Conference upon the personal duty of total abstinence and the proper attitude of the citizen in relentless hostility to the saloon; we are gratified at the strong utterances of our bishops in their quadrennial reports, and we reaffirm the deliverances of our own conference upon the various phases of the temperance question.

3. We rejoice in the action of our National Congress in blotting out the army saloon, called the canteen, in prohibiting the sale of liquor in our capitol building, and in making provision for the comfort of our soldiers, and we severely censure and condemn the secretary of war, the adjutant general and other war officials for their failure to use the million dollars appropriated by Congress

for reading rooms, libraries, gymnasiums and other provisions for the culture and comfort of our soldiers, thereby aiding in providing a plea for the restoration of the canteen. We deny that the absence of the canteen has any tendency to make discipline in the army more difficult, but the contrary is true, and as citizens interested in the welfare of our country's defenders we demand that our government shall not engage in the business of making drunkards of our soldiers

4. We enter our protest against the sale of the opium trade in the Philippines to the highest bidder, or any system of license or legalization by which that perilous trade shall receive the sanction of the government.

5. We earnestly petition Congress to pass the Hepburn bill in order that the states severally may be able to protect themselves against the evils of the infamous liquor traffic, carried on in violation of state law under the plea of the right of interstate commerce.

6. We recognize in our disciplinary provisions for various temperance committees from the General Conference down to the Quarterly Conference committee the most perfect organization for antagonizing the saloon, and while we heartily join with all other friends of temperance in all laudable efforts for the overthrow of the saloon, we will, as our first duty, carry out loyally and faithfully the recommendations of our own General Conference, taking collections as directed and dividing as recommended.

7. We commend the action of our General Conference committee in making an effort to secure in all our congregations and communities the extensive distribution of non-partisan, total abstinence and prohibition literature and we will faithfully provide for such distribution.

8. In addition to our legitimate church temperance work, we will encourage and help other organizations in their efforts for the suppression of the saloon, and especially the Anti-Saloon League in its laudable effort to secure local option by counties, townships, cities, wards and villages and to this end we recommend the appointments by this conference of J. G. Evans, R. E. Buckey, L. T. Gumbart, J. H. Batten and F. E. Putnam as representatives from this conference to meet with representatives of Christian bodies of Illinois, at the call of the superintendent of the Anti-Saloon League, for the purpose of arranging for a more perfect union and organization of the Christian forces of our state in the Anti-Saloon League of Illinois.

9. We are encouraged at the advanced position taken by the great railway corporations and many large manufacturing establishments touching the non-employment of the users of strong drink, and we rejoice at what we believe to be an increasing temperance sentiment, but we realize that a great task is still before us. We must agitate and create public sentiment by intelligent discussion and by an immense distribution of temperance literature. That we may efficiently do our share of this work we hereby request the bishop to appoint J. G. Evans as conference temperance secretary to travel throughout the Country and aid the pastors in this work, and the Presiding Elders and officers and managers of our Conference society are requested and appointed to devise and carry out some plan to afford the Conference temperance Secretary a comfortable support.

10. We deeply regret the political methods of which the local option bill, championed by Mr. W. H. Anderson of the Anti-Saloon League, was defeated and the people denied the privilege of driving out the saloon by a direct vote, and we urge all our people, not only to use their influence in favor of local op-

tion, but to absolutely refuse to vote for any man for our legislature who refuses to openly pledge himself to support a local option bill similar to the one upon which the House committee reported favorably last spring.

11. We insist upon the election of civil officers who will faithfully enforce our laws against the saloon, and we will pledge ourselves to give all our influence to the enforcement of law.

N. G. BROWN, *Secretary.* J. G. EVANS, *Chairman.*

## THE USE OF TOBACCO.

Confronted with the fact that the use of tobacco has baneful effects upon the physical and moral life of all addicted to it, and persuaded that the example of professed Christians who indulge in its use is seriously harmful to the young, we, therefore, appeal to all Christians to discontinue the habit both by example precept.

We regret that the efforts to pass an anti- cigarette law was unsuccessful in our legislature, and commend the action taken by the several schools which have excluded cigarette smokers.

The high position taken by our church must be vigorously maintained therefore, we, as ministers of a Gospel of purity, should not only keep ourselves unspotted from the obnoxious habit, but also exert ourselves in teaching total abstinence from its use.

N. W. ATKINS, *Secretary.* J. C. CRAIN, *Chairman.*

## WOMAN'S FOREIGN MISSIONARY SOCIETY.

We greatly rejoice in the contiued prosperity of our Woman's Foreign Missionary Society. No institution of our church has rendered more efficient service. Its schools are centers of evangelization and civilization. Its missionaries teach the word of God, heal the sick and carry the message of salvation to their sisters in heathen lands. Their local auxiliaries are an agency for the dissemination of missionary intelligence in every community where they are organized and in this way help the cause of missions in general.

Since two-thirds of our race are yet to be evangelized, it is imperative that the rising generation be taught to give systematically to missions. No better plan has yet been devised that that of the regiment of Standard Bearers. Already nearly a regiment has been mustered in in our Conference. We would recommend that wherever practicable the young people be enlisted in this organization.

We gratefully record our appreciation of the services of the Conference and District officers. We are glad to note the handsome increase in receipts during the year just closed, and would recommend that the pastors give as far as possible, complete reports of receipts for publication in our Conference minutes.

E. E. MECHAM, *Secretary.* C. T. CADY, *President.*

## WOMAN'S HOME MISSIONARY SOCIETY.

Your committee note a gratifying increase in the number of societies during this Conference year, also that the reported collections have more than doubled

in the same time. The work of these noble women among the imigrants, in the south land and on our frontiers is Christlike and worthy of the sympathy and liberal support of every Christian man and woman. We recommend that the representatives of this society have a cordial welcome into all our charges and that, wherever possible, additional auxiliaries be organized. We also recommend the continuance of the anniversaries of the W. H. M. Society at our Annual Conference.

E. E. DIFFENBAUGH, *Secretary.* D. T. WILSON, *Chairman.*

CASE OF HENRY M. BOWEN.

In 1895 Henry M. Bowen came to our Conference with an application for admission, he being an Elder in the Methodist Protestant church. His orders as an elder were recognized and Bishop Goodsel gave him a certificate of that recognition, which he now has. He was not received into the Conference and the Bishop directed the Secretary to expunge from the record the minute of his recognition. His certificate of membership was lost, or probably carried away by the Bishop and Brother Bowen has lost his membership without any fault of his.

Your committee recommends that he be given his membership as a local Elder and made a member of Moline First church and quarterly Conference.

# Resolutions.

*To the Annual Conferences of the Methodist Episcopal Church:*

WHEREAS, We members of this Conference have by our Ordination Vows accepted the Holy Scriptures in their entirity as a revelation from God; and,

CONFERENCE CLAIMANTS.

WHEREAS, The existing provision for the support of our superannuate preachers, their widows and orphans is inadequate; and,

WHEREAS, There is in consequence much discomfort and hardship in many sections of the Connection, therefore, be it

*Resolved,* That this General Conference authorize a commission of fifteen, one from each General Conference district and one at large, to devise a connectional plan that will make better provisions for the support of the superannuates without arbitrarily affecting any local organization or arrangement now existing and report the same to this General Conference in time for final action.

We desire as a Conference to express our great pleasure and profit in listening to the address of Bishop McCabe on church extension Sunday evening, and

WHEREAS, His history has been one, perhaps, without a parallel in raising money; and

WHEREAS, His connection with the sanitary commission, the church extension and missionary societies, and his experience since becoming a bishop are so full of inspiration that they should be embodied in some permanent form; therefore,

*Resolved,* That we most earnestly request Bishop McCabe at the earliest possible date to embody in book form some of the marvelous facts about the gifts and givers he has known; believing as we do that by its publication the church and its adherents would be strengthened to bring greatly increased offerings into the treasury of the church and incidentally preserve valuable history that would otherwise be lost.

G. R. PALMER,
J. P. FORSYTH.

## Memorials.

To the General Conference of the Methodist Episcopal Church to be held in May, 1904:

WHEREAS, There exists in the congested districts of our cities a lamentable condition, involving poverty, suffering and crime, and is subverting the welfare of the nation and of society, and is directly impeding the incoming of the Kingdom of our Lord; and,

WHEREAS, The Protestant churches are moving out of these districts from want of support and the saloon, with its deadly influence, is rapidly becoming the only institution that ministers to the social natures of the people, furnishing only such amusements as tend to corrupt the morals of the youth and destroy the purity of the home; and

WHEREAS, The Gospel of Jesus Christ seeks to take possession of all the avenues of the soul and sanctify them for the redemption of society; therefore, be it

*Resolved,* That the Central Illinois Conference memorializes the General Conference of the Methodist Episcopal church to consider the practicability of the church giving greater emphasis to the social phases of the gospel in connection with its direct appeals to the spiritual nature, in its attempt to reach the neglected masses of our cities; and, furthermore, that it seeks to establish in the mind of the laboring classes a closer, more interested and more sympathetic relation in their struggle to better their condition; and, furthermore, that the church give more attention to the spiritual education of childhood through such agencies as

the kindergarten on week days and a more systematic training of the child in the Sunday School to look upon Christ as the ideal character, the source of joy, the way of life.

To the General Conference of the Methodist Episcopal Church to be held in May, 1904:

*Dear Fathers and Brethren:*

WHEREAS, The Supreme Court of the United States has decided that the traffic in intoxicating liquors as a beverage is dangerous to "public safety and public morals" (see Beer Co. vs. Massachusetts et als., 97, U. S. 32).

WHEREAS, The aforesaid traffic has been prohibited in the naval and military reservations and in the capitol building at Washington, D. C.; therefore, we, the members of the Central Illinois Annual Conference of the Methodist Episcopal Church, respectfully request you to memorialize the President, and the Congress of the United States of America to prohibit the sale of intoxicating liquors as a beverage in the territories, islands, District of Columbia and all other places where the Federal government has police control, to the end that the legislative and executive departments may be in harmony with the decisions of the Supreme Court.

To the General Conference of the Methodist Episcopal Church to be held in May, 1904:

*Dear Fathers and Brethren:*

The Central Illinois Conference would respectfully petition your honorable body to revise the judiciary code of the Methodist Episcopal Church, as it regards the trial of a member of an annual conference, so as to do away with the present system of investigation and suspension and trial of a minister at the session of an annual conference. We recommend the adoption of the following provisions and such changes and omissions as may be necessary for harmony.

## CHAPTER II.

### *Trial of a Member at Conference.*

222. When a minister of an annual conference is under report of being guilty of some crime expressly forbidden in the Word of God, sufficient to exclude a person from the Kingdom of Grace and Glory:

1. If no complaints signed by a member of the church be presented, let the Presiding Elder appoint three members of the conference who shall constitute a committee of inquiry to investigate the rumors and if in their judgment the facts warrant the presentation of charges they shall formulate the same and place them in the hands of the Presiding Elder.

2. When charges and specifications, in due form, signed by a member of the church, or presented by a committee of inquiry, shall be placed in the hands of the Presiding Elder, he shall transmit the same to the Bishop in charge, who shall summon a committee of trial to consist of not less than nine nor more than

fifteen members of the conference; and he shall give both the prosecution and defense due notice of the time and place of the trial. If the Bishop be unable to attend and preside in person, he shall appoint a president of the trial, who shall proceed as above directed. The president of the trial shall appoint a secretary, who shall keep a correct record of all proceedings, which record, signed by the president and secretary, shall be transmittted to the secretary of the annual conference, who shall transmit the same to the president of the appellate court in case of an appeal.

3. The accused may, for cause, object to members called to sit on the committee, but in no case shall the trial proceed with less than nine members.

4. It shall require a two-thirds vote to convict the accused, but after conviction a majority may determine the penalty.

5. The committee may not find a crime of higher grade than that which is charged in the complaint, but may upon evidence find a less offense than charged and fix an appropriate penalty, provided the offense be sufficiently grave to come under the charge of immorality. Otherwise the case must be brought under one of the succeeding paragraphs.

6. Upon conviction the committee shall determine the penalty which may consist of definite suspension from the ministry, expulsion from the ministry, or expulsion from the church .

7. If the accused be a Presiding Elder, three of the senior ministers of the district shall inquire into the character of the report and if they judge it necessary shall formulate charges and specifications and place them in the hands of the Bishop, who shall proceed as above provided.

8. If complaints be presented at the session of an annual conference, the character of the accused may be passed subject to trial on the charges preferred, but if the offense charged be a grave one the conference may arrest the character of the accused and leave him without an appointment until the case can be determined as herein provided.

9. After a minister shall have been regularly tried and expelled from the church he shall have no privileges of society or sacraments in our church without contrition, reformation and confession satisfactory to the conference from which he was expelled. Nevertheless, if subsequent to the time of his expulsion, there should be new developments indicating the innocence of the accused, the Conference from which he was expelled may grant a new trial or if the evidence of his innocence is conclusive, the Conference may return his parchments and restore him to his former standing.

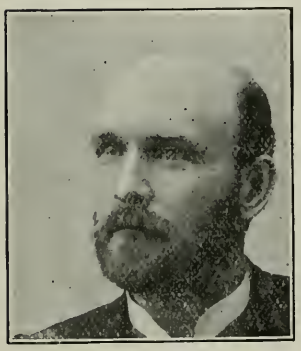
# Memoirs.

## ISAAC WILLETT PUFFER.



Rev. Isaac Willett Puffer was born in Kingsston, Ontario, Canada, Aug. 21, 1860. He was educated for the ministry at Victoria university, and after preaching a short time in Canada came to Illinois and united with the Central Illinois Conference in 1888. Besides supplying Colona a few months, he served the following charges in this Conference, viz.: New Boston, five years; Braidwood, four years and Wellington five years. He was just entering upon his work at Cissna Park, having been appointed to that charge in September, when he was called to his final reward. In 1889, at Gridley, Ill., he married Miss Ina B. Baker, who survives. Of this union three children were born, two of whom are living. As Bro. Puffer was attempting to board a train at Decatur on the night of Oct. 31, he was struck by a passing engine and fatally injured. His death occurred in the hospital at that city Nov. 3, 1902. On the following Thursday his body was laid to rest at New Boston. The funeral service was largely attended and participated in by Revs. J. F. James, Vincent Aten, J. D. Smith, J. F. Robinson, U. Z. Gilmer, G. D. Hensell, S. P. Archer, and the writer. A number of other ministers also attended the memorial services. It was my privilege to be closely associated with Bro. Puffer, as his Presiding Elder, for six years. I was often in his home and had good opportunity to know him as a citizen, a minister, a husband and father. In all these relations he displayed qualities of character which greatly endeared him to those who knew him best. As a citizen he was interested in the general welfare of the community in which he lived. What concerned the people in their commercial, social or political life concerned him. He was no ascetic, withdrawing himself from the common affairs of men, but entered heartily into the questions and enterprises that related to the interests of the people whom he served. He was a pronounced and forceful enemy of all forms of vice. No saloon could exist in a town where he resided, except against his most vigorous and persistent protest. Whatever he regarded as detrimental to the social and moral welfare of the people, he condemned; whatever he regarded as helpful and ennobling, he approved. He never subordinated his convictions of right and duty to any personal or selfish ends. With clear discernment of high moral principles, he sought to adhere to them in all the walks of life. And thus, wherever he lived, he gained the respect and esteem of all high-minded people. They esteemed him for his manly character, and his unselfish devotion to the welfare of his fellow-men. Bro. Puffer was a preacher of more

than ordinary ability. He wasted no time in discussing trivial themes, but preached the fundamental truths of the gospel and preached them in "the demonstration of the Spirit." Joined with his scholarship, which was of no mean order, was an ever-growing love for the work of the ministry and an increasing desire to win souls to Christ. His ministry was peculiarly helpful to the distressed and bereaved, for he had a heart that was easily touched with the feeling of their affliction. He was a diligent pastor, frequently entering the homes of his people and blessing them by his personal ministrations. The news of his sudden death brought grief to many a heart which he comforted in the time of sorrow and to many a soul brought into the Kingdom of God through his ministry of the word. His considerateness of the comfort and welfare of others and his keen sympathy for the unfortunate and distressed were conspicuous traits of his character. The last motion I heard him make in our recent Conference session was that a letter of sympathy be sent to a sick brother on the Pacific coast. He was a genial soul, full of the sunshine of God's love and happy in the work of the Lord. I was frequently in his home and saw something of the wealth of affection which he bestowed upon his little family. I have been there when his duty was to nurse the sick of his own household, and have seen the warm, tender love of a true husband and father shine out in his gentle ministrations. He loved his home. He was supremely happy in the little circle of souls he could call his own. The memory of his pure, noble, unselfish life will be an abiding benediction.

## MARGARET E. BENTLEY.

Margaret E. Bentley was a daughter of Rev. Thomas and Catherine Watson.

Through them she was a descendant of that sturdy Scotch-Irish stock, the energy and influence of whose brawn and brain have borne such abundant fruitage in the church and world.

In various respects her lot and privileges in life were favored,--a fact she recognized and to which she at times gratefully referred.

The years of her childhood and early life were passed in the home of a Methodist preacher and pastor—her father being for many years and until his death, a worthy and honored member of the Central Illinois Conference.

During a few years she was a student in Hedding College at Abingdon, Illinois. Later she was for several years a teacher in the public schools in or near Victoria, Pre-emption, New Boston and other places in Illinois, and Bellwood in Nebraska. At the last named place she was united in marriage on November 1, 1883, to Rev. E. N. Bentley of the Central Illinois Conference, and until the failure of his health shared with him the work of the Methodist ministry.

As a daughter and sister in the home of her parents, as a student and teacher in the schools, and as her husband's companion and co-laborer, she faithfully met the obligations devolving upon her.

Naturally she was of a quiet, unassuming and tender-hearted disposition,

and in early years became a follower of Him who is "meek and lowly in heart," and steadily trod to life's close the path marked by His footsteps. As a Christian her life was governed by the principles of faith, truth and righteousness. Her faith in Christ was abiding, her love of the truth unvarying, her adherence to the right unswerving. As a member of the church she was in full accord wih the doctrines and discipline of Methodism, and was constantly interested in its work, not only in the home, but also in all the continents of the earth and in the islands of the sea, wherever her agencies are engaged in extending the Kingdom of Christ. With an ever-increasing interest she closely read the pages of the numerous periodicals of the church that from week to week came to her home, and thereby kept herself well informed in respect to both the work and the workers in the vineyard of the Lord.

It was altogether fitting that one whose life's activities had been very largely spent for the welfare of others should terminate her activities in the way she did. On a Thursday afternoon she spent the hours in visiting a number of sick neighbors in the village, returning to her home not until after the evening sun had set. The next morning she spoke of not feeling very well. A few days of illness followed, and these were succeeded by days of improvement in which she seemingly was on the rapid return to her usual health. But very unexpectedly and suddenly a marked change in her condition became apparent. The skilled and experienced physician was hastily summoned. But the most careful and thorough examination failed to determine either the nature or the lurking place of the malady that so soon was to serve as the silent, coming messenger whispering the call from the earthly home to the Heavenly one. Three days later, on the morning of Good Friday, April 10, 1903, having suffered but little during the two weeks' illness, in the full exercise of her mental faculties and conversing until the last moments, she in an instant vanished from the life here to enter upon the life yonder. The morning of the day commemorative of our Lord's passion on the cross ushered her into the resplendant glories of the eternal Sabbath.

After appropriate funeral services her body was laid to rest on Easter Sabbath in the cemetery of her home village, West Jersey, Ill., in confident hope of a glorious resurrection.

"For resurrection fulness there is resurrection power,
And redemption's song of gladness shall glorify each hour;
For common days are holy and the years on Easter-tide,
To those with their risen Lord, in risen life abide."

## MRS. GRAVES.

Mary Unity Fletcher, wife of Rev. William Plummer Graves, was born in Shelburn, Vermont, December 22, 1818. By paternal ancestry she belonged to the renowned Fletcher family of New England, many members of which have occupied prominent positions in social, religious and civil life. Her early education was in common schools, where she herself became a teacher when quite young. Afterwards she was a student in Charlotte Female Seminary, and finally in Troy Conference Academy, where in 1842 she became acquainted with her husband who was in the double capacity of teacher and student in the same Academy.

When about fifteen years of age she was converted and became a life long

member of the Methodist Episcopal church. She was married October 4, 1847, to William Plummer Graves, who was a member of the Troy Conference. By her pleasing personal endowments and social bearing, her educational discipline, rare prudence and good judgment, combined with consistent piety, she was well qualified to enter upon the duties of a pastor's wife. One who knew her well from date of marriage to January 27, 1903, (the time of her passport to the Heavenly world) testifies that her "entire life was an object lesson of all that is beautiful in the graces of the Christian religion, and all that is lovely in the ministries of the Christian home."

Her religious life was not especially obvious by formal professions or statements of religious experiences, but by unselfish devotion to every duty, and to the interests of everyone around her, not merely of members of her own family and of the church, but to the interests of every needy or unfortunate one to whom she could extend comfort or relief. No such one was ever turned coldly away. If material aid could not, words of sympathy and kindness could be given. She was a lover and daily reader of the Holy Bible. A lover of all the institutions of the church, especially of the itinerancy and the distinguishing features of early Methodism. In evidence of this she accepted every position and condition with all their toils and sacrifices assigned in the order of the church, not only without a murmur, but with most cheerful acquiescence. She was a devoted reader of literature of the church and of her country, and deeply interested in their great leaders and movements, especially in our missionary work. In evidence of this, her last reading was that wonderful volume of Bishop Taylor, "The Story of My Life."

Yet it may be truly said, her home with her family was her empire where she ruled without ostentation, by the scepter of love. She ever maintained rare sweetness and gentleness in temper, and uncommon charity and kindness in all her conversation. "The law of kindness was in her tongue." By her life, everywhere, at home or abroad, was personified the beautiful ideal of Charles Wesley in the stanza

"What never speak one evil word,
Or rash, or idle, or unkind,
How shall I, most gracious Lord,
That mark of true perfection find?"

During many years of her life she was a great sufferer. During the last two years this suffering was much aggravated by a broken limb, but all was borne with heroic Christian patience, without a word of murmur or complaint. Near the close, when inquiry was made if she was sustained by the presence of the blessed Savior, she responded with tearful gratitude, "How could I have borne all this without His presence and help?" Doubtless she now beholds and rejoices in His glory, who has said "Ye shall be mine when I come to make up my jewels."

The funeral services were held in the family home in North Pasadena, California, with a large assemblage of friends and neighbors. They were conducted by Rev. Isaac Jewell, pastor of the church, assisted by Rev. A. W. Lamport, pastor of the First M. E. church, and Rev. Alfred Inwood, pastor of the Lincoln Avenue church, and Rev. A. C. Manwell.

The aged husband, four daughters and two sons, are left in sorrowful be-

reavement, but having this blessed consolation assured them, that the beloved one has passed to that blissful land where all "tears shall be wiped from all eyes."

## BISHOP FOSTER

From the beginning our Conference, in our memorial services and our Minutes, have made mention of the passing away of our chief pastors, our beloved Bishops. This year we have to record the death of two great men on the Episcopal Board. The date of their departure was so nearly identical that their bodies lay dead and not entombed at the same time.

Randolph Sink Foster was a native of Williamsburg, Ohio. He was born Feb. 22, 1820, and died at his home at Newton Center, Mass., Friday night, May 1, 1903, in the 84th year of his age. He was a student in Augusta college in Kentucky in the days of the eloquent President Henry B. Bascom, but before completing his course he was called out into the ministry. He was, however, a student until the end of his life. He took rank at once, though but seventeen years of age, as a preacher of remarkable power. In his early ministry he was a great revivalist, and had many accessions. People of all classes thronged his ministry. He was emotional as well as logical, and while he informed the mind he powerfully moved the heart.

After traveling several circuits, he was stationed for some years in Cincinnati, and in his thirtieth year he was transferred to the New York Conference and stationed in Mullberry Street church. About that time he published a volume entitled "Christian Purity," which has long been in the Conference course of study, and helped many of us to see our glorious heritage of perfect love. After a few years in the pastorate in New York, he was elected president of the Northwestern University at Evanston, Ill. Returning to New York in 1860 he filled various pastorates in the city and vicinity until elected professor of Systematic Theology in Drew Theological Seminary. At the death of Dr. John McClintock, he was elected president of that institution. In 1872 at the General Conference held in Brooklyn, he with seven others was elected Bishop. Five of those Bishops have been enrolled among our honored dead—Foster, Harris, Wiley, Haven, Peck.

When president of Northwestern University, Dr. Foster visited this Conference at its first session in Peoria in 1856 and preached a sermon of marvelous power, which to use one of his own figures, moved the great audience as the trees of the forest are moved under the pressure of the tempest. He visited us again at the session in Bloomington in 1858. After he became Bishop he held our Conference at Canton in 1881, at Peoria in 1886, and at Watseka in 1892, and at each of these Conferences preached with great power. In later years he was engaged in writing a series of "Studies in Theology." Six large octavo volumes have been issued, but he was not spared to finish the great work.

In personal appearance Bishop Foster was commanding. When young he was slender. As he grew older he increased in weight, but never disproportionately to his lofty stature. His piercing eye, the benign expression of his countenance, his erect posture, combined to make a powerful impression before he uttered a word. His voice did not excel in depth or variety of tone, but it always clearly expressed his thought and feeling; sometimes in the excitement of a fervid peroration there was a startling energy which rang out like the

sound of a clarion. He was a man of deep piety, and in his intercourse with his friends he was as simple and unassuming as a child.

His departure is a loss to the church, but his influence still lives in the world. We have no doubt that he has joined the great majority "Beyond the Grave.' May his mantle fall upon his sons in the gospel.

## BISHOP JOHN F. HURST, D. D., LL. D.

John Fletcher Hurst was born near Salem, Dorchester county, Md., Aug. 17, 1834, and died May 4, 1903 He was buried May 7th in the Rock Creek cemetery at Washington, D. C., Bishops Fowler and McCabe representing the board of bishops at the funeral and making appropriate addresses. Bishop Hurst graduated in his twentith year from Dickinson College in 1854, and spent the next two years in a post graduate course in Halle and Heidelberg, Germany. He returned home and entered the pastorate by uniting with the Newark Conference in 1858. For the next eight years he continued the work of the pastorate, when he was chosen principal of the theological school of our church in Germany. In 1871 he became professsor in Drew Theological Seminary at Madison, N. J., and in 1872 he was advanced to the presidency of the institution. In 1880 he was elected Bishop in Cincinnati, Ohio, and for twenty-three years has served the church in that capacity. Bishop Hurst was married twice. In 1859 he was married to Miss Catherine Elizabeth LaMonte, the daughter of William LaMonte of New York. She died in March 1890, leaving four children —John LaMonte Hurst of Denver, Col.; Carl Bailey Hurst, Counsul General to Vienna; Paul Hurst, First Lieutenant in the army, and Miss Helen Hurst. In the fall of 1892 Bishop Hurst was married to Miss Agnes Root of Buffalo. To them was born one son who is in Paris. Bishop Hurst was preeminently a scholar and an educator. Some of his best literary work was in translation. Between 1855 and 1897 he averaged more than a book every two years. He was naturally a linguist and could converse fairly well in seven languages. He went to Germany in his young manhood when but few went abroad for educational purpose. He was a prince in history, literature, and biography. He wrote his history of rationalism when he was comparaitvely young In the educational world he accomplished enough for an octogenarian. He was a phenomenal worker. He was constantly writing editorials for his church papers or for his books. Longfellow wrote a book of poetry while his coffee pot was boiling in the mornings. Bishop Hurst was equally economic of his time. and usually between trains was in search of old and rare books or getting articles ready for the press. His great fervor took tangible form in the Washington University. He desired to establish in Washington the American university and to have it permeated with the spirit of evangelical protestantism. He was an extraordinary man. On historical themes and in extemporaneous address in such bodies as the General Missionary Committee he had but few equals. He was a many-sided man. When Drew Seminary was greatly embarrassed he came to its rescue with the courage of a Caleb or a Joshua and with an iron will like Paul or Bismarck. With the assistance of Dr. Butz he won for Drew one of the greatest financial victories in the history of our church. He was unique in this that he moved in an intellectual orbit peculiarly his own. The Bishop was affable and kind-hearted, yet too earnest and real ever to give any time to mere policy or the frivolous. He trusted God with the simplicity of a child.

Bishop Hurst held our Conference twice, in 1880 and 1897. When he was with us in 1897, he preached with great liberty and power. In that memorable sermon he said the reason why Jesus Christ had no monument erected unto him with the great men of the world is that he is not dead, but alive forevermore. Bishop Hurst needs no monument in marble to perpetuate his memory for while the history of our church shall last and the university at Washington remains his monument shall abide. David shall find a harp and Peter a place for his enthusiasm and Paul an opportunity to glory in the cross, and our sainted Bishop Hurst new fields for research when the golden pot of manna is unsealed, "and the Lamb which is in the midst of the throne shall feed them and shall lead them unto living fountains of waters and God shall wipe away all tears from their eyes."

# Ministers' Wives' Association.

FRIENDSHIP, CHEER, HELPFULNESS.

The second hour of Saturday afternoon at Conference has come to be the hour of the meeting of the Ministers' Wives' Association. This year thirty-five members gathered in the lecture room to take another step in the path whose guide posts are the words of our motto.

In the absence of the President, Mrs. Frizzelle, the meeting was called to order by Mrs. VanPelt, the 3rd Vice President. In accordance with the usual custom the wife of the Presiding Bishop was made an honorary member of the association. It was our good fortune this year to be favored with Mrs. McCabe's presence and counsel. Her loving, earnest words and the excellent advice she gave to the young wife of the preacher will ever be gratefully cherished.

During the past year two chain letters have been sent out to the Association members in the Peoria and Galesburg districts. In one district the ladies each added a postscript to the original letter and passed it on. In the other each woman wrote a personal letter to the next one on the list, folded it in with the previous contributions, and sent it on its way of cheer. The reading of these letters was one of the most interesting features of the meeting. Would that every parsonage committee in the Conference could have listened as one writer after speaking of a "parsonage in beautiful order throughout" added "When one is physically and aesthetically accommodated it is easier for the moral and religious nature to prosper." In these letters the wife of two years and the wife of twenty-three years told of their endeavorors and their joys. In them, as one writer said, was "pihlosophy, history, romance, and above all, the science of true living." But perhaps their most striking feature was the happiness and content, the affection and loyalty so universally expressed. After the reading of the letters time was given to a free discussion of many things that interest the women of the parsonage.

Officers were elected for the ensuing year as follows: President, Mrs. Frizzelle; First Vice President, Mrs. Wiley; Second Vice President, Mrs. Buckey: Secretary, Mrs. Robinson; Treasurer, Mrs. Van Pelt.

After a closing prayer by Mrs. McCabe, the meeting adjourned.

MRS. G. C. SHAFFER, *Secretary pro tem.*

# II. Reports of Standing Committees.

## AMERICAN BIBLE SOCIETY.

WHEREAS, We recognize the worth and indispensible value of the American Bible Society in the co-operation with our Missionary Society. Therefore

*Resolved,* 1. That we heartily congratulate the American Bible Society on the greatness of the work accomplished, and on the economy with which it is conducted; and that the entire amount of money from collections is applied directly to the printing of Bibles, as the rentals from the Bible House meet the current expenses.

*Resolved,* 2. In view of the recent reduction in collections we are more forcibly than ever before confronted with the growing needs of the Bible cause, we will urgently present its claims to our churches and endeavor to secure the apportionments in full.

*Resolved,* 3. Inasmuch as the resolutions in last year's Minutes to apportion to our charges for the American Bible Society an amount equal to 5 per cent of the apportionment for Missions was not carried out, and that we request the Presiding Elders this year to apportion it, and we will endeavor to secure the full amount.

*Resolved,* 4. That we repeat the request of last year, which was not carried out, to arrange according to the directions of the General Conference, an anniversary of the Society at the next session of the Annual Conference.

*Resolved,* 5. That we have heard with profit the presentation of the claims of the Bible cause to our Conference by Dr. Pearson, and that we will avail ourselves of the offer of free literature for use in presenting the work to our churches.

J. L. MILLER, *Secretary.* S. P. JAMES, *President.*

## CHURCH EXTENSION.

We congratulate the Church upon the great achievements of the Board of Church Extension and rejoice in the efficiency of the present management.

We recognize the fact that the work of this society is necessary to secure the greatest efficiency and permanancy of all other agencies of the Church for the extension of Christ's kingdom.

*Resolved*, 1. That we pledge our hearty co-operation in all the plans of the Board of Church Extension, and that we urge all our people to make a hearty response to the appeal of the Board for larger contributions to this great benevolence that our Church may be able to embrace the magnificent opportunities that confront her in every section of the Church, especially the growing new fields in the South and West.

*Resolved*, 2. That we recommend a larger use of the publications of the Board of Church Extension, to the end that our people may have adequate information upon the subject.

*Resolved*, 3. That we record our pleasure in the visit of the Rev. W. D. Parr, D. D., who represented the Board of Church Extension, and whose presence and addresses were a source of great edification and pleasure.

J. A. JOHNSON, *Secretary*. G. C. SHAFFER, *President*.

## CHURCH INSURANCE.

Your Committee on Church Insurance submits the following report:

We rejoice in the continued prosperity of our Mutual Church Insurance Company whereby our people can have their church and parsonage property, and our pastors their personal property, protected against loss either by fire or wind at the minimum cost and on the easiest terms. We most heartily recommend it to all our brethren in the ministry, and to all trustees of our property.

C. T. OSCAR SCHACHT, *Secretary*. J. J. HUNTER, *Chairman*.

## DEACONESS BOARD OF NINE.

We have received $150.00 from the Trustees of the Gamage Building for Deaconess work within the bounds of the Conference.

We make the following recommendations:

For License and Consecration as a Deaconess—Miss Margaret Wooldridge.

For renewal of License—Mrs. N. C. Radford, Miss Mamie Dodge Cook, Miss Jennie Elsdon.

For Transfer—Mrs. N. C. Radford, to the Rock River Conference.

We nominate as follows for the Board of Nine for the ensuing year:

For three years—Thomas Doney, Mrs. Marie Rogers, Alfred Dixon.

For two years—A. M. Stocking, Mrs. Samuel Van Pelt, Mrs. C. V. Engstrom.

For one year—C. O. McCulloch, William Hazzard, W. W. Wyatt, M. D.

Respectfully submitted,

THOMAS DONEY, *Secretary*. C. O. MCCULLOCH, *President*.

## DEACONESS WORK.

With pleasure we note the increasing interest of our pastors and people in the work of the Methodist deaconesses. These trained and consecrated women have been found almost uniformly helpful as visitors, evangelists and assistant pastors. Among the poor and suffering their ministrations have brought comfort

and hope to many. Their usefulness has been fully proved by the successful work accomplished.

We suggest the judicious employment of these helpers in our cities, towns and rural charges. We commend the work done in the Central Illinois Conference Hospital and in Peoria among the poor.

We recommend that our pastors call the attention of our Epworth Leagues, Junior Leagues, Sunday Schools and Ladies' Societies to the good that can be done by sending all kinds of supplies and money to the Deaconess Home in Peoria, and the Methodist Deaconess Orphanage and Epworth Children's Home at Lake Bluff.

We suggest that the doors of our churches be open to the proper representatives of the Orphanage and Children's Home, and Deaconess Home at Peoria, rather than to other home finding associations not under the control of our own Church.

T. S. PITTENGER, *Secretary.* S. P. ALFORD, *Chairman.*

## DEACONESS HOME.

The Trustees of the Deaconess Home and Hospital of the Central Illinois Conference of the Methodist Episcopal Church submitted a report covering the following points:

1. The institution has been doing most excellent work, but has been closed on account of certain legal complications.

2. In order to adjust these matters and provide for the continuance and increased usefulness of the institution, it has been deemed necessary that two additional lots be purchased. One of these has already been bought at a cost of $6,000 and an effort is being made to secure another.

3. In order to obtain funds with which to pay for these new lots the Conference is asked to provide for the taking of collections in the various charges.

A. W. LOWTHER, *Secretary.* F. W. MERRELL, *Chairman.*

## DOMESTIC MISSIONS.

The Domestic Missionary Society of our Conference has done in the decade of its history valuable service in making it possible to open new work and in supplementing the meager salaries of faithful and heroic pastors. The wisdom of its organization has been amply justified.

The great increase of foreign born population within our borders, and the strong tendency to centralize our work in cities and villages to the neglect of rural communities makes the continuance and enlargement of the work of this Society imperative.

In our judgment the money expended by our Domestic Missionary Society for evangelizing our home field, thus preserving and enlarging the base of supplies for all our benevolent enterprises is wisely spent; and further, we believe the expenditure of this money is in the spirit of true Christian brotherliness—the strong helping to bear the burdens of the weak.

We lament the decrease in the collections for Domestic Missions this year. A much larger amount of money is needed to do efficiently the work that is

sorely needed, and that could be wisely undertaken if increased help from this Society could be assured.

We recommend that the officers and Board of Managers of this Society be instructed to expend the funds of the Society where it is most needed, and where it will do the most good, whether that be in rendering judicious aid to existing charges, for opening new work, or for providing Deaconess help in special cases.

We regret that so many of our charges have failed to respond to this cause, and we are convinced that the failure lies against the ministry rather than the laity. We therefore urge that the collection for Domestic Missions be taken early in the Conference year and promptly sent to the Treasurer, so that a mid-year disbursement may be made to those who are to receive this much needed aid in their work.

We nominate for officers and managers for the ensuing year the following: President, J. B. Dille; Vice President, D. B. Johnson; Secretary, D. F. Wilson; Treasurer, B. F. Eckley.

Managers: M. V. B. White, W. R. Wiley, J. W. Frizzelle, J. H. Batten, A. H. Smith, Robt. Van Tassel, Jacob Stresser, O. A. Proctor.

C. F. W. Smith, *Secretary.* F. E. Shult, *President.*

## EDUCATION.

### HEDDING COLLEGE.

Hedding College has just closed one of the most remarkable year's work of its history. What with the improvements made in the equipment, with the almost unprecedented financial record made, and with the unusual progress that has obtained in every department of the College, the story of the work of the last year is inspiring. The improvements made within the year representing gifts from various sources, aggregate $1,600. In addition, several smaller gifts to the permanent endowment fund have been received. The new gymnasium building, planned by twenty business men of Abingdon, is rapidly nearing completion and will cost, completed, almost $5,000. In two years, the attendance at the College has been increased forty-seven per cent and the financial income has been increased proportionately. The salaries of all the members of the Faculty have been paid in full. The teaching force has been increased each year and far better advantages are now offered than were afforded in former years. The curriculum has been modified greatly and while it emphasizes in due manner the foundation work necessary to the best college education, it has at the same time given a broad range in elective work.

The new Chemical Laboratory, the gift of the people of Abingdon, and of the Board of Trustees, now affords every opportunity for the best work in that department. The new Gymnasium is in charge of competent instructors and the Faculty now requires every student in Hedding to take regular class work in Calisthenics under these instructors. Recently, a consignment of Springfield rifles was received and a company of cadets has been organized among the students and practical training is given in military drill.

Hedding College affords unusual advantages. It is our only educational institution of similar grade in this section of the state entirely removed from the

influences of the saloon. The environment is conducive to the best work of the student, and the student body is exceptional in intelligence and character. The literary societies continue to offer an important phase of work looking toward the best development of the student. The College is free absolutely from cliques or clubs, fraternities or sororities. The rich and the poor alike are rated according to relative worth in character.

But best of all, our Conference College maintains a deep interest in the spiritual welfare of its students. The effort to develop the body and the mind is subordinated to that which looks toward bringing the student into harmony with himself and with his God.

The results noted are very largely due to the loyalty and self-sacrificing spirit of co-operation shown by the ministers of this Conference and to them the Board of Trustees, the Faculty and all concerned are under a debt of gratitude.

With a view to showing the appreciation of the efforts of the Church in behalf of the College and with a view to helping at the same time most worthy young people of the Church who cannot attend college without financial aid, the Executive Board propose to give, through the Faculty, for every forty dollars received from the Educational Fund, scholarships to deserving students from the territory west of the Illinois river and to authorize the official board of every church in the territory indicated to elect to the privileges of such scholarships in Hedding one student for every forty dollars given by that church to the public Educational Fund.

We recommend for election as Trustees—Ministerial, F. E. Shult, M. L. O'Harra, Thomas Doney, T. E. Newland. Laymen, Chas. M. Beecher, R. E. Ward, J. B. Smith, Ira Cottingham. Conference visitors, R. T. Ballew, R. L. Vivian, J. H. Batten, E. C. Anderson. Officers of the Joint Board, John H. Ryan, President; R. E. Ward, Vice President; S. T. Mosser, Secretary; Chas M. Beecher, Treasurer.

GRAND PRAIRIE SEMINARY.

The last school year has been the most prosperous in the history of the institution. Growth and progress have been noticeable in every department. An enrollment of 312 students has been registered, showing that in five years the attendance has been doubled. Increasing attendance has been keeping pace with the improving conditions of the Seminary.

The financial situation is exceedingly gratifying. The income from tuition alone was over $11,000 as compared with a little over $5,000 three years ago. The result of this large income has been greater facilities and advantages for its students in the form of better equipment in library and apparatus, and particularly in the more competent and better trained instructors that have been employed. The instruction in the various departments is of a high grade of excellence and is probably unexcelled by that of any secondary school in the land.

The religious life of the student body is a healthy and active one. The student prayer meetings, the Christian Association devotional meetings, and the Bible study classes are well attended and stimulating to student character. A large number of students entered the new life during the revival last winter.

Bright prospects mark the opening of the new year. A department of Pedagogy has been organized, which promises to become a very important factor in

the school. By the pledge of $10,000 by William A. Rankin, and of $5,000 by the Alumni, a splendid beginning has been made for the building of a $40,000 recitation hall to accommodate the rapidly increasing number of students. The urgent needs of the institution fairly promise to push the undertaking to consummation.

Great credit is due to the wisdom of the administration, the efficiency of the instructors, and the hearty co-operation of the Trustees for the growing success of the institution.

We recommend as official visitors, J. C. Zeller, J. F. Robinson, B. B. Evans.

The Trustees of the Seminary respectfully request that the Central Illinois Conference approve the election of the following Trustees for a term of three years: John K. Egley, C. E. Carter, Edwin L. Wheeler, Henry Knoche, George Booth, Richard R. Meents.

ILLINOIS WESLEYAN UNIVERSITY.

We heartily commend the efficincy of the Faculty, the high moral tone of the school and the excellent quality of the work done by the students.

The Law School maintains a leading place among similar institutions of the country and is to be congratulated upon its increasing prosperity.

The post-graduate work is of a high order and commends itself to the confidence of the church.

We gratefully acknowledge the generous bequest of Sanford Hoots, of Humboldt, Ill., consisting of a village property and one hundred and twenty-three acres of land valued at $16,000, subject to the life interest of his widow.

We recommend as trustees, Joseph Cumming, L. F. Cullom, Herbert Powell of Fairbury, and Wm. A. Watson, of Normal. We recommend as visitors, John H. Ryan, Joe Bell, F. J. Giddings, A. R. Morgan, Wm. Woolley and R. B. Seaman.

THEOLOGICAL SCHOOLS.

We learn with pleasure of the increasing prosperity and efficiency of the Theological Schools of our church, Garrett, Drew and Boston. We feel sure that there never was a time when these schools more richly deserved the confidence and support of our Conference. Their ample endowment makes possible equipment adequate to their needs, while the high scholarship, Christian character and deep piety of the members of their faculties are a guarantee that the young men who sit under their teachings will be helped both intellectually and spiritually. In these days of wide-spread questioning we believe that nothing will more firmly establish our young men in the things fundamental to our faith than to face these questions under the guidance of the reverent and devout scholarship found in these schools of the prophets.

We urge that our young men, who are looking forward to the work of the ministry, and those who may feel the need of a larger preparation for their work, to avail themselves of the opportunities afforded by these schools. We especially commend Garrett Biblical Institute, whose able president, Dr. Charles J. Little we have heard with great profit and delight, to the young men of our Conference.

We are glad to know of the success of the Summer School of Theology held under its auspices during the past summer and to learn that plans are al-

ready under way to make the course for the coming year even stronger and more attractive. We hope many of our ministers will plan to attend.

We recommend as Conference visitors, W. E. Shaw for two years, and R. E. Buckey for one year.

NORTHWESTERN UNIVERSITY.

Northwestern University offers greater advantages than ever before. Advancement and prosperity characterize it in all departments. We regret the resignation of President Edmond J. James, but feel assured that the same careful canvass made and the calm judgment exercised by the Board of Trustees on former occasions will be manifested in the choice of his successor.

We recommend the reelection of J. Wellington Frizzelle as Trustee for the term of two years, and recommend as official visitors, T. W. McVety and R. B. Williams.

We urge that every pastor preach the regular educational sermon any Sunday during the month of May, and impress upon the young people of our church the importance of attending one of our own schools. We request that the general educational collection be taken at this service and not be included in the omnibus plan.

WHEREAS, The General Conference has provided for a Public Educational Collection;

*Resolved,* That the Presiding Elders be requested to fix the amount of this collection and to apportion it among the churches;

*Resolved,* That the collections taken in the churches north and east of the following line shall go to Grand Prairie Seminary: viz, from Ottawa to Streator on the Chicago, Burlington & Quincy Railway from Streator through Pontiac on the Wabash Railway to the intersection of the boundary line of the Kankakee District with said line of railway, including all churches on said lines of railway between the points mentioned, and all churches in the Kankakee District.

*Resolved,* That the collections for this fund taken in the churches in the Central Illinois Conference west of the Illinois river shall go to Hedding College.

*Resolved,* that the collections for this fund from the remainder of the Conference shall go to the Illinois Wesleyan University.

We congratulate the church on the selection of Dr. W. T. Anderson as Secretary of the Board of Education and pledge him our hearty co-operation in promoting the educational interests of the church.

J. C. ZELLER, *Secretary.* F. G. BARNES, *Chairman.*

## EPISCOPAL FUND.

In accordance with the requirements of the Discipline, the Book Committee at its recent session fixed an amount which it deemed necessary to meet the claims of the Bishops and those of the widows of deceased Bishops for the year.

The Committee also divided the sum among the Annual Conferences on the basis of the amount raised for ministerial support including house rent, exclusive of Missionary appropriations.

The amount apportioned to our Conference for the ensuing year is $2467.

Our Conference fell short of its apportionment for last year to the amount of $960.

Upon investigation we find that a pro rata of one and one-half per cent of the salaries paid during the year just closed will meet the amount in full.

And we therefore recommend that the Presiding Elders apportion the amount needed for this fund equitably among the churches.

We further recommend that each Pastor use his utmost diligence to raise the full amount for the Episcopal fund.

D. McLeish, *Secretary.* Wm. Woolley, *Chairman.*

## EPWORTH LEAGUE.

The Epworth League is no longer an experiment but a tried institution. It is of untold worth to the church and should be worked in all its departments. The fourteen years of faithful service given by Dr. J. F. Berry to the Epworth League bore fruit an hundred fold and we regret the loss of such valuable service from the editor's chair and secretary's desk, but wish to compliment the General Conference in its selection, and congratulate Bishop J. F. Berry for having such an high honor bestowed upon him and pray that the Lord "with long life will satisfy him" that he may be a pillar in the church millitant for years to come.

While we regret the loss of Bishop Berry, we congratulate the General Conference in being able to secure such men as Drs. Herben and Randall for the editorship of the *Epworth Herald* and the secretaryship of the Epworth League, and with Bishop Berry as General President we anticipate greater things for the future than has been accomplished in the past. We pledge our support to all well directed plans for the world's evangelization and rejoice that there is set before us an open door. We believe in the new movement, in aggressive evangelism, entitled, "Fellow Workers' Covenant," and urge that the members of the Central Illinois Conference present the matter to the individual Chapters within our bounds.

We rejoice that such fine systematic Bible and Missions Study has been planned for use in the League and pledge to use our influence in establishing classes within each Chapter.

We are glad to notice the increase in the circulation of the *Epworth Herald* and believe that the standard of 150,000 subscribers should be speedily realized.

We recommend the following persons for Conference officers:

President, T. E. Newland; Secretary, Will J. Leach; Treasurer, Orvil P. Graves; Junior League Superintendent, Eddy McOmber.

J. A. Alford, *Secretary.* C. F. W. Smith, *President.*

## FREEDMAN'S AID AND SOUTHERN EDUCATION.

Whereas, The Freedman's Aid and Southern Education Society is producing such magnificent results in property and education and also in men and women of Christian character and consecrated service, who have learned the higher courage of conquering their own spirit; and

Whereas, the Society needs larger amounts of money to enable it to meet

its opportunities, so wonderfully opened by God to it and so greatly needed by the people among whom it works; and

WHEREAS, Our Conference fell short $150.00 of last year's collection and so greatly below the amount asked, therefore, we earnestly ask our pastors and people to make a decided and persistent effort to largely increase their offerings for this worthy and useful benevolence, and we pray that God may awaken us to our privilege and duty in this work.

We also desire to express our appreciation of the earnest and stirring address given at our Conference by our beloved brother, Dr. M. C. B. Mason, and we assure him of our loyal support in his splendid work for his people.

O. A. H. DE LA GARDIE, *Secretary.* R. B. SEAMAN, *President.*

## MISSIONS.

It is a matter of congratulation to the whole Church that so broad an opportunity is given for the speedy evangelization of the world. All the great doors are open, and the Gospel of Jesus Christ may be preached in all the Continents of the earth and the islands of the sea. We rejoice that our people are learning to give systematically and that their liberality in the support of this cause so near the heart of Christ is advancing from year to year. Your committee again recommends that the provision of the Discipline, paragraphs 368-374 inclusive, be observed by the pastors of charges as the very best plan devised for reaching all our people to contribute for this holy cause.

We urge the organization of all our Sunday Schools into Missionary Societies and that our Epworth Leagues adopt such plans as may be suggested by their leaders, so that all the forces of our beloved church be enlisted in this work. Such alignment would result in gathering a very much larger sum of money than has hitherto been collected. Without interfering with local church plans, we still insist that no better observance of Easter Sabbath could be devised than that of making it Missionary day throughout the whole church. A more general diffusion of Missionary information is necessary in order that our people be better instructed regarding the movements of the church throughout the world. Therefore we urge our pastors to send the names of all persons paying one dollar or more to the publishers of *World Wide Missions* that they may receive a copy of that periodical. We also recommend that a more decided effort be made to circulate the splendid line of tracts on missionary topics provided by our missionary secretaries.

R. L. VIVIAN, *Secretary.* L. F. CULLOM, *Chairman.*

## POST OFFICES.

In accordance with the urgent request and requirements of the Agents of the Book Concern we have listed the post offices within the bounds of the Conference by districts and charges, for the purpose and convenience of reaching the people of the church directly by correspondence in conducting the business of the Concern.

We recommend that pastors use due care in filling out the blanks, taking cognizance of the changes made by the rural free delivery system.

ARTHUR SMITH, *Secretary.* H. B. WARD, *Chairman.*

## SANCTITY OF THE SABBATH.

Recognizing the Sabbath as a day of rest and for spiritual development, we recommend that all Christians by precept and example, do their utmost to discourage all unnecessary labor on this holy day.

We enter our protest against all forms of Sabbath desecration, of which we especially mention Sunday visiting and feasting, Sunday picnics and excursions and base ball games.

The reading of secular literature on the Sabbath and the purchasing or reading of the Sunday newspaper at any time, is condemned by our Conference.

We recommend, as requested by the International Congress on Sunday Rest, the appointment of two delegates to said association meeting to be held at St. Louis Oct. 11-14, 1904.

Believing that it will be helpful to our charges, we ask our pastors when practicable, to have this report published in the local papers.

P. A. St. John, *Secretary.* F. R. Lord, *Chairman.*

## STATE OF THE CHURCH.

Convinced as we are that the responsibilities of the church are increasing and that all her influence and power will be necessary in the great work before her, we insist upon the highest standard of Christian experience, and greatest activity by all her ministers and members in evangelizing the world.

We deplore the fact that the country places are being neglected and that some vacant church buildings are to be found and that Sabbath desecration is on the increase. We recommend that our pastors go out into the by-ways and hedges and compel them to come in.

We urge that not only should the farmers and the mechanics leave their fields and their shops, but that merchants and professional men should leave their stores and their offices and present themselves in the sanctuary on the Sabbath day.

We recommend that more attention be paid to the children and that each pastor be as great a power in the Epworth League as possible.

We believe that no minister or layman is loyal to our church who ignores the resolution in our discipline regarding the liquor traffic, and we recommend that there be no uncertain sound from our pulpits regarding this great evil.

We recommend that the Bishop and his cabinet make the appointments of the pastors and that there be no meddling by pastors or people.

W. F. Dudman, *Secretary.* G. C. Shaffer. *President.*

## STATE OF THE COUNTRY.

It is with gratitude to Almighty God that we note the ever increasing prosperity of our country, which has enabled us to so largely increase our contributions to all the varied forces that make for the advancement of morals and civic righteousness.

We greatly rejoice that the statesmanship of our land has provided for the immediate construction of the Panama Canal, for when completed, it will not

only marvelously extend our commercial relations, but will also be a long stride toward the evangelization of the world.

We congratulate ourselves upon the statesmanlike policy of Secretary Hay, which has so efficiently preserved the "open door" in China and added to the dignity of our position among the nations of the earth.

We suggest, however, that to be wholly consistent we should also preserve the "open door" in America for at least that class of Chinese coming to our shores whose presence is for good and not for evil.

We deprecate the bitter antagonism of capital and labor so frequently manifested. Doubtless blame may be attached to both parties. Other things being equal, our sympathies are always with the man who toils, but that does not blind us to the fact that while capital is often cruelly unjust, so is labor also equally tyrannous. We bring no new solution of the ever present problem but an old commandment which we have heard from the beginning, "Whatsoever ye would that men should do to you do ye even so to them."

We most earnestly protest against all sorts of mob violence and are persuaded that all participants in such outbreaks should be treated as criminals and severely punished therefor. A speedy trial and adequate punishment for crimes of the grosser sort would doubtless eliminate many of the lynchings throughout the country.

We rejoice in the magnificent advance in the temperance sentiment of the nation, manifest in the commercial, industrial, and social world, and evidenced by an increasing civic and governmental spirit of moral progress, largely produced and fostered by the unceasing efforts and practical methods of the two chief enemies of the saloon in America—the Anti-Saloon League and the Woman's Christian Temperance Union.

M. L. O'HARRA, *Secretary.* J. H. BATTEN, *Chairman.*

## SUNDAY SCHOOLS AND TRACTS.

First. What the nursery is to the orchard, the Sunday School should be to the Church. "Train up a child in the way he should go, and when he is old he will not depart from it," does not seem to have its due consideration either in the home or the Sunday School.

The Christian parents of the Church do not seem to realize the possibility of so bringing up their children in the nurture and admonition of the Lord: that they may be kept from the paths of sin.

The child should be taught from its infancy that it is a child of God and a member of the body of which Christ is the head.

That this may be done in the Sunday School great care should be taken in the selection of officers and teachers.

We rejoice in the fact that nearly all of our Sunday Schools now use our own literature, and hope that in the near future all will do so.

Second. We are impressed with the importance and magnitude of the work done and to be done by the Sunday School Union in all Mission fields at home and in foreign lands, its help is greatly needed.

Therefore, let us as Pastors not fail to give to the claims of this Society the attention that it deserves and the Church requires.

We must not neglect one of the children of the family.

TRACTS.

This Society should also receive the attention that its importance entitles it to. It is one of the agencies of the Church that perhaps does not have the consideration it should, either in the amount of money given or in the use of the tracts published.

Let us as pastors of the Central Illinois Conference see to it that there be no blanks in any of our reports for either of these smaller collections.

A. R. JONES, *Secretary*. T. C. DAVIS, *Chairman*.

## TEMPERANCE.

Realizing that true Christian temperance has a much wider application than abstinence from the use of alcoholic beverages, we urge our people everywhere and in all things to recognize the duty of self-control.

Pastors should impress their congregations with the duty of restraining the indulgence of tempers, passions, and all evil tendencies, and Christian parents should teach their children the same lessons, to the end that church life may conform to God's law of temperance which requires total abstinence from all things injurious and the moderate use of things useful.

Touching the use of, and traffic in intoxicants, we make the following declarations:

1. Total abstinence from all intoxicating beverages and from narcotics is the duty of every individual, and especially of every Christian.

2. We reaffirm our previous condemnation of the license policy, holding it to be wrong in principle and ineffectual as a remedy. We declare that the only proper attitude of the church is that of uncompromising hostility to the liquor traffic in all its forms. We demand its complete local prohibition and pledge our best efforts to secure this result.

3. It is not the province of the church to control the suffrages of her members, but it is her province to teach great moral principles, and to this end, we utter our own profound conviction that no Christian should sustain a political party committed to the license policy. A political party that dares not defy the saloon does not deserve the support of the church. A party in which manly, Christian opposition to a corrupt and dangerous traffic is a bar to promotion, cannot consistently be supported by a Christian voter. But the foregoing must not be considered as in the interest of any political party.

4. We condemn the practice of the general government in collecting revenue from the violaters of law in prohibition territory, and we record our judgment that the collection of revenue from the manufacture and sale of intoxicants, adopted originally as a war measure, ought to be promptly discontinued.

5. We commend all organizations that are seeking to mitigate the evils of intemperance, promote the cause of total abstinence or secure the suppression of the traffic in intoxicating beverages, but we are persuaded that our own church should use her own machinery with increasing earnestness to secure these desirable ends, as the church of God is the only hope for the destruction of the saloon. However, we authorize and recommend the officers and managers of our own Conference Temperance Society to take part in any co-operative movements whose methods approve themselves to their judgment.

6. While denying the right of the majority to legalize evil, for the majority may be a tyrant as well as the king, yet in view of the fact that all the states of our Union save three are licensed states, we heartily endorse, in all the license states, the adoption of local option as a means of voting the saloon out, and we will do all in our power to secure the adoption of the local option measure advocated under the leadership of the Anti-Salon League of Illinois. To this end we will earnestly urge all our people to vote for no man for the next legislature of Illinois who is not openly pledged to support local option by counties, townships, cities, wards and villages.

7. The president and secretary of our Conference Temperance Society are hereby directed to communicate to every member of our next legislature the position and action of this Conference upon this subject.

8. We earnestly recommend pastors and temperance committees to provide for a liberal distribution of temperance tracts as published by the Temperance Society of the Methodist Episcopal Church or the Central Illinois Conference Temperance Society, believing that the distribution of good temperance literature is the best method of making a public sentiment to be the basis of legislative and executive action.

9. We cordially approve the action of the General Conference in providing for organizing Sunday Schools into temperance societies, and we will faithfully carry out the provision of the Discipline on this subject, and we recommend the Sunday School Temperance Society to include in their pledges the non-use of tobacco and profanity.

10. We reaffirm our action of one year ago against the restoration of the liquor canteen in our army, against any system of legislation by which the perilous trade in opium shall receive the sanction of the government, and we repeat our earnest appeal to Congress to pass the Doliver-Hepburn bill in order that the states severally may be able to protect themselves against the evils of the infamous liquor traffic, carried on in violation of state law under the plea of the right of interstate commerce.

11. We nominate John H. Ryan and Thomas Doney as delegates to the Nov. 16th to 18th, 1904, and recommend the continuance of J. G. Evans as our representative on the Board of Direction; all authorized to appoint alternatives.

J. G. Evans, *Secretary.* G. W. Gray, *Chairman.*

## SPECIAL TEMPERANCE COMMITTEE.

The denominational bodies in Illinois in 1903 appointed representatives to meet for the purpose of devising a plan for making the state governing Board of the Anti-Saloon League officially representative of the several branches of the church. The parties so appointed met at Springfield on April 21, 1904, and agreed to recommend to the bodies represented and to all others desiring to cooperate, favorable action upon and the adoption of the following:

*Resolved,* That we recommend to the churches of Illinois that the Anti-Saloon League of Illinois be recognized as the official representative of the federated churches of the state in the promotion of temperance work and legislation; and be it also

*Resolved,* That we recommend that the Anti-Saloon League as now con-

stituted change its constitution in such manner as to provide for control by a Board of Directors which shall be composed of the following persons:

First—Fifteen standing or permanent members elected by the Board of Trustees at the next annual meeting, five to be elected for one year, five for two years and five for three years, and five to be elected by the existing Board of Directors at each annual meeting thereafter, who shall serve three years and until their successors are elected.

Second—From the highest body of each church recognizing the League as above, one member for each twenty-five thousand of membership or major fraction thereof, to be elected by said body in its annual meeting to represent it in co-operative temperance work and that we recommend in bodies having more than one member the representation be divided as equally as possible between ministers and laymen (each body as above to have at least one representative).

This has already been concurred in by the State Congregational Association and the State Epworth League and State Christian Endeavor Union, the only large conventions so far held this year, while the Methodist, Presbyterian, Baptist, Congregational and Disciple preachers' meetings of Chicago have had direct representation for two years.

The following points should be noted:

First—This does not ask the church to turn over its temperance work to an outside society but simply to co-operate through the League with other churches and denominational bodies.

Second—This carries with it no legal financial obligations. No denominational body is thereby bound to contribute any fixed sum or assume any liability. It is self-evident that there is a moral obligation upon the churches to support the agency which is doing their own work.

Third—While the presence on the controlling Board of the League of chosen representatives of the governing or connectional body of his denomination is a pledge to every pastor or church member of the worthiness of the movement and the reliability of its management, the proposed plan avoids asking any ecclesiastical organization to name members of another organization. The persons named represent the bodies selecting them in associating with similarly named persons from other bodies in jointly directing work which cannot be done by any church singly.

Fourth—This proposition is based upon unequivocal declaration that the League does not seek recognition or claim existence apart from its constituent bodies, the churches, Sunday Schools and young peoples' societies. The League desires and proposes simply to be the "clearing house" for the utilization of the temperance sentiment which these are best constituted to create and strengthen, and the proposal to turn over the entire management insures the perpetuation of this policy unless the church itself desires something new.

Fifth—The offer to turn over the affairs of the League to a Board of Managers officially representative of the churches is comprehensive and absolute. It involves direction of policy, control of finances, and selection of officers. The League has accumulated experience, demonstrated how to do and not to do some things, and built up a "good will" which means unquestioned influence. We submit that it is the part of wisdom for the church to accept an established

agency rather than begin to experiment. If the League does not represent all that the church desires, here is the opportunity to make the necessary changes.

Sixth—There is no "Anti-Saloon League idea" except *the church in action against the saloon, claiming no interests apart from enlightened citizenship and a vital piety.* The League is designed to be the agent of the church for doing anything in the temperance field which the united church desires to undertake. It is certainly none the less church activity because it makes results possible by uniting the different churches. It does not in the least interfere with denominational activity or any work which any one church can carry through by itself.

Finally—Solution of the saloon problem is not possible except through union of the moral forces exemplified in the church. The League fails unless it is the means of consummating this union. The failure would be due not to fault in the plan, but to the unwillingness of the church to unite. But it is a demonstrated success. The churches are supporting it more and more. Now as a matter of equity and good conscience, because we have no desire to manipulate its growing influence as a personal asset, we offer complete control, including the very tenure of our own position, to the united church in Illinois, in order that it may go forward as a great fundamental practical movement, the very ground swell of righteousness, embodying at least the germinal idea of the ultimate solution of the saloon problem, which is "no saloon."

J. H. BATTEN.

## USE OF TOBACCO.

We hold that the high position taken by our Church must be vigorously maintained, therefore as ministers of the Gospel we should not only teach by precept but by example, and abstain from its use.

We ask that we use our influence to get professed Christians everywhere to discontinue its use.

O. P. GRAVES, *Secretary.* G. P. SNEDAKER, *Chairman.*

## WOMAN'S FOREIGN MISSIONARY SOCIETY.

We rejoice in another year of missionary activity and victory. The victory abroad has been made possible by the consecrated zeal of the W. F. M. S. at home. They have spread their literature broadcast, their zeal has impressed the people and God has used this to warm and quicken the missionary spirit so that larger possibilities are ours.

Having been inspired by the sacrifice and consecration of these noble women at home we know its results in the dark lands of the world are not only gratifying now but eternity alone will reveal its complete success.

Since the organization of the W. F. M. S. the parent body has not only received inspiration but its gifts annually are on the increase.

We pledge our further support and co-operation to this organization and pray God's blessing upon its labors.

T. W. PUFFER, *Secretary.* J. WILKINSON, *President.*

## WOMAN'S HOME MISSIONARY SOCIETY.

The report of the Woman's Home Missionary Society is encouraging, showing an increase of one thousand fifty-three ($1053) dollars in cash over the past year, and an increase of seven hundred twenty-five ($725) dollars in amount of supplies furnished the destitute. Inspired by "the love of Christ and in His name" these women are doing a great work in the South, on the frontier, and among the immigrant classes. We recommend the organization of additional auxiliaries, that our charges welcome representatives of the Society, and that the anniversary of the Society be continued at our Annual Conference.

Decision in case appealed to the General Conference by G. L. Taylor.

Report of the Committee on Judiciary No. 5 to the General Conference, May 16th, 1904.

## JUDICIARY.

In the matter of the appeal of Geo. L. Taylor against the ruling and action of Bishop C. C. McCabe in the Central Illinois Conference, it appears that one, F. H. Cumming, had been regularly tried by the said Conference, convicted and expelled from the ministry and membership of the Methodist Episcopal Church; that subsequently certain members of the Pontiac Quarterly Conference petitioned the said annual Conference to allow the said Cumming to again unite with the church; that when a motion was made in the said Conference to grant this permission, objection was made to its submission on the ground that it involved a violation of the law of the Church, Cumming not having complied with the requirements of paragraph 234, of the Discipline which says: "After a minister shall have been regularly tried and expelled, he shall have no privilege or society or sacraments in our church without contrition, reformation and confession satisfactory to the Conference from which he was expelled; that notwithstanding this objection, the question was submitted to a vote which resulted in a tie, whereupon the Bishop gave the casting vote in the affirmative and declared the motion carried; that the said Cumming has taken advantage of this alleged permission to secure membership in the church.

On these admitted facts we report:

First—That the above question should not have been submitted to the Conference, as it involved a violation of the law of the Church.

Second—That the Bishop erred in voting in the case, as the Bishops are not members of the Annual Conference and have no right to vote therein under any circumstances.

Third—That, as the said F. H Cumming had not complied with the requirements of the Discipline touching confession, contrition and reformation, and as the action by which he claimed the right to again seek membership in the Church was illegal, we find that the membership he has thus secured is null and void.

H. L. SIBLEY, *Secretary.* CHARLES W. SMITH, *Chairman.*

C. W. Smith moved the adoption of the report, the Bishop put the motion, and the report was adopted.

# Memoirs.

## EDWARD N. BENTLEY.

Rev. E. N. Bentley was born in Wellsburg, West Virginia, Nov. 5, 1838. When a youth he moved with his parents to Pennsylvania, where he resided till 1854, when the Bentley family emigrated to Illinois. In this state he spent the remainder of his life. His education was begun in the common school near his father's home and after his conversion at Brimfield on Jan. 28, 1859, being called to the ministry a few months later, he took up work at Allegheny College, Meadville, Pa., from which institution he graduated with honors in 1862.

Brother Bentley was granted his first local preacher's license at the home church in Brimfield the year of graduation from college, during the eldership of S. G. J. Worthington. In 1868 Edward N. Bentley became a member of Central Illinois Conference, was ordained deacon in 1870 and elder in 1872. During twenty-three years he served the following charges: East Cambridge, Maquon, Streator, Hennipin, Chebanse, Chatsworth, Orion, Milan, Hampton, New Boston, Trivoli, Chillicothe, Cuba, Biggsville, Gilson, London Mills, Vermont and La Prairie Center. Streator was the work he "pioneered," as he often put it. To his experience at that place he referred with grateful remembrance. There was his greatest sacrifice, there his greatest victory for Christ.

Edward N. Bentley was twice married. In 1865 Miss Lydia Bodine became his wife and for seventeen years she shared with him his trials and triumphs. Fourteen of these years were spent in the itinerant ministry. Mrs. Bentley died Feb. 24, 1882. He was married again Nov. 1, 1883, to Miss Margaret Watson, daughter of Rev. Thomas Watson. On April 10, 1903, she passed to her reward. In 1892 failing health compelled our brother to take a supernumerary relation. In 1895 he superannuated, locating on a farm near West Jersey, Ill., later moving to his beautiful home in the village, where death found him Oct. 22, 1903. The funeral of Brother Bentley was conducted in the M. E. Church at West Jersey the afternoon of Oct. 24, 1903. It was largely attended by the friends of the deceased, and was participated in by Revs. Samuel Van Pelt, C. F. Crane, G. P. Snedaker, J. B. Dille, John Wilkinson, C. E. Dunlevy, C. F. W. Smith.

Brother Bentley was a man of marked individuality and originality. He was a close student of the Word of God. This fact, together with his knowledge of God through a clear personal experience, made him a safe interpreter of the Scriptures. He had a peculiarly analytical mind that made his divisions of every text he handled, divisions of power. He was an exegete of no mean order. And how at home with God he was in prayer. He had a way of pleading with the Father in the Father's own words. He had a poet's vision, at least, the vision seen by many of the Lord's most worthy seers, he saw. His heart was full of the choicest verbal gems of literature and he could use them too.

He loved his church with a conservative love and was jealous of the record she has made. It was a source of great pain to him if he thought he saw her, in any way, truckling to the world. He kept in touch with the Church's move-

ments at home and abroad, and seemed ever to be well informed as to "Who was where" and what was doing in the parish of Methodism.

Bro. Bentley was a man of God, sure of his spiritual ground. He lived and died in the spirit of "Now I know in part, but I do know something."

C. F. W. Smith.

## GEORGE WASHINGTON SHAFFER.

Rev. George Washington Shaffer was born in Wycoming County, Penn., Nov. 16th, 1824, and died near Hermon, Ill., May 9th, 1904. His father, James Shaffer, was a native of New Jersey. His mother, Margaret Brooks, was born in Pennsylvania. The deceased was one of a family of fifteen children, three of whom survive him. Bro. Shaffer was twice married. The first time to Miss Amanda Logue, who died in 1855. To this union three children were born—Alonzo G., of Detroit, Mich.; Thomas, who enlisted in the Eleventh Illinois cavalry, and died in the hospital at Nashville, Tenn.; and Mrs. Emma Jones, of Knoxville, Ill. He was married the second time to Mrs. Sally Leigh, widow of Clark Leigh. She survives him and resides on their beautiful farm home near Hermon, Ill. Bro. Shaffer's relation to the Methodist Episcopal Church was a long and a faithful one. He was converted when a young man, and received his first license to preach in Rotten County Penn. He supplied several charges previous to his joining the East Genesee Conference in 1853. In 1855 he came to Illinois and supplied several charges, and in 1859 he was admitted into the Central Illinois Conference and served the following charges: In 1859, Wethersfield; 1860-61, French Creek; 1862, Kappa. In 1863 he was located at his own request. In 1872 he went to Washington Territory and joined the Columbia River Conference, where for ten years he did faithful service for the Master. He returned to Illinois in 1882, and supplied several charges. In 1901 he was readmitted into the Central Illinois Conference and placed on the Superannuate list, which relation he sustained at the time of his death. Bro. Shaffer was a remarkable man in many respects. Though he had but a common school education, he was an able exponent of the Scriptures. He was sound in doctrine and logical in his reasoning, and many men of scholarly attainments could not equal him as a preacher of the Gospel. He was unique in his manner, speech and style of work—a man full of faith and the Holy Ghost. He was a powerful man in prayer. In his earlier days when at camp meetings he often led the Lord's hosts to gracious victories when the slain of the Lord were counted by the scores and fifties in a single evening. Bro. Shaffer was a true helper to his pastors, ever ready to give counsel, but

never to dictate. He was always happy and full of spiritual sunshine. It was his habit to greet the dawn of each day with songs of praise and trust to and in his Lord and Master. It was a great pleasure and a means of grace to visit him at his home and hear him tell of the great victories in grace which he had had in his public and private life. He was a most cheerful and liberal giver to the support of the church (perhaps to a fault), for he often bore responsibilities that others should have assumed.

He was prosperous to a marked degree in all his undertakings of late years, always giving God the praise. He claimed that God was his partner and that He must have His share. The church has lost a liberal helper, the community a true man of God, the family a kind father and a companionable husband.

The funeral and burial services were held on Wednesday afternoon, May 11, 1904, in the Methodist Church at Hermon, Ill., conducted by his pastor, S. P. James, and assisted by Revs. R. E. Buckey, Presiding Elder of the Galesburg District, William Watson, J. D. Calhoun, of Knoxville, J. H. Batten, A. P. Rolen of Abingdon and J. T. Killip of Maquon. There were several young ministers from Hedding College and several ministers of other denominations present, together with a large concourse of people. The body was laid to rest in the church cemetery near by.

The memory of this man of God will be an abiding benediction upon the people and community where he lived and died.

S. P. James.

## MRS. M. L. MILLER.

Mary Frances Prat was born at Berlin, Wis., March 28, 1852, and died in peace in her home at Kempton, Ill., April 20, 1904, in the fifty-third year of her age. Only her infant days were spent in the place of her birth, for when about two years old her parents removed to reside a period in Minnesota. Here her childhood days were passed and all earliest recollections clustered around this northern home. In 1870 she came to reside in Illinois and with her parents located in Hoopeston. Here, on the 3rd day of June, 1873, she was united in marriage with Martin L. Miller, with whom she shared life's burdens and responsibilities for a little more than thirty years. Immediately after their marriage they removed to Baltimore, Md., but in the fall of 1876, the state of Mrs. Miller's health necessitated a change of climate. Thereupon they tried the effect of the Gulf coast and after tarrying a few months in Texas found a home in Sibley, Ill. Here they lived and toiled as servants of our Master until the eventful day when she saw her husband enter the ranks of the itinerant preacher. In the fall of 1889 Bro. Miller was assigned to Waldron charge and right royally did the young itinerant's wife hold up his hands. No clergyman's wife was ever loved more than was Mary Miller. Her

heart ever flowed with sympathy and she was never too busy or tired to tug at somebody's heart burden and prophesy sunshine for a discouraged soul.

While her life was lighted up with the sunshine of a happy spirit anon her sky was beclouded with sorrow. Four dear girls were born to Bro. and Sister Miller, but, alas, for hopes born to pass like a dream away. On Nov. 24, 1876, Ida Romain slipped away from her earthly home to be forever with the Lord. Laying the little one away they took up the burden of life again only to lay it down and weep, as once more the grim messenger called and little Myrtle Jane passed out of this tabernacle of clay in the winter of 1880. Again their home was darkened by bereavement and their hearts lacerated by sorrow. In December, 1888, when the heart of the world was joyous over the birthday of the Redeemer, the reaper gathered little Georgie Estella from among earth's beauties to bloom in the paradise of God. Through all of these afflictions she looked with unwavering trust to the Lord who had promised to sustain in the day of trouble. After recovering from the former stroke of paralysis she took delight in telling her friends of the blessed peace which sustained her, and the Savior was so near that there was no shadow in the valley of death.

Her husband and daughter, Beatrice Ellen, survive her. They lose the comfort of a tender and affectionate wife and mother but have the love and sympathy of a multitude of friends.

## MARY CHADWICK ANDREWARTHA.

Mary Chadwick was born in Moline, Ill., March 12th, 1871. She received her education in the Moline public schools, graduating from the high school with the class of 1890. Following her graduation she taught for seven years in the Moline public schools; most of that time in the Irving building. She was a member of the First Methodist Episcopal Church of Moline, and was a devoted worker, being specially active in the work of the Epworth League, of which she was Secretary for a number of years. She was also, for a number of years, secretary of the Rock Island District Epworth League and held that office till her removal from the bounds of the District. Her faithfulness and efficiency in her work were recognized by the Epworth League workers of the state, and she was chosen by them to fill the office of Secretary of the State Epworth League, which position she held for two years with honor to herself and profit to the organization.

Miss Chadwick was married at her mother's home in Moline Oct. 5th, 1898, to the Rev. David S. Andrewartha, a member of the Central Illinois Conference of the Methodist Episcopal Church, and they began their lives together as itinerants on the Cooksville charge in the Normal District, and there on that

first charge she showed herself worthy to be called of God to fill the important but difficult position of being the wife of an itinerant Methodist preacher. Their second charge was Hennepin, also in the Normal District, where they had two successful years of service.

Their work for the last three years was Colona, in the Rock Island District. The year's work was completed and she was in readiness to return to her childhood home to spend the time of the session of the Conference with her mother and sister, when on Monday, September 19th, 1904, suddenly, the death messenger knocked at the door and she was gone, and the same train on which she expected to return to her mother's home bore her encoffined remains thither for interment.

Sister Andrewartha has been a faithful and devoted servant of the Master, winning many friends to Him and to herself. She was looking out hopefully to the future, expecting to render years of service yet to the cause that was so dear to her, but the Master said, "It is enough, come up higher," and while we sit in darkness here she without doubt is basking in the eternal sunshine of God's presence and while we toil on in the weariness of failing flesh, she renders the higher service in the vigor of eternal youth.

The funeral services were held in Moline First Church, Revs. John May, E. W. Thompson, Richard S. Haney and M. V. Crumbaker participating. A large number of friends were present to offer sympathy. The remains were laid away in the beautiful Riverside cemetery, there to await the resurrection morning.

# Ministers' Wives' Association.

A very enjoyable meeting of the Ministers' Wives' Association was held at the parsonage Saturday afternoon, Sept. 24th. About seventy ladies were present, thirty-two of whom were members of the Association. Refreshments were served under the direction of Mrs. Ryan and the Ladies' Aid Society of the Pontiac Church. Mrs. Ryan presided in the absence of the President, Mrs. Frizzelle, from whom an interesting letter was read. Mrs. Frizzelle's absence, which was unavoidable, was especially regretted, as she organized the Association and has been one of its chief supporters. Letters were also read from Mrs. Rutter and Mrs. Andrewartha. The reading of Mrs. Andrewartha's letter was peculiarly pathetic as the dear woman was called to her Heavenly home a few hours after writing it. The Secretary was instructed to send a note of sympathy to Brother Andrewartha, and also to Bishop and Mrs. J. M. Walden, who were recently severely injured in an accident. Greetings were sent to Mrs. J. A. Riason, an active member of the Association, who has recently removed to Arkansas. Mrs. Goodsell, wife of the presiding Bishop, was elected an honorary member of the Association. Bishop Goodsell honored us by his presence, and gave a most inspiring and delightful address. To hear this great and good man speak so tenderly and earnestly of the duties and responsibilities of the minister's wife was a very high privilege. The ladies were favored with some excellent music by the Hedding College Male Quartet. The following officers were elected for the ensuing year: President, Mrs. J. F. Robinson; Vice Presidents, Mrs. W. R. Wiley, Mrs. R. E. Buckey, Mrs. S. Van Pelt, Mrs. R. Crewes; Secretary, Mrs. R. B. Williams; Treasurer, Mrs. W. B. Shoop.

Mrs. R. B. Williams,
Secretary.

Pontiac, Ill., Sept. 24, 1904.

# Journal of Lay Association.

The Ninth Annual Meeting of the Central Illinois Lay Association was called to order in the Presbyterian Church at Pontiac, Ill., at 9:00 a. m., Friday, Sept. 23, 1904. In the absence of the President, W. H. Logan, Dr. C. H. Long was elected President. I. E. Meritt, of Buckley, Secretary, was present.

C. W. Neitz, of Fairbury, conducted a very profitable praise and prayer service.

At ten o'clock the Association adjourned for the purpose of hearing Bishop Goodsell's address on the reception of the class of young ministers into the Conference from 10:00 to 11:15 a. m.

At 2:00 p. m. the afternoon session was opened with a praise service led by C. W. Neitz.

Bishop D. A. Goodsell addressed the Association at some length. He referred to the accomplishing of the Lay Delegation in the legislative body of the church, gave illustrations of the unification of Methodism throughout all countries which had come to him in his travels around the globe. The Association was pleased with the words of helpfulness and at the close of the address thanked the Bishop by a standing vote, and sang "Blest be the Tie that Binds."

On motion a committee of five was appointed to make nominations for the offices of the association.

Deaconess Radford, of Lake Bluff, presented the matter of the Agard Rest Home for Deaconesses.

The discussion of "Church Finances" was opened by Dr. D. T. Douglass, of Colfax, and Brothers Hart, Neitz, Merritt, Kirkton and others followed.

D. P. Murphy reported nominations of officers which were elected as follows: President, C. W. Neitz, of Fairbury, Ill.; Secretary, M. Sherff, Jr., of Peoria, Ill.; Treasurer, Chas. Cottrell, of McDowell Ill.

## GAMAGE BUILDING REPORT.

Greeting to the Central Illinois Conference of the M. E. Church, its Conference Claimants Society and Deaconess Board:

We submit herewith our third annual report in the matter of the Gamage Building Bequest:

Our tenants at this time are: Ewing & Crandall, $50 00 per month to Mar. 1, 1906, $500.00 per year for three years thereafter. Double store-room.

Adams Express Company, $300.00 per year for two years from Aug. 21, 1905. Middle store-room.

E. B. Shumate, $25.00 per month to Sept. 1, 1906. North store-room.

Building is insured at $13000.00 to April 1, 1906.

We obtained a concession from the Board of Review this year when they reduced the assessed valuation from $24000.00 to $17000.00.

The Central Preparatory School paid us but One Hundred Dollars on rent accrued after last report, they having gone into voluntary bankruptcy last April, owing us at that time $454.19 for which we had offered to take $300 00 and allow them to continue their school the three spring months for $100.00, if they would give us security for the rent; they, however, preferred the bankruptcy route and so far we have been unable to learn from the Trustee anything concerning a possible dividend, but we know it will be quite small.

# II. Reports of Standing Committees.

## AMERICAN BIBLE SOCIETY.

WHEREAS, We recognize the great worth of the American Bible Society to our Missionary Society, Therefore,

*Resolved*, 1. That we heartily congratulate the American Bible Society on the greatness of the work accomplished, and the economy of the management.

*Resolved*, 2. That as we are more forcibly than ever before confronted with the growing needs of the Bible Cause, we will urgently present its claims to our churches and not let the collections for it decrease, but endeavor to secure the apportionments in full.

*Resolved*, 3. That we will avail ourselves of the offer of free literature for use in presenting the work to our churches.

DAVID MCLEISH, *Secretary.* C. T. OSCAR SCHACHT, *President.*

## CHURCH EXTENSION.

In the words of Dr. T. C. Illiff, Field Secretary of the Church Extension Society, whose visit to us and most inspiring address we record with pleasure, it should be said that:

"The Board of Church Extension has aided in the erection or saving of nearly 14,000 churches, employing $8,400,000 for these purposes.

"The work of the Board has been one of the chief factors, not only in extending Methodism, but in shaping and conserving American Christian civilization.

"Today there are hundreds of Methodist Episcopal church organizations without church structures to shelter them and without altars where the sacraments may be celebrated and where penitents may be led to Christ.

"The needs are in the cities, on the frontier, in the South and in Porto Rico and the Philippines.

"The demands upon the Board are pressing and the appeals are pitiful.

"We must provide religious opportunities for the millions who are peopling the continent and coming from all climes.

"We must capture our cities.

"We must provide churches for the rapidly increasing colored population.

"We must build churches not only in the home land, but in our new insular possessions where a pure Gospel can be preached." Therefore, be it

*Resolved,* 1. That we congratulate the Church upon the successful administration of the Board of Church Extension.

*Resolved,* 2. That, recognizing the necessity of church building in order to church extension and the extension of Christ's Kingdom, we will faithfully present the claims of this work for the consideration of our people, and will distribute the literature of the Society for their information of its needs, and endeavor to secure larger contributions to this most worthy cause.

W. R. WARNER, *Secretary.* W. R. WATSON, *Chairman.*

## CHURCH INSURANCE.

We are glad to report that our Mutual Church Insurance Company is enjoying exceptional prosperity.

We commend it to the trustees of all our Church property and to ministers as a society providing safe insurance at the smallest cost and on the easiest terms.

## DEACONESS BOARD OF NINE.

The Deaconess Board of Nine would make the following report:

Reports of the year's work were received from Miss Jennie W. Elsdon of Wesley Church, Peoria; Miss Emma Alice Read, First Church, Peoria; Miss Mamie Dodge Cook, First Church, Rock Island, and Miss Nellie O. Randle, Sup't of the Mason Deaconess Home, Normal, Ill.

Miss Emma Alice Read, recommended by First Church, Peoria, Quarterly Conference, was granted license as a Deaconess and recommended for consecration.

Miss Nellie O Randle, recommended by the Normal Quarterly Conference, was granted license as a Deaconess and recommended for consecration.

The licenses of Miss Mamie Dodge Cook of First Church, Rock Island, and Miss Jennie W. Elsdon of Wesley Church, were renewed.

The report of the Trustees having in charge the Gamage Building at Macomb, was received. The Deaconess Home is in charge of Mrs. John E. Joy for the present year, and Deaconesses Read and Elsdon make it their home.

T. Doney, *Secretary.* C. O. McCulloch, *President.*

## DEACONESS WORK.

Deaconess work commends itself. We specially appreciate the work that has been done this past year throughout the bounds of our conference by these consecrated women, in assisting the pastors in evangelistic work, in ministrations to the poor and suffering in Peoria, Rock Island and other places.

We suggest the judicious employment of these helpers in our cities, towns and rural charges. To further this we recommend that our Presiding Elders arrange for the appointment of a Conference Deaconess that our people may be better informed as to the nature and importance of this work, and thus brought into closer sympathy with it.

We recommend that our pastors call the attention of our Epworth Leagues, Junior Leagues, Sunday Schools, and Ladies' Societies to the good that can be done by sending money and all kinds of supplies to the Deaconess Home in Peoria, the Methodist Deaconess Orphanage and Epworth Children's Home, and N. A. Mason Deaconess Home, at Lake Bluff, and that we give representatives of these institutions the preference in our churches over other institutions which are not our own.

G. P. Snedaker, *Secretary.* W. B. Shoop, *Chairman.*

## DEACONESS HOME.

The report of the Trustees of the Deaconess Home and Hospital concerning the progress of the canvass for funds for the purchase of new property is most gratifying and is appended as a part of this report. We recommend that the privilege of continuing the canvass be granted and that the Bishop be requested to appoint the Rev. J. E. Mercer as Hospital Agent.

We recommend the election of S. Van Pelt, D. S McCown, Thomas Doney, C. O. McCulloch and R. E. Buckey as Trustees for three years.

O. A. H. De la Gardie, *Secretary.* U. Z. Gilmer, *Chairman.*

## BOARD OF TRUSTEES OF DEACONESS HOME AND HOSPITAL.

Immediately at the close of the Conference session of last year the Trustees of the Hospital began planning to take subscriptions for the purchase of new property, as ordered by the Conference An effort was made to secure

an agent, but without success. An arrangement was then made with A. M. Stocking, pastor of Hale Memorial Church, whereby the Trustees supplied him with a Deaconess to assist him in his pastoral work and he became Chairman of the Finance Committee of the Hospital and gave such time as he was able between Sabbaths to superintending and assisting in the taking of subscriptions. Miss Emma Alice Read was employed as the Deaconess.

The co-operation of the Presiding Elders was secured and a plan formulated for presentation of the cause on the charges of the Districts in order.

Printed matter fully descriptive of the Hospital situation and suggestive as to methods of presentation was prepared and sent out to all the pastors. A demand arose for a larger edition of the pamphlet of information, for general distribution among the laiety, and it was issued.

The work was first taken up on the Peoria District. A. M. Stocking visited many of the charges and assisted the pastors in taking preliminary subscriptions. Public presentation was made later, in some instances by the pastors, but more frequently by Presiding Elder Van Pelt on the occasion of his quarterly visits.

A. M. Stocking attended and addressed the District meetings on the other Districts and visited the charges on the Rock Island District to confer personally with the pastors.

There seemed to be a general desire upon the part of pastors to have assistance in making public presentation of the cause, and in many instances it appeared best to defer the matter until next year.

Under these circumstances, the Trustees renewed their efforts to secure an agent, and were so fortunate as to obtain the services of J. E. Mercer, pastor at Elvaston. He was employed the latter part of April and began work May 1st. He has been in the field since then and has presented the Hospital cause on charges in all the Districts.

The sentiment in favor of the Hospital appears to be unanimous among preachers and laymen throughout the Conference and wherever the cause has been presented the response in notes, pledges and cash hs been most gratifying.

So far as the cause has been presented at this date, Sept. 20th, results are approximately as follows:

| DISTRICT | No. of Charges | Amt. Subscribed | Amt. Paid |
|---|---|---|---|
| Galesburg | 9 | $ 645 | $ 205 |
| Kankakee | 9 | 1365 | 327 |
| Peoria | 30 | 9200 | 2200 |
| Normal | 8 | 785 | 285 |
| Rock Island | 7 | 725 | 207 |
| Total | 63 | $12720 | $3224 |

There remain yet 117 charges to be canvassed.

Payments have been made on the lot to the North East of the Hospital, already purchased, and a committee has been appointed to purchase the house and lot to the South West of the Hospital.

The Trustees desire the privilege of continuing the canvass throughout the remaining territory of the Conference, and request the appointment by the Bishop of the Rev. J. E. Mercer to act as Hospital Agent.

We nominate as Trustees for three years: S. Van Pelt, C. O. McCulloch, D. S. McCown, Thos. Doney, R. E. Buckey; for two years: J. F. Robinson, J. W. Frizzelle, W. R. Wiley, A. M. Stocking.

A. M Stocking, *Secretary.* O. T. Dwinell, *President.*

## DOMESTIC MISSIONS.

The Domestic Missionary Society of our Conference has done in the decade of its history valuable service in making it possible to open new work and in supplementing the meagre salaries of faithful and heroic pastors The wisdom of its organization has been amply justified.

The great increase of foreign born population within our borders, and the strong tendency to centralize our work in cities and villages to the neglect of our rural communities, makes the continuance and enlargement of the work of this society imperative.

In our judgment the money expended by our Domestic Missionary Society for evangelizing our home field, thus preserving and enlarging the base of supplies for all our benevolent enterprises is wisely spent; and further, we believe the expenditures of this money is in the spirit of true Christian brotherliness—the strong helping to bear the infirmities of the weak

A much larger amount of money is needed to do efficiently the work that is sorely needed and that could be wisely undertaken if increased help from this society could be assured.

We recommend that the officers and Board of Managers of this society be instructed to expend the funds of the society where it is most needed, and where it will do the most good, whether that be in rendering judicious aid to existing charges, for opening new work, or for providing Deaconess help in special cases.

We regret that so many of our charges have failed to respond to this call, and we are convinced that the failure lies against the ministry rather than the laiety. We therefore urge that the collection for Domestic Missions be taken early in the Conference year and promptly sent to the Treasurer of this society so that a mid-year disbursement may be made to those who are to receive this much-needed aid in their work.

We nominate for officers and managers for the ensuing year the following: President, J. B. Dille; Vice President, D. B. Johnson; Secretary, D. F. Wilson; Treasurer, B. F. Eckley; Managers, O. T. Dwinell, T. W. McVety, J. W. Frizzelle, Alex Smith, A. H. Smith, Rob't Van Tassel, Jacob Stresser, O. A. Proctor.

J. E. Connor, *Secretary.* C. F. W. Smith, *President.*

## EDUCATIONAL REPORT.

### HEDDING COLLEGE.

We are pleased to report that since the last session of this Conference, the gymnasium has been completed and equipped; the productive endowment has been increased by $6000, and improvements and additions have been made

to the extent of $2400. For the last year the income showed an increase of 16 per cent over that of the year just preceding. The salaries are paid in full. The increase in the income from the Educational collection is very large.

Through the courtesy of the State authorities, the College has been loaned an equipment of Springfield rifles. A military company has been organized and has now become a part of the physical work of our young men.

The current Academic year begins with an increase in the attendance approximating 20 per cent, with a corresponding increase in the financial income of more than 10 per cent.

Scholarships have been awarded in accordance with the proposition of the Board of Trustees of Hedding College to give the privilege of a scholarship to a worthy student within the territory of the Galesburg, Rock Island, and Peoria Districts of this Conference for each $40 received from the Public Educational collection.

Several additions to the faculty have been made. As Gymnasium instructor, a most excellent Christian man of experience, a graduate of the Chicago Training School for Y. M. C. A. physical directors, has been employed; and while no undue attention is given to Athletics, every effort is being made to keep the students, through systematic and scientific exercises, in the best possible physical condition as a means merely to the best possible mental and spiritual life.

The Board has employed Prof. Andrew Peter Rolen to place his Sundays at the disposition of the pastors. At their early convenience and pleasure, he will spend a Sunday with each of them in order to give an address on Christian Education and to take the Public Educational Collection. Already through him, gifts have been received for the College and his efforts as Field Secretary have been very successful.

All concerned will appreciate especially the word that even more than heretofore at Hedding, the distinctly spiritual life will be emphasized. With a sympathetic interest, the true and vital relation to his God and to his Savior will be laid heavily on the heart of every student.

Hedding College is our only educational institution of similar grade in this section of the state, entirely removed from the influences of the saloon; and with an environment most conducive to the best work of the student; with a student body exceptional in intelligence and character; with literary societies doing work of unusually high standard; and with a faculty even stronger than that of preceding years; and more important still, with greater emphasis placed on the development of the soul, the outlook for Hedding College as the Conference institution of learning is most promising.

We recommend for election as Trustees:

Ministers—John H. Ryan, S. Van Pelt, R. E. Buckey, John W. Ferris.

Laymen—W. B. Main, Daniel Taylor, Grant Wolf, C. R. Gittings.

Conference Visitors—R. T. Ballew, R. L. Vivian, W. H. Witter.

### GRAND PRAIRIE SEMINARY.

The past school year, in many ways, has been the most prosperous in the history of the Seminary. The enrollment for the year has been 312 students. The Seminary seems to have a deep hold on the young people of this vicinity.

The financial affairs of the institution have kept pace with former years.

The receipts for tuition for the past year have amounted to $11533.74 The income from the productive endowment has amounted to $3081.15. After the expenses of the year were paid there was a balance of about $900.

The religious life of the institution has been healthy. The Association meetings, students' prayer-meetings and Bible classes have been well attended and have been very helpful to both teachers and students During the revival services practically every student in school took a stand for the higher life The excellent work of the Seminary has been made possible by the hearty spirit of co-operation manifest in both teachers and students

The prospects of the new year just opening are most excellent. The attendance has already reached the 200 mark, which breaks the record of any former year, at this time in the fall quarter. The need of a new recitation hall is more urgent than ever. The pledge of $10,000 made by Hon. Wm. A. Rankin, last year, is given for another year. The conditions of this pledge are, that $30,000.00 are to be added to it before next Commencement for the building of a new recitation hall. Besides this building project, the Board is undertaking to establish a permanent Athletic ground for the Seminary, and to pay off the $2000.00 mortgage on the President's house, which is the only indebtedness upon Seminary property. The Seminary is indeed, embarrassed, but it is the embarrassment of success, and it fully believes that friends with consecrated wealth will aid it in meeting its needs and will aid in keeping it as one of the foremost secondary schools in Methodism.

The Trustees of the Seminary respectfully request that the Central Illinois Conference approve the election of the following trustees for a term of three years:

Rev. George R. Palmer, D.D., Onarga; Benjamin H. Durham, Onarga; Durham Rankin, Onarga; Wendell P Kay, Watseka; Amos J. Newell, M D., Onarga; Wm. C. McKinney, Piper City.

### ILLINOIS WESLEYAN UNIVERSITY.

The University is starting out upon the present school year under most gratifying conditions.

Every department of the institution is manifesting new signs of life and upon all sides there is an evidence of courage and confidence for the future. The opening day of the first semester has been the best day of its kind known in ten years. At the close of the second day seventy-three new students had registered in the College and Academy, and there was already an increase of over forty new students beyond the enrollment of last year at this time. We congratulate the Trustees and friends of the institution on the excellent selection they have made in electing Dr. Frank G. Barnes, the former President of Grand Prairie Seminary, to the position of President of the University. We feel confident that the energy, rare tact, and marked administrative ability that he displayed in leading our school at Onarga to prosperity and excellence will gain for the Wesleyan that degree of success that will bring it into the front rank of institutions of higher learning, where it justly belongs. The broad educational views, progressive and religious spirit, and sagacious management of Dr. Barnes is already making itself felt in the many complicated interests of the school. The faculty, Trustees, and friends are harmoniously working

together and a spirit of good will and co-operation is characterizing everyone identified with its interests.

We commend the wise choice that has been made in electing to the chair of Philosophy and Allied Sciences, one so thoroughly fitted by nature and education as Rev. J. C. Zeller, one of the young members of this conference. We also express our approval of the selection of Miss Florence Mitchell, of Evanston, as Preceptress and Instructor of English, and of Prof. S. G. Winter, of Cornell University, of New York, to the chair of Biology.

The present increase of students is largely due to the thorough canvass that was made during the summer months for new students by President Barnes and Professor Zeller. Without doubt the registration for the first semester will equal that of the entire last year under the continued and persistent effort that will be made for new students.

Repairs upon buildings are now in progress and further improvements and new courses of study are being planned. A genuine revival of religion for the purpose of bringing every student to Christ, will soon be inaugurated.

We recommend as Trustees—Hon. Wesley B. Harvey, Washington; Mrs. Emily S. Van Dolan, Lexington; W. R. Wiley, C. O. McCulloch.

As visitors—J. H. Ryan, Joe Bell, F. J. Giddings, A. R. Morgan, Wm. Woolley, R. B. Seaman.

### NORTHWESTERN UNIVERSITY.

Northwestern University, because of its central location, beautiful surroundings, strengthened faculty, increased endowment and enlarged facilities, is an ideal university, and we are glad to recommend to all our young people who are planning for a university education, this great school of Methodism.

We recommend the re-election of G. R. Palmer as Trustee for the term of two years, and recommend as official visitors, T. W. McVety, and C. A. Wright.

### THEOLOGICAL SCHOOLS.

We are gratified at the prosperity and efficiency of our theological schools, Boston, Drew, and our own Garret Biblical. Garret Biblical Institute begins its fiftieth year this September, and the authorities are planning for a semi-centennial in May. We cordially respond to the invitation of the institution. We rejoice that the last half century has been so illustrious in its gracious effects and has become a precious portion of American Methodism. We recommend as official visitors, J. B. Bartle, two years, and W. E. Shaw, one year, who will represent us at the semi-centennial celebration.

WHEREAS, The General Conference has provided for a Public Educational collection,

*Resolved*, That we reaffirm the action of last year requesting the Presiding Elders to fix the amount of this collection and to apportion it among the churches and that the territory be divided among the three schools as last year.

We are heartily in favor of providing a church for the Methodist young people attending the State University at Champaign.

BOARD OF EDUCATION.

We most heartily commend the excellent work for higher Christian education which is being accomplished for the Church through the Board of Education. We especially approve the emphasis which is being laid upon the Christian ideals We urge that Children's Day be observed and that a collection be taken in every charge according to the Discipline. During the past year the Board has assisted 1,957 young people to pursue their studies in the institutions of our own Church. Since the beginning of the work of our Society more than thirteen thousand students have been so assisted. It will thus be seen that the work which is being done by this Board is very vital to the present and future welfare of the Church.

We commend the *Christian Student* to all our people as a very useful publication, touching the question of educational interests and methods.

We earnestly commend all our Christian institutions to our people of means. The Christian college was never more of a necessity than it is today. Its work is very essential not only to our own branch of the church, but to the very perpetuity of our Republic. There is no finer opportunity for investment than that which is afforded by the Christian school.

We are pleased to note that the work of the Board has been helpful within the territory of our own Conference. During the past year students residing in our own territory were assisted to the number of 17, and to the amount of $1125.00. The contributions of our Conference received by the Board were $1166.96. We urge every charge within our Conference to become a regular contributor to this fund.

A. M. STOCKING, *Secretary.* G. R. PALMER, *President.*

---

## EPISCOPAL FUND.

In accordance with the requirements of the Discipline the Book Committee has fixed the amount necessary to meet the claims of the Bishops and widows of deceased Bishops for the year. The committee has apportioned this sum among the Annual Conferences on the basis of the amount raised for ministerial support, including house rent and excluding Missionary apportionments. The amount apportioned to our Conference for the ensuing year is $2538

Our Conference fell short of its apportionment for last year $1002.

We find upon investigation that a pro rata of one and one-half per cent of the salaries paid during the year just closed will meet the apportionment in full Therefore be it

*Resolved,* 1. That we recommend that the Presiding Elders apportion the amount needed for this fund upon this basis.

2d. That we further recommend that each pastor use his utmost dilligence to raise the full amount for the Episcopal fund.

3d. That the Presiding Elder be required to inquire at the Fourth Quarterly Conference of each pastoral charge if the provisions of Paragraph 288 of the Discipline, relating to the support of Bishops, have been carried out. And if the answer is in the negative, then the Presiding Elder be rquired to collect the pro rata share rightly belonging to the Episcopal fund out of the amount

reported for the support of the ministry, giving his receipt to the local church and forwarding the same to the Treasurer of the Episcopal Fund.

J. A. JOHNSON, *Secretary.* E. E. MECHAM, *President.*

## EPWORTH LEAGUE.

The Epworth League continues to prove itself a great power in our Church and the work of the future is great before us.

The new General Conference officers, Drs. Randall and Herben, have taken hold of the work with energy and are proving themselves earnest and efficient in this work.

The *Epworth Herald,* with its high standard maintains its standing and continues in its former prestige and power. We commend it to our young people and hope it will find its place in every home.

Dr. Randall is putting his life into the work and is being felt as a force for good throughout the Church.

His spirit along the lines of World Wide Evangelism and Bible Study is bringing the Epworth League to realize higher ideals of spiritual power.

We commend the courses of study in the Epworth League and hope that all our members will study them.

We note with gratitude that the General Conference honored us by choosing one of our number, J. W. Frizzelle, as a member of the Board of Control.

We recommend the following persons for Conference Officers:

President—Rev. W. E. Shaw; Secretary, Rev. W. N. Gilbert; Treasurer, Rev. A. E. Ioder; Junior League Sup't, Rev. Geo. McClung.

Executive Committee—The District Presidents. ,

G. E. ALFORD, *Secretary.* J. W. FRIZZELLE, *Chairman.*

## FREEDMAN'S AID AND SOUTHERN EDUCATION.

WHEREAS, The great importance of the negro problem of the South and the turning of the tide of foreign immigration very largely towards the cities of our Southern states, thus adding to the complexity of the problem before the South, making the need of the Freedman's Aid and Southern Education Society of vast importance, and,

WHEREAS, The work this Society is doing through its schools in preparing Christian teachers and citizens, instructing along industrial and manual training lines, and developing reliance and self help, commands our attention and approval as a noble and important work; and,

WHEREAS, The need is great, of additional means to push forward this great work, and seize the grand opportunity, before our Church today, to play an important part in making the South Christian and forever settling the perilous problem that faces that land; therefore, be it

*Resolved,* First, that even though our conference has advanced $876 over last year we will make an increased effort to reach the apportionment asked of us, deeming that apportionment ($5500) not too great for so important a work.

Second, that the approaching fortieth anniversary of the organization of this Society be duly observed on all our charges and the opportunity used to advance the interests of this Society.

Third, that increased emphasis be laid upon the importance of observing the Sunday nearest Lincoln's birthday and thereby hasten the day when throughout our entire connection this day may be used as a grand opportunity to aid in furthering the welfare and bettering the condition of the negroes and poor whites of the South.

Fourth, that all our pastors avail themselves of the liberal offer of the Society to furnish tracts on this work free and distribute the same on our charges.

E. E. DIFFENBAUGH, *Secretary.* R. B. SEAMAN, *President.*

## MISSIONS.

Among the Annual Conference Benevolences the offering for Missions stands primary. It holds its prominent position rightly because Christ has directed His Church to regard the salvation of all nations as its supreme work. We cannot emphasize too intensely in our pulpit efforts and pastoral visitations the obligations of our membership to sustain our several missionary societies by very liberal contributions and constant sympathy and prayer. We rejoice in the advance in the collections in the past year and urge the organization of our Sunday Schools into Missionary Societies, and request our Epworth Leagues to plan faithfully for the missionary work among the young people of the church; for it is here we find the constant growth in sentiment that will ripen into obeying the command, "Go ye into all the world and preach my Gospel unto every creature." Having enlisted these forces and obeying the provisions of the Discipline, Paragraphs 365 and 374, and giving wide circulation to the World-wide Missions and the careful distribution of the many valuable tracts upon the subject, the splendid success of this year will be rewarded by a greater one in the future.

B. B. EVANS, *Secretary.* F. J. GIDDINGS, *Chairman.*

## POST OFFICES.

In accordance with the urgent request and requirements of the Publishing Agents of the Book Concern, we have listed the post offices within the bounds of the Conference, by Districts and Charges, for the purpose and convenience of reaching the people of the Church directly by correspondence in conducting the business of the Concern.

We recommend that pastors use due care in filling out the blanks, taking cognizance of the changes made by the rural free delivery systems.

H. B. WARD, *Secretary.* D. T. WILSON, *Chairman.*

## SANCTITY OF THE SABBATH.

Believing the Sabbath to be a day of rest for holy worship and for spiritual growth, we ask God's people to use it as such.

And in so doing, denounce by practice and precept all unnecessary work and all ungodly gatherings on said day. We also ask our people that a special effort be made to have every member of the family attend the Sabbath services. Visiting on the Sabbath is harmful to all concerned, and as a Conference we condemn it as the first step toward desecrating God's holy day.

It robs God of His time, prevents His people from getting their needed rest, keeps them from attending church and drives away the light from their spiritual development.

To avoid so-called necessary work on the Sabbath, we ask God's people to make all possible preparation the day preceding.

We heartily join the Lay Association in condemning Sunday base ball and excursions.

P. A. St. John, *Secretary.* F. N. Wright, *President.*

## STATE OF THE CHURCH.

We are fully convinced that God is still guiding His people and that the Church, in general, is doing more at present for the conversion of the world than in any former period of her history. Never before was there so great responsibility resting upon her as "the pillar and ground of truth." Being world-wide in its influence and endeavor, it must maintain the highest possible standard of experience and life among its ministry and membership.

We believe that the attitude of the church, at all times and everywhere, should be that of uncompromising antagonism toward all forms of evil. Also that plain, positive presentation of God's hatred of sin and certain punishment of the unrepentant sinner must be preached in all of our pulpits without respect to class or individual.

We urge the faithful, painstaking care of the children and new converts to prevent, if possible, the great losses suffered by the church before the period of probation has expired.

We hold that family piety and the sanctity of the marriage bond must be constantly emphasized and also that attendance upon the appointed means of grace shall not be construed to mean only one preaching service a day.

The spirit of the General Conference advice upon the subject of "amusements" should be cultivated more generally.

Commercialized churches must be restored to spiritual power and evangelism, and to this end the standard of church ministerial efficiency should be soul building and not money gathering.

If it be known that there is tainted money in our community or congregation we recommend that the church refrain from soliciting it for the Lord's work and that it be declined in every instance where its acceptance will weaken the church or the ministry in their opposition to all forms of law violation and neglect of the "Golden Rule."

We recommend that no church or church property be reported out of debt until all subscriptions are collected.

A. H. Smith, *Secretary.* R. A. Brown, *President.*

## STATE OF THE COUNTRY.

It is with gratitude to Almighty God that we note the continued and ever increasing prosperity of our country.

We also rejoice in the wise policy and successful effort of the President of the United States to promote peace between Russia and Japan, and to secure a permanent treaty of peace between those and other nations.

We also heartily endorse the effort of the government to uncover fraud in government affairs and to prosecute the offenders.

And we also approve of all honorable efforts being made to prevent Mr. Reed Smoot, senator elect from Utah, from taking his seat in the United States Senate.

And we will encourage all true reforms in national, state, and municipal government.

HENRY BRINK, *Secretary.* J. E. TAYLOR, *President.*

## SUNDAY SCHOOLS AND TRACTS.

First. We realize that the cause of the Sunday School Union is not receiving the proper consideration that it should by the Conference. For this reason we recommend that the apportionment made to the charges shall be not less than one-twentieth of the apportionment for Missions and that a special offering be made for this by every Sunday School during the year. We also urge our people to patronize our own literature and are pleased to note a great improvement in the Sunday School Journal and recommend its increased circulation.

We further realize the importance of Dr. McFarland's suggestion of a more thorough training of the teachers of our Sunday Schools and avail themselves, as many as possible, to secure the Sunday School Teacher's Library for the purpose of a better preparation for the work.

We as a committee urge an increased interest and intelligent zeal in all our Sunday School work, proceeding upon the assumption that our children are God's children and that we give them training in virtue and Scriptural knowledge.

### TRACTS.

We recommend that a greater interest be given to the Tract cause both as to the amount raised and a larger distribution of the same, and that there be no blanks for the cause.

D. S. ANDREWARTHA, *Secretary.* C. W. CORDES, *President.*

## TEMPERANCE.

We endorse the strong utterances of our General Conference upon the imperative duty of total abstinence for the individual and legal prohibition by the State.

2. We reaffirm the previous deliverances of our own Annual Conference upon the evils of intemperance, the infamy of the liquor traffic and the obligation of the Christian citizen to use his influence and his ballot for the utter destruction of the traffic in alcoholic beverages.

3. We unconditionally protest against the complicity of the general government with the liquor traffic and we demand that this wicked traffic be divorced from the revenue of the government, except so far as it may come from fines imposed for the violation of law, and we hereby express our unqualified opposition to the license laws of the State and our abhorrence of municipal corruption in legalizing crime.

4. We unreservedly protest against the general government for issuing tax receipts, commonly called government licenses, in prohibition territory, and we demand that the general government shall not be so administered as to paralyze or embarrass the enforcement of law by the state or municipality.

5. We severely condemn the conduct of the members of our last legislature who were responsible for the defeat of the local option bill, and we recommend to all our people to faithfully use their influence and ballots for the election of a legislature that will confer upon the citizens of counties the privilege of excluding the saloon.

6. Since the true object of law is to make it easy to do right and hard to do wrong, we insist that all law should conform to the highest standard of morals.

7. Recognizing the importance and superiority of church temperance work, we pledge ourselves to co-operate with the Temperance Board appointed by the General Conference, and in harmony with its recommendations, so far as possible, to organize our Districts, churches, Sunday Schools, and Epworth Leagues into temperance societies, and to do faithfully such work as may be recommended by that Board.

8. While giving our own church work our hearty endorsement and active service, we will earnestly co-operate with all organizations that have for their object the suppression of the saloon.

9. We hereby endorse the work of the Anti-Saloon League in pressing the Local Option Bill before the State Legislature under Sup't W. H. Anderson and hereby promise it our hearty co-operation.

10. We recommend the appointment of B. B. Evans and T. S. Pittenger as delegates to the tenth National Convention of the Anti-Saloon League and T. A. Beall and A. M. Stocking as alternates. We also recommend the continuance of J. G. Evans on the Board of Direction for the National League, and Joe Bell and W. A. Rankin, Trustees of the Illinois State Anti-Saloon League.

E. C. Anderson, *Secretary.* J. G. Evans, *Chairman.*

## USE OF TOBACCO.

The use of tobacco is inconsistent with a profession of the Christian religion, being unnatural, unclean, selfish, expensive, extravagant and offensive; to us who have pledged ourselves wholly to abstain from its use, it is sin. Therefore, be it

*Resolved,* That we as ministers of the Gospel use our influence both by precept and example to induce all others to abstain from its use.

T. W. Puffer, *Secretary.* G. D. Hensell, *Chairman.*

## WOMAN'S FOREIGN MISSIONARY SOCIETY.

We rejoice in the prosperity and victories of the Woman's Foreign Missionary Society. By its self sacrificing labors; its Christian sympathy for the women of heathen lands; its schools, where heathen girls are taught the things needful in the establishment of the Christian home; its medical missionaries, who care for the sick and dying and thus win their way to the hearts of the wives and mothers, and thereby are permitted to carry the blessed Gospel of Redemption into their gloomy homes and lead them to Christ.

We are inspired to greater devotion in missionary effort, and most sincerely congratulate this society on its glorious work in foreign lands.

We rejoice also that the society has been broadening and deepening its influence in the homeland, by the distribution of its literature, its timely missionary meetings, and its splendid efforts in behalf of the spiritual life of our local churches.

Therefore, we pledge this society the continuation of our hearty co-operation, and pray God's blessing upon it.

G. H. THORPE, *Secretary.* J. WILKINSON, *President.*

## WOMAN'S HOME MISSIONARY SOCIETY.

The work of this society in the South, and on the frontiers, and among our immigrants, meets with our highest approval and we recommend for it a hearty welcome to every charge it may see fit to enter for the purpose of organization.

## AGGRESSIVE EVANGELISM.

We are glad to report to you at this time that within the past year there have been 4000 conversions within the bounds of Central Illinois Conference, and that the report will show a net gain to us in membership. God has blessed our labors.

We recommend the continuance of a Committee on Aggressive Evangelism by this Conference for the ensuing year and that such Committee should be definitely organized.

We recommend as members of such Committee, the Presiding Elder, one pastor and one layman from each district which pastor and layman are to be nominated by the Presiding Elder of the District.

The officers of such Committee shall be a President, Secretary and Treasurer.

There shall be two standing committees: First, the Committee on Evangelistic Service. Second, the Committee on Finance.

The Committee shall meet for definite and thorough organization not later than Nov. 1st, next, the time and place for such meeting to be determined by the Presiding Elders.

The members of this Committee on each District shall organize their own District for work at as early a date as possible after the adjournment of Conference.

Each District organization shall sub-divide and when and where possible organize into groups of churches and appoint evangelistic institutes of Sunday School and Epworth League workers, class leaders and other official members of the church, and formulate such plans of work as shall seem wise to itself in order to secure the largest results.

While the largest responsibility for the success of the work of this committee rests upon the Board of Presiding Elders, yet each pastor should assume and share a responsibility within the sphere of his influence and field of labor.

The committee on program for our next annual session is hereby instructed to arrange for special evangelistic services daily at such time as it may deem best.

It is with pleasure we note the action of the last General Conference in relation to the most important work of the church. Journal of the General Conference, pp. 525, 526.

There shall be a Commission on Aggressive Evangelism, consisting of three Bishops and one member from each General Conference district, whose duty it shall be to give careful attention to the subject of evangelism in its relation to the M. E. church.

The purpose of the Commission shall not be as supplanting but supplementing, existing evangelistic forces in the church. It will be educative in this direction, hoping to bring the whole church into co-operation for the saving of men. The Commission shall emphasize the fact always, that chief reliance must be placed not upon human and visible mechanism but upon the proclamation of the gospel and the power of the Holy Spirit.

We are grateful for the presence of Rev. J. P. Brushingham, D. D., Secretary of the General Conference Commission on Aggressive Evangelism, in attendance at this session of our Conference and of his helpful suggestions pertaining to the work and purpose of such committee, and we agree to cooperate heartily with him and his fellow officers in securing the greatest results possible.

We bespeak for the results of the plans and labors of this committee in the year to come great things and blessings from our God, in the work of realizing His kingdom and the salvation of souls.

We are pleased to report that the committee on resolutions of the Layman's Association endorses the recommendations of the committee on aggressive evangelism of the ministerial conference.

C. F. W. Smith, *Secretary.* B. B. Evans, *Chairman.*

## CONFERENCE ENTERTAINMENT.

The committee to which was submitted the question of entertainment of the annual conference offers the following report:

We recommend that the next session of the Central Illinois Conference be held in Abingdon.

J. Wilkinson,
J. W. Frizzelle,
R. B. Williams.

## SEMI-CENTENNIAL COMMITTEE.

Joint report of the committee on Semi-Centennial and Board of Managers of Conference Claimants Society of the Central Illinois Conference.

We have carefully considered the question of a comfortable support for our Conference Claimants, and we find no adequate provision is made for this worthy and needy class of men and women. The government pensions its faithful retired servants as do many corporations. It seems fitting that the Church of God should provide adequately for its faithful and needy retired servants; therefore, we recommend that the apportionments made to the charges for Conference Claimants be increased fifty per cent and that all pastors be requested to make a special effort to raise the amounts so apportioned.

Having carefully considered the question of a permanent fund we would recommend that the Conference Claimants Society be requested to make a thorough canvass of every charge in the Conference upon a proposition to raise a permanent fund of one hundred thousand dollars.

We also recommend the appointment of a committee consisting of J. G. Evans, J. S. Cumming, R. B. Williams, J. H. Ryan and Thomas Doney to cooperate with the officers of the Conference Claimants Society in arranging a program for a Semi-Centennial celebration to be held on Thursday evening of our Conference session in 1906, this meeting to be in the interest of the permanent fund.

It is further recommended that the president and secretary of the Conference Claimants Society in connection with the above named committee be authorized to prepare a circular letter giving the church throughout the Conference such information as should be disseminated regarding this subject.

A. K. Tullis, *President,*
A. M. Stocking, *Secretary,*
*Conference Claimants Society.*

J. G. Evans, *Chairman,*
L. F. Cullom, *Secretary,*
*Semi-Centennial Committee.*

## TRUSTEES OF THE CONFERENCE.

The trustees of the Conference have taken the necessary legal steps for incorporation and are ready to file a Certificate of Incorporation with the Secretary of State as soon as ten dollars, the amount required for such incorporation, is ready.

Thomas Doney, *Chairman.*

# Resolutions.

WHEREAS, The question of the entertainment of the Annual Conference has become a matter of unusual importance; therefore, be it

*Resolved*, That a committee of five, one from each district, shall be appointed on the nomination of the Presiding Elders, who shall take under consideration the whole question of the entertainment of the Annual Conference and formulate some permanent plan and report the same to this session at the earliest hour possible.

S. P. ARCHER,
J. W. FRIZZELLE.

*Resolved*, That it affords us great pleasure to know that we have had the second visit of our beloved and honored General Superintendent, the Rev. Charles H. Fowler, D. D., LL. D., as the president of our Conference. We appreciate the genial and wise, just and brotherly manner with which he has presided over our deliberations. His masterly address to the class for admission into full membership, his unequalled portrayal of the character of Illinois' great commoner, Abraham Lincoln, and his never-to-be-forgotten sermon on Sabbath on the Defences of Zion, will linger in our memory and influence us for good for many years to come. We pray that God may yet add to him many years for service in the great mission of our church.

*Resolved*, That we acknowledge our indebtedness to the press of Peoria for the full, fair and kindly reports of our deliberations; also to the pastors and officers of the Methodist and other churches of this city for opening their pulpits to our preachers and their buildings for the uses of this Conference, and specially so to the pastor and officers of the First Methodist Episcopal church for their contribution to the efficiency and enjoyment of our session.

*Resolved*, Further, that we have unusual pleasure in recording our obligation to Dr. George A. Zeller, the efficient Superintendent of the Hospital for the Incurable Insane, for making it possible for us to visit that intsitution and particularly the satisfaction and delight we have had in seeing the application of kindness instead of force as is usual in the case of this class of state dependants, all the bars being removed from the windows, padded cells and irons being dispensed with and not an instrument or accessory of force anywhere to be seen.

C. O. MCCULLOCH,
R. B. WILLIAMS,
B. B. EVANS.

WHEREAS, We have heard with regret of the severe and protracted illness of our beloved brother, Rev. George J. Luckey, D. D., and the patient waiting of his devoted wife at his bedside; therefore,

*Resolved*, That we tenderly sympathize with Brother and Sister Luckey and their family in this great affliction, and that we will pray that they may be sustained by the all-sufficient grace of God, and that if it be consistent with God's will, our brother may be spared and restored. Further

*Resolved*, That the Secretary of the Conference be instructed to send a copy of this resolution to our afflicted brother and sister.

# Memoirs.

## G. W. PEREGOY.

Rev. G. W. Peregoy, pastor of the Reynolds Methodist Episcopal church, was born near St. Clairsville, Belmont County, Ohio, Sept. 4, 1846, and died at his home in Reynolds on Oct. 28, 1904, being 58 years, 1 month and 24 days of age. He was the son of David and Mary Peregoy. At the tender age of six weeks, he was bereft of that one whom all the world loves, a mother, but was tenderly guided over his young life's pathway by a kind, loving father, and a good, earnest stepmother. He was reared on a farm, and received his early education in a nearby village school. While yet a young man, he heard his country's call to defend its honor and integrity and enlisted on May 14, 1864, as a private in Co. E, 170th Ohio National Guards, for a period of 100 days, and was honorably discharged on Sept. 10th of the same year. After returning home he became desirous of teaching school. To prepare himself for this profession he attended an academy in Beverly, Ohio. For two years thereafter he taught near his home. On Oct. 2, 1866, he was married to Polly Newton at Beverly, and they moved to Illinois, finding a home on a farm northeast of Woodhull, where they lived for 19 years, he running the farm and teaching school in the winter. At the age of 23 he heard the "still small voice" of God and was most gloriously converted. He entered at once into active church work, filling for years the various offices of the church. He entered into the active work of a minister and was assigned to his first appointment at Hampton, Ill., where he remained for three years. He was then sent to Buda for four years, Sunbeam three years, and Preemption four years. His next and last charge was Reynolds, where for three years he had served his people, and only five weeks prior to his death was returned there to begin another year Well has he labored for the Master, as hundreds can testify, and many will rise up and call him blessed. All his labor was in the Rock Island District except one year in the Galesburg District. He was ordained a deacon on Sept. 29th, 1899, at Galesburg, by Bishop W. X. Ninde, and ordained an elder on Sept. 13th, 1891, at Moline, by Bishop Isaac Joyce.

Bro. Peregoy was a home man, loving it supremely, sparing no time or means to make it the dearest place on earth. A heartbroken family are left to mourn his departure. They are the wife and daughters—Mrs. Nettie Storey of Bradford, Mrs. Nellie Olin of Suez, Mrs. Lillie Roberts of Chillicothe, Mo., Mrs. Jennie Teagarden of Galva, Mrs. Lulu Whitsitt of Preemption, and the Misses Verda and Jessie of Reynolds, together with the five sons-in-law. He was the youngest of a family of five, one brother, three sisters and one half-sister. They are Rev. William Peregoy of Niles, Ohio; Mrs. Eliza Rorrick of Guthrie Center, Iowa, Mrs. Isabella Bond of Barberton, Ohio, and Mrs. Temperance Cook of Bloomington, Ill., and Mrs. Amanda McConnell of Woodhull, Ill. Besides these, hosts of members of the churches he has served and many who made no profession of the religion he preached are in deep sorrow. He has gone to be with his father, mother and two baby boys who were awaiting him in

the better world. It was the wish of the deceased that when he was called upon to die, he might go to sleep, and his wish was gratified. He was stricken by paralysis on Wednesday forenoon, Oct. 26th, and in a few minutes was entirely helpless and unconscious and remained so until the end. All that a skillful physician and loving friends could do was in vain, and at 11:10 Friday night, Oct. 28, he went to sleep to awake in the likeness of Him who said: "Come unto me all ye that labor and are heavy laden and I will give you rest." The funeral services were held on Monday at noon in the Reynolds church, interment being made in the Preemption cemetery. The remains were followed to their last resting place by a long procession of vehicles bearing loved ones and friends who lingered to pay their last respects to him whose life was a benediction to them. The services were conducted by Presiding Elder W. R. Wiley, assisted by F. E. Shult, Vincent Aten, A. K. Tullis, M. V. B. White of Alpha, and M. V. Crumbaker of Moline. There were also present T. J. Wood, D. S. Andrewartha, C. F. Crane, J. A. Edmondson, N. D. Hanes, Henry Brink, and A. E. Ioder. The Grand Army of the Republic and Modern Woodmen attended in a body, as did also the school children, escorted by their teachers. The pall bearers were M. Y. Hunting, R. L. Carver, Benj. David, W. W. Crawford, J. A. Carpenter, and N. A. Taylor. The business houses of the village were closed during the funeral. The casket was draped with the Stars and Stripes, and surrounded by many beautiful floral offerings. The choir rendered beautifully and tenderly three of his favorite pieces, "In the Shadow of the Rock," "Hide Thou Me," and the "Sweet Bye and Bye." Relatives from a distance were Rev. Peregoy and wife and E. A. Morris and wife from Ohio; Mrs. Cook from Bloomington, and J. A. Roberts and family from Missouri.

## FRANCIS MARION CHAFFEE.

Rev. Francis Marion Chaffee, son of James C. and Lucy A. Chaffee, was born in Ellicottville, Cattaraugus County, New York, March 29, 1833, died at Colegrove, Los Angeles County, California, December 23, 1904.

In his early youth his parents removed to Illinois and engaged in farming. Working with his father on the farm and attending district school in the winter, he passed a happy, contented youth, was converted in his early life and united with the Methodist Episcopal Church and lived in its communion until his membership was transferred to that Church "which is without fault before the throne of God."

During his twentieth year he attended the high school at Knoxville, Illinois. This was the extent of his

school education, but he was a diligent and careful student all his life. He taught a district school two terms in the autumn and winter of 1853-4.

He was licensed to preach in the spring of 1854, and in September, 1854, was admitted on trial in the Rock River Conference, and when the Conference was divided two years later, he became a charter member of the Central Illinois Conference.

His thirty years of effective service were all rendered in the territory of what is now the Central Illinois Conference, as follows: 1854, Knoxville Circuit, junior preacher, with William Haney as colleague; 1855, Ipava; 1856, and 1857, Berwick; 1858 and 1859, La Harpe. In 1860 he was transferred by Bishop Baker to California Conference, intending to cross the plains the next summer, but the outbreak of the war of the rebellion, and the hostility of the Indians roaming the plains determined him to remain in Illinois, and he was transferred back to his old Conference. The latter part of the year he served the Pennington Point Circuit, to which he was appointed in 1861, remaining two years. In 1863 he was appointed to Abingdon Station and also made agent of Hedding College. In 1864 and 1865 he was continued in the agency of Hedding College as his exclusive work. In 1866 he was appointed to Pontiac, where he remained three years. In 1869 he was appointed Presiding Elder of Wenona District, where he remained the full term of four years, then to Rock Island District, which he also served four years, from 1873 to 1877. In 1877 he was appointed to Carthage. In 1878 at the urgent request of the Board of Trustees, he was again appointed financial agent of Hedding College and was returned to that work in 1879. In 1880 he was appointed to Lexington Station, in 1881 to Normal District, which he served three years, making eleven years in the Presiding Eldership. At the close of his third year on the Normal District his health was utterly broken down, and he asked and was given the superannuated relation, in which he was continued until the end of his life.

He was twice a delegate to the General Conference, in 1872 and in 1880.

In September, 1855, he was married to Miss Dorcas Patrick of Knoxville, Illinois. To them five children were born, two of whom survive. His wife died in Redlands, California, in November, 1899. In September, 1900, he was married to Mrs. M. J. Sergeant at Redlands, Cal. They immediately moved to and made their home in Colegrove, Los Angeles County, Cal.

In his personal relations he was affable, polite, easily approached by all classes of people. As a friend he was sincere, constant, and always reliable. As a man of business he possessed the strictest integrity, endeavoring always to carry out the spirit of the golden rule, "Whatsoever ye would that men should do unto you, do ye even so unto them." In business affairs he possessed superior talent, as shown by the large number of churches and parsonages built on the charges and districts he served. To his indefatigable labors and great sagacity, Hedding College is largely indebted for its present prosperity and secure foundation.

Of the first three years of his service as agent of the College, the writer speaks from personal knowledge, having been at the time a member of the Board of Trustees.

As a Christian, Brother Chaffee was exemplary, chaste in speech, and extremely careful of his deportment, whether in public or in the households he visited as pastor. His one thought seemed to be to let his light so shine that

"men seeing his good works," might glorify his Father in heaven. He greatly endeared himself to the young people and children wherever he labored. In his home he was a model husband and a faithful, affectionate father. As a preacher his talents were useful, rather than brilliant. He aimed to present the truths of the Gospel in a direct, practical way, for the edification and upbuilding of Christians in the faith, and to convince the unsaved of their need of a Savior. Hence, while he did not have sweeping revivals, there was always substantial growth of the membership of the church where he labored. All the interests of the church were cared for, the collections for benevolent purposes were taken, a large increase of subscriptions to church periodicals secured. As a pastor, the sick and the *poor* were objects of his special thought and care.

As a Presiding Elder he excelled. He was a good judge of men, and a careful student of the wants and condition of each charge in his district, hence, in the appointments in the districts he served, there was rarely if ever a "*misfit*."

His services as a delegate to the two sessions of the General Conference, to which his brethren honored him with an election, were creditable to himself and useful to the Church.

When he took the superannuated relation in 1884 and removed to Lyon County, Kan., though unable to preach, his heart was still in the work. There were no regular preaching services in the neighborhood, but in a few weeks he had established a Sabbath School, which was soon followed by regular preaching, the organization of a class, and before he left the neighborhood a neat church was built, which stands today a monument to his memory.

In 1891 he was appointed by the Governor of Kansas a member of the State Board of Charities on which he served with marked ability and usefulness for three years. In 1894 he was elected Probate Judge of Lyon County, Kan., and was a candidate for re-election in 1896, but was defeated by a small majority, the "whiskey" vote of his party being cast against him.

In the spring of 1899 he removed to California, making his home at the City of Redlands, where in a few months he buried the wife of his youth, whose rapidly declining health had induced him to leave Kansas. Death came suddenly, without any premonition of approach, but we who knew him long and well have no questions to ask about how he died. We know how he lived.

H. Ritchie.

## GEORGE IDE BAILEY.

Rev. George Ide Bailey was born Nov. 30, 1825, at Rochester, Vt., and died at his home in Onarga, Ill., Jan. 14, 1905, at 11 a. m., having reached the age of 79 years, 1 month and 17 days. He had just entered his 80th year of human life when he entered into life eternal.

He worked on the home farm until he reached his majority, when he left home and entered the West Randolph Academy in Vermont.

Brother Bailey early in his Christian life felt his call to the ministry, but turned away from it. After leaving school he studied medicine for two years and expected to make that his life work. The "woe is me if I preach not the Gospel" was ever sounding in his ears. He finally responded to the imperious call of the Master and entered the Vermont Conference about 1857. He was

never a rugged man. He had his plans laid to enter Dartmouth College, but the condition of his health would not permit him to enter. He was told by his physicians that he had pulmonary consumption and the chances were he would not live six months. It was a strange thing for a consumptive to do, but he joined a male quartette, and fifteen months he traveled with a concert company as the tenor, and almost literally sang himself back to health again. His, in his younger years, was a marvelously sweet and penetrating voice, and the quartette with which he traveled was one of the best, being none other than the Boston Mendelssohn Male Quartette, under the leadership of W. D. and H. O. Perkins, both of them composers of great celebrity. Having in a great measure regained his health, he was strongly advised to come west, which he did about the commencement of the civil war (In 1860 I think.) He spent six years in successful teaching, and was superintendent of schools at Washington, Ill., and principal of the Bluff school in the city of Peoria.

At the earnest solicitation of the leading men of the Conference, and in accordance with his own desire, he entered the Central Illinois Conference in the fall of 1866.

In the winter of 1866-7 he went east and was married to Mary Olivia Putnam. He, with his new wife, returned to New Boston, where he remained three years. From New Boston he went to Aledo, two years; one year in Chillicothe, three years in Cambridge, one year in La Harpe, three years in Burnside, one year in Vermont, one year in Elvaston, two years in Crescent City, two years in Cornell, one year in Mazon, one year in Clifton and Ashkum, one year in Wyoming. In 1888, his health failing, he took a superannuated relation and came to Onarga. I judge, from entries in his diary, that there was something of a conflict between his desire to continue preaching and the increasing conviction that his health was not robust enough to continue. June 27, '86, is this entry: "I am impressed that my work in the ministry is not done, and I cannot plan to leave it at the end of this conference year." Entry in diary of July 5, '86: "Attended Temperance Assembly at Watseka camp ground, which meeting was very interesting and profitable. Also purchased a home in Onarga." Under date of July 27, '86, he says: "I go to Onarga today to make a payment on a house and lot for a place of sojourn for a little time on our journey to a city that hath foundations, whose maker and builder is God. I do this because Providence seems to open the way for this move. More and more clearly I do it in the name of the Lord. 'So shalt thou make his way prosperous,' is his word to me. Praise his name."

A home purchased and entered in this spirit could be nothing else than a consecrated home. I doubt if there is one direct promise of God to humankind that Bro. Bailey has not quoted in his voluminous diary and appropriated to himself. He belongs with the old worthies of the 11th of Hebrews who "inherited the promises," and he enjoyed his inheritance to the full.

He was elected steward of the boarding hall of the Seminary, and held that position for seven years. Owing to his growing feebleness he felt compelled to resign. He lived quietly in his own home the remainder of his earthly life till the summons came. Four years ago last March he was stricken with paralysis. For months his life was despaired of, but he rallied and was fairly comfortable most of the time.

Brother Bailey was the second son of Ora and Hannah Bailey. Of the eight

children of the household that grew to manhood and womanhood but one is now living, a sister, Mrs. S. Gove, of Alexandria, Neb.

It has been my fortune to know a great many people in all walks of life. A more honest, conscientious, pure, high-minded Christian I have never met. His was a white soul—washed and made white—as he often wrote. He was not only a theoretical believer in the doctrine of sanctification, but in its fulness he enjoyed it in his soul There was not a touch or taint of spiritual pride in the man. His faith was as simple as that of a child. He was tormented by no doubts. He was an assured Christian. He knew in whom he believed and what he believed, and his soul was serenely triumphant. The poise of his soul seemed complete. How much was temperamental and how much was grace we may not know, but this we know, that like Enoch, he "walked with God." And like the two at Emmaus, his heart burned within him because he heard the voice of the Nazarene in all his pilgrim journey. His wife and son are under the shadow of a personal loss—a temporary separation from a warm, cheery, loyal, loving, consecrated character, that reflected so wonderfully the beams that fell on his own soul. To these friends, wife and son, and to all, there can be no sorrow in the ordinary meaning of that word at his glorious translation.

There was no special disease, but a general collapse of the physical system. His brain was unclouded to the last moment, and his soul rejoiced as it plumed its wings for the flight celestial. His death was as sweet and gentle as the breaking day of a morning in spring.

The battle's fought; the victory won,
And he is crowned at last.

The funeral was held from the M. E. church Tuesday. The services were participated in by Dr. G. R. Palmer, Dr. J. G. Evans, Rev. Frizzelle and Rev. Lowther.

## MARTIN VAN BUREN WHITE.

Rev Martin Van Buren White was born in Clendenin, Kanawha County, W. Va, Feb. 16, 1839, and died in Alpha, Ill., April 21, 1905, at the age of 66 years, 2 months and 5 days. He was a son of John Preston and Mary Hayes White, and the fifth child of a family of ten. His brother John is a minister, a member of the West Virginia Conference. He was married to Miss Minerva Jane Coburn Dec. 25, 1861, at Wheeling, W. Va. To them were born twelve children, all of whom survive him, except one daughter, who died in Peoria Sept. 18, 1888.

Brother White was converted and joined the Methodist Episcopal Church when a young boy. He received his education at the Academy in Charleston, W. Va. He was ordained deacon by Bishop Baker in 1861, and elder in 1863 by Bishop Morris. His first work in the ministry was as junior preacher on the Evansville circuit in 1859-60. He served the following charges in the West Virginia Conference: Morgantown, Brandonville, Palitine, Oakland, Manningtón and South Wheeling. In the fall of 1869 he came to Illinois and served the following charges in Central Illinois Conference: Buda, Dwight, Union, (now Towanda,) Buda, Neponset, Altona and Princeville. In the fall of 1883 he was appointed Presiding Elder of the Kewanee District by Bishop Andrews.

In 1884, when the Conference was redistricted, he was appointed to the Peoria District by Bishop Bowman. On returning to the pastorate in 1890 he served the following charges: Normal, El Paso, Eureka and Viola.

In 1895 he took a supernumerary relation, but was changed to the effective the next year, after which he served Millersburg, Woodhull, Tiskilwa and New Boston. Last fall he was stationed at Alpha, from which place he was transferred to the Church triumphant.

As a preacher, Brother White was convincing, always preaching in demonstration of the Spirit and with power. He wasted no time on trivial themes, but faithfully proclaimed the doctrines of his church. He preached Jesus Christ. He was a winner of souls. He *knew God* and *knew how* to recommend Him to others. He was a diligent pastor, guarding well the interests of the church. He was thoughtful and sympathetic, and where sorrow or sickness lingered, there was he found to comfort and cheer. As a friend, he was true and constant; he was no respecter of persons; rich and poor found in him a cheerful and congenial companion. His sweet and hopeful spirit made him friends wherever he went. His ministerial brethren esteemed him highly. He was a loving husband and a kind father.

Brother White commenced his year's work at Alpha with great hope for a good year. He won his way into the hearts of the people of Alpha and his plans were for great things in the Alpha church. On Jan. 1st he commenced special evangelistic services, with good prospects for a successful meeting. He preached his last sermon Jan. 4. On Jan. 5 he was taken sick with pleurisy, which later developed into la grippe. For a number of weeks he was very sick, but later recovered sufficiently to meet his second Quartely Conference on March 3d. On March 9th, he suffered a relapse from which time he gradually failed till the end came.

All through his sickness he had great and sweet peace with God. He assured his friends that the Christ whom he had recommended to others, during these many years of his ministry, was all-sufficient to comfort, bless and keep him in all his sufferings. Thus closes the labors of another hero of the cross.

The funeral services were held at the Alpha church Tuesday morning, April 25th, the Presiding Elder, Bro. W. R. Wiley, in charge. Nineteen preachers were present. The remains were taken to Altona and there laid away to await the resurrection morning.

## AARON BOWER.

Aaron Bower was born in Columbia County Pennsylvania, September 26, 1829, and in the triumph of the Gospel departed this life at his residence in Dwight, Illinois, May 15, 1905, a few minutes before the striking of the noon hour.

His parents, who were of the Lutheran faith, sought earnestly to rear their son in the belief of that church. His instruction in the catechism he received from Rev. Isaiah Ball. He became so proficient in that outline of Christian faith that he could repeat its answers readily and accurately from memory. He was duly confirmed in that church. During this instruction he often felt a need deeper than the mere forms of the church could supply. He longed for an acquaintance with the Savior more intimate and reassuring than was to be

found in the doctrinal statements concerning Him. Had he been allowed to act out the convictions of his soul he would have sought Christ in the conscious pardon of his sins and the renewing of his nature. He says his instructor led him to the temple until he could catch glimpses of the perfection of the beauty of Zion, and had awakened within him a desire for a knowledge of the brighter glories within, but when he would realize that desire for this conscious inner knowledge his teacher held him back and told him rank fanaticism was just ahead of him on the line of his yearnings. His heart craved the sympathy of some one who understood and could minister to the burning desire of the soul within him, a counsellor and guide who could take him by the hand and guide him to Him whom he loved and for whom he longed. Two years of such experience passed ere he broke the bonds of ceremonies and forms and bounded out into the liberty of the sons of God. Those were years of intense mental conflict in which the powers of darkness seemed to exhaust their fury on him. In the providence of God a meeting of the Evangelical Association held near his father's home was destined to work wonders for him. A relative had been happily converted to God through these special meetings, and in the first glow of his love for his Savior invited young Bower to attend the meetings and seek an interest in Christ. Impulsively he said to both invitations—to attend the meetings and give his heart to Christ—"I will," only to be fearfully lashed by apprehension on a full realization of his promise. But his word was out—and Aaron Bower never went back on his word. The following day, Sabbath, Oct. 6, 1848, never to be forgotten by him, he went to the altar of prayer at the very first invitation. He was weak and faint from the intensity of the struggle that had been going on within him. At the very moment when despair seemed to lay hold on him the darkness parted, a ray of light from the cross fell upon him—and he was overwhelmed with the descending glory of a personal Savior.

A holy calm settled down upon his whole being. A peace that passed all understanding possessed him. He communed with the God of Heaven and earth. It was indeed a new creation. In sympathy with the newness wrought within him the little school house appeared like an enchanted temple adorned from on high.

In the winter of 1848-9 he taught one of the first schools under the free school system of Pennsylvania. In March, 1850, he received among the people called Albrights his first appointment to preach. His circuit was no pent-up Utica, as it required three hundred miles of traveling to make its circumference. It embraced parts of six counties in Northern Pennsylvania, and required six weeks to make one round. He preached thirty-six times each round besides lecturing on temperance occasionally, and organizing Sabbath Schools. His next circuit was in Western Pennsylvania, with headquarters at Berlin, and with a circumference of one hundred and fifty miles. On this circuit the young itinerant crossed the Allegheny Mountains every four weeks. His hat was his post office, and once, he says, this traveling repository of mail matter was carried away by the wind, taking with it valuable mail matter which he never recovered. For this service he received the first year, $62.00, and the second year, $93.00. His third charge was Morgan County, Virginia. In August of that year his health failed and he went home, as he supposed, to die. But after a few weeks of rest and careful dieting, with the favor of God, he was restored

to health, and reported to his Presiding Elder as ready for work before the conference year closed. He was returned to this charge for the year following. On the 15th of February of that year he was united in marriage with Miss Rosanna Ambrose. He always said that he owed much of his success in the ministry to the faithfulness and influence of his devoted wife. The next year found him in the Shenandoah Valley. His next appointment was Salzburg, Penn. He served this charge until June, 1856, when he joined the Methodist Episcopal Church. His ministerial orders were recognized by Bishop Simpson and he was received by him into the West Virginia Conference. He was sent to Oakland Station, Maryland. The altitude of this mountainous region proving too rigorous for the itinerant's health, he was compelled to seek a lower level. His next field of labor was Beverley, the county seat of Randolph County, Va. Here he found a stronghold of infidelity. Among those of infidel views was a Mr. Arnold, whose wife was a sister of the celebrated rebel chieftain, "Stonewall" Jackson. Although she shared strongly the views of her infidel husband, she was graciously, gloriously converted to God under the ministerial labors of Brother Bower. With many others who shared the blessings of that revival she joined the Methodist Episcopal church. Two of the most delightful years of his eventful ministry were spent on this charge. In 1859 he was sent to Evansville, Va. It is of special interest to us as a Conference to know that here he found our late lamented Brother M. V. B. White as his Junior Preacher. When not absent on the circuit on ministerial duties the young itinerant found a congenial home with his senior colleague. Brother Bower speaks thus of Brother White: "We found him a young man of sterling qualities, genial, thoughtful, studious, conscientious, and pious. We had a very pleasant year together." On this charge the first great sorrow came to the home of our brother. The death angel came and their promising boy of four and a half summers was carried away and a great place of darkness and sorrow was left where had been sunlight and joy. In March, 1861, Bishop Baker transferred him to Central Illinois Conference, of which he was a valued, useful and honored member from the time of his arrival among us until God transferred him to "The General Assembly and Church of the First-Born, which are written in Heaven." The Central Illinois Conference was then but six years old. It met in Lacon that year. He was sent to Hudson, which embraced Towanda and White Oak. After two years of labor there he was sent to Wenona, which included "Sandy" and New Rutland. In January following he was sent to labor in the Christian Commission, and was assigned to hospital duty at Cairo and Mound City. President Lincoln appointed him Chaplain of the 114th regiment of Colored Volunteers. He was ordered to report for duty at Richmond, Va. But because of sickness in his family he was prevented from reporting as commanded, and resigned his commission. The regiment was afterward taken into the Regular Army and assigned to border duty on the Rio Grande. In 1865 he was appointed to Prairie City. While in this appointment, on a Wednesday evening at the prayer meeting, there came to him the clear and unmistakable evidence that he was saved from all sin, and was made perfect in love. Before he had peace—then he says: "My peace was as a river, full, deep, constant, and satisfying." He next was stationed at Brimfield. Here during the winter of 1868-9, 130 professed conversion. In 1869 he was stationed at Henry. There, on the 24th of February, 1870, the par-

sonage was burned to the ground. While as a family they lost nearly all of their clothing and the furniture of the household, not a life was lost—not one was injured. So while their loss was great for a poor itinerant, they mourned not so much the loss they had sustained as they rejoiced in the merciful providence that spared a family of nine from loss of life or bodily injury. The people, warm and generous, coming out of a gracious revival, supplied their necessities. He was afterwards stationed in the following charges: Altona, Canton, Toulon, Lacon, Odell, Gardner, Ipava, Chillicothe, Sheffield, Sparland, Tonica, Morton and Groveland, Bradford, Hennepin, Benson and Metamora. After two pleasant years at Metamora, he was superannuated, owing to impaired health. The Conference that year—1896—was presided over by Bishop Fitz-Gerald. October 1, 1896, he moved with his family to Dwight, where he lived, loved by all who knew him until the end came.

During his ministry he married over 500 couples, attended more than 500 funerals, received more than 1,000 into the church, baptized several hundreds, served as Secretary of the Conference Missionary Society for 38 years. After superannuation he served as supply at Towanda one year, and at Blackstone one year, making in all 23 appointments in Central Illinois Conference, 5 in the States of Pennsylvania, Maryland and Virginia. And yet through this long series of years when the President of the Conference called, "Aaron Bower," his ecclesiastical representative invariably said, "Nothing against him."

And so, as we expected, the end of that man was peace. Dr. Crewes, his Presiding Elder, J. F. Robinson, J. H. Ryan, J. S. Cumming, E. Wasmuth, J. G. Evans, and the writer, took appropriate part in the burial rites when he was laid away. He was a great lover of flowers, and it seemed most fitting that when the body of this man of fragrant memory was placed in the casket it should be pillowed on a bed of lilies of the valley plucked from flowers planted by his own hand. His head resting thus among the fragrant blossoms bespoke also the fragrant setting of his spotless name in countless deeds which his clean, pure hands had done, and made his name as ointment poured forth.

## WILLIAM GAINES MILLER.

The subject of this sketch was born in Lynchburg, Va., August 13th, 1825.

He was converted at the age of twenty-one in a Methodist church, but with his wife united with the Presbyterian church. He was married to Miss Mary A. Hunter March, 1847, and in 1849 he removed from Lynchburg to Charlotte County.

In 1859 he joined the Holston Conference of the Methodist Episcopal Church, South, and preached in the state of Virginia until 1876, when he joined the Colorado Conference of the Methodist Episcopal Church, and was stationed at Denver. In 1879 he was transferred to the Southern Illinois Conference, and a little later to the Central Illinois Conference, and stationed at Mazon.

His subsequent appointments, Nevada, Millersburg, Viola, Atkinson, West Jersey, La Prairie Center, Braceville, Aurora, Iroquois, Bradley and DeSelm.

He entered the superannuate relation in 1897. Since that time his mind had been more or less darkened and he was often reduced to a helpless condition. During the last twelve months of his life his condition became worse quite rap-

idly until last January, when it was deemed necessary to place him in the institution for incurables at Bartonville, where he departed this life on Wednesday, June 14, 1905.

His funeral was held on the 16th in the church at Mazon, in obedience to his request, and was attended by the pastor of the church, the Congregational pastor and four members of the Conference..

He is survived by his widow, a son and a daughter.

The latter part of Brother Miller's life was extremely sad on account of his mental condition, but throughout the darkness his faith was firm and his love for the Gospel and the souls of men was unfailing.

We are glad to believe that when the veil of flesh was removed the spirit of Brother Miller had the beatiffic vision of his Lord and Savior.

WM. L. DOUGLASS.

## G. L. REED.

Rev. G. L. Reed was born near Lansing, Mich., August 7, 1849. He spent most of his boyhood in Lansing. Though able only to attend the common school, yet he carried on a college course of study and by his own efforts acquired a thorough knowledge of many branches in advanced lines of study. These studious habits he continued throughout his life. His sermons uniformly showed traits of deep study and he always gave his people food for thought.

When a young man he moved with his parents to Illinois. He taught school for a number of years at Odell, and it was here on the 18th of May, 1876, that he was married. Of this union were born two daughters, Alice and Stella.

Rev. Reed came of a strict Methodist family, and joined the church of his parents in early boyhood. He often spoke of the joy of his conversion and the clear assurance of his salvation when but a boy of nine years. For a number of years he served the church as a local preacher, receiving his first exhorter's license in 1874. In 1883 he was received on trial in the Central Illinois Conference held at Rock Island. He was ordained local deacon in 1883, and elder in 1889. He served the church as an effective minister for twenty-three years at the following appointments: Zion and Wauponsee, Lawn Ridge, Kickapoo, Vermont, Elba Center, Rock River charge, Atkinson, Victoria, West Jersey, Bryant, De Selm, Iroquois.

In the fall of 1904, owing to declining health, and thinking that a year of rest would strengthen him for further duties in the service of his Master, Bro. Reed asked for the superannuate relation.

His strength was not equal to the physical labor by which he undertook to support his family, and his body continually fatigued beyond its powers of recuperation, became an easy prey to the ravages of typhoid, which attacked him early in January. After a long siege he began to convalesce. But his recovery was slow and he had been out of the house but a few weeks when he was again stricken. Six weeks and a day he fought bravely for life, but his body proved too weak to withstand the disease. He died on Thursday, June 15, at 8:30 p. m., aged 55 years, 10 months and 8 days. Three sisters and a father and mother preceded him to Glory. He leaves a wife and two daughters.

The funeral services were held in the M. E. church at Iroquois, on Saturday at 1:30 p. m. Rev. Frizzelle of Watseka, Rev. Connor of Sheldon, and the

pastor of the deceased assisted Presiding elder Robinson in conducting the services. The interment was at Prairie Dell cemetery.

But few men in any community have entered deeper into the current of its life than Rev. Reed did in those places where he served. Kind, sympathetic, patient, loving and helpful, he was friendly to all and what is rare, probably had not an enemy in the world. He has gone, but his works do follow him. When the harvest is gathered he will come bearing many precious sheaves.

## MARY A. BORLAND.

Mary A. Dean was born near Griggsville, Ill., January 11, 1839, and died in that city January 27, 1905. Her father and mother, Daniel and Lydia Dean, were consecrated Christians, and their daughter early gave her life to Jesus, and her devotion and usefulness increased with her years. In 1891 she married Rev. John Borland of Central Illinois Conference. For only five years was she privileged to walk with this saintly man, he passing away in Georgia in 1896. For several months Mrs. Borland looked death squarely in the face with joy arising from a triumphant faith and a love for souls kindled by her love to her Master. She told her pastor that she wanted to glorify God in her death, and this she certainly did. WARREN W. DRAKE.

## ADELIA E. BERRY.

Adelia E., wife of Rev. J. R. Berry, a member of Central Illinois Conference, died at Kankakee, Ill., February 12, 1905. She was born in Cayuga County, N. Y., September 28, 1841. She was the eldest daughter of Mr. and Mrs. Cyrus King, who, with their family, settled in northern Ohio in 1847. Her father, being a man of unusual intellectual culture and power, gave his two daughters exceptional advantages for an educational training that fitted Mrs. Berry for the important life she was destined to live. She united with our church in 1857 and soon became an active and zealous worker, remaining so until death. She married Joseph R. Berry October 31, 1860. Two years after marriage her husband entered the Methodist ministry and joined the Michigan Conference. For twenty-three years they labored together in different conferences into which the husband was transferred from time to time. The last charge was one of the principal churches in Minneapolis, Minn. It was there that the health of Mrs. Berry gave way, and Mr. Berry gave up his charge and brought his wife to Chicago for medical aid. Since that time it was one long battle for life. Yet, under all the pressure, Mrs. Berry never gave up her work and a persistent struggle to overcome her physical weakness. Mrs. Berry's residence in Kankakee dates back seven years, and few have built up so large a circle of warm friends and kindred spirits. All who knew her loved her. There was in her calm and beautiful face what Joseph Cook called "the solar light in the face of man." "She smiled so joyously that God seemed in her countenance to rejoice," and her home was the garden of love where she lived a charmed life She leaves a widowed sister, a husband and one daughter. Mrs. Berry was for years a member of the Northwestern Branch of the Woman's Foreign Missionary Society of the Methodist Episcopal Church, and left $100 to the branch to be used as the executive board of the local branch shall direct. A memorial service was held in the First M. E. church of Kankakee, Ill.,

Sabbath morning, Feb. 19th, at 10:30, under the auspices of the Home and Foreign Missionary Societies, Rev. B. B. Evans, pastor, presiding. Addresses were delivered by Mrs. George Eastburn, president of the W. F. M. S., and Mrs. Nellie E. Whipple Fawcett. The body was taken to Mount Hope cemetery, near Englewood, for interment.

## MRS. HORACE TIFFANY.

Jane Walker was born in Macomb, Ill., May 30, 1844, and died in Cornell, Ill., at 7 a. m., Sept. 9, 1905. She was converted at the age of 14 years, and united with the M. E. Church under the preaching of Rev. William Watson. She was married to Rev. Horace Tiffany on Jan. 24, 1901, and for nearly 4 years her hopeful, cheerful presence has been the light and comfort of his home.

Her Christian testimony was always cheerful and assuring. Her faith was great in the all-wisdom of her Father's providence and she repeatedly, even in her final sickness, expressed her satisfaction with God's dealings with His children, saying, "All's well; God's will be done." She had a great love for God's Church and for communion with His people.

The writer esteems it one of his great privileges to have frequently knelt in prayer with the departed and her companion in thir home, and her gratitude and joy over this humble service will long linger as an encouragement and blessing in his ministry. How much of loneliness and bereavement her going means to our dear Brother Tiffany, none can tell save those who have seen their loved companion go down into the Valley of the Shadow of Death. May the God of all comfort, sanctify his sorrow and assuage his grief.

The remains were taken to Oneida, Ill., and the funeral services were held on Monday morning, Sept. 11th, at the home of U. B. Tiffany, Rev. W. R. Carr officiating, and the remains were laid to rest in the family lot in the Oneida cemetery.

## BISHOP JOYCE.

As has been our custom, we make brief mention of one of our General Superintendents recently departed.

Isaac Wilson Joyce was born in Ohio, Oct. 11, 1836, and died at the home of his son, Colonel Frank M. Joyce, in Minneapolis, Minn., July 28th, 1905, after an illness of twenty-six days. He was educated in Huntsville College, an institution of the United Brethren Church, but received his degree of Master of Arts from De Pauw University, and the degree of Doctor of Divinity from Dickinson College, and Doctor of Laws from the University of the Pacific. He was converted and joined the United Brethren Church under the labors of Rev. Wimsett of that church, a revivalist well known fifty years ago in Indiana and Illinois. A few years later Providence led him into the Methodist Episcopal Church. In 1859 he was received on trial in the Northwest Indiana Conference. From the first he was a vigorous and successful preacher.

When thirty-three years of age he was appointed Presiding Elder of the East Lafayette District in that Conference. At the close of his term on the District he was transferred to the Cincinnati Conference, and served in St. Paul's Church, Cincinnati, for three years, then three years in Trinity church, and then a second term in St, Paul's. In 1888 he was elected to the Episcopacy. As Bishop, he visited nearly all of our foreign missions, and presided over

nearly all the conferences in the United States. As a pastor, he did "the work of an evangelist." He was a revival Bishop. None who were at our Conference at Moline fourteen years ago can forget the urbanity and dignity with which he presided, and the wisdom of his administration, and the care with which he made the appointments, and the great revival of the Conference Sabbath, in which twenty-five persons were converted. This marvelous power accompanied him wherever he went. In Japan, China, India, Europe and South America, revivals attended his ministry.

He was a pulpit orator of high rank, a mighty preacher, having rare power in moving large audiences, and was in great demand at camp meetings and on other special occasions.

The stroke which ended his life and work came while he was delivering his message to a great congregation at the Red Rock Camp ground in Minnesota, on Sunday morning, July 2d. From the first it was seen that there was no hope of his recovery, but he calmly faced death, sustained by Christian hope which is "an anchor to the soul, both sure and steadfast." He is reported to have said with thickening voice, as cerebral hemorrhage arrested the flow of his speech, "I have preached this Gospel in almost every land, and always with the same effects." Thus this blood-washed soul, and great and useful Bishop, finished his ministry and went home to God.

The Layman Association of the Central Illinois Conference in session at Hale Memorial M. E. church at Peoria, Ill.,

*Resolved*, That we denounce the seating in the senate of the United States of Reed Smoot, of Utah, not because of personal unfitness, but because of the abhorent system and vicious principles represented by him as an officer in exalted station in the Mormon church.

*Resolved*, That we are opposed to the debasing drink traffic and to all for which the saloon stands, and pledge our assistance and votes for their overthrow.

*Resolved*, That we view with extreme sorrow the widespread desecration of the Christian Sabbath and hereby denounce and condemn Sunday excursions, Sunday base ball and all other vicious practices on that day and hereby exhort our preachers everywhere to lift up their voices against these evils.

*Resolved*, That it is the sense of this Association that the ideal method of raising funds is God's plan—tithing—and we hereby recommend the revival of this ancient custom.

*Resolved*, That we urge upon the laity his duty, as individuals in evangelizing the unsaved.

*Resolved*, That Sunday Schools, Epworth Leagues and members of the church be urged to use the supplies and literature of our book concern.

*Resolved*, That we tender our thanks to the official board and pastor of Hale Memorial church (Methodist Episcopal) for the use of their building.

G. D. HILTABRANDT, *Secretary*. D. T. DOUGLAS, *Chairman*.

The treasurer made the following report: Cash on hand to date, $21.87.

Motion made that we pay bill of C. W. Neitz for printing programs, $6.00, and order be drawn on treasurer for the same Carried.

Moved that the president appoint a committee on program and general arrangements soon. Carried.

Motion to adjourn carried.

Bro. Neitz, the president, said that before we adjourn he would ask that all would come to the altar for a closing season of prayer, thanking our Heavenly Father for His care over us, and asking His presence with us the coming year and that many souls may be brought to His kingdom the coming year.

# II. Reports of Standing Committees.

## CONFERENCE BOARD OF TRUSTEES.

The Trustees of the Central Illinois Conference beg leave to report that they have been duly incorporated under the laws of the State of Illinois, and that a certificate of such corporation has been issued by the Secretary of State. The charter provides that the Board of Trustees shall consist of nine members of the Annual Conference, who are to be elected as prescribed in the By-laws. This Board of Trustees shall receive and hold in trust any and all donations, bequests and grants of any moneys, houses, lands or other property that may be given to the Central Illinois Conference for any benevolent object or for Conference claimants, and to administer said funds and the proceeds of the same in accordance with the directions of the donors, provided that any sums thus donated or bequeathed but not especially designated for any benevolent object, shall be appropriated as the Conference may direct, and provided, also, that the Trustees shall not be required to accept any gift, bequest or trust to which may be attached conditions that appear to the trustees to be unreasonable, or likely to produce embarrassment. Having accepted any gift or bequest in trust, the Trustees shall be responsible only for the careful and economical administration of the same, and shall not be held to account to the beneficiary or beneficiaries thereof, either for the fund or for a continuous income therefrom beyond what may be secured through fidelity and diligence. All necessary expenses arising from the care or administration of any trust shall be charged to the same. Whenever any donation, bequest, grant or trust is made to this Conference, it shall be the duty of the pastor within the bounds of whose charge it occurs, to give an early notice thereof to the Trustees, who shall proceed without delay to take possession of the same. The Trustees shall make a faithful report of its doings and of any funds and property on hand to each session of the Conference.

We recommend the use of the following form of bequest:

I give and bequeathe to the Trustees of the Central Illinois Conference of the Methodist Episcopal Church, a corporation under the laws of the State of Illinois, the following described property in trust, to be used as follows..... The receipt of the Treasurer of said Board of Trustees shall be a sufficient discharge to my executors for the same.

We recommend that the present Board of Trustees be re-elected. The Trustees organized by the election of the following officers: President, Thos. Doney; Treasurer, Chas. O. McCulloch; Secretary, R. B. Williams.

R. B. Williams, *Secretary.* Thos. Doney, *Chairman.*

## BOARD OF STEWARDS.

The Board of Stewards recommend that the Conference release M. L. Haney from his promise not to become a claimant upon the funds of this Conference.

They also recommend that the claims of N. T. Allen, J. W. Denning, S. P. James and Mrs. W. S. Baker be disallowed.

H. C. Birch, *Secretary.* A. K. Tullis, *Chairman.*

## AGGRESSIVE EVANGELISM.

Your committee on Aggressive Evangelism presents the following report: "The Son of Man is come to seek and to save that which was lost." This is the mission handed down to us by the Son of God. This is evangelism, the one supreme business of the church. Our church is looking up. Hopeful reports come from every direction. Evangelism is growing. The work of the General Conference Commission has been so signally blessed, the field has assumed such significant proportions, the need of the special supervision of the work under one executive head has become so evident that the Commission has officially authorized that all field work be under the care and supervision of a General Field Superintendent, Rev. Thos. S. Henderson; Hugh E. Smith has been made Field Secretary; Rev. J. O. Randall, Field Agent; Rev. J. P. Brushingham, Secretary and Treasurer, whose office is at 150 Fifth Avenue, New York, where all communications to any of the official representatives of the Commission or assistants in evangelistic work should be addressed.

God has greatly blessed the efforts of his people throughout the Central Illinois Conference during the past year. He is waiting to do even more. Therefore we plead with every pastor of the Conference to do the work of an evangelist. Be evangelistic in spirit, in method. Will not every pastor give himself to prayer, to personal preparation, to persevering prosecution of soul winning, by every God honored means and method. Urge upon the people the necessity of more prayer. Organize praying bands of young and old. Lead forward the Epworth Leaguers. Inspire the Sunday School. Let soul winning be the watchword of the Conference.

We recommend that each Presiding Elder call a meeting of his Committee on Aggressive Evangelism at as early a date as possible after the adjournment of the Annual Conference and plan for an evangelistic campaign in every church. We further recommend the preachers of the district gathering in district or smaller groups for the same purpose. May not the laymen be led into this great work? Is not the Quarterly Conference the Presiding Elder's opportunity to get the Divine commission before our laymen and inspire them to spiritual leadership?

The committee on program for our next Annual Conference is hereby urged to arrange for special evangelistic services daily at such times as it may deem best.

C. F. W. Smith, *Secretary.* B. B. Evans, *President.*

*Resolved,* 2. That since we are confronted with the growing need of this great work that we will endeavor to secure our apportionment in full.

*Resolved,* 3. That we believe it will be a great help in taking up the collection to send for and distribute their free literature informing the people of the workings and needs of the Society.

## CHURCH EXTENSION.

Conference Board of Church Extension, Central Illinois Conference, met at First Methodist Church, Peoria, Ill., at 3 p. m., Oct. 5th, 1905, J. S. Cumming in the chair, O. T. Dwinell, Secretary. Present: W. R. Wiley, J. F. Robinson, R. Crewes, S. VanPelt, A. K. Tullis. The Secretary reported that there was a balance to the credit of the Conference to the amount of $714.14. Applications for aid and granted as follows: Donation Chatsworth, Kankakee District, $250.00. A loan application was granted South Wilmington of $400.00 and President and Secretary authorized to sign application when prepared.

Rev. Rutter presented a resolution in behalf of Spencer Memorial Church and President and Secretary were authorized to sign it.

O. T. DWINNELL, *Secretary.* J. S. CUMMING, *President.*

We desire to express our appreciation of the most excellent address delivered before our Conference by the Rev. Robert Forbes, D. D., First Assistant Secretary of the Board of Church Extension. We recommend to our people for consideration the important work of the Board. Next to the disposition to worship comes the need of a place to worship, and in helping to supply this need the Board of Church Extension is doing excellent and appreciative work.

We rejoice in the phenomenal success of the Board during the past year, that so many organizations have been aided in securing suitable and comfortable places of worship. We regret, however, that there are so many organizations that have neither buildings to shelter them nor altars at which to worship. In view of this fact, we regret very much the inability of the Board to respond to the numerous and pitiable calls on account of the lack of funds, since the needs are so pressing both at home and in the Insular possessions. Since we are under obligations to furnish places of worship for the thousands who are coming to Christ, therefore, be it

*Resolved,* that we as pastors urge upon our people the necessity of becoming better acquainted with the needs of the work of the Board and that we see to it that the literature of the Board be freely distributed among our people.

*Resolved.* That we will do our best to raise the full amount of our apportionment for this most worthy cause.

ARTHUR SMITH, *Secretary.* W. R. WATSON, *Chairman.*

## CHURCH AND PARSONAGE INSURANCE.

When the Board of Insurance met in annual session in February the total business of our insurance company, the National Mutual Church Insurance Company of Chicago, had increased from $23,913,926.00 the year before to $26,-

756,513.00. Since then the total has passed the $28,000,000.00 mark.

The total losses up to August 25th were 1,112, amounting to $256,762.29. In spite of the fact there is now in the hands of the policy holders considerably more than a quarter of a million dollars, which would have been collected by the company had this business been written under the stock company plan, a ten per cent dividend was declared on last year's business. The cash reserve as required by law is now approximately 40.000.00, in addition to the premium notes not yet due, about $265,000.00.

As is always the case with this company, there is not a dollar of losses due and unpaid. The amount of losses in process of adjustment is estimated at $4,900.00. In addition to the losses of more than a quarter of a million dollars reimbursed to our church societies and preachers, the dividends paid up to this time have aggregated over $33,000.00, making a total of approximately $300,000.00 of Methodist money that has been returned to the members. In addition to these important facts, we would remind you that Methodism has been saved in many localities where churches and parsonages could not have been rebuilt but for the assistance of our company, no insurance having been carried before, and that many preachers have been saved from embarrassment and the humiliation of having the hat passed around in their behalf by carrying policies in our company.

Whenever any church is so easy financially as not to need the services of this organization, at least a part of the insurance should be placed with our Board for the benefit of the work at large, thus aiding in improving the loss and expense ratio.

For further particulars, apply to Henry P. Magill, Secretary and Manager, 184 La Salle St., Chicago, Ill.

## DEACONESS BOARD OF NINE.

The Conference Board of Nine submits the following report: On recommendation of Rock Island First Church Quarterly Conference, the license of Miss Mamie Dodge Cook was renewed and on recommendation of the Normal Quarterly Conference the license of Miss Nellie O. Randle was renewed. The licenses of Miss Jennie W. Elsdon of Wesley Church, Peoria, and Miss Emma Alice Reed of First Church, Peoria, were renewed.

The report of the Trustees of the Gamage property at Macomb was received. The income for the Deaconess work in the Conference is $50.00 this year. This with $156.00 in the hands of the Board of Nine previously received from the same source, making the amount now in the treasury $206.00.

We recommend that $56.00 be given to the Baby Fold at Normal, Ill., and under the control of the Deaconess Society, and $150.00 be given to the Deaconess Home and Hospital, Peoria, Ill.

We recommend as members of the Board the following: For one year, Thomas Doney, Mrs. Marie Rogers, Alfred Dixon; for two years, C. O. Mc-

Culloch, William Hazzard, Dr. W. W. Wyatt; for three years, W. B. Shoop, Mrs. O. T. Dwinell, Mrs. C. V. Engstrom.

THOMAS DONEY, *Secretary.* C. O. MCCULLOCH, *President.*

## DEACONESS HOME AND HOSPITAL.

The report of the Trustees of the Deaconess Home and Hospital concerning the progress of the canvass for funds for the purchase of new property, is most gratifying and is appended as a part of this report.

We recommend that the Bishop be requested to re-appoint the Rev. J. E. Mercer as Hospital Agent.

We recommend the election of O. T. Dwinell, T. W. McVety, F. W. Merrell, T. A. Beall, and W. B. Shoop as trustees for three years.

We recommend that an annual Hospital Sunday be observed throughout our Conference.

E. E. SHAWL, *Secretary.* J. W. PRUEN, *Chairman.*

REPORT OF TRUSTEES OF THE DEACONESS HOME AND HOSPITAL.

The year has been successful in securing subscriptions and cash for the real estate fund of the hospital as ordered by the Conference two years ago. The hospital agent, Rev. J. E. Mercer, has presented the cause and taken subscriptions in sixty-nine charges during the year, aggregating about $6,000, being the amount subscribed up to a little over $18,000, of which total subscription about one-half has been paid in. The Hoff lot on the north, costing $5,750, has been paid for, the Bontjes property has been purchased for $13,000, a small payment has been made, and the Trustees have till Nov. 1st, 1907, in which to pay the balance. Our Treasurer's report shows assets to the value of $62,744 and liabilities of $20,000. With $9,000 now on subscription and sixty-five charges yet to be canvassed, it is hoped to realize sufficient funds to pay for the Bortjes property in the time specified, and reopen the hospital. As outlining the future of our work, it is our judgment that we should first finish raising the $20,000; second, reopen the hospital at the earliest practicable moment; third, raise money to liquidate the debt, and fourth, secure funds for the enlargement of the buildings.

In view of what has already been done, the wide field of usefulness for our institution, and remembering that the Roman Catholics have five hospitals in successful operation in the bounds of our Conference, we should lose no time in re-establishing our work.

We request Bishop Hamilton to re-appoint Rev. J. E. Mercer as Hospital Agent for the ensuing year. . .

The following are Trustees of the Hospital: Ministerial, term expires in 1907, J. F. Robinson, J. W. Frizzelle, A. M. Stocking, W. R. Wiley; term expires in 1908, Samuel VanPelt, C. O. McCulloch, D. S. McCown, Thomas Doney, R. E. Buckey; term expires in 1909, O. T. Dwinell, T. W. McVety, F. W. Merrell, T. A. Beall, W. B. Shoop. Lay, term expires in 1906, G. E. Green, C. M. Beecher, C. V. Engstrom; term expires in 1907, Jacob Straesser, F. W. Merrill, Dan R. Sheen, R. W. VanTassell; term expires in 1908, W. W. Wyatt, Daniel Taylor, A. H. Smith, J. E. Goodrich. Yours very respectfully,

O. T. DWINELL, *President.* J. E. GOODRICH, *Secretary.*

## DEACONESS WORK.

Deaconess work commends itself. We especially appreciate the work that has been done this past year throughout the bounds of our Conference by these consecrated women, in assisting the pastors in evangelistic work, in ministrations to the poor and suffering in Peoria, Rock Island and other places.

We suggest the judicious employment of these helpers in our cities, towns, and rural charges. To further this, we recommend that our Presiding Elders arrange for the appointment of a Conference Deaconess that our people may be better informed as to the nature and importance of this work and brought into closer sympathy with it.

We recommend that our pastors call the attention of our Epworth Leagues, Junior Leagues, Sunday Schools, and Ladies' Aid Societies to the good that can be done by sending money and all kinds of supplies to the Deaconess Home in Peoria, the Methodist Deaconess Orphanage and Epworth Children's Home at Lake Bluff and N. A. Mason Deaconess Home at Normal, and that we give representatives of these institutions the preference in our churches over other institutions which are not our own.

Miss Cook reports as follows: Calls made, 2,460; emergency money spent, 90.53; baskets food distributed, 75; garments distributed, 220; most church services attended; did the work of an assistant pastor.

Alice Read reports: Number meetings conducted, 187; children's meetings conducted, 75; conversions, 256; sick calls, 100; pastoral calls, 1,006; addresses on Deaconess Work, 29; visits to hospital, 15; calls in canvassing, 686; young women interested in Deaconess work, 40; assisted in meetings—Kankakee, three days; Waldron, ten days; Odell, twenty-one days; Macomb, thirty days; San Jose, twenty-one days; Peoria, ten days; Henry, seventeen days; Adams, N. Y., twenty-eight days; Brookfield, N. Y., twenty-one days; Utica, N. Y., fifty days.

ALEXANDER SMITH, *Secretary.* W. B. SHOOP, *Chairman.*

## DOMESTIC MISSIONS.

The continuance and enlargement of the work of the Domestic Missionary Society is imperative. The responsibility of this society is each year greater, since the field for expending the contributions of more fortunate charges is expanding in city and village. Struggling congregations, important in location, and heroic men leading obscure but great churches in point of possibility, need your financial aid.

We recommend that the officers of the society be instructed to expend the funds of this society where, in their judgment, it can produce the largest dividends in saving men and churches.

We regret that this movement has not received full sympathy in pulpit and pew and urge a response from all who appreciate home missions.

We suggest an early offering and an immediate remittance of same to the Treasurer of this society.

We nominate for officials for the ensuing year: President, J. B. Dille; Vice President, D. B. Johnson; Secretary, D. F. Wilson; Treasurer, B. F. Eckley.

Managers, O. T. Dwinell, J. W. Frizzelle, T. W. McVety, Alexander Smith, A. H. Smith, Robt. VanTassel, J. Straesser, O. A. Proctor; Trustees, R. B. Williams, J. H. Ryan, J. W. Frizzelle, A. W. Lowther, D. F. Wilson, R. B. Seaman, Alexander Smith, D. S. McCown, B. B. Evans, C. W. Ayling, E. P. Roe, J. W. Edwards, J. S. Cumming, R. A. Brown.

## EDUCATIONAL REPORT.

### HEDDING COLLEGE.

The Conference year just closing has brought great progress to Hedding College. Important and costly improvements have been made, the attendance promises to show a good gain over that of last year, and the permanent endowment fund has been increased.

Many factors have entered into the success of the College. The requirements for admission have been so altered that the accredited high school or academy student receives without examination full credit for all work satisfactorily completed up to the Sophomore year. The courses in modern languages have been increased. The gymnasium work looking toward body building under a competent instructor, has been emphasized and is now compulsory. In military drill remarkable progress has obtained. Another factor in the success of the College is the auxiliary organization known as "The Woman's Club of Hedding College." This band of faithful women has poured thousands of dollars into the treasury of the institution, and is most efficient in providing funds for repairs and improvements. The people of Abingdon, too, have entered with hearty accord into all the various phases of college work looking toward the material success and progress of Hedding. Another factor entering into the results achieved is the Public Educational Collection—an eloquent and practical endorsement at the hands of the pastors and people. Prior to three years ago the College received through this channel but indifferent support amounting to less than three hundred dollars per year, but for the Conference year just closing the churches of the Rock Island, Peoria and Galesburg Districts alone give to Hedding about $1,650. The Public Educational Collection at our Abingdon church for this year amounts to more than three hundred dollars, or more than the entire Conference, under the old plan, gave annually for the support of the College. For this remarkable increase in contributions for educational work, the pastors throughout the territory are responsible. President Gough and Professor A. P. Rolen have been unable to answer all the invitations from the brethren to give in their churches educational addresses, sermons, etc.

Another factor making for the success of the College is the situation—in a beautiful little city with most healthful conditions and with a charter perpetual from the contaminating influences of the saloon and from attendant evils, and with a view to the best welfare of their children, parents more and more are turning toward Abingdon as a most desirable place of residence and toward Hedding as a college at once intellectually solid in the slogan, "Hard Work," and spiritually safe in the motto, "Not for myself, but for my country and my God."

We recommend for election as Trustees for three years: Ministers, G. P. Snedaker, R. L. Vivian, O. T. Dwinell, W. B. Shoop. Laymen, S. Blackstone, S. T. Mosser, B. P. Baird, W. N. Terpening. Visitors, R. T. Ballew, W. M. Bloomer, John Rogers.

GRAND PRAIRIE SEMINARY.

Grand Prairie Seminary is enjoying great prosperity. The past year has been the best in her history, and the outlook is bright for greater life ahead. President Frost has pushed all lines with his characteristic energy. The new year opens well, the number of students reached the highest point this year, showing a total of three hundred seventeen for the four quarters. The income for the year shows $13,600.65 from tuition, $3,137.65 from endowment, $137 from churches of the patronizing territory, $813.11 from Dormitory, $81.16 from auditorium, $73.89 from miscellaneous sources, and other smaller items amounting to a total of $17,843.46. The expenses of the year, including losses, have amounted to $17,765.57.

Every department of the Seminary has shown substantial growth in tuition this year, the literary department showed a growth of over ten per cent and the normal over eleven per cent, the Conservatory of Music over nineteen per cent, the Department of Oratory over fourteen per cent. This shows a general increase of tuition of over fourteen per cent over the former year.

A large amount of repairing has been done and the buildings are in good repair. An athletic field was purchased during the year consisting of nine acres, at a cost of about $2,000. A $50,000 building is needed.

The religious life of the school has been very healthy and we rejoice in a body of students religious and intellectual. Some changes have been made in the faculty, but the new instructors have already shown themselves to be worthy and able successors to those who went out. We have a most excellent faculty for a second class institution, and the prospects for the opening year are excellent, there being between one hundred and thirty and one hundred and forty thus early, which promises the usual attendance for the year.

The following are recommended for Trustees for the ensuing year: Mrs. Della Walton, of Fairbury, Mr. Elmer Hull of Onarga, Mr. William A. Rankin, of Onarga, Mr. E. B. Gower, of Kanakee, Mr. William H. Egley, of Onarga, Mrs. Ezra Durham, of Onarga.

The following are recommended for Conference visitors: Rev. J. F. Robinson, Rev. B. B. Evans, Rev. O. A. H. De la Gardie.

ILLINOIS WESLEYAN UNIVERSITY.

The last school year of the Illinois Wesleyan University has been one of the most successful in its history. The expectations for an era of better things that arose on all sides have been fully justified. Public sentiment has undergone a radical change. A spirit of loyalty and co-operation has displaced one of indifference, both in the city of Bloomington and throughout the patronizing territory. As a result of the canvass that was instituted a year ago last summer, and continued through the school year, there was an increase of seventy students over the preceding year in the literary departments.

In order that the interest and support of the alumni, former students, and friends among the women of Bloomington might be enlisted in behalf of the

institution, the Woman's University Guild was organized, whose membership now numbers six hundred of the elect ladies of the city. Out of the proceeds of the College Carnival, which the Guild held last year, nearly $4,000 was realized. This sum has since been devoted to beautifying the college campus and renovating the three buildings.

Improvement has been made in every department of the University. Many accessions have been made to the library and new apparatus has been added to the chemical and physical laboratories. The departments of Philosophy, Economics, Sociology and Religion have been reorganized and their curricula greatly extended. Few institutions of similar grade now offer so large a number of electives. A school of Domestic Science and a College of Commerce have recently been opened. They are thoroughly equipped to give instruction in culinary art and domestic economy, and in all the laws and principles relating to a business education.

Notable additions have been made to the faculty. A closer organization of the University has been perfected and the College of Music, instead of simply being an affiliated department, is now an organic part of the University, the direction of whose affairs now inheres in the president of the institution. For the purpose of drawing into closer union all students looking forward to the Christian ministry, they have been organized into an Oxford Club. This club has been instrumental in bringing these students into closer fellowship with the faculty and with each other, and in introducing a distinct religious influence in the life of the school. A Student's Employment Bureau was recently instituted to assist worthy young men and women in needy circumstances to secure employment while attending the Wesleyan. Nearly thirty have already been supplied with work affording them either partial or complete support. Over fifty per cent of our male college students were last year earning part or all of their expenses.

We direct attention to the action of the Board of Trustees by which it was determined that enrollment in the courses of our Non-resident department should be discontinued after July 1, 1906. Although this department has performed work for many years, of a high standard of excellence and led hundreds of able men and women to systematic study, nevertheless because many schools continuing such courses had come into disfavor, it was deemed that the requirements of modern scholarship demanded its discontinuance.

The religious condition of the school has never been better. During the past year a gracious revival was held and the spiritual life of the entire student body was quickened. The Young Men's Christian Association and the Young Women's Christian Association are most active in religious endeavor. There are few students who are not identified with them.

Through the generosity of Andrew Carnegie, a $30,000 Science Hall has been made possible on the condition that the University raise $60,000 of additional endowment to support it. It is believed that both the new building and additional endowment will have been secured when another commencement season arrives.

Since the opening of the Fall term over two hundred and sixty students have registered in the Literary Department alone, which already is an increase of more than forty per cent over the entire enrollment of last year. The Col-

lege of Law, Music and Oratory are also enjoying an increased attendance.

The splendid work of the new President, the ability and devotion of the faculty, and the magnificent support of the citizens of Bloomington and the surrounding territory account for the present success and foreshadow better things for the future of the University.

We recommend as Trustees for the term of 1906 to 1909: Dr. Charles H. Long, Pontiac; Dr. N. K. McCormick, Normal; Richard Crewes, Normal. As visitors: J. H. Ryan, Joe Bell, F. J. Giddings, A. R. Morgan, William Woolley, and W. E. Shaw.

NORTHWESTERN UNIVERSITY.

We rejoice in the steady and healthy growth of the University. We are gratified over the election to the presidency of Dr. Harris, a successful educator, and predict that under his leadership the institution will have still greater influence.

THEOLOGICAL SCHOOLS.

We rejoice in the large attendance and the very efficient service rendered our church by Boston and Drew Theological Seminaries and Garrett Biblical Institute during the past year. We extend to Garrett our hearty congratulations upon the completion of a half century of splendid history and assure her of our hearty interest and support in the coming years. We recommend as official visitors W. H. Witter for two years, J. B. Bartle for one year.

ILLINOIS WOMAN'S COLLEGE, JACKSONVILLE.

We recognize the successful work of the Illinois Woman's College, Jacksonville, and we recommend the appointment of J. H. Ryan as official visitor to the institution.

The expanding work of the Board of Education is cause for gratitude. We note with pleasure the report of the work of the past year. Nearly two thousand students have been assisted to attend the institutions of the church, more than $108,000 being distributed among our institutions for the purpose of aiding worthy young men and women.

We are highly gratified to note that there was an advance in the receipts of the society of more than twelve per cent upon the total receipts of the preceding year. The contribution of our own Conference to the Children's Day Fund for the year ending November 30, 1905, amounted to $1038.48. The society appropriated to students who gave their residence as within our Conference territory during the same year $1085.00. It will therefore be seen that we share in the prosperity of the society. We earnestly recommend the observation of the disciplinary requirement touching the Children's Day collection for the Board of Education in every charge within the bounds of our Conference.

WHEREAS, The General Conference has provided for a Public Educational collection,

*Resolved*, That we reaffirm the action of last year requesting the Presiding Elders to fix the amount of the collection and to apportion it among the churches and that the territory be divided among the three schools as last year.

We rejoice in the growing usefulness of the *Christian Student* and heartily commend it to all our people. We would also call the attention of the heads

of all our schools, and the attention of our pastors, to a series of leaflets recently published by the Board and known as "The American Student Series."

All our pastors should see to it that the program prepared by the Board of Education be used on Children's Day.

We cordially commend the work of the Board in the emphasis which it places constantly upon high Christian ideals of education.

Respectfully submitted,

J. S. CUMMING, *Secretary.* H. B. GOUGH, *President.*

## EPISCOPAL FUND.

In accordance with the requirements of the Discipline, the Book Committee has fixed the amount necessary to meet the claims of the Bishops, and widows of deceased Bishops for the year.

The Committee has apportioned this sum among the Annual Conferences on the basis of the amount raised for ministerial support, including house rent and excluding missionary apportionment. The amount apportioned to our Conference for the ensuing year is $2599.

A late statement of the Book Committee is, that there is a shortage of $1036 to meet all claims on the Episcopal Fund for 1905-6.

Upon examining the Minutes your committee finds that negligence on the part of some pastors to pro-rate the Episcopal Fund with all other pastoral claims is the cause of deficiency. Therefore we, the committee, suggest that the Presiding Elders use all diligence to secure the pro-rating of all pastoral claims and call the attention of each pastor to this at the Fourth Quarterly Conference.

J. A. JOHNSON, *Secretary.* E. E. MECHAM, *President.*

## EPWORTH LEAGUE.

One of the most promising fields in the vineyard of the Lord today, calling for laborers, always ready and ripening anew to the harvest, is found in the young people and children of our congregations.

We believe that the possibilities of the Epworth League have not been exhausted. We doubt whether as yet they have all been developed.

We therefore recommend the close association of the League with the pastor, in order that together they may work out these possibilities, and may bring the young people to Christ and into the church, leading them into the lines of Christian activity, and thus enter more avenues to the furtherance of the Gospel and the success of the church.

We recognize that personal evangelism is the foundation of all successful Christian work; therefore we should gather the young people into devotional meetings and aid each to seek an experience of saving grace, and then train them for personal work. We recommend the organization of classes in Bible and mission study and, as personal communion with God promotes power, we should urge all to observe the morning watch.

The Epworth League recognizes God's claim on our material goods and

advocates Christian stewardship as the best method of financing every church enterprise.

The *Epworth Herald* should be read by every Epworthian and it should be found in each one of our homes. We heartily endorse the plan for the organization of the Conference Board as outlined by the central office and recommend its adoption by this Conference.

G. E. ALFORD, *Secretary.* J. W. FRIZZELLE, *President.*

## FREEDMAN'S AID AND SOUTHERN EDUCATION.

This year marks the fortieth anniversary of our work in the South. We now have 46 institutions, 614 teachers and 12,000 students. We have more industrial schools, more industrial students, and send out every year more industrial graduates than any set of institutions in the South. Besides our industrial work we have sent out more than 12,000 teachers among the colored people, besides a large number in all other professions. Our schools are centers of religious power: there were over 600 conversions last year. Our graduates do not belong to the criminal class. Not a single young man who has ever attended our schools has ever been charged with the unnamable crime against woman and the home.

The results achieved in the matter of self help are very encouraging. The collections from the colored conferences have increased $15,000 in ten years. While this is true, much help is yet needed. Therefore

*Resolved,* That we present the cause in all our churches and urge upon our people the necessity of supporting this cause.

*Resolved.* That we observe the Sunday nearest Lincoln's birthday as Freedman's Sunday and take a collection for this cause.

WHEREAS, The Board at Cincinnati, in order to celebrate the fortieth anniversary of the organization of the society, have asked that a special thank offering be made during the coming year in order to reduce debt and meet the increasing demands, have issued special thank offering coupons to be used by the pastors in raising their collections. Therefore

*Resolved,* That the Secretary of the society be requested to send a book of coupons to each pastor in the Conference.

J. S. WHITE, *Secretary.* R. B. SEAMAN, *President.*

## MISSIONS.

We believe that world evangelism is the great work of the great church. Gifts to support the missionary cause are the pulse beats of the church everywhere. As foreign trade indicates the strength of many a business house, so the foreign missionary work indicates the spiritual prosperity of many a church.

Our hope of heaven is based on our faith in the power of the Gospel of Christ to save to the uttermost. In the foreign field the power of the Gospel has been tested and proven sufficient. We commend the interest taken by the Epworth League in this cause and trust our young people will live to see the kingdoms of the earth become the kingdoms of our Lord and his Christ. We earnestly hope the day will soon come when all the people, not a part, will be alive to the great commission and believe this will be brought about by education rather than exhortation. O. T. DWINELL, *Secretary.*

## POST OFFICES.

The work of listing the post offices within the bounds of the Conference, by districts and charges, is finished according to the request made by our publishing agents. We recommend the continued use of the post office blanks, giving the name of each post office on said charge and carefully noting changes made by the R. F. D. system.

J. R. CLARK, *Secretary.* H. B. WARD, *Chairman.*

## SANCTITY OF THE SABBATH.

Inasmuch as God has written in his Word for us to "Remember the Sabbath day to keep it holy," and knowing that many people are unmindful of this command and are telling by words and actions that they do not care to obey it, we, therefore, utter a strong protest against all desecration of this day and recommend that our people be very careful as to what they say and do on this day, especially so as the world will go farther than we do. This day should be kept holy because, first, God commands it; second, it is necessary to our physical and spiritual welfare; third, it is essential for the preservation of our homes and our nation.

We further recommend that the ministers read this resolution to their congregations, submit it to the local papers for publication and from time to time preach on the observance of the Sabbath.

FRANK RIST, *Secretary.* F. N. WRIGHT, *President.*

## STATE OF THE CHURCH.

Never before was there so great responsibility resting upon the church as the "pillar and ground of truth," and being world wide in its influence and endeavor, it must maintain the highest possible standard of experience and life among its ministry and membership.

Never was there more need that the attitude of the church should be that of uncompromising antagonism towards every form of evil at all times, and that the plain, positive presentation of God's hatred of sin and the certain punishment of the unrepentent sinner should be emphasized in all of our pulpits without respect to class or individual.

We urge the more faithful, painstaking care of the children and new converts, to secure them for Christ and effective church membership.

Family piety and the sanctity of the marriage bond must be constantly emphasized.

The impossibility of growth in grace without attendance upon divine service and the taking of the holy sacrament upon opportunity, must be impressed upon our church people.

To maintain the value and importance of the Sabbath morning preaching service, we recommend that our pastors discourage all interference with the purpose and plan of this service by varied programs and special exercises, including funerals, unless absolutely necessary.

We must maintain the spirit of the General Conference advice upon amusements, or our young people will be lost to vital piety and Christian work.

We need more of the best young men from the colleges and universities for the work of the ministry, and we can only secure them by restoring the ministerial calling to its exalted place of self-sacrificing, soul-winning service. A commercial standard is largely responsible for repleted ministerial ranks.

We recommend that no church, or church property, be reported out of debt until all subscriptions are collected, and that no pastor's salary be increased or paid up by an enlarged subscription made by himself or family.

A. M. Bowlin, *Secretary.* R. A. Brown, *President.*

## STATE OF THE COUNTRY.

It is with gratitude to Almighty God that we note the continued and ever increasing prosperity of our country. We also rejoice in the wise policy of the President to promote peace among all nations.

We also endorse all lawful efforts of the government to uncover in government affairs all fraud and to prosecute the offenders. We also approve of all honorable efforts of the government to suppress the rebellion in Cuba, and we will encourage all true reforms in national, state and municipal government.

J. A. Johnson, *Secretary.* J. E. Taylor, *Chairman.*

## SUNDAY SCHOOLS AND TRACTS.

We, your committee on Sunday Schools, recommend the following:

First. That no literature should supplant our own.

Second. That teacher training should be emphasized.

Third. That the plan of taking the Sunday School collection by classes, in competition for the silk honor banner, be adopted in our schools.

Fourth. That the work of the Sunday School Union be given its proper place among the benevolences of the church and the collection taken.

### TRACTS.

We recommend, first, that every pastor shall send for a copy of the report of the Tract Society that he may be informed with regard to the work being done and so be able to explain it to the people; second, that in all our churches the collection for the Tract Society be taken, that no blanks appear; third. that pastors make larger use of the publications of the Society in their several charges, and that all churches taking collections ask for tracts for their use to the value of one-half of the collection taken.

J. B. Rutter, *Secretary.* Norval D. Hanes, *President.*

## TEMPERANCE AND PROHIBITION.

Your Committee on Temperance and Prohibition beg leave to report as follows:

1. The Christian law of temperance requires total abstinence of the individual, and prohibition of the sale of intoxicating beverages as the duty of the state.

2. The evils of intemperance are so great, the ruin of the body, mind and

morals by the use of strong drink so terrible, that the attitude of Christianity must everywhere and always be that of hostility to both the use and sale of alcoholic drinks.

3. No professed Christian can be indifferent on this subject without compromising his religion, losing his spirituality and sacrificing his power to lead his fellow men to Christ.

4. We are utterly opposed to licensing crime against society, and heartily endorse the declaration of our Bishops and General Conference that the liquor traffic "cannot be legalized without sin."

5. We endorse local option, not as a finality, but only as a means to outlaw iniquity. We deny the right of the majority to legalize crime and fasten upon society by a majority vote that which wrongs and oppresses any portion of the community. Nevertheless, inasmuch as Illinois is a license state, and the system of licensing the saloon generally prevails, we heartily endorse local option as a means to suppress the saloon in localities where it exists. All members of this Conference are requested and urged to preach upon this subject of local option and to urge their voting members, of all political parties, to support no man for our state legislature who is not openly pledged to give his support to a local option law, similar to the one defeated by our last legislature

We recommend the organization of the White Shield League in all our Sunday Schools as provided for by the Board of Direction of the General Conference Temperance Society.

We recommend that the pledge of the White Shield League be presented for signatures in all our Sunday Schools once a quarter, namely, on the Sunday given to the temperance lesson.

6. We recommend the publication and distribution of temperance and prohibition literature. The twenty-six tracts published by the Temperance Society of our Conference are the production of able thinkers and are thoroughly up-to-date, covering in an exhaustive manner the various phases of the temperance question.

We recommend the liberal distribution of these tracts as the most successful propaganda of the temperance reform.

7. While we are uncompromising prohibitionists and do not propose to rest until the entire suppression of the traffic in alcoholic beverages has been attained, we welcome as co-laborers and will co-operate with all workers who propose the overthrow of the saloon.

8. While rejoicing at the success of the general government in limiting the power of the saloon, we demand that the government shall further eliminate the influence of the saloon by repealing all special privileges granted by interstate law, as interpreted by our courts, and that the saloon shall be relegated from politics by receiving no protection from the state. We especially protest against the issuing of tax receipts, commonly called government licenses, in prohibition territories.

9. Recognizing the superiority of church work in the temperance reform, we pledge ourselves to co-operate with the Temperance Board appointed by our General Conference, and to organize, so far as possible, our districts, churches, Sunday Schools and Epworth Leagues into temperance societies as recommended by that Board.

10. We recommend the appointment of J. G. Evans and R. E. Buckey as delegates to the eleventh national convention of the Anti-Saloon League to be held in St. Louis Nov. 19-22, and B. B. Evans and S. VanPelt as alternates. Also that J. A. Alford and J. H. Ryan be elected trustees of the Illinois Anti-Saloon League.

J. A. Alford, *Secretary.* J. G. Evans, *Chairman.*

## USE OF TOBACCO.

The law of the church absolutely prohibits needless self-indulgence. The use of tobacco is a needless self-indulgence, and the use of it is entirely out of harmony with the ethics of the Gospel. Therefore, we should most earnestly insist by precept and example in our ministry that our people desist from the use of it.

John A. Edmondson,

T. W. Puffer, *Secretary.* *Chairman.*

## WOMAN'S FOREIGN MISSIONARY SOCIETY.

We reaffirm the action of the Conference last year, viz.: "We rejoice in the prosperity and victories of the Woman's Foreign Missionary Society. By its self sacrificing labors; its Christian sympathy for the women of heathen lands; its schools where heathen girls are taught the things needful in the establishment of the christian home; its medical missionaries, who care for the sick and dying and thus win their way to the hearts of the wives and mothers, and thereby be permitted to carry the blessed Gospel of redemption into their gloomy homes and lead them to Christ.

We are inspired to greater devotion in Missionary effort, and most sincerely congratulate this Society on its glorious work in Foreign lands.

We rejoice also that the Society has been broadening and deepening its influence in the home-land, by the distribution of its literature, its timely missionary meetings and its splendid efforts in behalf of the spiritual life of our local churches."

We are especially rejoiced to report that the money raised for this Society this year is in excess of that of any previous year.

Wherefore, we pledge this Society the continuation of our hearty co-operation, and pray God's blessing upon it.

G. W. Thorpe, *Secretary.* John Small, *President.*

## WOMAN'S HOME MISSIONARY SOCIETY.

This Society has commended itself to the church by its splendid success in its work in the past few years. Its ministrations to wayside needs and its systematic efforts to spread missionary information and awaken the church to the needs of the people of the south, the poor of the cities and the settlers on the frontiers, have all been such as to demonstrate the right of the Society to the place it occupies.

We therefore recommend the organization of auxilliaries wherever it seems practicable in our charges certain that thereby we shall gain in mission-

ary and religious interest and in the development of our members in Christian character.

A. A. Waters, *Secretary.* E. R. Horton, *Chairman.*

## CHRISTIAN FEDERATION SOCIETY.

Whereas there is a general similarity in the work and needs of the various Christian churches and whereas certain forms of Christian service and enterprise can be better prosecuted by co-operative effort.

We, therefore, endorse the organization of the Christian Federation Society for the following purposes:

1. The promotion of the circulation of church papers and official publications of the various churches.
2. The proper observance of the Christian Sabbath and the enforcement of Sabbath laws.
3. The promotion of tithing and Christian liberality.
4. The increase of interest in the connectional benevolences, Christian philanthropy and civic reform.
5. Preparation and consecration for efficient personal service in the churches.
6. To promote the spirit of Christian unity and practical co-operation between the churches.

We recommend the appointment of Rev. D. B. Johnson as superintendent of the Christian Federation Society and commend him to the confidence and co-operation of all our people and the officials and governing bodies of our own and sister churches.

# Memoirs.

G. J. LUCKEY.

George Jewell Luckey was born on a farm near Canton, Ill., Oct. 28th, 1841. His parents were devoted Methodists, and he grew to manhood amid superior religious influences. He was converted when sixteen years of age and joined the Methodist Episcopal Church. After enjoying the advantages of the public schools, he spent some time in Hedding College, and then went to the Northwestern University. He was a student in Garrett Biblical Institute when his health failed and in a helpless condition he was sent home by his fellow student, Joseph C. Hartzell. It was always a matter of deep regret to him that he was not permitted to finish his course. He was through life a diligent student, giving special attention to pulpit preparation. Several years ago Hedding College conferred upon him the degree of Doctor of Divinity.

On November 23, 1865, he was married to Miss Frances N. Ward of Canton, they having long been acquainted and associated in church fellowship. For more than forty years theirs was a happy wedded life. Three children survive: John Eddy, a physician in Vinton, Ia.; Maude, a trained nurse, and George, a physician in Shellsburg, Ia.

Bro. Luckey was a soldier in the Civil War, a member of Company A, 55th Regiment Illinois Volunteers. He fought in the battle of Shiloh, and having lain all night on the field of battle, contracted the disease that finally ended his life. He was honorably discharged on account of disability. Having partially recovered he received a letter from Governor Yates directing him to raise a company for service, which he did, but before they were to start for the front he suffered another attack of his malady, which prevented him from assuming his command. Afterwards he was appointed assistant provost marshal, which office he held until the close of the war, having some thrilling experiences in Fulton County.

He was a class leader in his young manhood, and was licensed to preach in the fall of 1865. After being employed as a supply for two years, he was admitted on trial in Central Illinois Conference at Washington in September, 1868. He served Colchester, La Harpe, Terre Haute, Bryant, Yates City, Trivoli, Farmington, El Paso, Macomb District, Peoria District, Geneseo, Rock Island, Galesburg, Galesburg District, Rock Island District, Onarga and Macomb.

At the close of one year at Macomb, the Conference was held in that city. Notwithstanding his physical condition, which made it impossible for him to walk except with the aid of crutches, with his usual care for details, he made provision for the entertainment of his brethren. At that time he found it impossible to continue in the work of the ministry, and on the last day of the Conference session, Sept. 25th, 1899, he asked and was granted a superannuated relation. Dr. Richard Haney, on behalf of his brethren, presented him a purse of gold. In the presentation and response the Conference listened for the last time to the familiar voices of these two men of God.

After the Conference, Dr. Luckey moved with his family to Vinton, Ia. There he secured a pleasant home in which he continued to reside until death. His health gradually failed ,until a few months before the end he became perfectly helpless and lost the power of articulation. His mind was clear, and he enjoyed seeing and hearing his friends, though unable to converse with them. His faithful wife with pathetic patience watched by his side through the weary weeks. The end came Dec. 8th, 1905.

Dr. Luckey, though apparently robust, was for forty-five years a great sufferer. He often said that he had "to go through life like a winged bird." He was a man of deep and unaffected piety, always a perfect gentleman, courteous and friendly, very reverent, especially in the house of God, a man of courage, having convictions and not afraid to maintain them. He was loved and honored; was a delegate to the General Conference of 1884, was four times Presiding Elder, and filled prominent appointments in the Conference.

## JOHN DAYTON SMITH.

John Dayton Smith, son of William O. and Anna Ort Smith, was born June 11th, 1837, at Waterloo, N. J., and died at his home in Downer's Grove, Ill., February 5, 1906, at the age of 68 years, 7 months and 24 days. He had not been in good health for some time, but continued his work preaching every Sunday until a short time before his death. He was of a family of six children. One sister had preceded him by death. At the age of fifteen he came with his parents, settling in Canton, Ill. At the age of eleven he was converted and joined the Methodist Episcopal Church. At seventeen he was licensed to preach by Rev. Richard Haney. In the year 1858 he traveled the Groveland Circuit as junior preacher under Rev. Ahab Keller. In 1859 he joined the Central Illinois Conference and was sent to the Smithville Circuit. In 1861 he was ordained deacon by Bishop Ames and in 1863 elder by Bishop Scott. He continued in the effective ranks until the fall of 1903, when he took a superannuated relation. During this time he served some of the most important charges of his Conference and for four years he was Presiding Elder of the Winona District. He served the following charges: Smithville, Waupecan, Whitefield, twice at Neponset, Victoria, Camden Mills, Cambridge, New Boston, Knoxville, Monmouth, Moline, Aledo, Buda, Toulon, Woodhull, Macomb, Kirkwood, Princeville, Gilman, Bushnell, Milan and one year after his superannuation he served Toluca and Belle Plain. In 1904 he was employed by Rev. James Rowe, Presiding Elder of the Joliet District, Rock River Conference, and served Oswego and Montgomery. Brother Smith was a man of commanding appearance, conscientious and faithful to the trusts committed to his care. He possessed a splendid voice, gifted in prayer and exhortation, a good preacher and in early life was a fine singer, and under his ministry many souls were led to the Savior.

On February 24, 1858, he was united in marriage to Miss Elizabeth Keller, daughter of Rev. Ahab Keller, under whom he was serving as junior preacher. The greatest compliment that could be paid to his memory is the universal expression of his brethren, "A good man has fallen." To Brother and Sister Smith were born one son and three daughters, Mrs. L. H. Thomas of Downer's Grove, Ill., Mrs. H. E. Comstock of Rice Lake, Wis., Dr. Chas. A. Smith of Ocampo, Mexico, and Miss Flora Smith of Downer's Grove, Ill.

While he suffered intense pain during his sickness, and for some time before his death was unconscious, yet when death came a most beautiful smile played upon his countenance. Rev. F. F. Farmiloe, the family's pastor, took charge of the funeral services. The obituary was read by the writer, who also preached the sermon. Beautiful tributes were paid to his memory by Rev. W. R. Wiley, presiding Elder of Rock Island District, and Rev. H. H. Rood, a former pastor at Downer's Grove and now of Elgin, Ill. The opening prayer was made by Rev. B. L. Prescott, pastor of the Baptist Church. Rev. Charles Reynolds, pastor of the Congregational Church, made the closing prayer. Mrs. Harry Moyer and Mr. Levi Moyer sang. Miss Jessie Brice presided at the organ. Six ministerial brethren bore his body away from his home and the remains were laid to rest in the Hinsdale cemetery.

Bro. Smith belonged to that class of men who by their loyalty to the doctrines and polity of the Methodist Episcopal Church made possible her present great achievements. No person ever questioned his orthodoxy. Three fundamental truths were always prominent in his ministry. First, the Word of God as divinely inspired; second, salvation by faith in the atoning merits of our Lord and Savior Jesus Christ, and third, the witness of the Spirit. While he is dead yet he speaketh and his works do follow him.

## HERMAN COOLIDGE.

The Rev. Herman Coolidge was for nineteen years a member of the Central Illinois Conference. His first appointment was Pleasant Green in 1887; then Millersburg in 1888; Rock River Circuit in 1889; Williamsfield and Elba in 1890-91; Dunlap in 1892; Lawn Ridge in 1893-94; Atkins in 94-95; Roberts and Thawville in '97-'98; Essex in '99-1900; Cropsey in 1901; Whitefield in 1902; Williamsfield in1903; superannuated in 1904 and died in 1906.

His early years were passed in Canada. He was the son of Harrison and Anna Barney Coolidge who at the time of his birth, June 20, 1854, were residing at Greenville County, Ontario, Canada. At the age of ten he united with the church. He began to preach when he was 27 years of age, coming to the United States and to this Conference 6 years later. He was ordained Deacon in 1887 and elected to Elders Orders two years later. He was united in marriage to Miss Elmira Armstrong in 1886.

Bro. Coolidge's health had been failing for several years. At the Conference of 1904 he felt it necessary to cease active work and to take a superannuated relation; shortly afterward he moved to Texas in the vain hope of benefitting his health.

He died March 22, 1906 at Dialville, Texas, leaving a wife and six children to mourn his loss. Bro. Coolidge was a man of ability, of much force of character and when health permitted a hard worker. He was decided in his convictions, intense in his will, a strong thinker and a good preacher. In later years ill health crippled his usefulness and death cut short his career, but not before he had gained many trophies and added many stars to his crown.

Bro. Coolidge though not widely known, has left in every charge he served those who hold his memory dear and who ascribe to him the blessing of their salvation.

## JAMES PARKER FORSYTHE.

Rev. James Parker Forsythe was born in Sheppensburgh, Cumberland County, Pa., March 12th, 1830, and died at his home in Sheldon, Ill., Sunday evening, June 3, 1906. He was the youngest of a family of six children. At eighteen years of age he left the home of his parents to make his own way in the world, locating in Armstrong County, Pa. While here he enjoyed the advantages of an academic education. In the same county he married Miss Rosanna E. Mechling, Feb. 9th, 1854. To this union two children were born, Emma J., who died in infancy, and Anna Dora, now Mrs. W. L. McCloud of Sheldon, Ill. For two years Brother Forsythe lived in Vinton County, O., part of the time engaged in the manufacture of charcoal and part of it assistant manager in the iron works of Stanley, Bentley & Co. In 1856 he moved to Illinois, taking up his residence in Rock Island County. There he purchased land, and during the summer months engaged in farming, teaching school in the winter.

Brother Forsythe was converted at nineteen years of age and united with the Methodist Episcopal church. He was licensed to preach in 1858, and in the fall of 1863 was received on trial in the Central Illinois Conference. During his active ministry he served the following charges: Essex and Round Grove, 1863-65; Chatsworth and Forrest, 1865-67. During this pastorate he secured funds for the building of the present church of Forrest. In 1867 he was sent to Watseka where he served one year. From there he was sent to Loda and Buckley for two years, when he was returned to Watseka for another year. In 1871 he was appointed financial agent for Grand Prairie Seminary, and for several years he served the church in that relation. While living in Onarga he served Clifton and Del Rey charges two years each. In 1880 he became pastor of the church of Sheldon, serving it but one year when he was made presiding elder of Kewanee District. Failing health compelled him in 1883 to not only give up his work as a presiding elder but to retire altogether from the active ranks. From the fall of 1883 until his death he made his home in Sheldon. Since 1899 he was agent for the Conference Claimants Society and succeeded in adding considerable to the permanent fund of that society.

Brother Forsythe was a man of clear head, clean heart and strong will. He was a good judge of men and measures. At his retirement this Conference declared by resolution that he had done well whatever the church had asked him

to do. The greater part of his life in the ministry was spent as a superannuate and he filled this difficult position most worthily. He had mastered the art of growing old sweetly. His pastors always found in him a wise and helpful counsellor and a warm-hearted friend.

He had a definite religious experience. He knew the Lord intimately and was mighty in prayer. He loved the Word of God and fed upon it. His well-marked Bible showed how deeply he had been impressed by the great promises. They were continually upon his lips. The great hymns of the church had fastened themselves upon his memory and lodged their truths in his heart.

He was intensely evangelistic. His uppermost thought was to bring men to Christ. In his last illness the unconverted were much in his thought and he often expressed desires for their salvation.

Our brother was also a man of tender sympathy. He knew how to "weep with those who weep." On numberless occasions his tears of sympathy and words of kindness have made the burden of sorrow less difficult to bear.

His last illness, cancer of the stomach, was long and painful. When first stricken down, before he became aware of the nature of his trouble, he thought the end of his journey had come and was filled with an ecstacy of joy Later when he saw stretched out before him the weary months of pain, before his day of coronation, he girded himself for the conflict. He declared it his purpose to glorify God by patient, courageous waiting and his faith never faltered. He bore his sufferings as became a servant of Christ. Again and again he praised God for his goodness. He knew in whom he had believed. His testimony in sickness and death was like his testimony in life. The dear Savior was all he had expected him to be. On Sunday evening, June 3, after nearly six months of suffering, he passed peacefully to his reward. The funeral services were held in the Sheldon church on Tuesday afternoon, June 5. Rev. C. O. McCulloch of Normal, preached the sermon. Dr. Geo. R. Palmer, Rev. J. F. Robinson and the pastor followed with words of appreciation of the departed. Eleven of the members of the Conference were present. The body of our brother was laid to rest in the Sheldon cemetery not far from the place where lie the mortal remains of our much beloved Brother H. K. Metcalf.

The bereaved family, consisting of son-in-law, W. L. McCloud, daughter, Mrs. W. L. McCloud, grandson, James Forsythe McCloud, and the companion and true helpmeet for over fifty-two years, in their loneliness and sorrow are comforted by the sure hope of the believer of reunion in the city that hath foundations whose builder and maker is God.

## BISHOP STEPHEN M. MERRILL, D. D., LLD.

Stephen M. Merrill was born at Mount Pleasant, Ohio, September 16, 1825. He was born again at Greenfield, Ohio, whither his parents had previously moved, October 31, 1842, early in his eighteenth year, and immediately joined the Methodist Episcopal church. He was licensed to preach at Greenfield, Ohio, April 5, 1845. In 1846 he joined the host of traveling preachers in the Methodist Episcopal church and began his labors on a circuit of twenty two preaching places. He continued on until he had spent eleven years on large circuits, thence he passed through four years in stations, four years in district

work as a Presiding Elder, four years as an official editor of one of our church papers, after which, in 1872, he was elected to the Episcopal office, in which office he continued thirty-two years actively, and one and one half years on the retired list. Thus from the humblest beginning he walked for nearly sixty years with the militant host through various stages of advancement, reaching a place among our most honored leaders, and at last, suddenly, unexpectedly, a thousand miles from home, but with his harness on, this great and good man was admitted to the General Assembly and Church of the First Born whose names are written in Heaven.

No adequate outline of his long, useful life, or analysis and estimate of his colossal character can here be given. We must be content with the merest mention of a few of the things standing out more boldly on the horizon of his four score years among men. As a man of pure intellectual force he must be ranked as great as the greatest produced by American Methodism, if indeed in this regard he must not be given pre-eminence. The triumph he won in the General Conference of 1868 in the great debate over the question of Lay Representation in the councils of the church—the greatest perhaps of his life—must be written among the forensic victories of intellectual giants. He was a great defender of the faith, and in the early days of his pastoral work he so carried out to the letter his covenant with the church in his ordination to the ministry to "banish and drive away all erroneous and strange doctrines" that he made the Methodists of Ohio and the territory contiguous his lasting debtor. And as an official editor, and afterward as a contributor to the leading magazines of the day, his mighty pen was one of the strongest defences of our Zion. As an author of books he gained an enviable reputation. Among his books we may specially name—A Digest of Methodist Law, Doctrinal Aspects of Christian Experience, The New Testament Idea of Hell, and the Autobiography now running through the weekly issues of the Northwestern Christian Advocate. He was a great expounder of church law. Some, not inaptly, have spoken of him as the John Marshall of Methodist jurisprudence. His opinion on a subject that involved the law was generally final. One felt his contention on a controverted point in the law as sound and right if he could count Bishop Merrill among the sharers of his view, and one had reason for uneasiness as to the soundness of his position if Bishop Merrill was found against him. His counsel on great legal matters in the work of the church is sadly missed. He was a profound preacher of Jesus and the resurrection. Measured by the movements of the hands on the dial of a clock, or by rhetorical flourish or oratorical display, or by the tendency for catchy, fetching things, he might not measure so well in the estimate of some, but if we take the standard of Paul in those words, "not with enticing words of man's wisdom, but in demonstration of the Spirit and of power," "not in the words which man's wisdom teacheth, but which the Holy Ghost teacheth," then may we use those words spoken of his Master and ours, "which was a prophet mighty in deed and word before God and all the people."

He was a son of poverty, by birth an heir of toil, and in that poverty and toil also to the qualities and conditions that conspire to make men great. With no powerful patrons to assist him, and without much help from the schools,

this man, whom God made one of the great heirs of His kingdom, by his goodness and sheer force of merit, found his way to the most honored position in his church, and a very conspicuous place among the great men of his nation and age.

These lines should not close without reference to his farewell as he retired from the fifty-eight years of his active ministry. That farewell, which it was my good fortune to hear him read to the last General Conference, revealed the brother in him to a very marked degree. He said: "I am not of a gushing nature and have never been demonstrative in proclaiming my inner life, and especially my attachment to Methodist preachers, but I verily believe that I have loved them with a pure heart fervently, and I am sure that I have suffered with them in their disappointments and grievances as becomes a Christian man, sustaining to them as delicate a relation as is possible for one man to sustain to his fellow men. I am not conscious of having ever made an appointment under the bias of personal friendship or antipathy." And in the remarks he made when as Senior Bishop he closed the last General Conference, he said, "I close my labors as an effective Bishop. I do this with cheerfulness and strong faith in God, and with the cheerful hope of the life everlasting."

One year and a half afterward he tested that hope. He had preached with great power on the Sabbath morning of November 12th last. That night he visited a friend in Keyport, New Jersey, whom he had known in St. Paul, Minn. At ten o'clock he retired. Shortly after retiring he was taken with a fit of coughing. His hostess took medicine to his room. As she was leaving the room she heard him gasp, and, turning about, found him sitting on the side of the bed, pressing his hand to his chest, saying he had never before felt so severe pain. A physician was hastily summoned, came speedily, but could find no pulse. He administered a stimulant. Three words fell from the lips of the good Bishop, "I am dying," and in eighteen minutes, without loss of consciousness, he ceased to work and live.

His hands were laid on my head when I was ordained an Elder. It was by his authority I was put in charge of Peoria District. And so when the messenger came so suddenly as to startle the church, with bared head and unsandled feet, with more than three millions other bereaved Methodists, I stood in my thought last autumn on the bank of the Jordan river, looking, now on his empty mantle, and then turning my tearful face toward the cleft sky through which he had gone, and saying as I looked, "My father, my father, the chariot of Israel and the horsemen thereof!" A prince and a great man in our Israel is fallen, do we say? Yes, and we also say, a prince and a great man is crowned in Heaven.

From the great cloud of witnesses we seem to hear him say to us

"Crowd all thy canvas on
Out through the foam!
It soon will be morning,
And Heaven be thy home."

C. O. McCulloch.

## MRS. ELLA ALTER RUTTER.

Mrs. Ella Alter Rutter, wife of Rev. J. B. Rutter, of Rock Island, Ill., was born July 12, 1865, and died at the home of her mother in Allegheny, Pa., March 31, 1906. Her childhood was spent in California, Pa., where she graduated from the Southwestern Normal in 1883. She was converted and joined our church in 1884. Four years later she married Rev. J. B. Rutter. Mr. Rutter was a member of California Conference, and they moved there, where Mrs. Rutter at once took her place as an efficient worker in every department of church work. She was intensely interested in the temperance cause, organizing in Siskiyou County, Cal., auxiliaries to the Woman's Christian Temperance Union. In 1896 her husband was transferred to Central Illinois where she labored and was a great inspiration in building the Spencer Memorial church in Rock Island. She had a genius for organization and her talents were deeply prized by the churches her husband served. In 1904 in a meeting conducted by Dr. Dunham she sought and found the blessing of a clean heart and ever after lived in the consciousness of God's presence. For many years she had been a great sufferer from rheumatism, but was always patient and cheerful and continued often at work when not able. She was a woman of a strong personality and loved best by those who had known her the longest. Two children survive, both daughters. Her passing away was a most triumphant victory of faith in full salvation. The funeral was held at the family home in Allegheny, Pa., and was attended by a large number of the members of North-avenue Methodist church, and other friends.

Translated—Yes, it is the best word—Mrs. Rutter has been translated.

She was the wife of a Methodist preacher, a true helpmeet to her husband. She was just in the prime of womanhood, talented, refined, tactful. An ideal wife for a Methodist minister.

It seemed to us who knew and loved her that it was so necessary for her to live, so necessary to the home, the husband and two daughters and the work of the church, but the Chariot came and she has gone home. The beautiful life has been translated and the memory of her work and life will ever remain with us.

We commend Bro. Rutter and the children to the care of the loving Father to bring them at last to be with her whom they have so tenderly loved and have now lost until the Resurrection dawns when they shall see and be with one another again.

## BENJAMIN CARROL SWARTS.

Benjamin Carrol Swarts was born August 1st, 1827, near Mt. Vernon, Ill., and died at Arkansas City, Kan., Sept. 16th, 1905. In 1829 the family moved to Warren County and in 1830 to Knox County. His father, Abram D. Swarts, was founder of the town of Abingdon. When about eight years old Benjamin was led to Christ through the influence of a Godly mother. His educational advantages were limited to the district school with one or two years in the Cherry Grove Seminary. In August, 1846, he was licensed to exhort and soon after to preach, his license being signed by Richard Haney. In November, 1846, he was employed as junior preacher on Mercer Circuit, which embraced all of Mercer County and parts of Rock Island, Henry and Knox, having in all thirty-two appointments. In September, 1847, he was received on trial into the Rock River Conference and appointed to Macomb Circuit with Barton H. Cartwright. His appointments were as follows: 1848, Peoria Circuit; 1849, Lacon; 1850, Pekin; 1851, Joliet, though a severe attack of typhoid fever kept him from going to Joliet. In 1852 he was appointed to Canton, 1853 to Monmouth. In 1854 his health having failed, he took a superannuated relation, which he held for six years. In 1860 he was made effective and appointed to Cuba Circuit. In 1861 to Farmington, but feeling it to be his duty to respond to his country's call, he enlisted in the army. He served a year as first lieutenant and was then appointed chaplain of the 41st Illinois. In 1863 he was sent to Ellison Circuit and in 1864 Presiding Elder of Rock Island District, which he held for four years. He then served Monmouth District one year, when his health again failed and he took a superannuated relation and removed to Kansas. His health improving, he was employed by the Presiding Elder to organize the work in Cowley County. In 1871 he transferred to the South Kansas Conference and was appointed to Oswego. In 1872 he was made supernumerary, but in 1885 he was made effective and appointed to Newton District, Southwest Kansas Conference. After three years' service on this district, Bishop Walden appointed him Superintendent of Oklahoma Mission, embracing the whole of Oklahoma and Indian Territories. When the Oklahoma Conference was organized he became a Presiding Elder in that Conference. He transferred back to the Southwest Kansas Conference and was given a superannuated relation, which he held until his death.

B. C. Swarts was a good preacher, a good man, and an earnest Christian, a true friend. He was devoted to the interests of the church he loved, and died in the triumph of his faith in Christ. His funeral was the largest ever held in the city where he lived, showing the esteem in which he was held by the people who knew him in his later life.

# Historical Matter.

## HISTORY OF CENTRAL ILLINOIS CONFERENCE.

In the spring of 1856 Rock River Conference included that part of the State of Illinois lying north of a line beginning at Warsaw and running east to the Indiana state line. In May of that year the General Conference formed Peoria Conference, dividing Rock River Conference by a line running from Cordova southeast to the Chicago, Rock Island and Pacific railway, along that road to the Illinois River, along the river to Kankakee, thence east to the state line, leaving Kankakee in Rock River Conference. Later the line was changed so as to include all of Kankakee County in this Conference.

The first session of the Conference was held in Peoria, Sept. 10th-16th, 1856. Bishop E. S. Janes presided. John P. Brooks was secretary, and it is not invidious to say that the Conference never had a better secretary. At that session a commission from the Illinois Conference, consisting of J. L. Crane, Dr. Finley and Dr. Barrett, asked this Conference to unite with their Conference in patronizing Illinois Wesleyan University, they offering to give us the west charge in Bloomington. After prolonged debate their proposition was accepted, and from that time until the present this Conference has patronized the University. West charge was for several years supplied from this Conference. Finally the General Conference changed the Conference line that it should run between Bloomington and Normal, leaving Normal in this Conference.

At the close of the first session there were six districts. Later there were ten, including two Swedish districts. There were seventy-three charges, sixty-five preachers in full connection and nineteen on trial. Of these six were superannuates, two professors in our schools, one Bible Agent, and six Presiding Elders, leaving sixty-nine to man the charges. As fourteen charges had two preachers, it was necessary to employ eighteen supplies. There were 11,102 members and probationers, 254 Sunday-schools, with 10,427 scholars; raised for missions, $3,003.95. Now we have five districts, 204 charges, 256 preachers, an increase of 166; members and probationers, 38,223, increase 27,121; Sunday-schools, 262, increase 106; scholars 35,907, increase 25,580; 210 chapters of the Epworth League, with a membership of 8,689. Raised for missions last year, $31,791, increase over 1856, $28,787.05. If we add the collections for Woman's Home and Foreign Missionary Societies, $16,993, the total amount is $48,784; total increase $45,780.05. The second session of the Conference was held in Hedding Chapel, Abingdon, September, 1857.

The early years of the Conference were years of controversy. "And there were giants in the earth in those days." The discussions, sometimes fierce, served to settle the minds of the people on questions of doctrine or church polity, so that the churches came to agree, or, like Wesley and Whitefield, "agreed to disagree."

Slavery excited intense interest throughout the whole country. Our pas-

tors were not agitators in their charges, but were known to stand for freedom. The reports adopted from year to year declared slavery to be, as Wesley styled it, "the execrable sum of all villainies." At the session held in West charge, Bloomington, in 1858, strong resolutions were passed, commending the capture of a slaver on the coast of Cuba, by the United states ship Dolphin, Lieut. J. N. Maffit commanding, and declaring it to be "the earnest of the future action of our navy in support of that law which rightly declares the slave trade to be piracy."

When the Conference met in Kewanee in 1859 the church, from Maine to California demanded a change of the General Rules upon this subject. The old rule forbade *"the buying or selling of men, women and children with the intention of enslaving them."* It was proposed to change this rule so that it should read, as it now reads, *"Slaveholding; buying or selling slaves."* Under the former rule some Methodists held slaves, and the demand was to exclude slavery from the church. The proposition was submitted to a vote of the Conferences. Good men opposed it because of the hardships it would bring upon persons innocently connected with slavery. After the most exciting debate ever had in our Conference, lasting through several days, the vote was taken, 57 voting for and 33 against the change. In the following May the General Conference completed the action, and slavery was forever excluded from the Methodist Episcopal Church.

At the same General Conference the name of this Conference was changed from "Peoria" to "Central Illinois."

When the Conference met in Lacon, Aug. 28th, 1861, the war of the Rebellion had begun, and many of our brave brothers had gone into the army in defence of the Union. Some of them returned, and some are yet among us and we honor them; others sleep in honored soldiers' graves and we hallow their memory.

In the report of the Committee on the State of the Country, the following was passed: "WHEREAS, A dangerous rebellion, inaugurated without just cause, exists in some of the states of the Union; and

WHEREAS, Our government in this hour of peril needs the hearty sympathy and co-operation of all classes of citizens, therefore

*Resolved,* 1. That we are in favor of the prosecution of the present war for the preservation of the Union and of constitutional liberty until the rebellion is completely subdued, and the authority of the government re-established in all the states, at whatever sacrifice of material or political interest."

In the session at Galesburg September, 1862, Richard Haney, chairman of the Committee on the State of the Country, reported a resolution as follows: "That the President be, and is most earnestly requested, to proclaim the freedom of every slave in the United States." This, with other resolutions, was adopted, signed, and sent to Abraham Lincoln, President of the United States. Whatever weight this appeal may have had with the President, it is a fact that within a few days the warning proclamation was issued, followed, on the first of January, by the Emancipation Proclamation, which ended slavery in the rebellious states. To the day of his death, Dr. Haney exultingly claimed that this was the first ecclesiastical body that memorialized the President to free the slaves.

Another subject of controversy was lay representation. After several years of dispute this question was settled, and now ministers and laymen, men and women, sit together in the chief council of the Methodist Episcopal Church.

From the beginning, Temperance has been the theme of much earnest discussion. The members of the Conference have not all been party prohibitionists, but they have all been prohibitionists. Their slogan has been, and is, *"Total abstinence from intoxicants, and legal prohibition of the liquor traffic."*

At the first session of the Conference the following resolution was adopted: *"Resolved,* That, being in favor of prohibition, and believing that our deliverance from the curse of the liquor traffic depends upon its success, we will support for office none but those who are prohibitionists from principle, and will urge all we can influence to do likewise." Signed, H. Ritchie, M. L. Haney, B. C. Swarts.

Every year since the Conference has given forceful utterance upon this subject, and every pulpit has thundered, in the name of God and humanity, against this enormous evil. Some of our brothers have suffered, but none have suffered as did the Master, or as did the early Christian heroes.

The history of the Conference includes the long roll of our honored dead—one hundred and ten noble men, whose work made possible our splendid heritage. And about an equal number of devoted Methodist preachers' wives, who contributed largely to the grand success of the past half century, have gone from the field of toil and triumph to the sweet rest and rewards of heaven. In addition a large number of good men and women, who wrought with us some years and then went to other Conferences, have died in the faith and heired the inheritance with the saints in light. And about fifteen thousand members of the church have joined the majority of the saints before the throne.

There are results not recorded on earth—sinners converted, Christians built up in faith and holiness, aching hearts comforted, orphan's tears dried, society made better, and the millennium hastened. The record is on high, and the reward with God.

## HISTORY OF EVANGELISM IN CENTRAL ILLINOIS CONFERENCE.

The beginning of Evangelism in Illinois, the attraction of settlers to the resources of the state, and the initial movements which were to reveal the greatness of the commonwealth, were all associated with the opening years of the century just closed. The government built a fort in 1804 where now stands Chicago and Benjamin Young was appointed missionary to Illinois the same year. Peoria arose from her ashes in 1812 and thus new material and spiritual currents began to course along the channels of old French and Indian life.

Four years before Benj. Young's appointment, the census gave Illinois a population of 250, yet this intrepid herald, with access to these, and the added, scattered population, reported 67 members the first year. It marked the church's beginning in the territory at the opening of a century of wonders.

Jesse Walker came to the territory with William McKendree, afterwards Bishop, in 1805, and together they crossed the sea of prairies, penetrated the pathless forest solitudes, swam the swollen streams, located the isolated set-

tler, and spied out the strategic points for conquest. The following year Jesse Walker was appointed to the territory, and at the end of the first year reported 212 members, nearly as many as there were people in the state six years before. The spirit of Jesse Walker, the greatest pioneer preacher of the church, would naturally infuse the life of the movement he pioneered—the founder of Methodism in St. Louis in 1819.

Organizing the first Methodist class in Peoria in 1825, and the first class ever formed in the bounds of Rock River Conference, at Walker's Grove, now Plainfield, 1829, and with Stephen R. Beggs, lays the foundations of Methodism in Chicago in July, 1831, while ministering to the Indians, as a true missionary between these extremes, he thus bound the conferences of the state to the same doctrines and traditions. Churches with such a spiritual father would be naturally evangelistic.

The years following were marked by the rise of men of genuine greatness in the western itinerancy, who, springing from the body of the common people, continued to meet the new and ever varying opportunities of the wide field, as genius meets the hour of destiny. Among them were Samuel Parker, James Axley, Peter Cartwright, Stephen R. Beggs, A. E. Phelps, and others of later fame, who kept step with the western course of empire, faithfully bearing the messages of the Gospel to the remotest frontier cabin or outpost of civilization. Their worthy service is indicated in the proportionate increase of church membership with the increasing population of the state.

In 1830, about the time Methodism began in Chicago, the population of the state was 155,061; our membership in the same territory was 13,349. In 1850 the state had a population of 846,034 and our church a membership of 49,636. In 1856, the date of our conference organization, the state's population was about 1,000,000, less than half the present population of Chicago, and Illinois Methodism numbered 68,650.

In the history of our evangelistic efforts, three agencies gave practical adjustment to work and workers—the itinerancy, circuit preaching, the camp meeting. As John Wesley was the prophet of the masses in the old world, so the pioneer itinerant preacher was his answering voice in the new. No destitution limited his sympathy, no helplessness shook his faith in the power of the Gospel, no distances separated the unsaved from his activities in the Kingdom, to him the command, "Go and evangelize the world" had never been revoked. Thus the circuit grew out of the effort of these zealous men "to seek and to save." Support and supervision were temporal adjustments of a plan inseperable from the faithful ministration of the "under shepherd." Hence our early history was an effort in conferences, districts, charges, including very large areas, due to the nature and condition of the scattered population. For example, in 1796 the Western Conference included everything in the Mississippi Valley and the Northwest Territory was all included in one district till 1809. Appointments at first included all the settlers in a state or number of counties. Boundaries were often indefinite, as in 1825, when Jesse Walker was sent to all the settlers between the Mississippi and Illinois rivers and to the Indians at Ft. Clark. The old Kaskaskia Circuit, to which A. E. Phelps was sent in 1828, included the counties of Randolph, Monroe, Perry, Jackson, Washington, and a part of Sin Clair. It was a six weeks' circuit of 500 miles travel. When in 1833 John St.

clair was Presiding Elder of the Chicago District, it included all now in the Central Illinois, Rock River, Upper Iowa and Wisconsin Conferences. Peoria Circuit covered about the present limits of Peoria District, and Pekin Circuit in 1836 included fully three-fourths of what is now embraced in Normal District. Knoxville Circuit in 1837 included the counties of Knox, Warren, and part of Fulton, being 250 miles in circumference.

These large circuits covering territory now included in ten, twenty, and even forty charges, with an average of as many again churches, is of itself an item in the history of growth. The early plans provided for preaching every day in the week and even oftener, with summer camp meetings at the various appointments, as circumstances would allow, while the three days' quarterly meeting occasion, with an observance of special days and seasons, each with conversions as the object, and we have an illustration of the spirit of the fathers, in whose places we stand.

But the itinerancy with its accommodating circuits must have a new adjustment on the frontier, where neither cities nor buildings furnished shelter for the eager multitudes who gathered at appointed places. The example was furnished by the McGee brothers in their preaching tours in 1799 at the beginning of the greatest revival period of our history. The people came to the appointed places and "camped," hence the logic of the camp meeting. The convenient grove with its shade and protection, the natural pillars, arches and avenues of God's first temples, became places too significant to our history to be forgotten. Frequently communities for fifty miles in radius "moved with cheerful anticipation to the festival of religious feeling and social friendship." At these meetings, communities were transformed, they marked the beginnings of strong churches and the occasions for conviction, which sent men into the ministry. They were the summer schools for evangelization, indoctrination and instruction in which as by no other means the church was unified. The names of fifty seven of these camp meetings have been appended to this sketch, each having been a sacred place to many of God's true nobility. These central gather ings with their adjacent circuits effected the church through a very vital test, that of developing our ministry, a circuit with common interests, frequent revivals, flourishing churches and the young men of the community entering the ministry. For example, from the Marietta Circuit came John, Amos and G. M. Morey, G. R. Palmer, Stephen Brink, the Haneys of three generations, B. Applebee and J. E. Ruttlege. From the region of Magnolia, Creighton, Lewis and Milton Springer, G. M. Irwin, Robt. A. Cowen, J. G. Evans, Z. R. Jones, G. B. Snedaker, Wm. Collins, Ira Mozier, Joseph Kelly and N. H. Gregg. Monmouth and vicinity, U. J. Giddings, Samuel B. Francis, F. M. and John B. Smith, Wm. Underwood, A. D. McCool, R. N. Morse, John C. Knowlton and F. M. Chaffee. Knoxville Circuit, B. C. Swarts, N. G. Clark, H. P. M. Brown, Jonas J. Headstrom, Barton H. Cartwright. Rock Island and Moline, William A. Spencer, Joseph C. Hartzell, A. C. Frick, P. I. Williams, A. J. Jones, W. B. and J. W. Frizzelle. From Toulon, J. H. Sanders, Aaron Atherton, C. H. Brace, Charles Atherton, B. E. Kaufmann, T. P. Henry, E. O. Raymond, Wm. Leber. Canton, James Ferguson, M. D. Heckard, John D. Smith, J. G. Luckey, John P. Brooks, A. R. Morgan. Blandinsville Circuit, S. P. and Fletcher James, W. B. Alexan-

der, Seth and Henry Coats. Colchester, Thomas Doney, John Rogers, T. E. Newland and T. J. Pierson.

It will be easy to trace the intimate relation between the old time revival centers and our ministerial supply. Methodism has never had to seek its spiritual leaders in other churches.

In the fifty years of our Conference history we have received 557 ministers on trial, 442 in full connection and have elected 496 to Deacons' and 349 to Elders' orders. Eighty-five ministers received their appointments fifty years ago and 173 last year. Our evangelistic history is the story of the life work of these men. Very few of them but what at some time have had great revivals in their work, and much that cannot enter into statistics approves their ministry. The first year of our separate existence as a conference we gained 3,000 in membership and the years 1861-2 6-7, 1871-2, 4-5, 1893-4 were years of marked increase, while during the past five years there have been as notable revivals and a number of examples of ingatherings as gratifying as in the famed days of yore. Fifty years ago our membership numbered 11,102, now 38,000 and this is only a limited estimate of our increase, for in this half century 14,676 of our members in the home churches have crossed the river, while for the past thirty years an exodus has peopled the states from the Mississippi to the Pacific with thousands from the same communion. Our 119 churches have grown to 383, our 46 parsonages to 184, while our property valuation has multiplied by eight. In 1858 Snatchwine and Dallas City were each receiving $75 of missionary help, New Boston, Streator, Gilman, Colchester and Coalville, $100 each; Keithsburg, $150, and while now self sustaining in all our boarders, we have in these fifty years contributed to the parent missionary board $695,380.

During these years we have neglected no waste places, as with Paul, when the "vision appeared" immediately our people have endeavored to go. All righteous causes have known their sympathy, all lands have felt their power. As heralds beyond the seas or advocates at home, as patriots upon the field or by the more courageous patriotism of peace, our people have not been wanting.

## EDUCATIONAL WORK IN CENTRAL ILLINOIS CONFERENCE.

Methodism was born in a college and cradled in a great university. It was all of God that it did not become a literary aristocracy. Its charter members and early promoters were college men. They were mostly men of excellent culture, but of broad, practical views, recognizing the great truth that Jesus came into the world to uplift and save all classes. While they were educated and literary men, they saw the necessity of giving the Gospel to the poor and illiterate. Their great theme was salvation from sin and a holy life, and in their zeal for holiness they made no difference upon the ground of wealth, culture or station. For more than a century and a half Methodism has maintained the righteous sentiment of the fathers upon this subject. Methodism has ever been recognized as the church of the common people, and yet cordial support has ever been given to Christian education and to the highest possible attainments in literary culture. It is true there have been exceptions both among the laity and in the ministry. Fearing that culture might be substituted for religion, some have, as they supposed, in the interest of religion, denounced the culture of the college. Years ago, a good but mistaken brother, upon the floor of an Indiana Conference, bitterly opposed a proposed measure in favor of Asbury University and closed by saying he thanked God that he had never been in a college. Bishop Ames was presiding and as the brother took his seat the Bishop said: "Does the brother thank God for his ignorance?" He replied, "You can put it that way if you like," and the Bishop promptly responded, "I was only thinking you have a great deal to be thankful for."

On the other hand, some laymen and even some ministers, have leaned toward making the Methodist Episcopal Church the special home of the rich and the educated. A Bishop is reported to have said: "The time has come for our church to look after the rich and let the Salvation Army take care of the poor." And a General Conference Secretary once said to a Superintendent of a Social Settlement, giving his time and energy to slum work, "You are throwing away your time; these people for whom you are working are not worth saving." These are exceptions. The great body of Methodists, both ministers and laymen, have ever been true to both rich and poor and sought to make all classes wiser, better and happier.

John Wesley was a voluminous writer, not only in theology but in the various fields of literature. His cultured coadjutors were also thinkers, investigators and brilliant writers. Methodism, down to the present, has compared favorably with other leading denominations in giving to the world a cultured, thoughtful, pure and elevating literature.

American Methodism has led the van in building, endowing and filling Christian universities, colleges and academies. The spirit of mind culture has pervaded the church and the insinuation sometimes heard that the Methodists are an ignorant people and her ministry uncultured, is a libel and a slander. But it is her glory that she has not considered education the chief qualification for the ministry, nor has she demanded college culture as essential to the ministerial office, but she has always encouraged the highest intellectual culture as an accompaniment of the graces of the Spirit.

When the Peoria Conference was organized in 1856, we had no Doctor of Divinity and only one, Dr. Dempster, in the Rock River Conference, from which we came. Now we have more than a score and Rock River fairly swarms with them. College graduates were very scarce in both conferences, but there were giants in our pulpits in those days. A. E. Phelps, H. Crewes, Luke Hitchcock, John Luccock, John Chandler, John Morey, Henry Summers, John W. Flowers, R. Haney, W. H. Hunter and others were pulpit stars of the first magnitude. Many of us who wear college honors would look like thirty cents if measured by the side of these great men of fifty years ago.

When our Conference was organized, the enthusiastic spirit of Christian education was far greater than the wisdom which directed it. The Conference came into existence burdened with six institutions of learning and three more earnestly pleading for recognition. In our first Conference minutes we read of "Hedding Collegiate Seminary," "Fulton Seminary," "Aledo Seminary," "Peoria Wesleyan Seminary," "Brimfield Seminary" and "Keithsburg Seminary." Henry Seminary, LaSalle Seminary and Grand Prairie Seminary appeared at a later date. At this first session a battle royal occurred among the giants. The Northwestern University claimed our territory because we had been a part of Rock River Conference. The Illinois Wesleyan University claimed this section because of contiguity. Our own seminaries, whose friends and special advocates hoped they would become great universities, or at least full-fledged colleges, protested against the innovations of these foreign institutions. B. C. Swarts represented Hedding; R. C. Rowley, Fulton; H. J. Humphrey, Aledo; C. M. Wright, Keithsburg; R. Haney, the Northwestern, and a committee from the Illinois Conference, consisting of H. Buck, J. L. Crane and Prof. Sears, were given the courtesy of the floor to represent the claims of the Illinois Wesleyan. These were all strong men and the discussion was able and interesting. We retained our interest in the Northwestern and elected R. Haney and S. G. J. Worthington as trustees of that institution. We also accepted the invitation of the Illinois Conference to unite with them in the support of the Illinois Wesleyan. The Peoria Wesleyan, Fulton, Brimfield, Aledo, Keithsburg, Henry and LaSalle Seminaries have all died and received a silent burial. While Hedding and Grand Prairie remain under the law of "the survival of the fittest," these others died to give emphasis to the folly of their untimely birth.

In 1863 Grand Prairie Seminary was organized under the leadership of P. T. Rhodes, who was Presiding Elder of Middleport District and George W. Gray, who was pastor at Onarga. P. T. Rhodes was financial agent and G. W. Gray the first principal of the Seminary. This institution has had a flourishing history. Its principals have been godly men, its teachers have been well qualified and faithful and the citizens of Onarga have been true and sacrificing

friends. It is now affiliated with the Northwestern University, and the outlook for the future is excellent.

Hedding College was founded in 1855 as a seminary and became a college in 1875 with full courses of study, comparing favorably with the curricula of the best colleges and universities. It now has a preparatory course of four years and a college course of four years, lacking only the wide range of elective studies offered in larger and more wealthy institutions. The elective system has its evils as well as its advantages and its practical value is very doubtful. The small college with an earnest Christian faculty, with whom the students daily associate, is far preferable to a large institution with its innumerable attractions to divert the mind of students from their proper work. The history of Hedding has been one of struggle, hardship, sacrifice and success. Its real founder was Abram Swarts, who owned the land and contemplated building a college on the ground where Hedding College stands. He died before his ideal was realized and it was left for his sons, Oregon P. and Benjamin C., and his daughter, Mrs. Wilson, to inaugurate the enterprise.

The presidents and faculties of Hedding have been energetic, competent and self-sacrificing. Indeed the institution was at one time saved by the generosity of president and professors, who accepted, for a number of years, a proposition to divide pro rata the income for each year, all agreeing to donate the deficiency. By no other method could the institution have been saved. It is in my judgment a shame to the Methodism of our Conference that the only college within its bounds has not received a more liberal support. Nevertheless, the record of Hedding is crowned with success. An unusual per cent of her students are in the ministry, many of whom have an enviable record, others in various professions are making a fine success, and the religious influence of the college has always been good.

The Illinois Wesleyan has had a hard struggle because of insufficient support. It has done its work well, but without proper appreciation and financial support. The tide has turned and is now rising, and we hope for a successful future.

Our connection with the Northwestern University and the Garrett Biblical Institute has been satisfactory, giving us the advantage that we have received largely without financial responsibility or burden.

In conclusion, I may say that our only plea for church schools rests upon the fact of their greater safety to the morals of students. The future of the church depends upon the vitality and force of Christian education. Any effort to ape our state universities is ruinous to our church colleges. In our church schools the religious element must predominate to make them worthy of our support. The church college should be a center of revival influence.

## WHAT WE OWE THE ITINERANT PREACHER.

Methodist itinerants have been the spiritual "pathfinders" of the West and middle West. They were as expert with a rifle as a text and knew how to swim rivers as well as preach sermons, and were as much at home in dealing with wild beasts as with sinners. They were religious frontiers-men, simple

minded, sinewy-bodied, devout-souled, singing, praying, shouting evangelists, making prairie and backwoods re-echo with their songs and exhortations. They were the royal engineers of the armies of the skies, not only blazing a way for the solitary scout, but preparing a highway for the redeemed of the Lord. They were the spiritual Uhlans who ever kept in advance of the slower moving bodies, selecting the strategic places, camping at the vantage points and occupying the centers. Many of them were a combination of spiritual generals and statesmen, with the heads of philosophers and the eyes of prophets. Some of them could have led an army corps, others could have filled places in the United States Senate, upon the Supreme bench, while hundreds of them could have been lawyers, physicians, merchants and farmers and made fortunes for themselves and families. But they dedicated their talents to God, and chose to eke out a living, spending their time in the saddle, away from home, threading trackless prairies and forests that they might carry the word of life to the people. They stood like heroes in the presence of the forces and forms of evil of their times. In the great anti-slavery fight which preceded the war of the Rebellion, they were on the firing line. While we honor the name of John Brown and reverence the names of Phillips, Lovejoy and Seward and would place the crown of immortality upon the brow of our own Lincoln, yet I think I voice the verdict of history when I say if it were not for the bombardment from the long line of Methodist pulpits Lincoln never would have written the Emancipation Proclamation.

They also led the van in the struggle with that greater enemy, intemperance, which their sons will continue, taking as their tocsin of war, "it cannot be licensed without sin," and pushing to the last ditch, will bury the American saloon as deep as the old slave-market. They were worthy followers of John Wesley, that knight-errant of the King of Kings, who sought a league offensive and defensive against all forms of evils, and carried and published a sovereign proclamation of divine amnesty in his world-wide parish.

But the men who did this advance work, keeping abreast of the van of the surging multitudes that crossed the Alleghenies and spread like a great army through the Mississippi Valley, did not do it for glory, nor homes, nor farms, nor salaries. They had the same opportunities to get this land for a pittance which is now worth $150 per acre as hundreds did, but they were so thoroughly absorbed in the spiritual well-being of the people and the Kingdom of God, that they turned away from prospective fortune and were satisfied with a bare living. Their allowances were very small, and much of that was paid in horse feed, pork, socks and home-spuns. In a study of the Conference Minutes of fifty years ago we find some interesting facts as to salaries or allowances. Henry Summers was the Presiding Elder of Peoria District and received $524. R. Haney of Knoxville District received $448; R. N. Morse of Rock Island District received $506; J. Morey of the Peru District received $493, and J. Luccock of the Washington District received $524. The following persons, who yet remain with us rode large circuits on the following fat salaries: Wm. Watson was junior preacher on the Chillicothe charge at $125; C. Springer, French Creek, $115; J. G. Evans junior preacher Farmington, $150; J. S. Cumming, Blandinsville, $322; B. E. Kaufman, $125; H. Ritche was pastor at Abingdon at $300. The best paying charges were Peoria, $600; Lewistown, $500; Canton,

$500; Lancaster, $530; Knoxville, two preachers, $648; Berwick, $416; Carthage, $460; Macomb, $467; Rock Island, $650; Toulon, $450; Avoca, $454; Mackinaw, $400. The average salary or receipts that year was $373. While these salaries were very small, yet the people were paying far more in proportion to their ability than they are now. That year there were reported 9,S12 members and they paid for ministerial support $29,896, or an average of over three dollars per member. Last year the membership of this Conference paid a little over five dollars per member for ministerial support. Thus there has been a gain of two dollars per member during the fifty yeass, but what has been the gain in material wealth of this marvelous state of ours? The corn crop of the United States has increased from 700,000,000 to nearly three billion. Then it sold for 10 and 12 cents per bushel, now for 40 to 50 cents. There are six times more wheat raised now than then, and six times more oats. The value of farms and farm property has increased six times. The value of farm products five times and the value of manufactured goods about fifteen times. With this increase in wealth in the country has come a like proportion of increase in the cost of living, so that the minister with the average salary of to-day is but little better paid than he was then. These early Methodists, struggling with the poverty of a new country, paid three dollars per member, while the wealthy, well housed and homed members of to-day pay five dollars out of their wealth.

What made the itinerant's claim more urgent is the fact that he frequently did not get all his small allowance, as some do not now. The stewards gathered what they could easily, just before Conference, then the preacher was moved to another circuit and that settled the bill. I have gathered the following statistics, some few years being estimated, because the statistics were not published, of the deficiencies in the payment of the allowances. And one thing we should remember in these statistics, that the preacher scarcely ever reported less than he received. More often he would over-report so as to make as good a showing as possible for his charge. Taking these things into consideration, I find in the first decade, from 1856 to 1866, the deficiency amounted to $49,644; second decade, from 1866 to 1876, $102,114; third decade, from 1876 to 1886, $113,662; fourth decade, from 1886 to 1896, $75,000; fifth decade, nine years, $36,000. This makes a grand total of $376,420 the itinerant has lost in fifty years because the church did not keep her promise with him. In the same periods the Conference Claimants collections have been as follows: First decade, $6,498; second decade, $18,613; third decade, $21,018; fourth decade, $46,829; fifth decade, $49,500; being a total of $162,448. This includes the profits of the Book Concern which have come to this Conference. Deducting these gifts to the Conference Claimants, there is yet due the itinerant of this Conference $214,000. If the Conference stewards had this amount invested at five per cent it would give a revenue of over $10,000, which, with the amounts received from other sources, would enable them to pay the superannuates, the widows and orphans, enough to keep the wolf from the door. Then young men would see some hope of a livelihood for themselves when they became aged, or should break down in health and for their families should they die. The question of a dearth of men for the ministry gets part of its force from the considerations set forth in this paper. There are so many fields open for bright, educated young men, where good salaries are offered, with a promise of a yearly increase, that they

are attracted toward them rather than toward the ministry. Then there are so many avenues open for Christian work among laymen that young men think they can serve God and their generation without entering the ministry and subjecting themselves to the possibility of closing their careers in poverty. Whether a money consideration should enter into this problem is a matter for debate, but we are not considering a theory but the facts. Then, if we want an increase of men for the ministry, the church must make adequate provision for their support while in the field and enough to care for them and theirs when they are put out of action. In the midst of this era of unparalleled prosperity, when wealth is increasing by leaps and bounds, the Conference should make strenuous efforts to raise an endowment fund of at least $100,000. This Conference is in the garden spot of this state, with millions of acres of land worth from $100 to $200 per acre, and Methodists own their share. We ought to have a sufficient income to be able to pay every superannuate at least $300 and a widow $200 per annum. There are three sources from which we have a right to expect such an income, First, the Conference Claimants collections, which should be doubled; second, an endowment of $100,000; third, from the proceeds of the Book Concern, which from the beginning were set apart for this purpose. It has come to pass in these last days that about the only advantage the Book Concern is to the average preacher is what it returns in dividends. Discounts on book bills are a thing of the past, practically, and the preacher can get as good bargains at any other place since the agents have learned the meaning and use of that talismanic term of the trade, n-e-t. But as long as we can do as well at the Book Concern as at other places, both in quality and price, and can be fairly sure of the kind of literature we get, let us buy from ourselves, and thus save our discounts in dividends. Then it behooves every preacher to be interested in the Concern, not only to the extent of patronizing it, but also in seeing that it is conducted on the most economical business principles. If the concentration of the publishing business of the church, according to modern methods, will effect the saving of the thousands of dollars claimed by those who have investigated the matter, then we should send delegates to the next General Conference pledged to that policy. I would not endanger any vital interest of the Concern, yet we do not need to perpetuate old methods to keep old precedents. Let us run the business of the church upon up-to-date methods, and in accord with the principles of the golden rule. Let the church so provide for the declining minister and his widow that in health and activity they may be able to perform their work without worry for the future, then she will have shown her appreciation of the labor and sacrifice of worthy and heroic souls.

## REV. HENRY SUMMERS

Was born in Montgomery County, W. Va., Feb. 7th, 1801, and died at Farmington, Ill., June 18th, 1883. His parents were Germans and members of the Lutheran Church: his early religious training was in that faith. He was converted at a camp meeting in Washington County, Ind., in 1819, and united with the Methodist Episcopal Church and was licensed to preach in 1822. He was ordained a Deacon by Bishop Roberts in 1828, and an Elder by Bishop Soule in 1832. In 1832 the Illinois Conference, held at Jacksonville, received him on trial. He was one of forty-four men sent out to supply the whole of the State of Illinois and territories of Wisconsin and Iowa: his appointment was to Rushville Circuit. This circuit included all of Fulton County west and south of Spoon River, all of McDonough, Hancock, Schuyler, Brown and about one-third of Adams Counties, nearly as much territory as this Conference now has west of the Illinois river. There were thirty-five preaching places, at each of which he preached every four weeks.

He arranged his work so as to be at home when it was moonlight, and when at home worked half of each night during the summer of 1833 cultivating a crop to aid in the support of his family. He received from the circuit as salary $96, of which less than $10 was cash. In his absence his neighbors kindly cared for his crop. His second and third years he served Canton Circuit, the fourth year Knoxville mission.

In 1836 Bro. Summers was appointed Presiding Elder of Rock Island District. The first year the district embraced all the settlements along the Mississippi river from Mercer County, Ill., to Hazel Green, Wis., all the settlements in Iowa Territory from what is now the city of Davenport to the Missouri state line. The next year Knoxville Circuit was added, making the district twenty-four miles longer in Illinois.

The country settled rapidly and the work prospered so that in 1839 the part in Iowa was made a separate district, named Burlington, Henry Summers Presiding Elder. This was again divided in 1841, the western part becoming Des Moines District, Henry Summers Presiding Elder. In 1844 Iowa became a separate conference and he was transferred to Rock River Conference and appointed to Farmington Circuit.

In 1845 he was appointed Presiding Elder of Plattville District, Wis., whose territory extended from Hazel Green to St. Anthony Falls. Rock Island District, as it was from 1836 to 1839, and Plattville, as it was from 1845 to 1849, combined, reached from the north line of Missouri to St. Anthony Falls, more than 1,000 miles. These long rides were made on horseback, much of the time without roads, except Indian trails. Swimming swollen streams, plunging through snow drifts with the thermometer marking 35 degrees below zero, or traveling under the rays of a mid-summer sun with the temperature far up in the nineties. But none of these things moved Henry Summers from the path

of duty. He made these long, wearisome journeys, preached to small congregations, met quarterly conferences of two or three members, sometimes only the preacher in charge. The people entertained him with the best they could get, and the unaffected relish with which he partook of their meager fare, his cheerful, pious conversation, and the solemn prayers he offered in those frontier homes were memories sacredly cherished.

In hard work faithfully done, in hardships uncomplainingly endured, Illinois Methodism has never had the superior of Henry Summers, and few have even approached his record. Other men have given more years, but none has cultivated such extensive fields under conditions so peculiarly hard. The first fifteen years he was a Presiding Elder his salary scarcely averaged $300 a year. And during his thirty-six years effective ministry he was never even promised $1,000 as salary alone, nor in any year did he receive the full amount promised. And when the infirmities of age compelled him to superannuate, the church he had served so unselfishly so many years had the munificent sum of $100 to give him annually to support himself and his almost blind wife.

Brother Summers was about medium height, of sturdy, muscular build, capable of unlimited hard work, and possessed of wonderful endurance. He would not have been called a handsome man, but his countenance had a pleasant expression, so that his very face was a benediction and his cheerful piety made him a worthy example everywhere. In the pulpit his manner was dignified and solemn, "never courting a grin when he should have been wooing a soul."

His sermons were pre-eminently Scriptural, carefully prepared, forcefully delivered, and often truly eloquent. The Bible was to him an inspired book, the only authoritative standard of proof and appeal in religious teaching. He probably never heard of the learned rubbish called "higher criticism." He recognized sin as a fearful reality, but the Gospel a complete remedy. Heaven and hell, too, were realities and he did not "shun to declare the whole Counsel of God." Except in representing his work, he seldom spoke in Conference, but when he did, his speeches were short, pointed and convincing.

As a Presiding Elder he was careful and painstaking, and his work showed him to be aggressive and resourceful. Preachers and people had confidence in his judgment and his faithfulness to their interests.

By Conference divisions Bro. Summers was a charter member of the Rock River, Iowa, Wisconsin and Central Illinois Conferences. He was three times a delegate to the General Conference, twice from Rock River and once from Wisconsin. He was five years a pastor, thirty-one years a Presiding Elder, and fifteen years superannuated.

It is to be noted that he was appointed a Presiding Elder in four years after his reception in the Conference on trial—a mark of confidence rare in those early days. Results showed that it was not misplaced. Henry Summers was a wise leader of men, a prince in our Israel; to all who knew him, thought recalls only sorrowful but loving memories.

## REV. RICHARD HANEY

Was born in Washington County, Pa., April 15th, 1812, and died in Altona, Ill., Jan. 27th, 1900. "Between these two dates what history was made, both in the country he loved and in the church of his choice."

In 1812 the Republic had seventeen states, with a population of about 7,250,000. In 1900 forty-five states with a population of 75,000,000. The nation had fought the greatest war of all history and abolished the curse of human slavery. Its growth in trade and commerce and its rapid recovery from the exhaustive effects of war are the wonder and admiration of the world. "The growth and expansion of the Methodist Episcopal Church had been no less marked." We had become a people who were not a people," not by making proselytes out of existing churches, but by going out into the world and getting sinners converted had become the strongest Protestant church on this side of the Atlantic. "In 1812 the eight Conferences reported a membership of 195,057; the territory included all the Southern states and territories, and Upper and Lower Canada." In 1900, exclusive of the Methodist Church South and Canada, the Methodist Episcopal Church alone had a membership of 2,700,000 and foreign missions in almost every country of the inhabited globe. Already the fulfillment of prophecy dawns: "I shall give thee the heathen for thine inheritance, and the uttermost parts of the earth for thy possession."

"Brother Haney was converted in early boyhood and soon after his conversion came the conviction that preaching the Gospel was to be his life work." The same conviction evidently came to the church for his probation had scarcely expired when he was licensed to exhort. This was a surprise to him as he had not told any one of his convictions of duty. With his views of the great dignity and responsibilities of the Christian ministry he felt that he must have better preparation for the work before entering upon its active duties. Accordingly he went to Norwalk Seminary, where he worked his way until he had acquired a good knowledge of the higher branches of English and the rudiments of Latin. Not having a trade, he was obliged to work at the hardest and least remunerative manual toil, "chopping wood at 25 cents a cord and splitting rails at 25 cents a hundred."

While at Norwalk, Bro. Haney was licensed to preach. His first sermon was a signal failure, as reported by himself it was almost ludicrous. He was so mortified that he nearly rushed to the conclusion that he had made a mistake and would better return to his father's farm. Fortunately the sympathy and intelligent advice of friends, particularly his pastor, Rev. Henry O. Sheldon, saved him from carrying this rash conclusion into effect.

In September, 1834, he was admitted on trial in the Ohio Conference. but a severe illness prevented his going to his Ohio circuit. As soon as he was able to travel he came to Illinois, his father's family having migrated to this state the year before. A vacancy just then occurred on the Rushville Circuit and the Presiding Elder, Peter Cartwright, appointed him to fill it, his work thus beginning on part of the same field where his loved fellow-laborer, Henry Summers, also began.

In September, 1835, Bro. Haney was admitted on trial in the Illinois Conference and was appointed to Mount Carmel Circuit. In 1836 he was sent to Mineral Point, Wis. But I cannot follow him year by year through his long ministerial life of sixty-five years. "He early took high rank in the ministry, filling many of the leading pulpits of the state," a Presiding Elder at 32, he filled the office twenty-five years. He was six times a delegate to the General Con-

ference. One year he spent as chaplain in the Union army in the War of the Rebellion, which well-nigh cost him his life.

As a preacher, Bro. Haney was a popular favorite. "Though not a close, logical reasoner, his ready command of language, his brilliant imagination, his almost faultless rhetoric," his commanding personal appearance, which was magnificent, even in his old age, and the unction of his delivery, gave him power over an audience few men have possessed. It must not be assumed, however, that his preaching was merely polished declamation. A life-long Bible student, a careful reader of the best books obtainable, especially the standard works of Methodism, his sermons were instructive as well as pleasing.

As a Presiding Elder, in the management of finances, Bro. Haney did not equal some of his associates, but in awakening and maintaining wide-spread, popular religious interest he excelled most of them. His coming to quarterly meeting put new life into preachers and people. I have never heard any man administer the sacrament of the Lord's Supper who could make that service so impressive as Richard Haney.

In his personal relations, Bro. Haney was open, frank, manly. His friendships were sincere, earnest and abiding. No man ever thought Richard Haney was cultivating him through sinister motives. In personal courage he was a veritable "Richard Coeur de Lion," yet with a heart tenderly sympathetic. His kindly, loving nature gave him a personal magnetism which drew to him irresistibly both youth and age and made him a welcome guest alike in log cabins and homes of wealth. He was heard with equal attention and profit in backwoods school houses and city pulpits, by the few in private houses or the crowded thousands at camp meeting. And these gifts of power were all without reserve consecrated to the one work of preaching the Gospel.

These long years of toil in the ministry brought small pecuniary reward, but wealth was never an object. He "coveted no man's silver or gold." He had no estate to leave those nearest his heart but he left them an inheritance infinitely better—a character without a stain and a record of a long life spent in the service of God and his fellow men.

"Servant of God, well done!
Thy glorious warfare's past,
The battle's fought, the race is won.
And thou art crowned at last."

## REV. JOHN CHANDLER

Was born in Hartford County, Connecticut, Oct. 16th, 1797, and died in Peoria, Ill., Aug. 14th, 1873. His parents were members of the Congregational Church. At the age of 16 years he was deeply convinced of sin and at 24 was powerfully converted and received satisfactory assurance that his sins were forgiven and he was accepted for Jesus' sake. Having embraced Calvinism for some time he was greatly perplexed and depressed in spirit, but by reading Fletcher's Checks and the Methodist Discipline he was enabled to grasp the doctrine of free and full salvation. After deeply and carefully examining the subject he joined the Methodist Episcopal Church April 26, 1821.

Bro. Chandler was licensed to preach in June 1824, and in September following was received on trial in the Pittsburg conference. For twelve years he traveled large circuits, suffering much from exposure to all kinds of weather and doing an immense amount of hard work. At one time when in company with Bishop Roberts the two were lost in the woods of Pennsylvania four days, living on blackberries. Under his labors in those years more than 2000 souls were converted. Among them was the lamented Bishop Kingsley.

Following this Bro. Chandler was four years Presiding Elder of Ravana District and then four years on the Erie District. These were all years of great prosperity, especially those on the Ravana District. More than 3,000 souls were converted in a single year and added to the church.

In 1844 he was transferred to Rock River Conference, and when the Rock River Conference was divided in 1856 he became a charter member of this Conference. In these two Conferences he was in the effective ranks twenty-three years, eleven of them a Presiding Elder, making in all forty-three years in effective service. He was three times a delegate to the General Conference, once from Erie Conference and twice from Rock River.

Like Zaccheus, Bro. Chandler was "little of stature" and not at all prepossessing in appearance. Though a small man he had a sinewy frame, capable of wonderful endurance. He had a voice like a trumpet. When preaching at his best, especially at camp meeting, his hearers thought of "a lion coming up from the swelling of Jordan, shaking the dewdrops from his mane."

The modern sermonizer would doubtless find Bro. Chandler's sermons wanting in system, but they were full of the marrow and fatness of the Gospel. Of one thing we could always be certain when he preached, we would get something suited to the occasion. His denunciations of sin, particularly anything like sham or false pretense or false doctrine, were absolutely terrific. He was a careful observer of men and events and was well informed on all about him.

He was a man of cheerful spirit, never greatly elated or deeply depressed. Profoundly pious, his devout daily life was a wholesome example to the church and to the world. He was the most gifted man in prayer I ever heard lead the devotions of a family or a congregation. He had not only a wonderful versatilily of appropriate expression, but also a holy unction that carried the devout worshipper into the very presence chamber of the Most High.

He was a prudent, faithful administrator of discipline, a safe counselor, both of youth and age, a wise leader of men, loved and honored while living and sincerely mourned when he died.

## REV. WILLIAM HENRY HUNTER

"Was born at Mercer, Pa., Oct. 9th, 1813, and died in Peoria, Ill., Nov. 4th, 1901. He was converted at a revival in his native town in 1833. In 1836 he was received on trial in Erie Conference, with which he remained until 1855, when he was transferred to Rock River Conference, and appointed to Peoria."

The General Conference of 1856 divided Rock River Conference, the southern half taking the name of Peoria, and four years later Central Illinois.

so that Bro. Hunter's ministerial work in Illinois was wholly within the territory of this Conference and his Conference membership was with this body from its organization until his long and useful life was ended.

In the Erie Conference he was a pastor eleven years and eight years a Presiding Elder. In this Conference he was twenty-eight years a pastor and agent of the preachers' aid society, and eighteen years a Presiding Elder. But whether agent, pastor or Presiding Elder he was "in labors abundant," always at his work up to the full measure of his strength, often, especially in later years, beyond it. The five districts he served in this Conference covered all the territory west of the Illinois river, on all of which he left the impress of a master mind.

The time of his labors in Illinois did not reach back to the heroic days, as did the work of Summers, Phelps, Richard and Freeborn Haney, Chandler, Zadoc Hall and W. C. Cumming. But, arriving in the transition period, his wisdom and sagacity as a leader and his constant readiness to meet any exigency, made him a most valuable acquisition to our new Conference. He was a born Presiding Elder and he "magnified his office."

Bro. Hunter had no other educational advantages than such as the common schools of his youth afforded, but by careful reading of good books and the best periodical literature accessible he acquired a measure of mental culture alike creditable to himself and useful to the church.

He was a man of majestic presence, full six feet in height, without any surplus flesh, yet portly in person. In the pulpit or on the Conference floor, his features in repose, he looked like a soldier standing at "attention."

In the delivery of his sermons his manner was easy and natural; his strong voice could be easily heard by the great crowds that listened to him at camp meetings, yet he seldom permitted its tones to rise so as to become disagreeable even to the most fastidious.

Bro. Hunter was nine times a delegate to the General Conference,—twice from the Erie Conference and seven times from Central Illinois. Few members had greater influence in that body. He did not speak often but when he did he had something to say and was heard with close attention. His speech on the distribution of the residences of the Bishops at Brooklyn in 1872 I have heard pronounced by such great debaters as Daniel Curry, J. M. Buckley and Bishop Merrill as one of two or three great speeches made at that session. His entrance into a debate was often like the coming of Napoleon at the bridge of Lodi, or of Sheridan at Winchester,—it turned the tide of battle.

Noble hearted man: his manly form will be seen in our midst no more, nor his voice heard in Conference deliberations. We loved him living, nor do we love him less now that he is with "the Church that is without fault before the throne of God."

These were some of our leaders, representative men, who selected the points of strategy, formed our lines of battle, and then did not send, but led us into the thickest and hottest of the fight. In a little while their names will seldom be heard upon earth but their "work is with God, their witness is in heaven, and their record is on high."*

Though now we see them not, still they are one of us; for

"One family, we dwell in him,
One church above, beneath,
Though now divided by the stream,
The narrow stream of death.

One army of the living God,
To His command we bow;
Part of his host have cross'd the flood,
And part are crossing now."

*Isa. 49:4-Job 16:19.

Questions in all studies are to be prepared in five sets and sent to the Secretary, O. T. Dwinell, before March 1, 1907. Examiners to retain a copy. The Secretary will distribute these to the Mid-year examiners. The examinations will be held upon the books, and not upon the subjects. It must be understood that the mid-year examinations shall take place not later than May 15, 1907, provided an examiner in any study may give an examination later than the date fixed above, when the candidate has been providentially hindered. While we are ready to accept from our institutions of learning, grades given in required studies, and certificates of standing in the English Branches from persons qualified to give them, we are not favorable to substitutions for the books required and we request our candidates not to ask for such substitution, but in each case, a grade given by the examiner, will be accepted by the Board. The examinations must be prepared with ink, on a good grade of writing paper, of letter size, and with careful penmanship. Examinations will be conducted only by members of the Board. Sermons and essays, when not presented at the mid-year examinations, shall be forwarded to the examiner before Sept. 1, 1907. Subjects for essays—Second Year—"War;" Fourth Year—"Miracles—Why?" All grades must be presented to the registrar or the examiner on that subject in order to be excused from examination. For any further information, address District Examiner, or O. T. Dwinell.

# Ministers' Wives' Association.

The annual meeting of the Ministers' Wives' Association was held in Abingdon Saturday afternoon, Sept. 29th, at 3:00 p. m.

Mrs. S. Van Pelt called the meeting to order with twenty-one members present. Minutes of the last meeting held in Peoria were read and approved. The Treasurer read her report and after being accepted was instructed to pay $2.00 to Rev. N. T. Allen for a page in the Conference Minutes for report of the Association.

The Normal District letters were read and then different ones representing the other districts gave their year's work experience along the lines of church work.

Mrs. Hamilton, wife of Bishop Hamilton, was made an honorary member of the Association.

On motion, it was decided to continue the district letters and each Presiding Elder's wife earnestly rejuested to start the letter early in the Conference year so that it may have time to reach every parsonage on the district and return to the one who started it ready for Conference.

On motion, the following officers were elected: President, Mrs. S. Van Pelt; Vice Presidents, Mrs. W. R. Wiley, Mrs. R. E. Buckey, Mrs. J. F. Robinson, Mrs. R. Crewes; Secretary, Mrs. J. H. Ryan; Treasurer, Mrs. George Alford.

After a hearty handshake and meeting the new members, adjourned to meet in Rock Island in 1907.

Mrs. J. H. Ryan, *Secretary.*

# Journal of Lay Association.

The Eleventh annual meeting of the Lay Association, Central Illinois Conference of the Methodist Episcopal Church, was held in the Congregational Church, Abingdon, Ill., Sept. 28th, 1906. President Chas. W. Neitz opened the meeting at 9:30 with thirty delegates and officers present. The meeting was opened with the first number on the program, devotional service, led by Bro. M. Scherff; 5th chapter I John was the lesson read, and it was indeed truly devotional.

The annual address of the President, C. W. Neitz, came next, in which he pointed out to us some ideas for the coming year. Concentrate our work, consecration in prayer to God, holy living, that the church will have a proper standing among men by our living it, keep our standing good in the community, men and women full of the Holy Ghost, give time, money and service to God, and closed with three thoughts; first, that we adopt a system of bookkeeping in our church and study church financiering; second, I plead for a larger attendance for the prayer meeting and the church services; third, more aggressive evangelism.

Motion was made that the chair appoint a committee on credentials. The chair appointed M. Scherff, Jr., chairman, W. J. West, S. E. McLaughlin.

Moved and carried that all the delegates who have left their certificates at home, or those from the different churches in our Conference who have no credentials, be entitled to a voice in the meeting.

The next on the program was Christian Stewardship by H. E. Stickle. As he was not able to come his paper was read by his pastor, B. G. Carney, with the privilege of adding to the same, and he brought out the following strong points: tithing, faithful stewardship. Giving was hard at first, but a pleasure afterwards, and closed by giving us figures to show the success of tithing. In three months of one year 1904, when there was no tithing, $23.00 was paid, in 1905, three months with part tithing, $48.00 and in three months 1906 with tithing band organized, $148.00 was paid.

D. D. Thompson, editor of the *Northwestern Christian Advocate,* was the next speaker. He gave us a short address at this time, and also spoke on tithing, taking good care of our superannuates, paying the pastor and the church papers.

Motion was made that we defer the discussion on the papers read until the afternoon session. Carried.

By motion, the chair appointed the following committees: Nominations—Chairman, Chas. H. Long, Normal; W. J. West, Kankakee; O. K. Morgan, Peoria; Chas. H. Beecher, Galesburg; E. B. McKeever, Rock Island.

Committee on Resolutions—Dr. Priessly, chairman, Kankakee; F. M. Fox, Normal; S. S. Graham, Peoria; J. C. Walker, Galesburg; Mary L. Sexton, Rock Island.

Program Committee—The officers of the Lay Association.

The morning session closed by singing "A Charge to Keep I Have."

The afternoon session opened with Bro. Chas. Cotteral as leader in an old fashioned class meeting, which was very spiritual, and many strong testimonies were given.

At 2 p. m. Bishop John W. Hamilton, D. D., gave us his address, leaving with us these thoughts: That the layman is a co-laborer with the pastor and all work together in the pastorate. Some laymen are practically doing nothing, not knowing who their officers are and cannot vote intelligently. Laymen should be the strongest, best equipped and know the responsibilities of all that they have to do and must be well posted on all the duties of our church. We are the greatest bodies of believers on earth. We are responsible for leadership. All eyes are on us. No man who is only a money maker as a business is not big enough for his job. Divide yourselves up, to the church, business, home, so as to make employment of all your time.

Solo by Miss Florence Elizabeth Adams.

Motion made by Bro. Chas. M. Long, that we amend our by-laws so that we hold our fourth annual meeting on Thursday instead of Friday, so as not to conflict with our Lay Electoral meeting. Carried.

Motion made that we have a district lay association to meet with the pastors in their district meeting, which was referred to the resolution committee.

How can we best do lay evangelistic work: first, in the city, by L. P. Steepleton; second, in the country, by C. W. Bridgeford. Both addresses were ably handled, and after a short discussion we proceeded to hear the reports of the committees.

The Credential Committee reported all credentials were found correct and the members were entitled to their seats.

The Committee on Nominations reported as follows: President, Chas. W. Neitz, Fairbury; First Vice President, Chas. H. Long, Pontiac; Second Vice Presidents, W. J. West, Loda, O. K. Morgan, Canton, F. H. Mead, Abingdon, J. S. Freeman, Moline, M. Scherff, Jr.; Secretary, Miss Mary Sexton, Alpha; Assistant Secretary, Chas. Cotterall; Treasurer, McDonald.

The Resolution Committee reported. The Committee on Resolutions beg to report as follows: The Laymen's Association of the Central Illinois Conference in session at the Congregational Church, Abingdon, Ill.

*Resolved,* That this Association put forth an earnest effort to relieve the pastor of the burden of the financial part of the church work as much as possible.

*Resolved,* That the proper method of raising church funds is that of tithing, and we heartily recommend it as God's plan.

*Resolved,* That we hereby express our unqualified opposition to the license laws of the state and abhorrence of municipal corruption in legalizing crime, and give the Anti-Saloon League our hearty approval.

*Resolved,* That we heartily co-operate in all efforts made for the relief and comfort of our superannuates.

*Resolved,* That we insist upon and co-operate with pastors in a greater distribution of our church papers and literature in the different departments of the church.

*Resolved,* That as an Association and individuals we put forth greater efforts in securing a greater patronage for our colleges.

*Resolved.* That on account of the dangers of complicating our church work, we, as a committee, desire to report unfavorably to an organization of District Layman's Association.

*Resolved,* That we tender a vote of thanks to the official board and pastor of the Congregational Church of Abingdon for the use of their building.

MARY L. SEXTON, *Secretary.* H. A. PREISLER, *Chairman.*

The Treasurer reported $15.00 cash on hand and bill of $4.20 for printing and postage to be paid, which, by motion, he was instructed to do, and also see that the janitor of the church receive pay for his work.

The motion that we take up a collection at this time was voted down.

The meeting was closed with a consecration service for the baptisim of the Holy Spirit for power so as to enable us to go to our homes and do more for the church and for God than ever before, and the leader, Bro. Neitz, asked all before the altar to pledge themselves to pray once each day for a sweeping revival during our Conference year and all responded heartily with uplifted hand.

Meeting closed with hand shaking and a benediction.

M. SCHERFF, JR., *Secretary.*

# II. Reports of Standing Committees.

## AGGRESSIVE EVANGELISM.

Evangelism is the order of God. "The Son of Man is come to seek and to save that which was lost." We are followers of Him. We must evangelize.

There is no release till God takes the order off. Do we lack the Spirit of God who will give us the spirit of evangelism? Pray, the Father will give. Do we as pastors lack human helpers in the work? Pray, the Father will send forth laborers. We must do the work of evangelists. Therefore we urge upon every pastor in the Central Illinois Conference that he make evangelism the key-note of his ministry this year.

To this end we recommend that each Presiding Elder, the key-man in the problem, organize his district according to the plans laid down by the General Conference Commission. We further recommend that each district subdivide and when and where possible organize into groups of churches, thereby thoroughly working certain territories, with the greatest economy of labor and expense.

We suggest as other helps the forming of personal training classes among our young people and others who may be interested. also the freest use of the excellent series of tracts and booklets, entitled, "Wise One," and "Fools for Workers," sent out by the Commission.

We are grateful for the presence of the Rev. J. L. Randall, Field Agent, for his presence and inspiring words before our Conference, and for his helpful suggestions in prosecuting this, the greatest work of the church.

B. B. Evans, *President.*

C. F. W. Smith, *Secretary.*

## AMERICAN BIBLE SOCIETY.

Whereas, We see in the American Bible Society a very great help to all the missionary work of our church. and a growing power in the home missionary work among immigrants.

*Resolved,* That we commend the work of the society to the churches of our Conference; use its literature to inform our people about its work and raise in full our apportionments for the same.

C. T. Oscar Schacht, *Chairman.*

J. L. Miller, *Secretary.*

## BOOK ACCOUNTS.

We are grateful to God for the growth and efficiency of our Methodist Book Concern. In the publication of our Sunday School literature, Epworth League literature, our excellent *Advocates*, and other periodicals; books for the public and for the minister's library, we esteem the Book Concern the efficient servant of the church.

*Resolved,* That we be true to the church and ourselves by patronizing to the largest extent our own Book Concern and discourage the purchase of Sunday School helps from other publishers.

That we express our pleasure in the widening scope and success of the Methodist Review; the scholarly character and its adaptability to the needs of the church and to secure an enlarged circulation among the ministers and members of the church.

That we will prove our loyalty to the *Northwestern Christian Advocate* by

increasing, so far as possible its circulation in all our charges and thus justifying the increase of its price as announced.

That our preachers shall take pride in prompt settlement of all accounts with the Book Concern.

G. L. TAYLOR, *Secretary.*

## HOME MISSIONS AND CHURCH EXTENSION.

Your committee on Home Missions and Church Extension would respectfully recommend the following for your endorsement.

1. We heartily approve the new division of our benevolent interests, believing that it will afford opportunities for the better presentation of all the causes and especially of Home Missions and Church Extension.

2. We recommend that the Sunday preceding the national Thanksgiving day be designated as Home Missions Sunday and that as far as practical this benevolence be presented on that day.

3. Believing that the success of our appeals for funds will depend on the enlightening of the people we will avail ourselves of the abundant supply of literature provided by the Board, and that we will specially seek to introduce the *Christian Republic* into the homes of our people.

4. We heartily endorse the call of the Board, "America for Christ," and "A Million for Home Missions and Church Extension," and pledge ourselves to faithful effort to bring the full amounts of our apportionments into the treasury.

WM. B. SHOOP, *Chairman.*

M. V. CRUMBAKER, *Secretary.*

## CONFERENCE BOARD OF NINE.

The Conference Board of Nine submits the following report: On recommendation of Rock Island First Church Quarterly Conference, the license of Miss Mamie Dodge Cook was renewed, and on recommendation of Normal Quarterly Conference the license of Miss Nellie O. Randle was renewed. The licenses of Miss Jennie W. Elsdon, who is still seeking health and strength at Cheney, Wash., and Miss Emma Alice Read, who has been employed in New York state, were also renewed.

Miss Mae Strickler, who was examined by the committee, was granted a license, and recommended for consecration.

The report of the Trustees of the Gamage property at Macomb was received. The income for the Deaconess work in the Conference is $50.00 this year.

We recommend that $25.00 be given to the Baby Fold at Normal, Ill., under the control of the Deaconess Society, and $25.00 be given to the Deaconess Home and Hospital Peoria, Ill.

We recommend as members of the Board the following: For one year, C. O. McCulloch, William Hazzard, Dr. W. W. Wyatt; for two years, W. B. Shoop, Mrs. O. T. Dwinell, Mrs. C. V. Engstrom; for three years, Thomas Doney, Mrs. Maria Rogers, Alfred Dixon.

C. O. MCCULLOCH, *President.*

ALFRED DIXON *Secretary.*

## COMMISSION ON CHURCH LETTERS.

1. During twenty-five years approximately one hundred thousand persons have been members of the Methodist Church within the boundaries of this Conference. Deducting the present membership and the death loss, and assuming the number received by letter to equal the number dismissed by letter, there remains the astonishing total of 58,000 persons who have gone out from our midst and are unaccounted for. Other data in hand shows that every five years there is a loss of twelve per cent through failure to take or to deliver letters. Applying this per centage to the twenty-five year period shows that we must charge to this neglect the loss of at least 40,000 members. Reduced to financial terms, had these members remained with us and given up to the per capita average, the Central Illinois Conference would have been richer by $5,000,000.

2. These results have been laboriously calculated and we believe that the obscuration of the facts through indefinite statistical returns explains our indifference to a growing and great evil. The first remedy is publicity, which can be secured only by more definite reports on the changes in membership. We therefore recommend the adoption of the accompanying form of statistical returns throughout the connection.

RECOMMENDED FORM FOR STATISTICAL REPORT ON CHURCH MEMBERSHIP

No. in full membership at last report.....———
No. received by letter during year———.....———
No. received from probation during year.....———
No. received otherwise during year.....———
No. died during year .....———
No. dismissed by letter during year.....———
No. removed without letter during year.....———
No. excluded or withdrawn.....———
Present membership..... ———

No. probationers at last report.....———
No. probationers received during year.....———
No. received into full membership.....———
No. deaths and dismissals by letter.....———
No. dropped during year .....———
Present number probationers..... ———

3. The general indifference to this matter has resulted in the neglect by the pastors of the conditions of transfer. We find that many are very loathe to issue letters to removing members; that few ascertain whether letters when given are delivered, and only an occasional pastor acknowledges the receipt of letters. To remedy this we recommend that to the questions asked at the Quarterly Conference be added the notation of changes of membership required in the pastor's report, and also the following items: (a) What letters have been acknowledged? (b) Who have removed without letter?

4. In view of the tremendous loss suffered by this Conference from the failure of removing members to take or deliver letters, a loss which we can not believe to be peculiar to ourselves and which, if extended proportionately throughout the connection, would indicate an annual loss of 100,000 members.

we would respectfully petition the Board of Bishops to devote to this subject a portion of their quadrennial address. Respectfully submitted,

W. P. MacVey, *Chairman.*

W. E. Shaw *Secretary.*

## COMMITTEE ON MEMOIRS.

The Committee on Memoirs reports that the following brethren read memoirs at the service Sunday afternoon, after the reading of Scripture and prayer by Rev. R. E. Buckey, D. D.:

J. F. Robinson read the memoir for J. G. Blair.
Vincent Aten read the memoir for A. R. Jones.
A. K. Tullis read the memoir for M. C. Smith.
O. T. Dwinell read the memoir for N. W. Atkins.
D. F. Wilson and E. F. Roe read the memoir for J. R. Edwards.
W. R. Wiley read the memoir for Mrs. E. W. Thompson.
J. S. Cumming read the memoir for Bishop J. N. Fitzgerald.
G. R. Palmer read the memoir for Bishop C. C. McCabe.

G. R. Palmer, *Chairman.*

O. T. Dwinell, *Secretary.*

## DEACONESS WORK.

We consider it an omen of good that the church is coming to recognize more the helpfulness and importance of our Deaconess work. We appreciate the work that has been done within our Conference, but wish it might be increased many fold.

We suggest that the Deaconess in evangelistic work in our charges is safer in results for the church than evangelists from without our church.

We endorse the assignment by the State Epworth League Cabinet of the following Deaconess institutions to the Leagues of the districts, respectively, viz.: the N. A. Mason, Deaconess Home Baby Fold at Normal to Normal District; the Methodist Deaconess Orphanage and Epworth Children's Home at Lake Bluff, to Galesburg, Kankakee and Rock Island Districts, and the Chaddock's Boys School at Quincy to Peoria District. And would recommend that the Junior Leagues, Sunday Schools and Ladies' Aid Societies within these districts also direct their charity according to this division of the territory. Donations of cash, clothing, fruit, vegetables, etc., are always acceptable, as these institutions are dependent upon the church for support.

We submit the following brief reports: The Orphanage at Lake Bluff has unencumbered property to the value of $50,000; capacity for caring for 120 children. Has cared for 700 children since its establishment, but this year has refused to admit 173 children because of lack of room. Wadsworth Cottage was burned last December, but is rebuilt and is ready for occupancy. The Orphanage received from this Conference last year help as follows: Cash $531, supplies valued at $2,061.

The Normal Baby Fold has cared for 52 little ones this year, but was com-

pelled to refuse admission to 71 babes on account of limited advantages. The expense of the year was less than $2,000, showing that the management is exceedingly economical. The Baby Fold has one licensed Deaconess and six probationers.

G. P. SNEDAKER, *Chairman.*

ALEXANDER SMITH, *Secretary.*

## TRUSTEES OF THE DEACONESS HOME AND HOSPITAL.

We have come to the close of another year of effort for our Deaconess Home and Hospital, and are happy to report considerable progress. The hospital agent, Rev. J. E. Mercer, has been successful in securing subscriptions sufficient to pay for the Bonjes property, and the trustees have given notice that they will take over the property Nov. 1st. If all will promptly pay their pledges we will be able to pay cash for the property at that time. If there should be delay on the part of any, it will necessitate a mortgage to cover what may be lacking. We hope, therefore, that our friends throughout the Conference will meet promptly their obligations. With the property in our possession, we shall be able to reopen the Hospital at an early date. We would further report that an annuity of $2,500 has been received from Bro. W. B. Harvey of Washington, Ill., and three city lots have been given by Bro. John McGinnis of Peoria.

The report of our treasurer, Mr. C. V. Engstrom, shows assets and liabilities to be about the same as last year, viz.: Assets, $62,444.00 and liabilities, $20,000. We re-affirm our former judgment, that the Hospital should be reopened at the earliest date possible, the debt provided for and funds secured for a new building. In order to do this and because of his efficient services the past two years in representing the Hospital throughout the Conference, we recommend the re-appointment of Rev. J. E. Mercer as agent for the ensuing year.

The following are trustees of the Hospital: Ministerial term expires 1908, Samuel VanPelt, C. O. McCulloch, D. S. McCown, Thomas Doney, R. E. Buckey; term expires in 1909, O. T. Dwinell, T. W. McVety, R. Crewes, T. A. Beall, W. B. Shoop; term expires in 1910, J. W. Frizzelle, W. J. Leach, J. W. Pruen.

O. T. DWINELL, *President Board of Trustees.*

J. E. GOODRICH, *Secretary.*

## DOMESTIC MISSIONS.

The valuable service rendered by the Domestic Missionary Society is without question. That more and more becomes the need of such organization and its work is understood by all when we consider that the city problem is serious, and that of the rural districts with their changing population is no less so. Help is needed at many strategic points in both city and country. To this end we heartily concur with the Memorial to this Conference coming from the Peoria District Ministerial Association in session at Elmwood, May 6-7, 1907. The Memorial reads as follows:

*Resolved*, That it is the sense of this body that the Domestic Missionary

Society of our Conference should be disbanded when the Board of Home Missions and Church Extension assures us that the Conference shall have annually for distribution within the bounds a satisfactory portion of the Conference collection for the Board.

We nominate for the officials for the ensuing year: President, J. B. Dille; Vice President, J. A. Alford; Secretary, D. F. Wilson, treasurer, B. F. Eckley; Managers, O. T. Dwinell, J. W. Frizzelle, T. W. McVety, Alex. Smith A. H. Smith, Robert VanTassell, J. Strasser, A. Procter; Trustees, R. B. Williams, J. H. Ryan, J. W. Frizzelle A. W. Lowther, D. F. Wilson, R. B. Seaman, Alex. Smith, D. S. McCown, B B. Evans, C. W. Ayling, E. F. Roe, J. W. Edwards, J. S. Cumming, R. A. Brown.

C. F. W. Smith, *President*

Ivins Chatten, *Secretary*.

## BOARD OF EDUCATION, FREEDMAN'S AID, SUNDAY SCHOOLS AND TRACTS.

Pursuant to the order of the General Conference, four societies have been consolidated into one. These societies are the Board of Education, Freedman's Aid and Southern Education, Sunday Schools and Tracts. One of the purposes of the General Conference in the consolidation of these societies is that these benevolences might secure a hearing before each congregation. This is a time of transition and a clear conception of this change and its importance is necessary to both pastors and laity. We earnestly request the pastors to give a full presentation of these benevolences to their congregations. Respectfully submitted.

C. W. Ayling, *President.*

J. Wellington Frizzelle, *Secretary.*

## EDUCATIONAL REPORT.

### HEDDING COLLEGE.

The year just closed has been one of very gratifying achievement in Hedding College. The session of the Central Illinois Conference in Abingdon gave an impulse to the religious activities of the place and College and proved a prelude to a great revival.

The Woman's Club of Hedding raised and expended on repairs and improvements on buildings and grounds more than three thousand dollars.

Additional prizes were established for excellence in attainments in various lines.

In June President Gough presented his resignation, after five years of untiring work, during which he rendered great services to the College, particularly by popularizing it throughout its patronizing territory. His administration will long be remembered for the excellent advance made in many important lines. The vacancy thus created was filled by the election of Rev. W. P. MacVey, a minister from our own number, who, during the years he has been a member of this Conference, has shown exceptional ability to plan for and

meet difficult situations of administration. He will begin active service with the close of the Conference session.

The prospects for this new year are very bright. Statistics show that within its proper territory the drawing power of Hedding College is already second to none and an opportunity of much larger influence is before it.

It is proposed to keep the expense budget of the school conservatively within the limits of the income, but to appeal strongly to our friends to enlarge their limits. Hedding College may become whatever its friends shall choose to make it and it is trusted that we shall continue to make it independently strong, fervently spiritual and wisely instructive in essential scholarship.

A plan has been developed for a series of term lectures, the first of which will be given in October by Dr. E. L. Eaton of Madison, Wis.

Hedding College keeps step with the times in matters of scholastic attainments, but remains true to the duty of instructing the younger people not alone in books but in *the Book*, of developing right living by the precepts there laid down.

For Trustees for three years we recommend: Ministers, F. E. Shult, M. L. O'Harra, Thomas Doney, T. E. Newland. Laymen, R. E. Ward. C. M. Beecher, J. Fuller, Ira Cottingham. One year, S. L. McCrary. Conference Visitors, B. F. Eckley, J. W. Edwards, J. W. Frizzelle.

### GRAND PRAIRIE SEMINARY.

The forty-third year at Grand Prairie Seminary has been the equal of any former year as to the grade of work done. The attendance has been somewhat smaller than usual, chiefly due to the fact that an epidemic of diphtheria frightened away the usual increase of the winter quarter. However, the liberal income from the endowment and the present excellent prospects for increased attendance, promise speedy relief from possible embarrassment.

The Seminary has an exceptionally strong faculty, the product of the best schools and all of their work is of the highest order.

The student body has manifested unusual enthusiasm in all legitimate lines of activity. Class work has been carried on with a high degree of efficiency Athletics has been not only very successful, but very clean. In debate, the students have been more than a match for their opponents defeating strong teams from other schools. Literary society life has been of a much higher order than usual. The religious spirit of the Seminary this year has been marked in its earnestness and perseverance, the interest culminating in the acceptance of Christ by all but four or five of the students.

Considerable has been done this year in preparation for a larger future. About one thousand dollars' worth of new equipment has been added. Real estate adjoining the campus valued at $4,000 has come into the control of the Seminary and will be used for the enlargement of the institution as the increase in endowment warrants. While no definite promise can be given for a new building in the immediate future, yet the prospects are growing much brighter. This new equipment must be had in the near future if the Methodists of Central Illinois expect the old Seminary to keep pace with the educational need of the times.

This report would not be complete without reference to the death of Rev. P. T. Rhodes, whose untiring zeal and faithfulness were so large a factor in the founding of Grand Prairie Seminary.

The following trustees are submitted for the approval of the Conference: John K. Egley, Onarga, Ill.; C. E. Carter, Onarga, Ill.; Edwin L. Wheeler, Onarga, Ill.; Henry Knoche, Onarga, Ill.; George Booth, Onarga, Ill.; Richard R. Meents, Ashkum, Ill.

We recommend as Conference Visitors for the coming year: Rev. Joe Bell, Rev. O. A. H. De la Gardie, Rev. J. E. Connor.

ILLINOIS WESLEYAN UNIVERSITY.

The Illinois Wesleyan University is to be congratulated on its increasing prosperity. It has found a place in the minds and hearts of the people of Bloomington and the patronizing territory that it has never enjoyed before. Last year was one of the very best years in its history, with an increase of 40 per cent in the student body, with 212 new students, 53 of them from other colleges and academies, and with 330 students in the literary department, there was made the best record of its life.

It is encouraging to know that this year the University opens its first week with 75 more students than the same time last year.

The financial condition is very encouraging. With a bequest of $16,000, and with $49,500 of the $60,000 necessary to meet the conditions on which Mr. Andrew Carnegie's gift of $30,000 is secured, makes the financial condition most hopeful.

These improved conditions have been brought about largely by the able leadership of the president, the faithful co-operation of the faculty, and the hearty assistance of citizens of Bloomington.

The faculty has recently been strengthened by the election of Miss Eleanor Craig to the chair of English, of Chester Graham to the chair of History, and Arthur A. Heinlein to the principalship of the Academy. In order to promote clean athletics, Thomas B. Scott was made physical director. The schools of Commerce and Domestic Science have both been well equipped and are doing most acceptable work.

The Oxford Club, which was organized for the purpose of bringing students preparing for the ministry into closer touch with each other, and affording opportunities for special training in the line of their life work, has proven a boon to those for whom it was organized, and has made itself felt in the school life.

A series of revival meetings was held during the last year and resulted in the spiritual uplift of the student body. The prospect for the future of the institution is now brighter than ever before.

We recommend for Trustees: Joseph S. Cumming, Odell; Leonard F. Cullom, Farmington; Herbert Powell, Fairbury; William A. Watson, Normal; Hon. Cassius M'Coyle, Gridley; E. M. Kirkpatrick, Parma, Idaho; Richard R. Meents, Ashkum. For Visitors: Samuel Van Pelt, Joe Bell, Frederick J. Giddings, Alanson R. Morgan, William Woolley, M. V. Crumbaker.

NORTHWESTERN UNIVERSITY.

Northwestern University is now the largest university in Methodism. Only five universities in the United States exceed it in numbers and it is the largest American university to avow in the annual catalogue its church relation. The success of the University may be attributed to several causes: an environment

peculiarly conducive to right thinking and Christian living, a faculty of distinction, an endowment that insures efficient equipment, and its location.

The professional schools are among the largest in the country, and take the very highest rank. They are located in the city of Chicago, where they have the advantage of opportunities for earning money, of visiting courts, of the instruction of world renowned specialists. The city furnishes great clinics in dentistry and medicine, which cannot be had elsewhere, and are necessary for the best results.

We recommend for Trustees: G. R. Palmer for two years and J. W. Frizzelle for one year.

THEOLOGICAL SCHOOLS.

It is gratifying to learn that our theological schools, Boston, Drew and Garrett, are doing such efficient work, and we would presistently urge our young ministers to avail themselves of the great privileges offered in these institutions for the thorough preparation for the Gospel ministry. Especially do we wish to note the great advantages at Garrett and are pleased with the work being done in the English Bible and that no school in Methodism provides better training in this department than Garrett Biblical Institute.

We feel secure in entrusting our young men to the guiding hands of Garrett's worthy faculty. Also we speak with approval of the new fire proof Library Building.

We wish to notice that the evangelistic spirit in Garrett prevails and that hundreds were converted and were brought into the church during the last year by the students of this institution, and that of the class of thirty-five of last May who graduated, five are now in the missionary field and of the present class of thirty-five, seven are in preparation for missionary work and that a band of fifteen students have joined the Volunteer Band.

Visitors for Garrett Biblical Institute: W. H. Witter, one year; E. E. Shawl, two years.

THE AMERICAN UNIVERSITY, WASHINGTON, D. C.

Recognizing the opportunity which now is open to the American University to serve as a bulwark of Protestantism and Americanism and to set before the whole nation a high ideal of true Christian university training, we extend to this enterprise of our church our heartiest commendation and endorsement. We hope for the immediate completion of the McKinley College of government building and pray that the hearts of our people may be opened to the need of such an endowment for the central church school that it may begin that distinctive graduate work for which its founders have been planning and building.

ILLINOIS WOMAN'S COLLEGE.

We have heard with pleasure of the increasing prosperity of the Illinois Woman's College at Jacksonville, Ill. During the past year $150,000 has been raised with which a building for music and art costing $50,000 has been erected and $50,000 added to endowment. The course of study has been extended to a full college course. Indications are that the enrollment this year will reach 400.

Because of the care taken of the health of the young women the high grade of instruction given, and the excellent moral and Christian character of this

institution, we commend it to all parents who intend to send their daughters to a woman's college.

We recommend the appointment of John H. Ryan as visitor for the college.

## EPISCOPAL FUND.

We are informed that there is special need that the amount apportioned us should be raised. We recommend that the Presiding Elders call the special attention of the pastors to this matter and they apportion one and one-half per cent of the pastor's salary to the various charges.

G. L. TAYLOR, *Chairman.*

## EPWORTH LEAGUE.

Recognizing that in the conversion and training of the young people lies the hope of the church of the future and believing that through the efforts of the Epworth League they can be reached we urge upon all our chapters a greater interest in personal evangelism. We believe that before the Epworth League lies a great field ripe for the harvest and that its work in the future will count for more than ever.

Pastor and League should work in harmony in order that they may accomplish these possibilities.

We recommend the organization of classes in Bible and Mission Study, and as personal communion with God promotes power we should urge all to observe the Morning Watch. God has a claim on our material goods and we believe that the Christian stewardship plan is the best method of financing every church enterprise. Each League should make an effort to place the *Epworth Herald* in every home.

We recognize the work done by our Conference Board of Epworth League in providing the evening program for the District Epworth League Conventions and we recommend a continuance of the plan.

We request that the Presiding Elders appoint the ministerial members of the Conference Board of Epworth League as the Standing Committee on Epworth League.

Realizing the value of the Epworth League Institute we request that Revs. J. B. Bartle, G. E. Alford, J. W. Frizzelle and W. B. Shoop be appointed a committee to confer with the Conference Boards of Epworth League of this state in regard to holding a State Epworth League Institute

J. W. FRIZZELLE, *Chairman.*

## FOREIGN MISSIONS.

The evangelization of the world is the great enterprise of the church.

Mission study and the dissemination of missionary literature are carrying the spirit of holy conquest into every home throughout the church militant. Student volunteer bands, Epworth Leagues and Sunday Schools are rapidly

becoming the recruiting grounds where thousands of young hearts are pulsing with enthusiasm for world conquest in the name of our Christ. The words "foreign missions" have become the open sesame that unlocks the rich treasures of the Christian laity. In the far field the spirit of evangelism is at work. Heathen altars are crumbling, while the altars of the Nazarine are being built and baptized with holy fire. Unparalleled openings for work in Korea, China, and the Philippines urge upon the church the importance of immediate appeal for workers, for money, and for a deeper consecration of the church to this great work. We believe in foreign missions. We believe in the practicability of the evangelization of the world in this generation through the agency of the church. We will preach and pray, labor and educate toward this end.

We will endeavor to bring every Sunday School and Epworth League into some active relation to this great theme until the strength and enterprise of our youth stand undivided for our Christ and His great mission—"And in Him shall all the nations of the earth be blessed."

F. J. Giddings, *President.*

E. S. Busby, *Secretary.*

## POST OFFICES.

The work of listing the post offices within the bounds of the Conference by districts and charges is finished according to the request made by our publishing agents.

We recommend the continued use of the post office blanks, giving the name of each post office on said charge and carefully noting changes made by the R. F. D. system.

H. T. Jackson, *Secretary.*

## STATE OF THE CHURCH.

Never before in the history of our church has the trumpet call of God to the ministry and laity throughout our beloved Methodism sounded louder or longer than to-day, saying, "Lift up a standard for the people." It is an age of seal-opening and trumpet sounding. The call is for men in high and low places. Men are wanted. Men who cannot be bought or sold. Men who fear God and enforce righteousness.

We deprecate the many manifestations of worldly-mindedness and pleasure-seeking that throughout the land tends to compromise the church and lower the standard of righteousness and true holiness set up by our fathers.

As divinely appointed leaders of God's sacramental hosts, the ministry of our church is called upon as never before to see that all who are committed to their care lead not only uncompromising lives, but for Christ's sake shun every appearance of evil and endeavor to maintain in all our churches the high standard of Christian character. To this end we urge upon our people a more faithful observance of family prayers and the attendance of the whole family, so far as possible, upon the Sabbath services; also that the baptized children of our families should not be allowed to think that the Sunday School can be made a substitute for preaching services.

We urge upon our pastors the necessity of taking special care of our baptized children and see that as soon as they are old enough to understand the nature and end of that sacrament they be carefully instructed in the relation of that sacrament to the Lord's Supper, and caused to feel that they cannot omit the observance of this with impunity.

We urge upon our pastors and membership the importance of maintaining the letter and spirit of our Discipline as it relates to questionable amusements.

We regret that so few of our young men who may appear to have both grace and qualifications for the work of the ministry—feel called upon to offer themselves as candidates for the ministry. "The harvest is great, but the laborers are few." It is certain if our home and foreign fields are to be thoroughly equipped with a consecrated ministry, the church should pray as never before, "The Lord of the harvest to send forth laborers into the harvest."

R. A. BROWN, *President.*

J. R. BERRY, *Secretary.*

## SANCTITY OF THE SABBATH.

The Sabbath is an institution announced at the dawn of creation and is a strong citadel for the best interests of mankind in two worlds, fortified by the law of God as found in the Decalogue and confirmed by many later Scripture declarations. We consider the increasing disregard of this holy Sabbath day as most alarming. The public conscience has been far too much lost upon this subject, and sentiment, even in the church, seems to have gone wrong. The vast majority of those who have come to us in recent years have come from lands of Sabbath holiday and Sabbath labor. Many thousands of our native Americans are joining them in violating the Sabbath law.

We recommend a more strenuous agitation for the creation of public conscience against social visiting, Sunday news papers, Sunday excursions, base ball, and all other things that tend to degrade the day from its original purpose. We must relay the foundation of a Christian conscience upon this subject of a Christian Sabbath, and we call to the church in loudest tones to understand that this reform cannot be compassed by agitation to legislation, or pulpit endeavor alone, but must have with these the co-operation of home instruction and home discipline. If we are to change these unhallowed tendencies and preserve the Bible Sabbath all good people must unite and do earnest battle for it.

We recognize the excellent work of the Federation of Sunday Rest Associations of America, and in accordance with their appeal we direct the Secretary of our Conference to attest the following petitions and forward them to Rev. T. T. Mutchler, M. D., President of the Federation of Sunday Rest Associations, 1008 Walnut St., Philadelphia, Pa.:

PETITION NO. 1.

*To the President of the United States and the Secretary of War:*

HONORED SIRS.—The undersigned is directed by the ministers of the Central Illinois Conference, Methodist Episcopal Church, being pastors of 39,000 members, to appeal to you to not allow the soldiers of the United States of America to engage in ball games and other sports on Sunday, such use of the

day being recognized by our supreme courts, by careful students of criminology, and by Christian people generally, as detrimental to the moral character of the participants and the general moral interests of the surrounding communities.

PETITION NO. II.

*To the President of the United States and the Post Master-General:*

HONORED SIRS.—The undersigned is directed by the Ministers of the Central Illinois Conference, Methodist Episcopal Church, being pastors of 39,000 members, to appeal to you to allow no further increase of Sunday work in the Post Office Department and to restore the former practice of allowing no work to be done on Sunday in the registry and money order departments and of ordering any post office closed on Sunday where a majority of its patrons petition for such Sunday closing.

PETITION NO. III.

*To the Senate of the United States:*

HONORED SIRS.—The undersigned is directed by the Ministers of the Central Illinois Conference, Methodist Episcopal Church, being pastors of 39,000 members. to appeal to your honorable body to enact laws that shall:

1. Compel the Alaska, Yukon, Pacific Exposition to close its grounds entirely on Sunday.
2. Compel all railway companies to diminish the Sunday work of their employes as much as practicable, and to give all employes who do work on Sunday a full twenty-four hours' rest day during the next six days.
3. Secure an efficient Sunday law to the District of Columbia.

PETITION NO. IV.

*To the House of Representatives of the United States:*

HONORED SIRS.—The undersigned is directed by the Ministers of the Central Illinois Conference, Methodist Episcopal Church, being pastors of 39,000 members. to appeal to your honorable body to enact laws that shall:

3. Secure an efficient Sunday law to the District of Columbia.

## TEMPERANCE.

We are grateful for the progress made in the temperance reform and express great satisfaction at the hopeful outlook and the growing prospect for the certain and speedy overthrow of the liquor traffic. It is evident that the saloon is losing its controling power in politics. The decisions from courts have recently been more antagonistic to the saloon, the public sentiment against the saloon has been steadily growing and legislative bodies have been viewing questions from the standpoint of moral considerations. The business enterprizes of the country have been rapidly joining the procession against the li-

quor traffic, and the Church of God is waking up to her responsibility in ridding the country of this great evil. There is no ground for discouragement in our contest with the saloon keepers and their political friends. We are not ignorant of the great resources of the saloon. Its money power is immense and while the churches of our country have failed to make proper provisions for the social life of the young people, especially in our cities, the saloon has industriously and shrewdly, with evil intent, made the environments of the saloon fascinating and attractive to the young by furnishing amusements, many of which are exceedingly demoralizing. It is gratifying to know that the church is becoming aroused to the great need of providing innocent amusements and recreations for young men and women to be made a substitute for the dangerous conceptions of the saloon.

One of the most hopeful conditions arises out of the untiring and successful work of the Anti-Saloon League. The strong and growing anti-saloon sentiment of the country has been crystalized and the Christian churches have been united and their working power developed, and to-day the saloon power is alarmed at the power of this unity.

As a church, following the lead of our Bishops and our General Conference, we hold that "The liquor traffic cannot be legalized without sin" and hence no legislative body nor the majority of citizens in any locality has the right to legalize that traffic, and we heartily endorse the plan of the Anti-Saloon League of Illinois to make dry territory by a popular vote.

We urge our people everywhere to unite with the friends of good order and sobriety to drive out the saloon and make dry territory. Our present law, secured by the agitation by the anti-saloon workers, may not be all we desire for our ultimatum is legal prohibition, state and national, and we will not cease our agitation until this goal is reached; nevertheless, we rejoice in the passage of the local option bill for making dry territory by cities, villages, and townships and we will use every honorable means to make dry territory throughout our bounds.

We will especially use our influence to extend the application of this measure to counties by which a majority of the Southern states have nearly driven out the saloon. We hail with joy their progress and will emulate the success of our Southern sisters.

We recommend that J. A. Alford and C. W. Ayling be elected trustees of the Illinois Anti-Saloon League.

J. G. Evans, *Chairman.*

J. A. Alford, *Secretary.*

## USE OF TOBACCO.

The use of tobacco is strictly forbidden by our church for its ministry; it is discouraged for its members; it is needless, expensive, extravagant, filthy, selfish and offensive. It is inconsistent with a pure life. Therefore, we most earnestly insist that by precept and example we show our consistency with our pledge, and discourage its use in any form, anywhere, and by anyone.

J. Edmondson, *Chairman.*

T. W. Pfeffer, *Secretary.*

## WOMAN'S FOREIGN MISSIONARY SOCIETY.

We rejoice in the continued growth of the Woman's Foreign Missionary Society within the bounds of our Conference and throughout the church at large. We rejoice that their labors tend more and more constantly to the increase of missionary fervor in our charges at home. While they are striving so efficiently to accomplish the desire of their hearts in the salvation of their sisters in heathen lands, we congratulate the Society upon its ever increasing success in its educational, financial and spiritual work.

We pledge our heartfelt co-operation in our relation as pastors. We will work with and pray for them that God will more abundantly bless them in their labor of love.

JOHN SMALL, *Chairman.*

T. J. WOOD, *Secretary.*

## WOMAN'S HOME MISSIONARY SOCIETY.

The Woman's Home Missionary Society reports an increase over last year in the amount contributed in its various lines of work.

There is a growing need as well as a growing opportunity for the kinds of work done by this society. We, therefore, rejoice in its increasing success, and recommend that auxiliaries be organized in all our charges where they do not already exist, and that all our pastors use all practicable means to encourage and strengthen the work of these auxiliaries.

WHEREAS, The testimony in the hearing in the matter of the protests against the seating of Mr. Reed Smoot before the Committee on Privileges and Elections of the United States Senate revealed the fact that Joseph F. Smith, President of the Church of Latter Day Saints, commonly known as the Mormon Church, and other officials and members of that church continue to live in polygamy (a polygamous child having been born to President Smith since he gave his testimony before the Senate committee) in violation of the pledge given to the nation in 1891 by the apostles of the church that polygamy and polygamous practices should cease if amnesty were granted their people for past violations of laws prohibiting polygamy and polygamous practices; and,

WHEREAS, The defiant and presistent violation of laws by Mormon polygamists show that the states in which Mormons are in power are not and will not to be able to cope with this evil, and,

WHEREAS, President Roosevelt in his message to Congress December, 1906, said: "It is neither safe nor proper to leave the question of polygamy to be dealt with by the several states; power to deal with it should be conferred on the national government;" and the President recommended submission of an amendment to the Constitution of the United States prohibiting polygamy; therefore be it

*Resolved*, By the Central Illinois Conference of the Methodist Episcopal Church that we respectfully request the Honorable Shelby M. Cullom and Albert J. Hopkins, members of the national senate from the state of Illinois, of

which the ministers and members of the Methodist churches of this Conference are citizens, to introduce advocate, and vote for an amendment to the Constitution of the United States prohibiting polygamy and polygamous cohabitation, the same to be submitted to the several states for ratification.

*Resolved,* That a copy of these resolutions be sent by the Secretary of this Conference to the Honorable Shelby M. Cullom and Albert J. Hopkins, senators from the state of Illinois.

# Memorial to the General Conference.

*Dear Fathers and Brethren:*

We, the undersigned, members and probationers of the Central Illinois Annual Conference, do respectfully, but most earnestly petition your honorable body to make the cause of Conference Claimants your first and chief care at the present session. For over a century, few sessions of the General Conference have failed to receive memorials and appeals in this behalf. The condition of the retired fathers of the church, and the widows and orphans of deceased ministers, from the beginning, has been sorrowful and distressing.

The report of the Commission created by the General Conference of 1904 will be before you. We urge its adoption. We have full confidence that your honorable body, composed of sympathetic, loyal and able representatives of the church can end the shame and sorrow of this long-continued neglect.

We unite in urging with the utmost earnestness that you will permit nothing, however important it may seem to be, to interefere with your making the session of 1908 the most memorable in our history by banishing the shadow which darkens the life of every pastor Establish the veteran in his true place as the Pastor Emeritus of the whole connection. Adopt such provisions for his comfortable support that he may be able to exclaim: "My last days are my best, my happiest and most free from anxiety and care"

## PLAN OF EPISCOPAL SUPERVISION.

Whereas, The growth of our denomination numerically and the great extension of its field of labor have been such as necessarily to deprive the church of the direct leadership of our General Superintendents; and

Whereas, There is an increasing conviction among ministers and laymen that for greater efficiency there is a need of a more sympathetic and closer relation between the bishops, pastors, official members and representatives of the church generally; therefore,

*Resolved*, First: That we, the members of the New Hampshire Conference, respectfully petition the General Conference to request the Board of Bishops that they so arrange the plan of Episcopal supervision and visitation that the individual assignments be made as far as possible to a group of contiguous Conferences, during a period of not less than four consecutive years.

*Resolved*, Second: That our secretary be instructed to forward a copy of this action to the secretaries of all the Annual Conferences holding sessions between this date and the next General Conference, with the request that this resolution be submitted for their consideration and action.

## TROY CONFERENCE MEMORIAL ON TIME LIMIT

*Dear Fathers and Brethren:*

The Troy Annual Conference, at its session held April 10-15, 1907, unanimously adopted the following Memorial:

*To the General Conference of 1908:*

Dear Fathers and Brethren.—We, the members of the Troy Annual

Conference of the Methodist Episcopal Church, respectfully petition that a time limit be again placed upon the pastorate of our church, with some provision for real exceptional cases. If for any reason it is impossible to do this immediately, then we petition that the question of the restoration of a time limit be submitted to the ministry and laity of the Annual Conferences.

---

WHEREAS, One-third of the entire indebtedness on church property in the Central Illinois Conference has rested upon Spencer Memorial Church;

WHEREAS, Its members, out of limited incomes, have made an average subscription of over sixty dollars for every man, woman and child in the church;

WHEREAS, First Church, Rock Island, has set an example of splendid brotherly liberality in subscribing five thousand dollars;

WHEREAS, But little more than $2,200 remains unprovided for out of a total debt of $21,500; therefore, be it

*Resolved,* That the Central Illinois Conference will set apart an appropriate hour for the taking of a further subscription to the end that the church may be dedicated Sunday evening with its entire debt subscribed. Signed:

# Memoirs.

## J. G. BLAIR.

James G. Blair was born at Perth, Canada, Sept. 22nd, 1837, and died at Clifton, Ill., January 13th, 1907, being at the time of his death 69 years, 3 months and 21 days of age. Though he had nearly reached three score and ten, the limit of man's alloted time, he was seemingly strong as in the prime of life, and was cut down while in the vigor of his strength. On Saturday, the day before his death, he preached a funeral sermon in his church from the text, "We walk by faith and not by sight." He told his congregation that while we cannot see even so far into the future as to-morrow, yet by faith in God we can say, "Thy will be done," and know that God's providences, though often hard to understand, are always right, and he has promised, "what I do thou knowest not now, but thou shalt know hereafter." Little did he know what the morrow contained for him. On Sabbath forenoon he delivered his last message to his congregation, and true to his life plan warned against sin and exhorted to righteous living. He preached from I Chron. 28-9: "And thou Solomon my son, know thou the God of thy father, and serve him with a perfect heart and with a willing mind: for the Lord searcheth all hearts and understandeth all the imaginations of the thoughts: if thou seek him he will be found of thee; but if thou forsake him, he will cast thee off forever." On the way home he told his wife how much his heart was in the sermon and how he had planned to preach it. He ate his dinner, put his Bible in his pocket, bade loved ones good bye and started to meet his afternoon congregation. While they were assembling in Ashkum they little knew what had befallen their beloved shepherd. Not over fifteen minutes elapsed after saying his last good bye until he was instantly dashed into eternity by a swiftly moving train. Having reached the highest round of the ladder of earth's privileges, he stepped into his heaven.

His youth and early manhood were spent in the vicinity where he was born, and being of religious Scotch parentage, he early became a Christian. Arriving at manhood he desired higher education. Accordingly he entered Victoria University in Toronto, and after six years of hard study graduated. In

1868 he came to the United States, and for one year worked at the carpenter's trade. He had early felt a call to preach the Gospel and was licensed as a local preacher while yet in college. Upon the resignation of the pastor of Piper City, in the spring of 1871, Dr. Palmer, the presiding elder of Onarga District, employed him to serve for the remainder of the Conference year. In the fall of 1871 he entered the Central Illinois Conference on trial, and was appointed by Bishop Ames to Smithville. Here he remained one year, then served in the order named the following charges: Fairview two years, Canton Circuit two years, Hudson two years, Tonica one year, Belle Plain two years, Washburn three years, Wenona Circuit two years, Saunemin three years, Cichanse two years, Braidwood three years, Ransom three years, Sibley one year, Wyoming three years, Monica one year, Mazon two years and Clifton two years and three months.

On the 18th day of November, 1872, he was married at Chatsworth, Ill., to Miss Mary K. Schofield, who has shared the itinerant's burdens and responsibilities for nearly thirty-five years. Six children were born into their home: Effie is teaching in the public schools at Arcola, Ill., Herbert is teaching in the State Normal School at Duluth, Minn., William is practicing dentistry in Calcutta, India, Charles is doing post graduate work in Chicago University, Arthur is in a mining engineering office in Hibbing Minn., Mabel, the youngest, died in Ransom, Ill., in 1894, beside whose dust the father was laid to rest.

Bro. Blair has been a faithful minister of the Gospel and has always been loved by his congregation and by his Conference brethren. He was a clear thinker, a fine pastor and a good preacher. He was ordained deacon by Bishop Andrews in 1873 at Galesburg and ordained elder by Bishop Ames in 1875 at Moline. For thirty-six years he has been continuously at his post, having had no other relation to his Conference than that of effective. He ever manifested a deep interest in the Conference Claimants. For nearly twenty years he has been treasurer of the Conference Board of Stewards. He grew old sweetly, and was never pessimistic. His presiding elder never heard him utter a single word of criticism against any of his fellow pastors. His ministerial brethren who knew him best say of him as was said of Barnabas, "He was a good man, full of the Holy Ghost and of faith."

Though gone, he will not be forgotten, and though dead, being a citizen of the eternal world, he will live forever more. The funeral services were conducted at Clifton by his presiding elder, J. F. Robinson, assisted by several brethren of the Conference.

## M. C. SMITH.

Melville C. Smith, a superannuated member of Central Illinois Conference, was born in Waymart, Pa., August 14, 1835, and died in Pasadena, Cal., April 25, 1907. His father, Rev. Erastus Smith, was a member of the Wyoming Conference, and preached the gospel for forty years. Melville was the eldest son, named for the missionary, Melville Cox. He gave his heart to God early in life, and from a child recognized his call to the work of the ministry. He was prepared for college at Wyoming Seminary in Pennsylvania. He began to teach school at the age of sixteen, and thus spent his vacations while in college at Middletown, Conn. His first charge was at Newport, Pa. In 1860 he joined Rock River Conference. He remained in the pastorate for twenty-eight years.

Mr. Smith married July 24, 1861, Ella S. Reed, who died May 3, 1901. His

ministry was marked by large revivals. Some of his camp meeting and revival sermons stand out in the memory of the hearers as remarkable in power and eloquence. He was a thoroughgoing prohibitionist—never could understand how a gospel minister could be otherwise. More than once the saloons departed from the towns where he preached, through his efforts. Brother Smith was in failing health for several years. He was perfectly uncomplaining, almost never referring to his sufferings, though one could read its lines ever in his face. He leaves a son, Charles M., and three daughters, Lois E, Edith, and Isabelle, who had the privilege of ministering to him in his last illness; three brothers Rev. Erastus, a member of Nebraska Conference; Wilbur F., Providence, R. I., and L. Hamline, of Iowa; also four sisters, Cassie L. Smith, an evangelist, Ocean Grove, N. Y.; Mrs. Frances Hathaway, of Redlands. Mrs. Dr. Crawford, of Buffalo, N. Y., and Mrs. Mary Slocum, of Gifford, Ida.

T. R. SATTERFIELD.

## A. R. JONES.

Rev. Alvin Robbins Jones son of William and Martha (Robbins) Jones, was born Dec. 19th, 1847, near Peru, Miami County, Ind., and died at Verona, Ill., April 23rd, 1907, in the sixtieth year of his age and the thirty-fourth year of his ministry. His mother died when he was two and one-half years of age. In 1853, with his father's family he removed to Illinois, settling near Cuba, in Fulton County. He was converted under the ministry of Rev. James Ferguson, of precious memory, at fifteen years of age and immediately united with the Methodist Episcopal church and became an active Christian worker. Soon after his conversion he felt a call to the Christian ministry as his life work, and realizing the necessity of an education for an equipment, he entered Hedding College at Abingdon, Ill., where he was a student from 1869 to 1871. In the fall of 1872 he united with the Iowa Conference, of the Methodist Episcopal Church, on probation and was appointed to Centerville, Iowa, afterwards serving the following charges in Iowa, viz.: Albia, Melrose, Marysville, Granville, Kosta, and Riverside. In September, 1874, he was ordained deacon by Bishop Gilbert Haven and received into full connection in the Conference, and in September, 1876, at Ottumwa, Ia., he was ordained elder by Bishop Wiley.

In the fall of 1884 he was transferred to the Central Illinois Conference and appointed to Wyoming, Ill., afterward serving the following charges in Illinois, viz.: Dunlap, Taylor Ridge, Biggsville, Fairview, Chillicothe, Chenoa, Melvin Iroquois, Woodland, Flanagan, Bonfield, Clifton, Hennepin and Verona, where he died.

His bereaved wife and five children survive, as follows: Wiley Haven, Chicago, Ill.; Olive Branch, wife of Frank Bishop, Sheldon, Ill.; Lily Rivers, wife of E. E. Porter, of Texarkana, Ark.; Orville Robbins, Denver, Colo, and Rev. Alvin Olin, pastor of Clough Memorial M. E. church, Denver, Colo., these, with a host of parishioners and friends of his former years, mourn a friend and brother departed, "For he is not, for God took Him."

Aug. 26th, 1876, at Albia, Ia., he was united in marriage to Miss Elizabeth Waddle, who has walked by his side these thirty-two years in the itinerancy and proved herself a help-meet indeed, sharing his joys and sorrows and helping to bear the burdens that a pastor and his wife are subject to until they came to the parting of the ways, he going on before leaving the companion of his youth behind to follow a little later.

His last illness was of short duration and made little of by himself, although at times his suffering was severe and intense. On Thursday evening before his death, as was his custom, he attended and led the mid-week prayer meeting, and after returning to the parsonage, complained to his wife of severe and sharp pains in and about his heart. The facts are that for some years Brother Jones suffered from a valvular affection of the heart. Friday morning the family physician was summoned and everything done for him that skill and care and loving heart and kind hand could conceive or devise, and the physician wife and friends thought him improving, so much so that on Monday evening at the parsonage they held a committee meeting to devise, plan and arrange for repairs or remodeling the parsonage, and that same Monday night about 12 o'clock mid-night his wife found him on the floor near the foot of the bed and after vainly trying to get him back into bed, finally succeeded in arousing a neighbor woman and they two got him into bed and in about twenty minutes Brother Jones peacefully and quietly ceased to breathe, having slipped away from the body without regaining consciousness and the vigilant and faithful wife was left alone in the parsonage a little after the mid-night hour, and the neighbors, being aroused, came to comfort her. Brother Jones died as he hoped to, as he had often expressed himself, "in the harness."

Rev. A. R. Jones was a man decided in his convictions of what was right, intense in his will, a strong thinker and above the average as a preacher when in the pulpit, which fact is well attested by those accustomed to sit under his ministry. If A. R. Jones was convinced that a thing was right, he stood for that thing even though he stood alone. Among other things, he had very decided convictions on the question of temperance and always and everywhere stood out against the rum traffic and in favor of civic righteousness.

While he leaves his wife and children no temporal estate, he leaves them what is far better, for he gave his wealth and sacrificed that they might have a good education, thereby equipping them for success in life, which, with a good name and character unreproachable, is above price, and to their credit it may be said that they are all following honorable callings and good professions, which is a better legacy to them than gold, bonds or bank accounts and this with an abounding hope of a glorious inheritance that is incorruptible, undefiled and without fault before God the Father.

The funeral took place from the parsonage to the church at Verona, Ill., Thursday April 25th, at 12 o'clock noon, conducted by the presiding elder, Rev. Richard Crewes, D. D., assisted by the following ministerial brethren, who all

made addresses appropriate to the occasion: A. R. Morgan, J. F. James, J. D. Calhoun, Vincent Aten, F. J. Giddings, J. L. Miller and J. J. Hunter, and was largely attended by the parishioners and friends of Verona, who with the two choirs from Verona and Zion, rendered appropriate and beautiful singing. The floral offerings were profuse upon the casket. The burial was at Sheldon, Ill., the next day, Friday, the 26th, at 12 o'clock noon, conducted by the presiding elders Drs. Crewes and Robinson.

## REV. J. R. EDWARDS.

The Rev. John Rainer Edwards was born in Columbus, O., on April 22, 1850, and died at his home in Sioux County, Neb., July 21, 1907. He was graduated from Northwestern University in 1878 and joined the Ohio Conference in 1879. In 1889 Bro. Edwards was transferred to the Puget Sound Conference and came to the Central Illinois Conference in 1904, being stationed at Benson, where he did a successful work and greatly endeared himself to the people. In 1878 he married Miss Mary A. Gaskell who is a lady of exceptional literary attainments and fine culture. Nine children, with Mrs. Edwards, survive.

On account of the uncongenial climate in Illinois, as well as to find a larger sphere of activity for his sons, this man of great accomplishments took up work on a large circuit, having a consuming zeal for souls and a burning desire to preach the Gospel in districts not so highly favored with evangelical privileges as some of the more congested communities in the more eastern states.

He died a martyr to his cause. His extended travels and frequent fatigue and exposure brought to an untimely close the life of a man whom to meet was to respect, and to know was to love.

## N. W. ATKINS.

Rev. Nelson W. Atkins was born in Lawrence County, Ill., Feb. 13th, 1863. He united with our church at the age of seven years. He married Miss May E. Emerick, Oct. 8th, 1890. The result of this union was two sons and two daughters. He taught in the public schools for seven years. He served the Willow Hill and Clay City charges in Southern Illinois Conference. He attended Garrett Biblical Institute at Evanston three years. He served the following charges in Central Illinois Conference: Braidwood, Washburn, Bonfield, Roberts and Buda, taking a superannuated relation at the last session of the Conference. He moved with his family to the home of his father, where he was making preparations for a home for his family. He had submitted to an operation in June which at the time was thought to be successful. He was feeling quite well on the evening of Dec. 6th, retired with his family; at midnight he made an effort to spring from his bed, was helped back by his wife and son, and in a moment his spirit took its flight. The funeral services were conducted by the writer, assisted by Rev. M. B. Baker and Rev. F. N. Aten from the First Methodist Episcopal Church, Sumner, on Sunday Dec. 9th. Interment in the city cemetery.

WM. CARSON.

Roberts was the appointment which Brother Atkins served during the longest period and with the greatest opportunity. On a Christmas eve within that pastorate the church building was consumed by fire. Within a week he had secured a subscription of $5,000 toward the payment for a new structure.

In a very short time this heroic man led his people on to victory over the seeming disaster in the erection of a new and beautiful building. The love and respect of the people for him was manifest in a small way by having, not a memorial placed in the church, but his picture painted on the wall in an appropriate place. His work at Buda closed his life work and with the same Christian heroism he fought against disease and stood at his post to the end. He was a sweet-spirited, earnest, loyal Christian man. He was faithful to his God and Saviour above, and to the church and the people whom he served. His family and his brethren in the ministry and in the church with whom he has labored, will hold his name in loving memory.

O. T. DWINELL.

## P. T. RHODES.

Rev. Pearce Taylor Rhodes was born in Logan County, Ohio, May 29th, 1820, and died in Attica, Ind., March 17th 1907. In 1825 his father's family moved to the vicinity of Attica, Ind., and that was his home till 1849. He was converted Jan. 28th, 1840, and united with the Methodist Episcopal Church, and was licensed to preach in 1841. He was very active and useful as a local preacher till 1849, when he was admitted on trial in the Rock River Conference, which then included the territory of the Central Illinois Conference. When Rock River Conference was divided in 1856, Brother Rhodes became a charter member of the new Conference, then called Peoria, four years later changed to Central Illinois. His twenty-one years' effective service in Illinois were all within this Conference, as follows: Twelve years on circuits and stations, two years financial agent of Hedding Seminary (now college), four years presiding elder of Onarga District, and three years financial agent of Grand Prairie Seminary. In 1870 he transferred to Kansas and remained there twenty-five years. Nineteen of these years he sustained an effective relation, eight years on circuits and stations, eight years as presiding elder and three years financial agent of Baker University; the other six years he was superannuated, and this relation he sustained in the Central Illinois Conference till his death.

Brother Rhodes was married three times: In 1840 to Miss Kinny A. Robertson, with whom he lived almost fifty years. August 20, 1898, he married Mrs. Susan E. Maguire. She lived four years. Oct. 27th, 1903, he married Mrs. S. G. Whitenack, now his widow. To him and his first wife was born one son, who died at Farmington, Ill., the fall of 1851. He was a promising little boy, in his tenth year. Presiding Elder John Sinclair took him into the church a few months before his death.

Brother Rhodes was always a hard working Methodist preacher. Possessed of great physical strength, he never spared himself, but "whatever his hand found to do he did it with his might." He was a wise master-builder, as was shown by all the work committed to his hands, whether as pastor, presiding elder or college agent. Every charge he served showed substantial growth in membership, in church and parsonage building or improvement. He projected Grand Prairie Seminary and collected the money for its first building. While its financial agent he was elected county treasurer of Iroquois county and without neglecting the work assigned to him by the church, he discharged the duties of his office to the entire satisfaction of the people who had trusted him, and gave the larger part of the salary received to the institution he had brought into ex-

istence. But for P. T. Rhodes it is not likely that we would ever have had a Grand Prairie Seminary. When he took the agency of Baker University he found an unfinished building, the school reduced to ten students and bonds amounting to $20,000, the accumulated interest equal to the principal standing against the institution. He compromised the debts, collected money and paid them off, finished the building and left the school in a growing condition, and it has been growing ever since; other buildings have been added and during the school year of 1906-07 there were more than 1,000 students in attendance.

While doing this herculean work for Baker University, he found time to make more than fifty speeches for prohibition in the contest in which the state of Kansas was engaged to amend its constitution forever prohibiting the manufacture and sale of intoxicating liquors in the state. And this writer knows whereof he affirms when he says that no one man contributed more to that glorious victory than did Pearce T. Rhodes.

After the death of his first wife and the financial reverses which came to him in the crash of 1893, he became greatly discouraged and went to western Arkansas and took a homestead in a rather wild region, known as "Boston Mountains." The people around him were poor and without any religious services. Their spiritual condition aroused the old time fire in him, he commenced preaching to them, back-sliders were reclaimed, sinners were converted and he organized a class and was holding regular services for them when his old friends at Onarga heard where he was and of his straitened circumstances and sent him most urgent invitation to return to his old home, which he accepted, and was transferred back to his old Conference, where he was cordially welcomed, not only by the few surviving comrades of his early ministerial life, but the whole Conference, men who had never seen him but had learned of his work and his worth. It was fitting that the close of his long and useful life should be with the Conference of his early toils and triumphs, where a little more than half of his forty years of effective service had been rendered, the Conference which had honored him and honored itself by electing him a delegate to the General Conference of 1868. Thus lived and died Pearce T. Rhodes, a hero of many a battle for God, for truth and righteousness.

He excelled as a presiding elder, his administrative abilities were of a high order, he was a good judge of men and a close observer of all that was going on in his district.

Rev. J. B. Dille kindly permits me to copy the following from a private letter received from Brother Rhodes a short time before his death which shows the "ruling passion" of his life, strong in death, it shows also the undying love he had for his brethren: "Oh, how I wish I could do something in the work of saving men and building up the Master's kingdom. But my day is past, my work is done and others better prepared than I must carry forward the work I love so well. I am keeping sweet, I love my brethren, I love God and His church, I pray for the brethren at my family altar and rejoice in all their successes. God be with you."

Noble-hearted man. His memory will ever be precious to all who knew and many who never saw his face in the flesh will bless God for his unselfish, consecrated life.

H. Ritchie.

## MRS. E. W. THOMPSON.

Margaret Adelia Walker, daughter of Solomon and Elizabeth Walker, was born in McDonough County, near the city of Macomb, Ill., March 24th, 1857, and died Oct. 28th, 1906. At the age of eleven years she was converted and at once united with the church.

Sept. 5th, 1877, she was united in marriage to E. W. Thompson, and soon thereafter they took up their residence in Milan, Ill., where Mr. Thompson was engaged in the mercantile business for ten years, where, in the winter of 1887, under the pastorate of Rev. W. T. Kerr, he was converted and at once felt the call of God to go and preach the gospel, and Mrs. Thompson sincerely acquiesced in the Master's call for her husband and was perfectly willing to enter the parsonage of a Methodist minister and there take up her duties as a minister's wife, and for sixteen and one-half years she was a devoted pastor's wife in the parsonage where they were sent to preach the gospel, and the following charges were served during the ministerial life which began in the fall of 1888: Illinois City two years, Pink Prairie four years, Hillsdale five years, Colona one year, Atkinson one year, Erie three and a half years, where Mrs. Thompson's failing health led him to resign his charge and take up business in this city.

She was always an active church worker, taking an interest in all social and connective work of the church, serving as president of the Ladies' Aid and Woman's Missionary Societies and Epworth League, as well as Sunday School teacher and worker. On the 28th of last October, in the Spencer Memorial church in the city of Rock Island, where she had gone to attend service and arrived during the closing exercises of the Sunday School, and, just as the school closed singing, "When the roll is called up yonder I'll be there," she called to her daughter Hattie, who was presiding at the piano, to come to her as she was sick and wanted to be helped out of the church, but before her request could be granted the heavenly chariot was lowered and the death angel issued the summons and Mrs. Thompson was carried on the snowy wings of the angels to answer to the roll call in that celestial city and meet her Savior face to face. Surely she wrought well in the Master's kingdom, and while she rests from her labor her works do follow her. She is survived by her husband, Rev. E. W. Thompson and daughter, Hattie May.

## BISHOP FITZGERALD.

James N. FitzGerald was born in Newark, N. J., July 27th, 1837. His father was a successful business man and wished his son to be a lawyer. James studied law at Princeton Law School and was for a time a student in the office of Hon F. G. Frelinghuysen, Secretary of State in the Cabinet of President Arthur. He was admitted to the bar in 1858 and practiced law for three years.

In 1861 he was converted and at once decided to abandon the law and enter the ministry. He was admitted into the Newark Conference in 1862, and served several important churches in that Conference. Then for a few years he served as presiding elder, first of Newton District and afterwards of New York District. In 1881 he was elected recording secretary of the Missionary Society, in which position he displayed remarkable skill in details and became thoroughly informed in reference to our missionary work.

His ability as a preacher and public speaker attracted attention, both for

literary character and impressive delivery. He had a strong, clear voice which easily filled the largest auditorium and engaged the attention of his hearers as soon as he began to speak. Naturally he appealed with special power to thoughtful men and women, and was recognized as one of the ablest leaders of the church.

He was a member of the General Conference in 1876, in 1880, in 1884 and in 1888. In 1888 he was elected to the Episcopacy. In the high office he was at once recognized as an able administrator. He was thoroughly versed in parliamentary law, grasping the underlying principles, and was regarded as one of the ablest presiding officers. His decisions were clear and firm and just, and were seldom questioned. He was judicial in tone and in manner. He would have made a great jurist. He excelled in presiding at the sessions of the General Conference. So well poised was he in manner and voice that the members of that body never feared that any occasion would arise to which he was not equal.

Law and logic were the special features in his utterances and administration. His type of mind caused many to stand in awe of him until they came to know him well. But after acquaintance, men were drawn to him as with hooks of steel Once a friend he was a friend for life, and his friendships grew stronger as the years went by. He was not demonstrative in the expression of his religious life. Yet he was deeply spiritual. His preaching was devoted to the fundamental doctrines of the Christian religion. He was for many years the leader of the Ocean Grove camp meeting, one of the great evangelistic centers of the country.

Upon moral questions Bishop FitzGerald was fearless in his denunciation of public wrongs, especially of the liquor traffic. Few speakers excelled him in the power of his appeals against this great curse. Yet in his addresses on temperance he appealed to the intellect with facts and logic and not by denunciation.

The circumstances of his death were pathetic. Last October, with his wife, two daughters and blind son, he left this country for India. He was to make the quadrennial episcopal visitation of our missions in India and Malaysia and to attend the jubilee to be celebrated by all Methodist missions in those lands. When the bishop, with his family, reached Penang his daughter was stricken with small pox and died. How great was that sorrow few of us can realize. He proceeded on his way, expecting to attend the centennial celebration of Protestant Missions in China. He had just entered the Chinese Empire when he was stricken with pleurisy and died at Hongkong on the 4th day of last April. How sad the event for the family, far from home and among people of a strange tongue. They have the sympathy and prayers of the church and the compassion of Him who is "touched with a feeling of our infirmities."

A princely man and a great leader has gone. Like Coke and Kingsley and Wiley, he died while in the discharge of his official duties, inspecting our missionary work in a foreign field. And in view of the circumstances, his death will bind our hearts to that distant land and make it to us holy ground.

## BISHOP CHARLES C. McCABE.

There is never a day of sweet sunshine that bathes in its beauty this world of ours, that lasts to the even-tide. Some cloud of sorrow casts its shadow over the dawning or mid-day splendor of the brightest day. The clouds hang

heavy and low, blotting out the stars, the glory of the night and stilling for us the majestic song of the "morning stars" and the shout of joy of the "sons of God." That is the feeling of the natural man, when the grave holds in its unrelenting grasp those we loved. As we stand amid the shadows and the gloom, with only the memory of what our dear dead were to us, the sense of our loss and the bitterness of our grief almost overwhelms us and would, did we not see through the gathering gloom some glimpse of returning day. With a promise of unclouded splendor and uninterrupted felicity.

Grief and sorrow for the dead may be just as keen when but few or only one, it may be, has entered the garden of sorrow, but the sum total of sorrow is in the measure of the number who personally knew and greatly loved the one we mourn. The brother we loved and yet love. I think it safe to say that few men in Methodism were more widely known or more ardently loved, in and out of the church of his choice. The sum total of grief and the deep sense of loss was great for he was widely known and ardently loved wherever known.

A verse in Ecclesiastes, 2:24, with a somewhat free, but to me a true rendering, fittingly describes the elements of strength in his character and in some measure tells why he had such a grip on people. "In this shall a man find the highest good in life, when he can eat and drink untroubled and let his soul take joy in his work. I saw also that this is the gift of God.' That is the doctrine of good physical and mental health. Untroubled nutrition for the body and joy in the work hand, brain and soul has to do. I do not know so well how far the first was applicable, but if ever a soul took joy in the work of life, Bishop McCabe's soul took it at high tide. He carried with him and it ever seemed to fill him and surround him and emanate from him a sort of hallelujah atmosphere and men and women felt its power and glory. The vessel he sailed was not a rudderless, uncaptained craft. He cared but little for statecraft. The report of a General Conference for some supposed undisciplinary decision at some Annual Conference where he presided, scarcely stirred a ripple on the surface of his soul. It never checked for a moment the fervency of his sermon or hushed the music of his song. He was just a great-hearted, unselfish, inspiring man with a message to other men so large and full that these other things seemed small and unimportant compared with that. He seemed sublimely unconscious of either fitness or unfitness for his work. The thought of utility or inutility seemed a long way off. He just was and did. He seemed borne by some great wave that irresistably and unresistingly carried him on its crest. Lethargy and weariness in or of his work or distaste for it he never knew. The boundary line of his desire was the best and highest good for others. McCabe counted for little, redeemed humanity everything. He was not jealous or envious. Men are jealous of those who want what they have and envious of those who have what they want. Jealousy is a confession of fear of our ability to hold, and envy is a confession of dread of our inability to acquire. Bishop McCabe seemed unaware of the points contained in this definition of jealousy and envy. He had a wonderful pity for all forms of suffering, sorrow and sinners. If philosophy engenders pity, Bishop McCabe was a philosopher. No pitfall dug in the pathway of peevishness or repining ever entrapped his feet. He was a knight of the cross, courageous and unselfish from the soles of his feet to the crown of his head. He never wanted to turn back, for heart and hope and aspiration was for humanity and its to-morrow. Yesterdays had little for him,

the future everything. Along many lines he was a king. God placed on his brow a crown and in his hand a sceptre. He wore the one and wielded the other seemingly unconscious of having either. He was keenly alive and observant. He was a diplomat of the highest rank and never conscious of it. He never knew he was a bishop. He had official notice that he was elected to that high and holy office but he was the same McCabe that sang in Libby prison or roused the church with his cry for a "million for missions." In his impassioned appeals he did not seem to know anything but his eager, ardent, overwhelming desire to woo and win men, to see as he saw, think as he thought, feel as he felt. His power in speech and song to move people was marvelous. Whether his was the finished oratory prescribed by the rhetorician or his the music the schools would commend, never entered his thought or the thoughts of those who heard him and were charmed by the message and with the messenger. The listener felt only the thrill and uplift and soul in it all. Naturally loveable, loving and sympathetic, he touched in the hour of his conversion a deeper undercurrent that never lost its power over life or character. Its earthward beginning, its consecration to God, it irresistibly moved himself and others heavenward.

If greatness is measured by achievment, Bishop McCabe was a great man. He brought things to pass. He was not a great scholar. We have in the church men who were beyond him in scholarship. We have had and have yet men who would preach more profoundly than he, but not one who ever surpassed him in effectiveness and power to bring results. An honored member of this Conference in writing me after the bishop's death, said: "He did more to bring the church up to a clear sense of duty in the matter of contributing money to carry forward God's work than any twenty men of his generation." I believe the brother was right. He not only gave himself to the work, but he gave his own money. A drop of mercenary blood did not flow in his veins, but none could doubt his sincerity or help loving him. As some one said of Leopold, so in a fuller measure could one say of Bishop McCabe, "He possessed an indefinable charm which endeared him to women and made him loved and respected by men."

In patriotic and holy song he excelled, not in classical rendering, but in measures of melody that stirred the soul, and made men and women love country and home, God and righteousness more and made the listener want to do noble things. I have wondered if the angels long ere this had not heard him sing "The Battle Hymn of the Republic" and "My Ain Countree" and "My Mother's Beautiful Hands." I have wondered if he had not asked Moses to sing for him that song of triumph over the submerged hosts of Egypt and her king and move our response to that song of triumph. He so loved triumphal things. If he ever did, how his soul must have surged within him as he listened and appropriated the sentiment to himself, "The Lord is my strength and song and he is become my salvation, he is my God, my father's God and I will exalt him" and the response of Miriam as she repeated the chorus of that triumphant song, "Sing ye to the Lord for He hath triumphed gloriously.' I have tried to imagine the meeting of Bishop McCabe with the sweet singer of Israel, the poet king, David. I have seen in imagination the seraphic glow of his face as David told him how he came to write the twenty-third psalm. I am inclined to think if the angels ever heard him sing the "Battle Hymn of the Republic" they would change it as he did on another occasion when he sang, "As He died to make

men holy, Lincoln died to make men free." He would change it I think and from a full soul sing "Mine eyes now see the glory of the triumph of my Lord.'

We are poorer but heaven is richer by the transference of our brother and friend from here to yonder. His life was one of such great achievement and significance that it intensifies the sense of our loss. The cold wind of bereavement blew on the church and it was chilled by the bitterness of the blast. We loved him not because he was such a great factor in the work of Christian commission, not because he was the secretary of the Freedman's Aid Society, or the Church Extension Society or the Missionary Society, not because he was a Chaplain or a Bishop, but because he was just a sunny-souled, great-hearted, sincere, consecrated, unselfish, jubilant, loving, lovable Charles C. McCabe.

# Journal of Lay Association.

The Twelfth annual meeting of the Lay Association of Central Illinois Conference was held at Rock Island in the Y. M. C. A. auditorium Sept. 12, 1907, with President C. W. Neitz of Fairbury in the chair. In the absence of Secretary Scherff, the assistant secretary, Miss Mary L. Sexton of Alpha, was called to act as secretary.

At 10 a. m. devotional services were led by J. L. Freeman of Rock Island. Psalm 23 was recited in concert.

The president in his annual greeting said in part: "That the Laymen's Association was a school of learning. In correspondence with ministers of the Conference he found that there had been progress made in the past year in relieving pastors in part of the financial burdens of church work. He also emphasized the responsibility the laymen have with the pastor in evangelistic work and urged the proper care of the superannuates.

The following committees were appointed by the chair:

Credentials—Peoria District, O. K. Morgan; Kankakee District, Mrs. Crumbaker; Normal District—Dr. Jones; Galesburg District, A. Newland; Rock Island District, J. F. Noftsker.

Resolutions—Normal District, Dr. D. Y. Douglas; Kankakee District, H H. Frost; Galesburg District, Jas Campbell; Peoria District, E. M. Dunlap; Rock Island District, Mrs. K. E. Fuller.

Nominations—Normal District, C. E. Legg; Kankakee District, I. E. Merritt; Galesburg District, I. J. O'Harra; Peoria District, H. L. Hart; Rock Island District, J. L. Freeman.

Motion made and carried that all delegates and visiting church members have a voice and vote in this meeting.

Dr. W. H. Wilder, Secretary of the Commission on Conference Claimants Fund, was called for. He said: If a minister needs to give a part of his time to secular affairs he cannot be most highly efficient in the work of the church. If he be a successful pastor the laymen must assist him. Superannuated preachers, the widows and orphans, have a claim to a comfortable support. He said some one had referred to the preachers as idolized at thirty, criticized at forty, ostracized at fifty, Oslerized at sixty.

E. R. Graham, of our Publishing House, spoke on superannuates. This is the greatest question of the day, those who gave their lives for the work. Shame upon anyone who looks on this as charity. We are responsible for this thing.

The Committee on Nominations reported and the following officers were elected: President, O. K. Morgan, Canton, Ill.; Vice Presidents, Dr. E. W. Oliver, Wenona; R. W. VanTassell, Peoria; Jas. Campbell, Oquawka; F. O. VanGalder, Rock Island; Thos. Shaw, Kempton; Secretary, Dr. D. T. Douglas, Colfax; Assistant Secretary, Miss Mary L. Sexton, Alpha; Treasurer, I. E. Merritt Buckly. The morning session closed with a good Methodist handshake.

At 2 p. m. a short praise service was conducted by the president.

The Credential Committee reported.

Address on General Conference work by D. D. Thompson. He said in part: I take great pleasure in coming to this Association as it was the means of seating an equal lay representation with the ministry in the General Conference, which is the highest legislative body of the church. He spoke on the proposed amendments, urging the laity to study and fit themselves to vote intelligently in the General Conference and read the *Northwestern*.

Bishop Cranston was introduced and said in part: The laity as a whole are the most patient and loyal body on earth. When a preacher was sent to them that was not wanted they received him loyally, showing they had been with Christ and learned patience. Don't tinker with the Methodist policy. Our system gives the largest results in ministerial work. Study the Discipline.

A recess was taken which was spent in getting acquainted.

W. H. Hutchinson spoke on Men's Organization. He said the subject is a broad one. It helps to build up the Bible class and preaching services. The church should be run on business principles.

Moved that the Lay Electoral Conference meet at 8:30 instead of 9:30 for preliminary work, then go in a body to hear the Bishop. Carried.

The Committee on Resolutions read its report, and it was adopted.

*Resolved*, That we, the members of the Laymen's Association of the Central Illinois Conference of the Methodist Episcopal Church extend to the Y. M. C. A. of Rock Island our heartfelt thanks for their courtesy as manifested by offering us the use of their rooms for the sessions of our Conference.

Recognizing the terrible evils of intemperance in destroying body, mind and morals,

*Resolved*, That we as Christians and Methodists, denounce the liquor traffic in all its forms and shall do all in our power to cause its downfall.

We heartily endorse the work of the Anti-Saloon League and recommend that all Christians give it their cordial support. Also

*Resolved*, That our ministers have a right to expect of us the same standard of cleanliness in regard to the use of tobacco that we expect of them.

WHEREAS, It is the duty of the church to provide adequate support for its ministry, active as also superannuates,

*Resolved*, It is the sense of this Lay Association that the entire membership should be educated and urged to adopt and practice the Scriptural method of tithing, and to this end we urge our brothers of the ministry to preach at least one sermon each year on the subject, and the tract committee to properly supply the membership with tracts and leaflets on the subject.

*Resolved*, That in the furtherance of provision for support of our superannuates, we urge the establishing of an endowment fund, the income from which shall be used for such purpose.

WHEREAS, The last General Conference appointed a commission to formulate a plan for the support of Conference claimants and said commission has published a report which is receiving the commendation of the church; therefore, be it

*Resolved*, That the Laymen's Association of Central Illinois Conference approves of the commission's connectional plan for the support of the superannuated preachers and other Conference claimants, and that a memorial to that

effect be sent to the General Conference which meets in Baltimore next May.

*Resolved*, That the request of the Conference for a committee of five from the Lay Association to meet with a similar committee from the Conference on Conference Claimants be granted, and that such a committee be appointed.

On motion, the chair appointed a committee of five laymen: Peoria District, J. H. Crickenberger; Kankakee District, I. E. Merritt; Normal District, C. E. Legg; Galesburg District, A. Newland; Rock Island District, C. W. Bridgeford

On motion of Dr. Douglas, the Secretary was instructed to send a report to the *Northwestern Christian Advocate* and the Conference Minutes.

Miss Musson, a deaconess of Lake Bluff, gave an appeal for help and an outline of their work. Collection $11 56

The president requested delegates to give a report of the Association in their home church. Then he called new officers to the platform, all present coming to the front for a consecration service.

So closed an instructive meeting, 74 delegates being present.

MARY L. SEXTON, *Secretary*.

# Church AND Dwelling Insurance

**CO-OPERATION---That's the word**

Nothing is better, unless it be **More Co-operation. The Co-operative plan** of Insurance of the Methodist Episcopal Church is the Ideal Mutual plan. During the nearly ten years of its existence it has had a most remarkable growth and rendered a most important service, of which Methodism has reason to be proud. The extent and efficiency of this service can be increased by **more co-operation**—by more churches participating, all of which will get benefits while assisting in extending benefits. Over **Thirty Million Dollars** in force. Insurance **at cost** and on **easy annual payments.**

## II. Reports of Standing Committees.

AMERICAN BIBLE SOCIETY.

The American Bible Society is the agency by which our Church, with others, acts in securing the translation, publication and distribution of the Holy Scriptures, both at home and abroad. The Society has always been the effective servant of all our missionary agencies. The diverse foreign populations of this country and the vast masses in non-Christian lands, accessible to the colporteur as never before, are so taxing its resources that an increased revenue is an imperative necessity. We note with pleasure the generous offer of Mrs Russell Sage to give half a million dollars to the Society, provided a like amount shall be raised during the calendar year, the whole to be used as a

perpetual endowment fund. We recommend that our churches in making their annual offering to the Society, endeavor to make an increase so as to help in securing the endowment made possible by Mrs. Sage's offer, and to further assist in securing this endowment, we recommend the Society to men and women of large wealth.

C. T. Oscar Schacht, *Chairman.*

D. McLeish, *Secretary.*

## BOOK ACCOUNTS.

We rejoice in the continued prosperity and the substantial growth, international in its scope, of the business of our Book Concern, and are gratified to note that the dividend placed to the credit of our superannuated preachers last year was $10,000 in excess of any previous year.

We will make all possible effort to increase the circulation of our church papers and periodicals.

Our preachers have been unusually prompt in settling their accounts with the Book Concern this year. The amount outstanding against members of this Conference is very small, being much less than at any time for many years.

T. C. Moots, *Chairman.*

Alfred Dixon, *Secretary.*

## CONFERENCE BOARD OF NINE.

The Conference Board of Nine submits the following report:

On recommendation of Rock Island First Church Quarterly Conference the license of Miss Mamie Dodge Cook was renewed. The licenses of Miss Nellie O. Randle and Miss Emma Alice Read were also renewed.

The report of the Trustees of the Gamage property at Macomb was received. The income for the Deaconess work in the Conference is $100.00 this year.

We recommend that $50.00 be given to the Baby Fold at Normal, Ill., under the control of the Deaconess Society, and $50.00 be given to the Deaconess Home and Hospital, Peoria, Ill.

We recommend as members of the Board the following: For one year, W. B. Shoop, Mrs. O. T. Dwinell, Mrs. C. M. Engstrom; for two years, Thomas Doney, Mrs. T. O. Tanton, Alfred Dixon; for three years, C. O. McCulloch, William Hazzard, Mrs. W. W. Wyatt.

C. O. McCulloch, *Chairman.*

Alfred Dixon, *Secretary.*

## DEACONESS WORK.

The work of our Deaconesses throughout our Church cannot be too highly commended, and we greatly appreciate their labors within the bounds of our Conference. The field for the Deaconess is wide and more consecrated women are needed. Our training schools are efficient and we believe that individual charges could not invest money that would bring greater results than to help some deserving young woman to secure this needed training.

We endorse the plans of the State Epworth League in dividing our Conference among the following Deaconess Institutions, viz.: The Lake Bluff Orphanage, to solicit throughout Kankakee and Rock Island Districts; the Baby Fold at Normal to be helped by the Normal District; and the Peoria and Galesburg Districts to give their offerings and help to the Deaconess Home and Hospital, and that Senior and Junior chapters of our Epworth Leagues, Ladies' Aid Societies, and Sunday Schools observe these divisions and that the above named institutions govern themselves accordingly.

We note with regret the falling off of the support given by our Conference to the Methodist Deaconess Orphanage at Lake Bluff. From Sept. 1, 1907, to Sept. 1, 1908, cash gifts amounted to $259.38, and the value of goods to the amount of $994.60, which is less than half the amount of the preceding year. The Orphanage has unincumbered property worth $50,000 and has capacity to care for 130 children and has cared for 200 children during the past year, and over 1,000 since its beginning. Many have been turned away for lack of room and funds.

The Baby Fold at Normal is now caring for 15 babies under two years of age. We would advise that at least two ministers within the bounds of the Normal District be placed upon the Board of Managers of the institution.

We rejoice in the progress of the work of the Peoria Deaconess Home and Hospital, and hope to see the institution in operation within a few months and that our people will continue to rally to its support.

G. P. Snedaker, *Chairman.*

J. A. Alford, *Secretary.*

## TRUSTEES OF THE DEACONESS HOME AND HOSPITAL AT PEORIA, ILL.

The relation of the Central Illinois Conference to this institution has been from the beginning in 1898, to the present, an intimate one. The various steps in its progress have been taken only by your approval, and in all its difficulties it has shared in your sympathy. In 1898 the plan to establish a Deaconess Home was approved, in 1899 this was enlarged to a Home and Hospital and co-operation was pledged. In 1900 the Conference directed that funds hitherto sent to Wesley Hospital be turned to our own institution. From time to time the Conference approved the purchase of additional land, first on the N. E. and later on the S. W., the latter to get rid of the injunction that had closed the institution. The Conference of 1906 outlined a plan of four steps. (1) To secure funds for the purchase of additional real estate, (2) to reopen at earliest possible date, (3) to pay the indebtedness, and (4) to enlarge the plant. At the last session the Trustees reported that funds had been secured to warrant the purchase of the property to the S. W. and largely pay for the same.

The Trustees now report that during this year the property above mentioned has been purchased, and that it has been resold to Dr. E. W. Oliver, of Wenona, Ill., a Lay Delegate to the recent General Conference, and a true friend of the Hospital.

The Trustees are congratulating themselves on their adjustment of a difficult situation. It is now the plan of the Trustees to secure funds with which

to erect a building on the N. E. 1st, the dimensions 100 by 40 feet, three stories and basement to contribute eventually a wing of the main building which will some day stand on this magnificent site.

The estimated cost of this building is about $20,000 to erect the shell and finish the first floor $10,000 or $12,000. To get this a subscription has been started and when $10,000 are raised, the building is to be commenced, with the expectation that generous hearted individuals, Epworth Leagues, Home Mission Circles and such, will complete the rooms; any parties completing a room to have certain privileges, such as naming the room, nominating patients, etc.

On the whole the Trustees feel that the prospects are brightening. There is still the debt which overhangs the institution and the prompt payment of all subscriptions is urged, and the pastors are solicited to co-operate with the Superintendent in the collection of those due on their charges, and in receiving new ones for the building fund.

With the new wing building and Hospital in operation, the interest-bearing debt reduced, and with the active co-operation of the Conference, the day of victory seems not far distant.

The Trustees ask for the reappointment of J. E. Mercer as Superintendent, and that the Board of Trustees for the coming year be as follows: Term to expire 1909, O. T. Dwinell, T. W. McVety, R. Crewes, T. A. Beall; term to expire 1910, J. W. Frizzelle, W. J. Leach, J. W. Pruen, W. B. Shoop; term to expire 1911, S. Van Pelt, D. S. McCown, R. A. Brown, C. O. McCulloch, Thomas Doney.

## DOMESTIC MISSIONS.

Your Committee on Domestic Missions presents the following report for your endorsement:

The population of country and city is changing. Many localities are filling up with people who are strangers to Protestant Christianity. These people must be evangelized. Evangelization requires messengers; they render invaluable service to the community and Church; messengers should have a reasonable support; therefore, be it

*Resolved*, 1. That the pastors be furnished by the District Superintendents with a statement of facts concerning the needy fields.

2. That the collection for Domestic Missions be taken early in the Conference year and forwarded to the Treasurer of the Society.

We nominate as officials for the ensuing year: President, J. B. Dille. Vice President, J. A. Alford; Secretary, D. F. Wilson; Treasurer, B. F. Eckley; Managers, O. T. Dwinell, J. W. Frizzelle, T. W. McVety, Alexander Smith, A. H. Smith, Robert Van Tassel, J. Strasser, A Proctor; Trustees, R. B. Williams, J. H. Ryan, J. W. Frizzelle, A. W. Lowther, D. F. Wilson, R. B. Seamon, Alexander Smith, D. S. McCown, F. E. Shult, C. W. Ayling, E. F. Roe, J. W. Edwards, S. P. Archer, R. A. Brown.

## EDUCATIONAL.

Inasmuch as our Methodist schools today have made ample provision for nearly all forms of secondary, collegiate and post-graduate education, we earnestly urge Methodist parents to send their children to Methodist institutions. We believe that our academies and colleges in the ability of their faculties and the comprehensiveness of their curricula, are unexcelled by any similar institutions in the land. In their moral restraints, the healthy religious atmosphere that pervades them and the attention to the spiritual welfare of their students, they stand pre-eminent. We would urge that the pastors make every effort to present and emphasize the merits and advantages of our schools and do their utmost to influence Methodist young people to attend them.

We desire to direct the attention of our pastors and people to the fact that there are three sub-divisions of the educational collection: 1. The Childrens' Day Fund, taken in the Sunday School on the second Sunday in June. This is for student aid and belongs to the Board of Education. It should be sent to New York and should be carefully discriminated from the Rally Day collection in October, which is for the Board of Sunday Schools and should be sent to Dr. D. G. Downey, Chicago, Ill. 2. The Church collection, taken in the Church congregation on the second Sunday in June, which is for the aid of our white schools in the South and the proceeds of which should be sent to the Board of Education in New York. 3. The Conference Educational collection, taken at whatever time our Conference orders or is convenient for our pastors. This is for the aid of our denominational schools in our territory and should be sent to the Presidents of such institutions severally as our Conference directs, or should be paid over to the Conference Treasurer for the local institutions.

### HEDDING COLLEGE.

It is with exceptional pleasure that we present the annual report of Hedding College. It is not too much to say that never in all the fifty years of her history has the outlook for our Conference college been so bright as now. At the conclusion of the Conference session of 1907, the newly elected President, Wm. P. MacVey, began his active duties. The power of his personality has been impressed upon the College to a marked degree. His excellent ability, his grasp of difficult problems, his quiet firmness in enforcement of discipline and with all his brotherly spirit manifested in his relations with both faculty and students have all conspired to strengthen the conviction that his administration is destined to be epoch making in the history of the College. During the past year a series of term lectures were instituted. The first of these was given by Dr. E. L. Eaton, pastor of Emanuel Methodist Episcopal Church, Evanston, Ill. The second series was delivered by Prof. F. C. Eiselen, of Garret Biblical Institute. Both of these series were of great benefit to all in attendance. A third series will be given next November by Dr. Eaton.

Pres. MacVey was formally installed in April at which time announcement was made of the movement for procuring sixty thousand dollars additional endowment by Jan. 1st, nineteen nine, and eventually another $75 000. Since then much progress has been made toward that end and it is now confidently believed that the $50,000 will be secured by the time specified. The prospect is for a considerable increase in the number of students for the com-

ing year. In its own territory the drawing power of Hedding is second to none. We have every reason to affirm that as touching Hedding College "The set time to favor Zion is at hand." "That her cords are to be lengthened and her stakes are to be strengthened." The institution may become whatever its friends may choose to make it. It keeps step with the times in all matters of scholastic attainments, yet emphasizes most of all the one supreme textbook and places ever before the student the sublime personality of the living Christ.

For Trustees for three years we recommend Ministers John H. Ryan, Samuel Van Pelt, R. E. Buckey, John W. Ferris. Laymen, W. B. Main, Daniel Taylor, Grant Wolf, S. L. McCrory. For Conference Visitors, J. W. Frizzelle, J. W. Edwards, Henry Bloomer, Wm. Hazzard, Ira J. O'Harra, John T. Noftsker.

ILLINOIS WESLEYAN UNIVERSITY.

The Illinois Wesleyan University has had a year of great prosperity. The Literary Department had 347 students, a handsome gain over last year, and the Law School an increase of 30 per cent. The outlook for the present year is most encouraging.

The financial condition is very hopeful. Mr. Dever has deeded to the University land worth at a conservative estimate $42,000. In this he holds a life interest. The University has just organized a dormitory system for girls and is opening two large residences for this purpose, where the girls will have the supervision and benefits of a Christian home. Some notable changes have been made in the faculty.

The newly elected President, Rev. Theodore Kemp, A. B., D. D., comes to the University in his prime, and with a highly cultured mind and heart. He is rich in experience in dealing with men, and has the fullest confidence and most ardent support of the Trustees and constituency of the school. Dr. Kemp takes the presidency of the school inspired with the highest hopes and equipped with culture, platform ability, and the essential characteristics of wisdom in council, sagacity in administration and a strong personality. The faculty has also been greatly strengthened by the addition of Mr. Arthur Stillhamer, A. B., A. M., in the chair of Physics. He is a graduate of the Wesleyan, and a Fellow of the University of Chicago. Miss Ruth Hemenway is assistant in the Department of Public Speaking. She is a graduate of the Cumnock School of Oratory. Miss Helen May Dean is instructor in Latin and History in the Academy. She is a graduate of the Wesleyan, and a teacher of experience. Miss Lois Preston, A. B., is a graduate of DePauw University, and is in the chair of English

A full canvass has been made of the field by Dr. Kemp and his assistants, and the prospects were never more encouraging in the history of the School.

GRAND PRAIRIE SEMINARY.

Grand Prairie Seminary occupies a vital place in the field of Christian education. Touching the life of our young people at its formative period, the

Seminary offers to them a high grade of intellectual culture under wholesome moral restraints and helpful religious influence. By giving its attention exclusively to preparatory work, it is able to do this grade of work more thoroughly than institutions whose primary object is regular college training. By offering to its students courses in commerce, music, oratory and art, it furnishes an opportunity for a breadth of culture and equipment for life's work not possible in the High school. The past year has been marked by a healthful growth. President Frost has proven himself to be a man of high educational ideas, a wise administrator, a forceful leader. He is supported by an enthusiastic faculty, who are thoroughly fitted by training and natural endowments for the very best work. The attendance during the last year aggregated 240, an increase of ten per cent over the previous year, while the opening of the present year shows a still further increase of eighteen per cent. Work has begun on a new gymnasium to cost $10,000. The erection of this building will furnish much needed facilities for physical culture and will also enable the faculty to give wise direction to the recreation of the students. The plan of the gymnasium provides for quarters for a Domestic Science department, courses in which will be offered as soon as the building is completed. It is believed that this building enterprise is the beginning of a movement which will result in a large central building now sorely needed for administrative purposes. During the year the will of Mr. W. B. Harvey, of Washington, Illinois, has been probated, bequeathing to the Seminary farm property valued at $16,000. A friend of the Seminary residing in Onarga, has signified his intention of placing in his will a bequest of $15,000. We earnestly commend the Seminary as worthy of the support of all friends of Christian education.

We recommend as visitors A. R. Lambert, J. E. Connor, Fletcher De Clark. We recommend as trustees George R. Palmer, O. T. Dwinell, B. H. Durham, Durham Rankin, Wendell P. Kay, W. O. McKinney.

### NORTHWESTERN UNIVERSITY.

Northwestern University is not only the largest University in Methodism, but one of the largest in America. Its record of over six hundred graduates this year from its various schools is not only the best in its history, but probably unparalleled in this country. Its professional schools in Chicago, Law, Medical and Dental, take the highest rank, and the pupils in these schools have exceptional advantages and opportunities.

The College of Liberal Arts, situated in Evanston, is having a remarkable growth. A College of Engineering will be opened this school year in a new, finely equipped building on the lake shore, the gift of Mr. Geo. W. Swift, of Chicago.

A new gymnasium building, costing one hundred and twenty-five thousand dollars, the gift of Mr. J. A. Patton, an honored Trustee. will be erected this coming year.

President Harris is growing in the affections of professors and the great body of students numbering over four thousand in the schools of this great University. Under his wise administration the trustees are assured that the school will continue to be not only the pride of the middle West, but also of world wide Methodism.

This University has an honorable record She has more of her sons and daughters in Mission fields than any other American University, except Yale. We are glad to give our hearty commendation to this University, and recommend the appointment of Rev. J. W. Frizzelle as Trustee for two years.

THEOLOGICAL SCHOOLS.

We take justifiable pride in our Theological Schools, Boston, Drew and Garrett. We are very sure that they offer our young men the best obtainable facilities for the pursuit of theological and related studies. Their faculties are not surpassed in quality by that of any other similar school in this country.

We recommend that the Conference urgently call the attention of our young men to the advantages to be had in these schools, and to the wisdom of extending their education in some one of them.

We especially regard with increasing pleasure the excellence of the work done at Garrett, the high spiritual standard maintained, and the steadfast continuance of the evangelistic and missionary spirit, among its faculty and students. The equipment of this school is of the best.

We recommend as Conference Visitors, E. E. Shawl for one year, and J. W. Edwards for two years.

ILLINOIS WOMAN'S COLLEGE.

It is with growing satisfaction that we note the continued prosperity of the Illinois Woman's College, of Jacksonville, Illinois. It is gratifying to know that there stands in the heart of the great middle West an institution where young women may secure the most thorough and solid instruction under conditions that are conducive to the highest moral and spiritual development. We most heartily commend this institution to all who are interested for women.

We recommend the appointment of Rev. John H. Ryan as Conference Visitor.

AMERICAN UNIVERSITY.

Our University at Washington is making gratifying progress. We find that it now has assets, including site, buildings and endowment, worth two and one-half millions of dollars. The pressing need of the University at once is one quarter of a million dollars to complete the Ohio College of Government, and College of Missions, and to strengthen the endowment sufficient to enable its management to throw open its doors to students. The recent visit of the members of the General Conference to the University has served to make a deep impression on the Church at large of the splendid possibilities and large opportunities here presented.

We note with pleasure the selection of one of our Conference, Rev. D. B. Johnson, as Field Secretary of the School, and we assure our sympathy and prayers in the prosecution of this work.

REV. DR. J. G. EVANS.

Before closing this report we deem it fitting to make special mention of the labors in the educational field of Rev. Dr. J. G. Evans, who at this session of the Conference has been granted a superannuated relation. Of his fifty-four years in the active ministry, fifteen years were spent in the work of higher education as President of Hedding College.

His strenuous efforts and self-sacrificing zeal in this particular field of work will be felt throughout the bounds of our Conference in all the years to come.

W. E. Shaw, *Chairman.*

J. W. Edwards, *Secretary.*

## EPISCOPAL FUND.

It is with regret that we learn of a deficiency of $946.00 in this important fund. We would respectfully urge all of our pastors to bring in their full apportionment for our General Superintendents, and would also recommend that our District Superintendents request all pastors to follow the Disciplinary plan for ministerial support.

G. L. Taylor, *President.*

C. E. Dunlevy, *Secretary.*

## EPWORTH LEAGUE.

We are more than ever confirmed in our judgment that the Epworth League is well designed to be the training school of the Church, and that its different departments are well adapted to carrying out and developing the energies of the young people along the lines of Christian work. The League is becoming more and more a real evangelistic and missionary force as well as a strong factor in works of charity and reform. We believe the modern "Boys Movement" in our church properly belongs to the Epworth League, and wherever such work is inaugurated it should be under the management of the League.

We recommend the continuance of the plan inaugurated by the Conference Board of Epworth League by which speakers are secured for the evening program of the District Conventions from among representative and distinguished men of the Church.

We urge upon all local chapters to make an effort to place the *Epworth Herald* in all Methodist homes where there are young people.

We call the attention of all our pastors and young people to the change in the financial plan of the Epworth League made at the last General Conference, in accordance with which the Central Office must be supported solely by collections from the local chapters amounting to 5 cents per member for the Senior Chapters, 3 cents for the Intermediate and 2 cents for the Juniors, and we urge that provisions be made in all local chapters for the collection of this amount, and that it be forwarded to the Central Office as early in the Conference year as possible.

We recognize the splendid opportunities afforded by the Epworth League Institutes held at Havana, Ill., and Lake Geneva, Wis., and heartily commend them to the Epworth Leagues of Central Illinois.

E. F. Roe, *Chairman.*

G. E. Alford, *Secretary.*

## FREEDMAN'S AID SOCIETY.

We heartily concur in the readjustment of our Boards by the General Conference and commend to the favorable consideration of all our charges requests made by the Secretaries of the Freedman's Aid Society.

1. The twenty-four schools and colleges under the control of the Freedman's Aid Society constitute the only means of education for the training of ministers, teachers, doctors, and other leaders for our 350,000 colored members and their families and for our share of the ten million black people in the United States.

2. Our schools have trained and sent forth more than 12,000 teachers, 3,000 ministers, besides lawyers, doctors, dentists, and other members of professions to work for and to lead their own race.

3. Our industrial work is a part of the requirements in most of the schools. Here are taught carpentry, masonry, printing, shoe-making, painting, farming, sewing, housekeeping and all other mechanical arts and industries, so that young men and women may go out prepared to do their share of the world's work and become useful and worthy citizens.

4. The colored people are realizing that through education, industry and sobriety lies the road to the respect and confidence of all men, and they are striving therefor. As evidence of this, the members of our Church have given during the past year for the support of their own schools $27,678.18, one Conference, the South Carolina, giving $7,099.06. "It is well to help those who help themselves."

5. The religious life and work of the schools constitute a very prominent part of the means of moral training. Without the annual revival, with its direct appeals to the conscience for absolute surrender to the control of Jesus Christ as Savior and Lord, no school year is deemed complete. Through this and the work of the Christian Associations and churches, hundreds of these young men and women are converted.

6. The Sunday nearest Lincoln's birthday has been selected as a most suitable time to present the needs of the colored race to our people. The great emancipator's work can very properly be brought before the congregations, and offerings for the Freedman's Aid Society can be taken.

7. The Board asks from the whole Church $250,000, or one-fifth of the apportionment for Home Missions and Church Extension. The apportionment to the Central Illinois Conference is $4,500. The committee recommends that each pastor earnestly endeavor to raise his full apportionment.

C. E. HAWKINS, *President.*

## FOREIGN MISSIONS.

The evangelization of the world is the great enterprise of the church.

Mission study and the dissemination of missionary literature are carrying the spirit of holy conquest into every home throughout the church militant. Student volunteer bands, Epworth Leagues and Sunday Schools are rapidly becoming the recruiting grounds where thousands of young hearts are pulsing with enthusiasm for world conquests in the name of our Christ. The words "foreign missions" have become the open sesame that unlocks the rich treasures

of the Christian laity. In the far field the spirit of evangelism is at work. Heathen altars are crumbling, while the altars of the Nazarine are being built and baptized with holy fire. Unparalleled openings for work in Korea, China, and the Philippines urge upon the church the importance of immediate appeal for workers, for money, and for a deeper consecration of the church to this great work. We believe in foreign missions. We believe in the practicability of the evangelization of the world in this generation through the agency of the church. We will preach and pray, labor and educate toward this end.

We will endeavor to bring every Sunday School and Epworth League into some active relation to this great theme until the strength and enterprise of our youth stand undivided for our Christ and His great mission—"And in Him shall all the nations of the earth be blessed."

F. J. GIDDINGS, *President.*

E. S. BUSBY, *Secretary.*

## HOME MISSIONS AND CHURCH EXTENSION.

Your committee would report by calling attention to the following reasons for congratulation on our relations, as a Conference, with this great connectional interest:

1. That in the providence of God those who man the offices of this Society continue to be men happily chosen and fully personifying the genius of Methodism for aggressive, practical work in the Society's avowed purpose of Winning "America for Christ;" and that the Secretaries, upon whom the Church relies to present this cause to our constituency, are men of such splendid power, magnetic personality and passionate devotion as to be unique in their leadership, as were the sainted Bishop McCabe and the elder Kynett.

2. We congratulate the Conference on the fact that our only debt to the Board, that of Spencer Memorial Church, Rock Island, is well in hand and in a fair way to final liquidation.

3. We congratulate the Conference further on the fact that while the debt to the Board on Spencer Memorial Church was being contracted, the credit of our Conference with the Board was being steadily pushed up and is to-day much larger than in former years.

4. We are glad to report that the collections taken for Home Missions and Church Extension in the year just closing, aggregate over fourteen hundred dollars more than last year; and we endorse the recommendation of the Secretaries that the Sunday preceding the national Thanksgiving Day be designated as "Home Missions Sunday," and that, as far as practicable, this benevolence be presented on that day: and we pledge ourselves as leaders of the people to circulate the literature provided for the enlightenment of our congregations. We note with great pleasure that the literature of the Board is full of information and of attractive character; "The Christian Republic," the tracts, eleven in number, "Methodism and the Republic," and other books, all promise a much larger intelligence as to the Home Mission field, and we hope that our preachers through these means and from their pulpits will continue to spread the conviction throughout the Church that our foreign population the industrial oppression which inflicts great wrongs on helpless women and

children, the race problem, the menace of Mormonism and the hosts of "white slaves," all demand of us, as a Christian body, aggression and evangelism of the most sturdy, heroic and statesmanlike character.

L. F. Cullom, *President.*

Chas. FitzHenry, *Secretary.*

## THE METHODIST BROTHERHOOD.

We rejoice that the Methodist Brotherhood was officially recognized and adopted into the economy of the church by the vote of the last General Conference.

"Nothing too good can be planned for the manhood of Methodism, and as the Brotherhood takes up this work for the manhood of our church, we pray that it may have the grace of God and the wisdom of God in its noble endeavor."

The possibilities of the Brotherhood are so great that they inspire the church with a new life and a new vision. This movement gives all men of the church work to do and instruction as to the manner of doing it. It stimulates and directs into pure channels the social instinct, and shows what men outside of the church are slow to believe, that the church forgets no class or age in her plans. The times through which we are passing demand a virile Christianity. Manly men must supply this quality. The Methodist Brotherhood must do this work.

We commend the Brotherhood movement most heartily and trust that chapters may be organized as rapidly as possible in all our churches. We pray that in this new task of Christianity the presence of the Holy Spirit may abide with the Brotherhood. We commend our Conference President who will gladly help in suggestions and the organization of chapters.

J. W. Frizzelle, *Chairman.*

E. F. Roe, *Secretary.*

## POST OFFICES.

The work of listing the post offices within the bounds of the Conference by districts and charges is finished according to the request made by our publishing agents.

We recommend the continued use of the post office blanks, giving the name of each post office on said charge and carefully noting changes made by the R. F. D. system.

H. H. McFall, *Chairman.*

H. T. Jackson, *Secretary.*

## SANCTITY OF THE SABBATH.

The Sabbath was instituted of God and announced at the dawn of Creation, set forth in the Decalog and confirmed by many other Scripture declarations. We are alarmed at the increasing disregard of our holy Sabbath and lament the fact that many thousands regard it as a holiday and pleasure day. We

recommend that our churches seek by every honest means to awaken the public conscience to the evils of Sunday excursions, base ball and all other things that tend to degrade the holy Sabbath. We recognize the excellent work of the Federation of Sunday Rest Associations of America and in accordance with their appeal we direct the Secretary of our Conference to attest the following petitions and to forward them to the Rev. T. T. Mutchler, M. D., President of the Federation of Sunday Rest Associations, 1008 Walnut St., Philadelphia, Pa.:

WHEREAS, undue greed for wealth and passion for sport, coupled with disregard for law and for the rights of others, threaten to destroy the Lord's Day as a day both for worship and for physical and mental rest; and

WHEREAS, The loss of the Lord s day would inevitably cause the decay of Christianity and civil liberty; and

WHEREAS, the infinite worth and the serious peril of this gift of God alike demand the harmonious organized union of all who desire its defense and exaltation; therefore,

*Resolved,* 1st. That we rejoice to learn that a national convention is called to meet in Pittsburg, Pa., Dec. 1st, 2nd, and 3rd, 1908, to organize a United State's Lord's Day Alliance, and that we appoint two delegates to attend said convention as our representatives; 2nd. That we direct our Secretary in our behalf to attest and forward the following petitions:

PETITION NO. 1.

*To the Hon. Theodore Roosevelt, President of the United States:*

HONORED SIR.—The undersigned is directed by the Central Illinois Conference of the Methodist Episcopal Church, having a membership of 39,000, to appeal to you not to allow ball games and other sports on Sunday in the army and navy of the United States, such use of the day being recognized by our supreme courts, by careful students of criminology, and by Christian citizens generally, as detrimental to the moral character of the participants and the general moral interests of the surrounding communities.

PETITION NO 2.

*To the Senate of the United States:*

HONORED SIRS.—The undersigned is directed by the ministers of the Central Illinois Conference of the Methodist Episcopal Church, having a membership of 39,000, to appeal to your honorable body to enact into law Bill H. R. 11805, To prevent Sunday banking in post offices in handling money orders and registered letters.

*To the House of Representatives of the United States:*

HONORED SIRS.—The undersigned is directed by the ministers of the Central Illinois Conference of the Methodist Episcopal Church, having a membership of 39,000, to appeal to your honorable body to enact into law Bill H. R. 11805, To prevent Sunday banking in post offices in handling money orders and registered letters.

PETITION NO 3.

*To the Senate of the United States:*

HONORED SIRS.—The undersigned is directed by the ministers of the Central Illinois Conference of the Methodist Episcopal Church, having a member-

ship of 39,000, to renew our appeal to your honorable body to enact a law that shall require all individuals and corporations engaged in interstate commerce to give each of their employes who works on Sunday a full 24 hour rest day during the next six days, and to give to each employe at least fourteen full 24-hour rest days on the first day of the week during each year.

PETITION NO. 4.

*To the House of Representatives of the United States:*

HONORED SIRS.—The undersigned is directed by the ministers of the Central Illinois Conference of the Methodist Episcopal Church, having a membership of 39,000, to renew our appeal to your honorable body to enact a law that shall require all individuals and corporations engaged in interstate commerce to give each of their employes who works on Sunday a full 24 hour rest day during the next six days, and to give to each employe at least fourteen 24-hour rest days on the first day of the week during each year.

F. R. LORD,
P. A. ST. JOHN.

## STATE OF THE CHURCH.

We are thankful to Almighty God for the increase in membership that has come to our Church in the past quadrennium and also for the realization of the thought of John Wesley that "the world is my parish." Never before in our glorious history has the Methodist Episcopal Church occupied the important place that she now holds. Our benevolences are taking an unprecedented hold on the laiety of the Church, our hospitals are on the increase, our educational work is second to none, our Sunday Schools are doing better work, our ministry is more strongly equipped and more adequately supported, our parsonages are more modern and our congregations are better housed. With these things to our credit we have great reason to rejoice, yet while we rejoice we should not forget that the progress of the Church is "not by might nor by power, but by my Spirit." Let us, therefore, pray that the old-time fire may burn in our hearts and upon our altars. To realize this prayer the mid-week prayer meeting should be better attended than it is, the family altar should be established and maintained in our homes and the sermons from our pulpits should be loaded with the Gospel message and delivered with the intent of reaching the unsaved. While we labor to reclaim the ones who have wandered away, we should not forget the children of the Church and of the Sunday School, but remember that Jesus said "of such is the Kingdom of Heaven" and that it is the business of the Church to keep them in the Kingdom. We have problems confronting us and difficulties to encounter but if we keep close to our Savior, He will assure us the victory and His Bride will be kept unspotted from the world.

J. A. ALFORD, *Secretary.* R. A. BROWN, *Chairman.*

## STATE OF THE COUNTRY.

1. We are grateful to Almighty God that we are privileged to witness the return of prosperity to our country and sincerely hope and pray that such may bring added blessing to the Church.

2. We record our hearty approval of the manner in which violators of the laws of our country in high and low stations have been brought to justice.

3. We join heartily in the wave of reform which is spreading over our country and urge every minister to encourage and assist in the establishing of the work of civic righteousness.

4. We urge upon our people to use all lawful means in securing the defeat of Hon. J. G. Cannon as Speaker of the House of Representatives.

J. E. TAYLOR, *Chairman.*

A. JAGGERS, *Secretary.*

## SUNDAY SCHOOLS.

Our recent General Conference created the Board of Sunday Schools of the Methodist Episcopal Church, and we believe the movement to be a wise one.

We heartily endorse the action of the General Conference in establishing an annual Sunday School Day, and, that as far as possible, we set apart the last Sunday in October for this cause as per paragraph 349, Sec. 6 of the Discipline.

We recommend the following persons to constitute the Conference Board of Sunday Schools: the District Superintendents, ex-officio, C. F. W. Smith, W. E. Shaw, B. F. Eckley, J. H. Ryan, W. D. Benjamin, Henry Shoop of Abingdon, D. L. Parker of Gilman, I. J. Cottingham of Eden, T. Walter Thompson of El Paso and D. A. Hebel of Aledo. The officers of the Board to be: D. A. Hebel, President; W. E. Shaw, Vice President; B. F. Eckley, Secretary, and T. Walter Thompson, Treasurer. These officers to hold their respective offices until the Board effects an organization.

T. A. BEALL, *Chairman.*

J. A. ALFORD, *Secretary.*

## TEMPERANCE.

1. We deny the right of any legislative body to legalize crime.

2. The liquor traffic is a great crime against society, and all laws providing for its license are in violation of the public good and ought not to be tolerated by any community, and we endorse the declarations of those judges who have pronounced all laws licensing the sale of intoxicating liquors unconstitutional.

3. The character of legislative enactment must be determined by its influence upon society. The influence of the liquor traffic is uniformly bad and no consideration can justify its legalization.

4. While there are many important questions in governmental polity, we declare that the saloon question rises above all others and that the Christian voter should use his franchise for the suppression of the beverage liquor traffic.

5. Just law properly enforced, is the basis of liberty. The doctrine of personal liberty as taught by the friends of the saloon is anarchy in the worst form and any effort to remove legal restraint from the conduct of the citizen is destructive of government and of the happiness of the people.

6. The faithful enforcement of law is essential to good government. The saloon is the bitter enemy of law enforcement. The lawlessness of Chicago touching the Sunday closing law is a disgrace to that city and demands the at-

tention of all loyal citizens of our State. If additional legislation be necessary to rid us of this disgrace every voter should be interested in the selection of a legislature that will give the needed remedy.

This Conference stands for the enforcement of law and records its condemnation of the United Societies in their efforts to defeat the enforcement of law for the protection of the holy Sabbath from saloon desecration.

7. We deplore and condemn the custom that gives to the Speakers of the legislative bodies the power to control legislation. The conduct of Hon. J. G. Cannon, Speaker of the House, in refusing to allow a vote on the Littlefield bill is worthy of universal condemnation and we suggest that such politicians who lack the elements of statesmanship should be retired to private life.

8. Social impurity, fostered by the saloon, has become a widespread evil in our land, corrupting society everywhere, especially in our larger cities. From that has grown the "White Slave Traffic" with all its cruelties and abominations. We heartily endorse the attitude of our late General Conference toward this infamous traffic, and pledge our co-operation with committees of the National Vigilance Association and the Illinois Vigilance Association in their efforts to protect girls and women and to better the conditions of society upon this subject.

9. We repeat our action of one year ago that one of the most hopeful conditions arises out of the untiring and successful work of the Anti-Saloon League. The strong and growing anti-saloon sentiment of the country has been crystalized and the Christian churches have been united, and their working power developed and to-day the saloon power is alarmed at the power of this unity. We endorse the plan of the Anti-Saloon League of Illinois to make dry territory by a popular vote.

We urge our people everywhere to unite with the friends of good order and sobriety to drive out the saloon and make dry territory. Our ultimatum is prohibition, state and national, and we will not cease our efforts until this goal is reached, nevertheless we rejoice in the passage of the "Local Option Bill" and the triumphs under it, and we demand that this measure be extended to include County Local Option.

10. We commend the work of our Church Temperance Board in their work.

11. We recommend that J. A. Alford and E. F. Roe be elected trustees of the Illinois Anti-Saloon League.

WHEREAS, complete enforcement of state and local prohibition laws will not be possible until the passage of the "Inter-State Liquor Shipment" bill or a similar measure, to protect the states in the enforcement of their valid enactments; and,

WHEREAS, this measure is so reasonable and the sentiment in favor of it so strong, that it is generally believed that it will pass whenever it is brought to a vote; and,

WHEREAS, although it has been pending at least five years, Congress has not yet been allowed to vote upon it; and,

WHEREAS, the Speaker of the National House of Representatives absolutely controls the proceedure of the House, therefore, be it

*Resolved*, That we respectfully petition Congress to pass this measure in

the form approved by the accredited representatives of the Anti-Saloon League of America; and be it further

*Resloved,* That we advise our people to vote this fall for candidates for Congress who will not only vote, but will also agree to support for Speaker a man who will give them a chance to vote upon it.

WHEREAS, An effort is to be made to repeal the Scientific Temperance Educational Law; therefore,

*Resolved,* That we protest against any such backward step, and ask our people to support for the legislature only those men that will support this law.

*Resolved,* That so far as practicable we will make a special effort to have our congregations and Sunday Schools observe the fourth of July of each year as a day consecrated to the promotion of the temperance reform; that we will especially seek to interest our children and young people in this movement; that, with songs, music, speeches and various services in our churches, public halls, or groves, we will strive to promote the proper and Christian celebration of the Birthday of the Nation in the cultivation of a sound temperance revival; and finally, that we invite the co-operation of all religious bodies, temperance organizations, Young People's Societies of whatever name, and all churches, Sunday Schools, pastors, patriots and philanthropists, in this effort to save our nation from the curse of drink.

J. G. EVANS, *Chairman.*

S. L. CLARK, *Secretary.*

## USE OF TOBACCO.

The Church should never cease to protest against the indulgence of the use of tobacco. The habit is inconsistent with moral and personal purity, and with Christian economy. In the Christian minister it is deplored by those most concerned for clean morals in the life of our boys and young men, for in this, as in other things, we need to be exemplary.

Therefore, we pray, and as a Conference we are resolved, that the standards of the sacred Scriptures, as formulated in our book of discipline and in the pledge required of candidates for admission into the Conference on trial, be faithfully maintained. Furthermore, we endorse the action of the last General Conference asking of the laity the same standards they expect of us.

F. I. STEVENS, *Chairman.*

W. R. WARNER, *Secretary.*

## WOMAN'S FOREIGN MISSIONARY SOCIETY.

We rejoice over the continued growth of the Woman's Foreign Missionary Society, and the victory won by it. The victory abroad has been made possible through the heoric efforts of the W. F. M. S. at home. They have distributed their literature and stirred the hearts of the people to greater activities. Therefore we pledge our hearty support and co-operation to this society and pray God's blessings to accompany its labors.

G. H. THORPE, *Chairman.*

W. F. KETTLEKAMP, *Secretary.*

## WOMAN'S HOME MISSIONARY SOCIETY.

The Woman's Home Missionary Society reports an increase over last year in the amount contributed in its various lines of work. There is a growing need as well as a growing opportunity for the kinds of work done by this society. We, therefore, rejoice in its increasing success, and recommend that auxiliaries be organized in all our charges where they do not already exist, and that all our pastors use all practicable means to encourage and strengthen the work of these auxiliaries.

JOE BELL, *Chairman.*

A. J. JOLLY, *Secretary.*

## WESLEY HOSPITAL.

Having heard with pleasure the address on Wesley Hospital, Chicago, by the Corresponding Secretary, Rev. M. W. Satterfield, and appreciating the merit of this institution, therefore be it

*Resolved,* That we recommend to all needing medical and surgical services Wesley Hospital, which, for building improvement, medical staff of physicians and surgeons, is second to none in this country.

Yet, in view of the special efforts to equip and reopen our own Deaconess Home and Hospital in Peoria, at the earliest possible date, we believe that our greatest interest should center in this needy institution in this crisis of its existence.

R. T. BALLEW, *Chairman.*

T. A. BEALL, *Secretary.*

# Resolutions.

## THANKS.

*Resolved,* That we have greatly enjoyed the presidency of Bishop Joseph F. Berry, D. D., LL. D. His inspiring addresses each morning on the Work of God; his masterly address to the class for admission and his eloquent sermon on Sunday morning have greatly helped us in mind and heart. His frank and brotherly treatment of all the members of the Conference has greatly endeared him to us. He will receive a most hearty welcome whenever in the providence of God he may visit us again.

*Resolved,* That we sincerely appreciate the hospitality of the First Methodist Episcopal Church of Canton and the citizens of the city generally, who have for the fifth time royally entertained us in their homes.

*Resolved,* That we are indebted to our genial host, Dr. J. F. Robinson, for his effective care of the Conference, to the pastors and officers of the various churches in the city for the use of their buildings and for opening their pulpits to us on Sunday, and to the *Canton Register* for its very satisfactory account of the proceedings of the Conference.

---

*Resolved,* That we have enjoyed the presence and addresses of Dr. H. J. Coker, Dr. D. B. Brummitt, Dr. F. J. Maveety, Dr. J. W. VanCleave, Dr. F. C. Floyd, Dr. Ida Kahn, Mr. L. R. Horton and other visitors who have contributed to the interest of the Conference.

*Resolved,* That we express our appreciation to the choir and other singers who have furnished such excellent music during the session.

J. W. Frizzelle, *President.*
R. B. Williams, *Secretary.*

## ABANDONED CHURCH PROPERTY.

*Resolved,* That consent to the sale of church property within the bounds of the Conference may be given by the Board of Directors and said directors are hereby authorized to execute deeds for such church property as may not be in the custody of local Boards of Trustees.

R. B. Williams,
D. S. McCown.

## NATIONAL REFORM ASSOCIATION.

Whereas, The National Reform Association is an inter-denominational institution organized for the purpose of throwing the entire force of the church of Jesus Christ against the foes of the home, the Bible, the Christian state, and whatever is dear to us in organized society; and,

Whereas, For the first time in the history of our Conference our attention has been called to the purpose and aim of the Association by Rev. E. A. Crooks, a field worker of the Association; and,

Whereas, Announcement has been made by the representative of the Association of a convention to be held by the Association in Monmouth, Illinois, within the bounds of this Conference, namely, October 13-15 next, in which eminent men of the nation will discuss great and vital questions now pressing for consideration and settlement by the citizens of our country; therefore,

## MRS. JOHN SMALL.

Emma La Far Stover was born in Boston, Mass., Dec. 3, 1854, and died in the Methodist parsonage at Tonica, Ill., on the 2nd of April, 1908. Her father, Walter Everett, was a nephew of Edward Everett. Her mother was born of old-time New England descent at Portland, Maine. In her 14th year she gave her heart to God and united with the Methodist Church. On the 22nd of October, 1881, she was united in marriage with Rev. John Small at the home of her parents in Boston, by the Rev. S. L. Gracey, pastor of the Saratoga Street Methodist Episcopal Church, of which she was a member. She came to Illinois with her husband and settled at Reynolds on their first charge. She never spared herself, but gave the best service of both heart and intellect in aiding her husband and the church. She was an earnest worker in the W. F. M. S., having organized seven auxiliaries during her twenty-six and a half years of itinerant life and was herself a life member. She came to this work with a highly cultured mind and heart and with voice and pen did her best for its advancement. She was also a member of the W. C. T. U. and in private and on the platform was a strenuous advocate of temperance. Her services were much sought after in this field. She was county president of Kankakee County up to within six months of her death. Mrs. Small was a highly cultured musician and a graduate of the Boston Conservatory of Music, and this talent and culture she laid on the altars of her church. She had a very sunny disposition and was always optimistic. She was greatly beloved by her people on every charge and was as firm as a marble column and tender as the clinging vine in all her relations with the cause of truth. In her abundant labors she never sacrificed her home, but made it the climax of her life. Her hospitality was proverbial among church workers who entered her home.

For five years she had been in failing health and much of this time an intense sufferer. Yet, she never left her post in the church. On her last Sabbath she attended five services and said to her husband at the close of the day that she never enjoyed the house of God more in all her life and that she desired to make the best of her time for she was well aware that only a few more Sundays remained for her. She knew her days were numbered and talked cheerfully of the approaching end and of her strong faith in God, and her

Jesus-prepared mansion. She leaves to mourn her loss her husband, Dr. John Small, her daughter, Mrs. Jessie Small Winder, and one brother and sister. The funeral services were held in the Tonica Methodist Church. Rev. A. O. Jones offered prayer at the parsonage and Rev. J. D. Calhoun in the church. Rev. C. W. Ayling read a tender and forceful obituary and addresses were made by her presiding elder, Dr. Richard Crewes, and Rev. T. W. McVety. Her body was interred in the new cemetery at Tonica. Let the book of all books add the closing line, "She hath done what she could." "Many daughters have done virtuously but thou excellest them all." Good bye, sister, we shall meet thee in the morn of the day eternal.

## MRS. R. Y. HAZARD.

Under date of March 3, last, the following message reached me: "It is with a heart bursting with sorrow I write these lines. It is to inform you of the departure of my beloved wife from earth to heaven, which occurred at 6 p. m., Feb. 27th, at her home in Crow Lake Township, South Dakota, after an illness of five days. . . . You remember the morning you knelt by her side and fervently prayed for and with her, and what a peace of mind she then experienced. The influence of that prayer was with her till her coronation. It would have been a comfort to us could you have officiated at her funeral as she requested at the time you prayed with her, but this not being possible I thought you the proper person to prepare a memoir of her life to be read at the Conference. I am confident that you will cheerfully comply with what I know is her wish and it will also be a great comfort to us who mourn her loss." The above communication coming to me from Ransom Y. Hazard, a superannuate member of this Conference, is the warrant for my appearance here at this time.

Ellen Cordelia Dobbs was born in Susquehanna County, Pa., July 13th, 1849, and from her late home in Jerauld County, South Dakota, she was admitted to "the general assembly and church of the first born, which are written in Heaven," Feb. 27th, 1908, having journeyed a pilgrim here fifty-eight years, seven months, fourteen days. She was joined in marriage with Ransom Y. Hazard Oct. 30th, 1867, and for forty-one years walked by the side of her husband, loyal to the covenant of this holy estate. One son, an only child, blessed this union. He, with his lonely and sorely bereaved father, sits in the shadow yonder sighing "for the touch of a vanished hand and the sound of a voice that is still."

In 1883 they moved to Dakota Territory, in that part of the Territory now known as South Dakota, locating in Crow Lake Township. In 1886 they moved to Tiskilwa, within the bounds of this Conference. From that place Brother Hazard united with the Central Illinois Conference and took his place with the great host of itinerant ministers who are intent in bringing the whole world to the feet of the Lord Jesus Christ. He continued in this work until by reason of failing health with the itinerant in 1901 they returned to Dakota, where they have since resided. While her husband was pastor at Trivoli, Sister Hazard was afflicted with what seemed a malignant growth and with great heroism invoked the skill of surgery in the hope of adding to the years of her earthly usefulness. It was then the writer of this sketch knelt with the anxious family and breathed the prayer to God to which allusion has already been made. It

pleased our Heavenly Father to continue her life for as long a period as He did that of King Hezekiah when he thought he was about to be cut off in the midst of his days. From the day she seemed to be partaker of the special mercy of God she made God's statutes her songs in the house of her pilgrimage. She had songs in the night, and literally she marched up to and through the gates of Zion with songs and everlasting joy upon her head. There are those in our day who appear to affect indifference to the manner one passes out of this world. They lay the great emphasis on the way one lives while he is here in this world, just as if it were possible for a man to devote himself in great conscientiousness and faithfulness to the service of God and then God prove indifferent to the way His servant passed out into the great beyond. I would not minimize for a moment the power of a consistent, devoted life, but it will not do so, I am sure, to speak just a word of the death of the righteous. God's book makes much of the way God's people die. It is said, "Mark the perfect man, and behold the upright: for the end of that man is peace."—Psalm 37:37. "Blessed are the dead which die in the Lord,"—Rev. 14:13. Our Methodist forbears made much of dying grace. How many times we have heard them say:

"O, sing to me of Heaven,
When I am called to die."

When Sister Hazard came, at the end of only five days' illness, to pass over she sang

"Jesus, lover of my soul,
Let me to Thy bosom fly."

And again and again she voiced her triumph in those words

"Blessed assurance, Jesus is mine,
O what a foretaste of glory divine."

To a neighbor she sent the word, "Tell Grandma Moulton I am happy in the Lord." She witnessed to the truth of that statement, "To die is gain." And thus as we think of how God "can make a dying bed soft as downy pillows are," and make twilight glow with a radiance brighter than earth's mornings, each of us prays, "Let me die the death of the righteous, and let my last end be like his."—Numbers 23:10.

What is mortal of our sister lies asleep in the cemetery at Wessington Springs, Dakota, awaiting the day when Jesus shall call the roster of the names of those who sleep in Him and they shall rise to live, body and soul, with Him while ceaseless ages roll their ample rounds. And thus we halt to say our good-bye, and while the tear still moistens the cheek, push forward toward the sunrise and the meeting in the land beyond. C. O. McCulloch.

## BISHOP EDWARD G. ANDREWS.

Bishop Andrews was born at Hartford, New York, in 1825. He was educated at Cazanovia Seminary and Wesleyan University, Middletown, Conn., from which he graduated in 1847. He preached a few years and completely failed in health. He then taught for a few years in Cazanovia Seminary. He was elected in 1855 president of Mansfield, Ohio, Female College, where he remained until 1864, when he returned to the pastorate, greatly delighted that his health had been restored. He filled important pulpits until 1872, when he was

elected to the Episcopacy. The same General Conference elected Thomas Bowman, William L. Harris, Randolph S. Foster, Isaac W. Wiley, Stephen M. Merrill, Gilbert Haven and Jesse T. Peck to the office of Bishop. They constituted a double quartet of great and illustrious men, their names are an honor to the history of Methodism.

Bishop Andrews was not great in oratory, but he was intellectually strong and deeply pious as well as a great worker looking after all the interests of the Church. He was inclined to be conservative, but always stood for the right as God gave him to see the right. He was an uncompromising advocate of the truth. In his defense of the truth he was clear in his statements, strong in his logic and convincing in his arguments. As a presiding officer he had few equals and no superiors. For thirty-two years he filled the office of General Superintendent honorably and wisely, and at the age of eigthy-two he passed over the river, mourned by all who knew him or his work in the church. No man enjoyed more the confidence of the church than he. His name shall ever be precious to the many who have loved him for his Christian spirit and faithful work.

J. G. Evans.

## BISHOP FOWLER.

Charles Henry Fowler was born at Burford, Ontario, August 11, 1837. He was of Scotch ancestry. He was educated in Genesee College. While in college he was converted and felt called to the ministry. After his graduation he abandoned the purpose of studying law and entered Garrett Biblical Institute. After finishing the course in the Biblical Institute, he was received into the Rock River Conference and served the following churches in Chicago, Centenery, Clark Street and Wabash Avenue. When Dr. E. O. Haven was elected Corresponding Secretary of the Board of Education in 1872, Dr. Fowler was elected to succeed him as president of the Northwestern University. In this important position he was eminently successful. He aimed to get close to the students and knew nearly every one by name. Upon many he made a life-long impression for good.

In 1876 he was elected editor of the *Christian Advocate* and for four years as editor he gave splendid service to the church. In 1880 he was elected Corresponding Secretary of the Missionary Society and during four years, by his wise management and magnificent addresses, greatly aided the cause of missions. In 1884 he was elected and ordained Bishop. This office he magnified till death. In 1885 he presided over our work in South America. In 1888 he visited Japan, Korea and China. During this visit he organized the Peking University and also the Nanking University. Later he made a trip around the world, visiting our missions in Malaysia and India, and while returning to America he held the Conferences in Europe and organized the first Methodist Episcopal Church in St. Petersburg, Russia. He presided at two sessions of the Central Illinois Conference: the first at Geneseo in 1893, the second at Peoria in 1905.

He was twice married, the first time to Miss Etta Warner, who died in a few years. In 1868 he was married to Miss Myra A. Hitchcock, daughter of the late Dr. Luke Hitchcock. They had two children, a daughter who died in early girlhood, and a son, Carl, an attorney in New York City. The wife and

son are left to mourn his departure. They have the sympathy of the whole Church. He died in New York March 20, 1908.

Bishop Fowler was an unique character. He possessed a rugged mind, which forged majestic thoughts and delivered them with tremendous eloquence. He was one of the great pulpit orators of his time. "A great man and a prince has fallen in our Israel."

## MRS. RICHARD HANEY.

Mary E. Pearce was born in Urbana, Ohio, Aug. 11th, 1827, and died at her home in Monmouth, Ill., Nov. 25, 1907. She grew to womanhood near Berwick, Ill. She was married to Judge Ivory Quinby Feb. 17th, 1848, and moved to Monmouth, where she lived sixty years. She had two sons, Frank Quinby of Anacostes, Wash., and Ivory Quinby of Monmouth, and one daughter, Mrs. Dr. Bucknam of Warren, Ill. Judge Quinby died in 1869. On the 1st of May, 1877, she was married to the never-to-be-forgotten Dr. Richard Haney, who passed to his reward Jan. 27th, 1900.

Mrs. Haney was converted when fifteen years old, and during fifty-six years was one of the most useful members of the Methodist Episcopal Church. Her father's family were faithful Methodists. Her brother, Rev. A. G. Pearce, was for many years an honored member of the Central Illinois Conference.

Being blessed with worldly goods, she was very generous in aiding every benevolent cause. Many young men were helped through college by her gifts. She always liberally supported the finances and benevolences of the church, and in her will gave largely to the Woman's Foreign Missionary Society, the Y. M. C. A. and other great enterprises of the church. Her death is a great loss to the city of Monmouth and to the church which she loved. When death came she said that she was ready and doubtless her spirit passed to meet those who had entered before her into the final home of the good.

## II. Reports of Standing Committees

### AMERICAN BIBLE SOCIETY.

The American Bible Society is the agency in which many denominations united in securing the translation, publication, and distribution of the Holy Scriptures throughout the world. The Society has worked in harmony with the Church in home and foreign lands, and owing to enlarged facilities can furnish Bibles not only at the lowest cost, but in many languages. Believing that the distribution of Bibles, or parts of the Scriptures, can only have beneficial results, we therefore recommend an increased interest in taking the collection for the American Bible Society throughout the Conference.

C. T. O. SCHACHT, *Chairman.*

D. MCLEISH, *Secretary.*

### BOARD OF STEWARDS.

The Stewards estimate that an amount equivalent to three and one-third per cent of the pastors' salaries is necessary to give a comfortable support to our local Conference Claimants, and recommend that that amount be apportioned to the various charges of the Conference.

A. K. TULLIS, *Chairman.*

H. C. BIRCH, *Secretary.*

### BOOK ACCOUNTS.

The Committee on Book Accounts has co-operated with the agent of the Book Concern in an endeavor to secure the prompt adjustment of outstanding claims against the preachers of this Conference.

We are gratified in being able to report that in nearly all instances, this has been accomplished, and with a very few exceptions, all accounts have been paid or satisfactory arrangements made for an extension of time.

Taking into consideration the large patronage given the Book Concern by our preachers, the total amount now outstanding is exceedingly small.

T. C. MOOTS, *Chairman.*

T. J. WOOD, *Secretary.*

## CONFERENCE BOARD OF NINE.

The Conference Board of Nine submits the following report:

Reports were received from Misses Cook and Riel and Mrs. Asher. On recommendation of Rock Island First Church quarterly conference the license of Miss Mamie Dodge Cook was renewed. On recommendation of First Church Peoria, and Normal quarterly conference respectively, Miss Bertha A. Riel and Mrs. Tompie W. Asher were licensed as Deaconesses, and recommended for consecration.

The report of the Trustees of the Gamage property at Macomb was received. The income for the Deaconess work in the Conference is $200.00 this year. We recommend that $50.00 be given to the Baby Fold at Normal, Ill., under the control of the Deaconess Society, and $150.00 be given to the Deaconess Home and Hospital, Peoria, Ill.

We recommend as members of the Board the following: For one year, Thomas Doney, Mrs. T. O. Tanton, Alfred Dixon. For two years, C O. McCulloch, William Hazzard, Mrs. W. W. Wyatt. For three years, W. B. Shoop, Mrs. O. T. Dwinell, Mrs. C. V. Engstrom.

C. O McCulloch, *Chairman.*

Alfred Dixon, *Secretary.*

## CONFERENCE TRUSTEES.

The church property of Lawn Ridge was sold according to the provisions of the Discipline and on petition of the Lawn Ridge Quarterly Conference the proceeds, amounting to $520.92, was divided and appropriated as follows:—$150.00 to the church at Camp Grove, and $370.92 to the church at Blue Ridge—both being appointments on the Lawn Ridge charge.

The District Superintendents are requested to prepare lists of all unused church properties within the bounds of their Districts, respectively, and to submit the same for publication in the Minutes of the Conference. The minute following was directed to be prepared and submitted to the Conference for action as it may deem fitting. Looking as we do with no small apprehension on the increasing tendency in rural districts to abandon churches that have once been filled with worshipers, and that, too, in neighborhoods more populous and more prosperous financially and industrially than ever before, we commend to the earnest attention of our District Superintendents and pastors who may be, because of their fields of labor, directly concerned in such places as present these conditions, the formulating of plans to be put into motion at the earliest moment practicable, to hold revival meetings and Sunday School conventions in these neighborhoods, and to organize church Societies and Sunday Schools for the evangelization and proper spiritual care of these unchurched masses.

*Resolved*, That authority be given to the Trustees of the church at Fairview to sell certain cemetery property on the Fairview charge. O. T. Dwinell and C. O. McCulloch were appointed a committee to represent the Conference in the negotiations for the above sale.

We nominate R. B. Williams, D. S. McCown and John Rogers as Trustees for Three Years; we also nominate Thomas Doney, R. B. Williams, J. W.

Frizzelle, and C. O. McCulloch as President, Vice-President, Treasurer, and Secretary, respectively, for the ensuing year.

THOS. DONEY, *President.*

C. O. MCCULLOCH, *Secretary.*

## DEACONESS WORK.

We believe that in importance in opportunity, the Deaconess work is second to none in our church. We note with regret that the supply of Deaconesses is far less than the demand.

Our Pastors may assist this most worthy cause by calling the attention of our young women to the great opportunities thus afforded in the field and hospital for noble service for the Master and for humanity.

It is a cause of great rejoicing that the Peoria Deaconess Hospital has been re-opened, and that there is good reason to believe that it will soon be enlarged in capacity and usefulness.

We can serve ourselves no better than by liberally aiding this hospital greatly needed in our territory.

We note with pleasure the Baby Fold at Normal, is in a prosperous condition. The indebtedness of $500 has been paid this year, and improvement to the extent of $300 added and paid for. This institution can care for 18 babies and every week cases are refused for lack of room. This institution is growing in the hearts of the people, and confidence in its management is increasing.

We recommend that our Pastors and people give our hearty support to these institutions within our Conference, and recognize the Lake Bluff Orphanage, as also worthy of our assistance.

M. P. LACKLAND, *Secretary.* G. P. SNEDAKER, *Chairman.*

## DOMESTIC MISSIONS.

Your Committee on Domestic Missions presents the following report:

The problem of evangelizing the masses within our territory is a complex one. The means for the accomplishment of this are inadequate. Unless we speedily enter these doors many of them will be closed. The more careful study of the problem by both preachers and laymen is imperative.

There should be organized in each district of the Conference bands of Christian workers, who under the direction of the District Superintendent will undertake the work of evangelization in school houses, and tents, in the neglected portions of the country and cities. There should be ample funds for the prosecution of such campaigns as well as the work already partially supported by the Domestic Missionary collections. Therefore, be it

*Resolved,* 1. That the District Superintendents shall ascertain where such evangelizing work should be undertaken, and estimate the expense thereof, and add this to the amount necessary to support the work already organized, and apportion the same to the charges of the Conference.

2. That a full statement of the needs of the work shall be placed before the church, and the collection for the same be taken early in the year.

S. P. ARCHER, *Secretary.* F. E. SHULT, *Chairman.*

## TRUSTEES OF THE DEACONESS HOME AND HOSPITAL AT PEORIA, ILL.

To the Central Illinois Conference:

The Board of Trustees of the Deaconess Home and Hospital make this their annual report:

1. We recognize that we are your agents in this great Conference enterprise. It is your Hospital; not ours.

2. The Treasurer's report shows in our possession property to the value of about $55,000, with an indebtedness of $21,000, leaving a balance value of $34 000.

3. The Hospital has been in operation since January, the building having been repaired and refurnished at a cost of $2,091. It has during the past six months cared for 134 patients at an expense of $3,038, and at an income in cash of $2,059, and accounts and free work of $666. If one-half this is collectable, a deficiency of about $300, or $50 per month. will remain. This is a very gratifying result.

4. However, even at this rate, a formidable debt would soon accrue. And there is no prospect that this can be avoided so long as we are in our present limited quarters. The only practical remedy for this situation is a larger building that would yield a larger income with little additional outlay. The demand for hospital work is so great that we could do two or three times as much work with very little additional expense. To provide this larger room was the purpose of the Board a year ago as stated in its report and is still its plan. However, it has been decided to build a front to the building instead of a wing as then proposed; this front to contain elevator, offices, operating room and other features that are common to the building. To erect this building, provide these common features above mentioned and finish the first floor, will require $20 000 Of this we have on hand, secured by sale of property and by subscriptions taken by Rev. J. E. Mercer, the agent, good subscriptions $10,000. To carry out the plan the second $10 000 must be secured, and it surely ought not be a difficult thing to get this amount from the wealthy territory of the Cenaral Illinois Conference.

5. The plan proposed by the Board is:

1st. That this Conference undertake vigorously the raising of the sum of $10,000 for the enlargement of the plant.

2nd. That this be done at once and completed by January 1, 1910.

The Trustees ask for the reappointment of J. E. Mercer as Superintendent, and that the Board of Trustees for the coming year be as follows: Term to expire 1912, O. T. Dwinell, T. W. McVety, R. Crewes, T. A. Beall; term to expire 1910, J. W. Frizzelle, W. J. Leach, J. W. Pruen. W. B. Shoop; term to expire 1911, S. Van Pelt, D. S. McCown, R. A. Brown, C. O. McCulloch, Thomas Doney.

W. B. SHOOP, *President of Board.*

## EDUCATIONAL.

Inasmuch as the Methodist Episcopal Church through the action of the various Conferences, has established and at great care and expense, is sustaining many schools of nearly all forms of secondary, collegiate and of university

education and which though open to all worthy students, were established specially for the use of our own young men and women, we believe they are entitled to and ought to receive the patronage of the latter, so long as these schools afford adequate opportunity and service.

We believe also, that unless these denominational schools maintain a well defined, unmistakable and unapologizing religious and evangelical policy, their destinctive reason for claims on Methodist patronage cannot be insisted.

We desire to direct the attention of our Pastors and people to the fact that there are three subdivisions of the Educational collection: 1st, the Children's Day Fund, taken in the Sunday School, on the second Sunday in June; this is for student aid and belongs to the Board of Education. It should be sent to New York and should be carefully discriminated from the Rally Day collection in October, which is for the Board of Sunday Schools and should be sent to Dr. D. G. Downey, Chicago, Illinois. 2nd, the Church collection, taken in the church congregation on the second Sunday in June, which is for the aid of our white schools in the South and the proceeds of which should be sent to the Board of Education in New York. 3rd, the Conference Educational collection, taken at whatever time our Conference orders or is convenient for our Pastors. This is for the aid of our Denominational schools, in our territory and should be sent to the Presidents of such institutions, severally, as our Conference directs, or should be paid over to the Conference Treasurer for the local institutions.

### HEDDING COLLEGE.

We record a year of achievement on behalf of Hedding College. The consummation of the endowment campaign by which fifty thousand dollars have been added to the resources of the College. The legacy of David R. Maguire of Macomb, insuring to the college a half equity in a 160-acre farm. The generous donation through Hon. L. D. Fairbanks, of Mansfield, Illinois, of a great tract of land, in Honduras, adjoining a new railroad now actually constructed. The near completion of a woman's hall, equalling anything in western Illinois,—all serve to mark this as a year of peculiar favor and prosperity; but Methodism does not rest upon its laurels and this Conference seconds the Board of Trustees for a future fund of fifty thousand dollars for new buildings and equipment. The successful completion of this new campaign will place Hedding College fully abreast of all competitors, in the facilities it affords, as it has long been in the quality of its work. We believe that owing to the high character of its faculty, the splendid Christian influences of the school and the increasing material advantages that Hedding College is the natural place for our young men and women in Western Illinois, and should receive the unanimous patronage of our people.

For Trustees for three years, we recommend Ministers O. T. Dwinell, W. B. Shoop, J. F. Robinson, R. A. Brown. Laymen, Prof. T S. Henry, S. Blackstone, P. P. Beard, S. T. Mosser. For two years, Jesse Barlow. For one year, W. F. Turpening. For Conference Visitors, J. W. Edwards, T. S. Pittenger and W. H. Craine.

### ILLINOIS WESLEYAN UNIVERSITY.

The past year has been unusually successful from every standpoint. Several departments show an increase in attendance: two wills have been written in

favor of the University, marked improvements have been made in the Domestic Science Department, and the courses of study have been revised and increased.

Domestic Art has been added to the department of Domestic Science, and the new department will be known as the Department of Household Economics.

The conditions have been fully met by the University whereby Mr. Carnegie gives $30,000 for a new science hall.

Plans are being drawn and the new building will soon be erected. This new building will afford facilities second to none for the work demanded. Four new teachers have been secured, namely: Mr. P. W Summerville, A. M., Department of English; Mr. C. Sharvely, Ph. B., Department of Commerce; Miss Ina Pitner, graduate of Lewis Institute and of the Columbia Teachers' College, Department of Household Economis; Rev. Ross Finney, A. M. S. T. B., Department of Economics. Scociology and Philosophy.

The faculty thus strengthened, stands to the front among the institutions of the West.

One of the objective plans for the coming year will be the securing of the fund for a central heating plant and Dormitory.

A movement for a larger endowment is contemplated in the near future. The present term opens very auspiciously with the prospect of the largest attendance in the history of the school.

The year has proven that no mistake was made in the election of Dr. Theodore Kemp as President Under his able and inspiring leadership, the University has taken advanced ground in all departments and the future is full of promise.

We nominate as Trustees, Charles Long, Richard Crewes, E. M. Kirkpatrick, of Idaho, R. E. Smith. For Visitors, Joe Bell, Fred Giddings, T. W. McVety, A. R. Morgan, M. V. Crumbaker and W. E. Shaw.

GRAND PRAIRIE SEMINARY.

The past year in point of finance, and student attendance, has been a good one and the registration for the present term shows a gratifying increase.

In response to a desire of the patrons, the Seminary offers this year, courses equivalent to the Freshman Year in College.

In addition a full Domestic Science equipment has been installed and this department is open this fall with a teacher of University training at its head

During the year, a $10,000 gymnasium has been completed, with full equipment of floor apparatus running tracks, shower baths and modern steam lockers. A reasonable amount of regular systematic physical exercise will now be required of every student in attendance. The Seminary building as well as the women's hall, has been entirely renewed with new paint and paper.

The financial outlook of the Seminary is very bright.

By the recent death of Hon. William P. Pierson, of Onarga, the Seminary receives his beautiful residence in the southwest part of town, together with six and one-half acres of ground.

He also included in his bequest, a fine collection of English pictures and an extensive library. He designates the building as a home for girls, and women teachers.

The grand climax of the Commencement in June took the form of an offer by Hon. W. A. Rankin, whose gift nine years ago of $25 000 caused the

raising of a $100,000 endowment, of $50,000 additional endowment, providing the Seminary will raise a like amount, and enough more to pay off a small floating indebtedness on or before Sept. 1, 1911.

The spiritual tone of the institution is good. Many young people are being awakened to noble purposes, and deepened religious experience.

We recommend the election of the following Trustees, for a term of three years: Mr. Elmer Hull, Mr. William A Rankin, Mr. E. B. Gower, Mr. Gwyn Foreman, Mr. Ezra D. Durham, Mr. William West.

In the place of O. T. Dwinell, resigned, we recommend Rev. J. W. Frizelle, D. D.

We recommend the following Conference Visitors: Rev. A. R. Lambert, D. D., Rev. Fletcher DeClark, Rev. A. H. Smith.

### NORTHWESTERN UNIVERSITY.

With emphasized Church pride, as the years go by, the eye of Methodism rests upon her greatest Educational Institution,—Northwestern University.

The past year has witnessed not only a maintenance of the high rank attained among the great Universities of the nation, but by reason of increased facilities. It is a matter of congratulation that her professional schools, Law, Medical and Dental, located in Chicago, afford exceptional advantages and opportunities to her students. The College of Liberal Arts, located in Evanston, continues to grow, while the College of Engineering opened the past year in a new and splendidly equipped building, on the Lake Shore road,—the contribution of that princely giver, Mr. Geo. W. Swift, of Chicago, and the new Gymnasium,—the gift of that other benefactor, in the ranks of Presbyterianism,—Mr. J. A. Patton, have supplied long felt needs.

President Harris continues to maintain a large place in the confidence of the Professors and great student body, and under his wide leadership Methodism is assured of still larger triumphs, by Northwestern University.

We heartily commend the Northwestern University because of her proud record in the past, because of the large numbers of recruits sent out to mission fields, and because of our belief that more and more the Nation and the world shall feel the uplift and enrichment of this great educational institution.

We recommend the appointment of Dr. G. R. Palmer as Trustee for two years.

### GARRETT BIBLICAL INSTITUTE.

We are pleased to note the continued prosperity and the increasing usefulness of Garret Biblical Institute.

The generous provisions for the physical comfort of her students and the ample facilities for their intellectual and spiritual development should prove very attractive to the young people of our church, who seek theological preparation.

We desire to record our continued confidence in the faculty of Garrett Biblical Institute, as men of wisdom, propriety, sound doctrine and safe spiritual leadership.

We commend most heartily the evangelistic work and investigation of social conditions, that have been done by the students and trust that even greater opportunities may present themselves to the furtherance of this work.

We recommend the appointment of J. W. Edwards for one year, and W. S. Welsh for two years, as Conference Visitors.

ROSTON AND DREW.

These Seminaries continue to do excellent work and merit the highest confidence of our Church. We wish J. W. Frizzelle to bear the greetings of the Central Illinois Conference to Drew Seminary.

We also recommend J. H. Ryan as Conference Visitor to the Illinois Woman's College at Jacksonville.

ILLINOIS WOMAN'S COLLEGE.

The Illinois Woman's College is one of the oldest schools for women in the Middle West, having been founded in 1846. Its history has been one of heroic sacrifice and subl me faith.

The years from 1870 to 1890 were especially discouraging for schools for women, because of the rapid growth of public high schools and of the admission of women to colleges, open before this to men only. The Illinois Woman's College is the only survivor of three schools for young women in Jacksonville, and of five such schools of the Methodist Church that were flourishing thirty years ago in the Middle West.

During the last ten years there has been a rapidly increasing demand for a well equipped college for women and the school has had a remarkable growth. Beginning with 1899, every year has seen an enlargement of the college plant. In 1899 an extension was made to the building another in 1900, and another in 1902. In 1901 a tract of three acres was added to the original five acres of the college property. In 1903 another addition to the campus was made In 1904 a central power house was built, giving ample equipment for heating, lighting and laundry. In 1906 a building was erected costing $50,000, providing a large auditorium and recitation rooms for the schools of Music, Art, and Expression. In 1909 another building has been added, at a cost of $60,000, giving fine equipment for Domestic Science, Biological and other laboratories, and library, and providing a large increase of students' rooms.

In the past ten years, additions have been made to the property worth at least $250 000. The growth of the school can be seen at a glance by the advance of its property valuation from $60,000 in 1897, to $300 000 in 1909.

The College has a history of good work for more than sixty years. It has a substantial plant worth $300 000. It has an attendance of more than three hundred students. It is a member of the North Central Association of Colleges, and its work is recognized everywhere as of full collegiate grade. The College makes strong, earnest, womanly women and fits its students well for every womanly relation in the home, or the school, or the church, or in society.

The new building, Harker Hall, the corner stone of which was laid May 17th, will be ready by the opening of school this fall. The building will cost $60,000. It provides rooms for seventy additional students, besides recitation rooms laboratories, very complete rooms for the Home Economics departments, cooking and sewing, and halls for the literary societies.

Besides the new building, other improvements have been made at a cost of $10 000.

The attendance is better than ever before. Every year for sixteen years

has seen an increase of students, and the increase this year has been greater than ever before.

The College was founded in October, 1846, and the fourteenth of October, 1909, is to be specially observed as Founders' Day. It is the intention to make it a day long to be remembered, a rallying day for friends of the College. There will be appropriate college exercises, addresses by eminent speakers, and a conference on college interests

## A RESOLUTION PERTAINING TO RELIGIOUS WORK AMONG METHODIST STUDENTS ATTENDING STATE INSTITUTIONS

WHEREAS, There are now in attendance at the University of Illinois, at Urbana, and the other educational institutions, under direct control of the State, approximately two thousand students of Methodist connection, and the number continues to increase each year.

We recognize the vital importance of so caring for these young people that they may be kept for Methodism and the cause of Christ in the world.

Already the Presbyterian, Baptist, Congregational, and Disciples' State bodies, have taken action with a view to making their work more effective at the State University. The Home Missionary Society of the Unitarians has erected a chapel and supports a minister, the Episcopalians are just finishing a girls' hall costing $30,000, and are planning a boys' hall to correspond, the Presbyterians and Baptists each support a student pastor, through their State organizations.

All who have studied the situation, recognize that the problem of caring for these hosts of young people must be solved by the churches of the entire State co-operating, and that the local churches unaided, cannot deal with the situation as it must be dealt with, and that the furnishing of special workers among the young men and women, the provision of social centers, dormitory accommodations, etc., must be cared for by the Methodism of the State.

Therefore, be it *Resolved,* First, that we endorse the work already being done to care for our young people at the State University, and recommend similar action as far as practicable, at the seat of all our State schools.

Second, that we authorize the District Superintendents of the Central Illinois Conference to nominate a permanent committee consisting of three ministers and three laymen, one of whom shall be from Macomb, and one from Normal.

The work of said committee being to devise ways and means for meeting our problems at the strategic centers, and to co-operate with similar committees appointed by other Conferences in this State.

W. S. WELSH, *Secretary.* G. R. PALMER, *Chairman.*

## EPISCOPAL FUND

It is with regret that we learn of a deficiency of $441 in this important fund. We urgently request all of our pastors to bring in their full apportionment for our General Superintendents, and would also recommend that our District Superintendents request all pastors to meet their obligations for that purpose.

M. L. O'HARRA, *Secretary.* E. E. MECHAM, *Chairman.*

## THE EPWORTH LEAGUE.

We again express our gratitude for the Epworth League, that has trained millions of our members, contributed a multitude to our official boards, thousands to our ministry, and an army to mission fields and other forms of special service.

We are grateful for the enlarging scope of League activities, demonstrating that the League is not a mere substitute for a young people's class meeting, but far more,—an institution of the church with a broad and important mission, to win, to save and to train our young people for Jesus Christ, and to add the large resources of our young people to the working power of the church.

We hereby voice the gratitude of the church to our Epworthians for their generous loyalty in assuming the support of their administrative work, and as pastors we will encourage our young people to meet in full their obligations to the Central Office.

We congratulate the Epworth League upon its new song book, for its high quality, its adaptation to the needs of the League and to all the social and evangelistic services of the church.

We heartily commend the Epworth League institutes that under the management of the Central Office, within three years have spread from the Central West to the Atlantic and Pacific coasts, as containing the promise of new life to the Epworth League and to the church.

We note with pleasure the success of another International Convention. Its attendance of 6,000 at such a remote location is a gratifying indication of undiminished enterprise in the League.

Finally, we urge the adult members of our churches to unite with the pastor in fostering, encouraging and supporting the League in every way, as a method for reaching and saving and providing Christian training for our young people; that in every charge a policy be pursued that shall gather the young people into its membership, employ them in its activities, and train and promote them to leadership in a manner to sustain their interest, win them to a Christian life, and develop them in Christian character and service.

We urge upon all Chapters to make an earnest effort to place *The Epworth Herald* in all Methodist homes where there are young people.

We recommend the following officers for the Conference Board of Epworth League for the years 1909-1910: President, E. F. Roe; Secretary, G. E. Alford; Treasurer, H. W. Bell; Junior League Superintendent, Mary H. Ioder.

Other members of Conference Board: District League Presidents, District Superintendents, and the following: Ministers, E. E. Mecham, G. H. Thorpe, G. H. Callihan, J. C. Craine; laymen, Arthur Gill, Washburn; Earl Freeland, Rock Island; S. L. McCrory, Carthage; George West, Thawville.

E. F. Roe, *Chairman.*

G. E. Alford, *Secretary.*

## FREEDMAN'S AID.

Your Committee on Freedman's Aid most respectfully reports:

1. The last annual report of this Society shows that our colored people in the South are crowding our twenty-two schools and colleges to such an extent that increased buildings and equipment are sorely needed by our institutions.

The number of colored young people anxious for industrial and professional training is vastly greater than our accommodations can supply. The colored people are rapidly realizing that the training of the hand and the head constitutes the principal means of uplift in this age, and are making every sacrifice that such training may be attained. Our schools constitute the only means by which Christian ministers, teachers, doctors and other leaders shall be prepared for the 350,000 colored members in our own church, and to a large extent for the ten millions of black people in the United States. The colored people gave for their own schools last year $28,830.32. One of their Conferences, the South Carolina, giving $6,225 26 of this amount.

2. For the moral and religious training of the colored people our schools are indispensable. The Christian teacher is more than a mere teacher of trades and industries. He is the director and example of the moral and religious life of the young people. No young man or woman can be in one of our schools for any length of time without receiving more or less of the great Christian impress necessary to the development of moral manhood and womanhood. In order to do our share towards the moral and spiritual uplift of this race, we must give them the Christian teacher.

3. The Board asks the whole Church for $250,000, or one-fifth of the apportionment for Home Missions and Church Extension. Of this amount the Central Illinois Conference is apportioned $4,500. We hereby pledge ourselves to present this cause at least once during the year to our congregations, and give our people an opportunity to contribute towards this most needful work. Lincoln Sunday has come to be one of the institutions of the Church. It offers the best opportunity during the year for presenting the cause of the Freedmen to our congregations. If it be inconvenient to do so at any other time during the year, we can at least present the cause on this Sunday and take the offering. We pledge our best to this worthy cause.

Most respectfully submitted,

J. E. Connor, *Secretary.* C. E. Hawkins, *Chairman.*

## FOREIGN MISSIONS.

The day of provincialism is past, henceforth man will think imperially, he will not be content to be a mere millionaire; blessed are the people who heed the prophets whom God sends to them. Germany, England and America are great to-day, because Luther, Wilberforce and Lincoln had a hearing. God has evidently sent such men as Thoburn, Bashford and Hartzell, to call the Church to action.

After seventy-five years of work in Africa, Bishop Hartzell asks that we shall begin to move on this strategic stronghold in force. Immediate reinforcements, therefore, must be put at his command. Fidelity is the big word of the soldier.

Balaclava taught the world that the Anglo-Saxon would obey orders, and Calvary taught the world the Man in whom God operates unobstructed, will do his will.

The evangelization of the thousand millions of people is the work of the universal church, that of one hundred and fifty millions is the task of our three

million Methodists. It can be done for one can win a thousand. It can be done for He shall not fail. It can be done, for God can do it, but as our beloved Bishop McDowell says, we must vitalize our enterprise by particularizing our task.

First, our Church must master the word of God. The Text Book on spiritual tactics. Second, we must know the field and missionary literature. Finally, if the world is to be evangelized in this generation, a new standard must be set immediately for giving and sending to Missions. Is there any better place for this to begin than in Central Illinois,—the most fertile garden spot on earth? In Central Illinois, the boyhood home of our heroic Hartzell?

Your committee would therefore recommend that annual subscriptions shall be made by every member and friend of the church at the beginning of the year, for a weekly offering for foreign missions, to be paid in an envelope, the same as the Pastor's salary, and other current expenses of the church

F. J. GIDDINGS, *President.*

## HOME MISSIONS AND CHURCH EXTENSION.

At a called meeting of the Conference Board of Home Missions and Church Extension held in Peoria Oct. 6, 1908, applications were presented for donations of $100 to Waldron charge and $200 to South Wilmington Church. These were approved by the Conference Board and granted by the Society.

The annual meeting was held at 1:30 on Sept. 16. Dr. Crewes presented case of Granville charge and asked for donation of $250. The request was approved by the Board. Motion prevailed to leave the matter of apportionments to District Superintendents.

Meeting adjourned.

J S. CUMMING, *President.*

W. J. LEACH, *Secretary.*

---

The historic attitude of this Conference, of a quick and profound interest in Home Missions, shall not be altered at a time when the home field is coming to be a Mission field, and communities and population that a half a generation ago, were comparatively rural and wholly American, are now metropolitan and alien. For all the population of our Conference—from the manufacturing cities, such as Peoria and Kewanee and the railroad cities of Galesburg and Streator, to the coal girded prairies and small towns,—have in the recollection of the youngest men of our Conference, suddenly, as in a night, assumed the aspect and character of trading booths in the great American labor market. And with the flooding of these, our native vales and cities, with every alien race from northern to southern industrial Europe, and from east to west of starving Asia,—have come also the European irreligion and the Asiatic superstition and disingenuousness. We do not need to read, though we may have profited by reading, the article on "Beer and the City Liquor Problem," in July *McClure's,* nor the newspaper accounts of lurid vice and foul crime in order to realize the need of *Missions at Home.* For every day we see at our very door yard Sabbath desecration looked upon as a matter of course and an inalienable right;

hear of drinking bouts, elevated to the position of a social exercise; know of licentiousness boasted of as a series of Chesterfieldian achievements; and know of human life snuffed out in such a variety of criminal ways, as only congested and dispairing Europe or Asia could suggest.

The campaign against these growing evils must be clearly conceived, coolly planned and grimly and uncompromisingly waged by the leaders and by the rank and file of Christ's army, or his Gospel will have no chance to perfect us or our neighbors in its ideals, and religious desolation will be the result in our very midst.

We therefore pledge ourselves as a Conference, to the work of Home Missions, as outlined and directed by the Parent Board, circulating its literature, crying its messages, taking its collections and praying the Captain of our salvation to bless with final victory our efforts for His cause.

The committee recommend that we concur in the request of Rev. Philip J. Hazenstab, that we join the Rock River Conference in its request that the General Committee of Home Missions and Church Extensions, grant Brother Hazenstab additional helpers for Deaf Mute Gospel Work in the territory wherein he now labors, and that an appropriation be placed at the disposal of the resident Bishop at Chicago, and the Conferences so jointly acting, to be used in supporting this work and to be administered by them.

## METHODIST BROTHERHOOD.

Your Committee on Methodist Brotherhood, presents the following report: Work for men by men is one of the most important forms of Christian activity of the present day.

The Methodist Brotherhood offers to the Church a place for such work that has in it the elements of the higest efficiency. It is adapted to every church, both city and country. The four leading lines of work, namely,—religious work and social service, Bible study and missions, fellowship membership. offers to Christian men a field worthy of their best endeavor.

*Resolved,* First, that we urge our pastors to bring the matter of the organization of the Brotherhood to the attention of the men of their churches and to effect such organization if at all possible. All information with reference to the Brotherhood may be had of the General Secretary, W. B. Patterson, 150 Fifth Ave., New York City.

Second, *The Methodist Men*, the official organ of the Brotherhood, is a periodical of real merit, and should be in the hands of every man in our Church. It may be secured of the Laymen's Publishing Company, 150 Fifth Ave., New York City, for 50 cents per annum.

Third, that we request that at the next session of our annual Conference, it be given a place on the program for an Anniversary of the Brotherhood.

We nominate the following officers for the Conference organization: President, J. W. Frizzelle; Vice Presidents, T. E. Newland. W. B. Shoop E. F. Roe, J. F. Robinson, and T. S. Pittenger; Secretary, S. P. Archer; Treasurer, W. E. Shaw. T. E. NEWLAND, *Chairman.*

S. P. ARCHER, *Secretary.*

## POST OFFICES.

The work of listing the post offices within the bounds of the Conference by districts and charges is finished according to the request made by our publishing agents..

We recommend the continued use of the post office blanks, giving the name of each post office on said charge and carefully noting changes made by the R. F. D. system.

## SANCTITY OF THE SABBATH.

WHEREAS, The desecration of the Sabbath Day is one of the growing evils of our country, and

WHEREAS, The increasing passenger and freight traffic of the railroad on the Sabbath day disturbs the peace of many and deprives thousands of the rest they need and should have, and the privilege of attending worship, therefore, be it

*Resolved,* That we urge our members and ministers to cease and to refrain from patronizing them in any way unnecessary on the Sabbath day.

WHEREAS, There is widespread indifference in many of our churches as to the sanctity of the Sabbath, and many of them spending the Holy day in social visiting. and thus absenting themselves from the house of God. and aiding the ungodly influences of the world; therefore, be it

*Resolved,* That we preach against such ungodly usages of the Sabbath and urge our people to be loyal to the commandment of God and their vows to the Church.

*Resolved,* That we cannot be too vigilant nor guard with too much care, the observance of the Sabbath. We must not allow the pleasure seeking world to wrench it from us. We deprecate the fact that the national game, base ball, in our cities and many of our smaller towns, is being so manipulated by Sabbath desecrating, Godless men, that our Sunday afternoons in many places are entirely given over to this amusement. Again, we regret to know that among those in attendance are to be found members of our own Communion.

*Resolved,* That we plead most earnestly, not only with Christian people, but with lovers of morality as well, that they refrain from witnessing ball games through the week, that are under the management of men that conduct them on Sunday.

## STATE OF THE COUNTRY.

We are grateful to Almighty God for the continued prosperity of our country, and sincerely hope and pray that it may bring added blessing to the Church. Second, we wish to recognize the excellent work of the National Child Labor Committee of New York City, for the suppression of child labor and in accordance with their wish, offer the following resolution:

WHEREAS, The evil of child labor has been prevalent in the southern states as well as in other parts of the nation, and

WHEREAS, The known results of the child labor system are, the disintegration of the family and promotion of illiteracy and the destruction of church influences, therefore,

*Resolved,* 1st. That we call upon Christian employers and Christian parents to obey the laws that have been enacted on this subject.

2nd. That it is the duty of all loyal citizens to strive for more efficient laws, to the end that the exploitation of childhood within our borders shall be ended.

3rd. We heartily approve the efforts of the American Peace Society of Boston, Mass., and offer the following resolution:

*Resolved,* That the Central Illinois Conference hereby declares itself as favorable to the creation of the International Court Arbitral Justice, to the end that all International difficulties may have a peaceful and honorable settlement

That the Central Illinois Conference is opposed to the increase of armaments and urges upon the Government of the United States the continuance of efforts to secure limitation of armaments by International agreement. The observance of one day of the year,—preferably the Sunday before Christmas, as Peace Day, is hereby recommended.

4th. We greatly deprecate the fact of the inefficiency of our laws in the prosecution of the white slave traffic. Therefore, be it

*Resolved,* That we will use every available means in urging upon our legislators the urgent need of laws that will be adequate and effectual for the suppression of this great evil.

J. E. TAYLOR, *Chairman.*

ABRAHAM JAGGERS, *Secretary.*

## SUNDAY SCHOOLS.

The creation of the Board of Sunday Schools of the Methodist Church and the establishment of an annual Sunday School Rally Day; with the Board's hearty recommendation of the Men and Woman's Adult Bible Class movement all seem to be in harmony with the best methods of the advanced and aggressive work, not only among the children, but also for advanced Bible study and teachers training classes.

We recommend that every Sunday School organize adult Bible classes and enroll with this movement in our own Board of Sunday Schools.

W. D. BENJAMIN, *Chairman.*

T. S. PITTENGER, *Secretary.*

## TEMPERANCE AND PROHIBITION.

Your Committee on Temperance and Prohibition beg leave to report as follows:

1. The right of the majority to rule, properly applies only to questions of expediency, that do not involve a moral issue. "The majority may do wrong, as well as the king." Where questions of right and wrong are at issue a higher

law than human preference must be sought. God's law is the only standard of human obligations and morals. All human law should harmonize with the divine law. Hence any claim that the advocates of evil should have equal recognition and influence with the friends of righteousness is a monstrous heresy. Home rule has proper limitations.

2. The honest and faithful enforcement of righteous laws is the foundation of all true liberty and good government, and the effort of the United Societies of Chicago, under the plea of home rule, to secure the power to ignore State law and legalize all manner of iniquity in the city, is a disgrace to our metropolitan city and should arouse the indignation of every loyal citizen of the State whose law they attempt to set aside.

3. We commend the wisdom, energy and untiring zeal of the W. C. T. U. in their broad field of reforms, and we pledge our sympathy and aid, as opportunity offers, in their heroic efforts to lift the human race out of corruption and degradation.

4. We rejoice in the successful work of the Anti-Saloon League in waking up and uniting the Christian sentiment of the whole country against the saloon and we hail the coming day when every Christian in our land shall enthusiastically adopt the watchword of the League and declare that "the saloon must go." Objection has been made to the phrase, "local option" because it seems to recognize the right of the people to vote the saloon, with all its iniquities *in* as well as *out,* but thanks to the wisdom and carefulness of the leaders in this movement our Illinois law makes no provision for voting it in but only for voting it out. Local prohibition would perhaps be a more fitting term.

We favor so-called local option as we have it in our law, but earnestly demand that our legislators extend it to counties so that the people of a county may rid themselves, not only of the curse of the saloon, but also of the burden of taxes produced by the saloon. The present policy of disfranchising the farmers and yet leaving them to carry the burdens of county taxation caused by the saloon, is an outrage upon justice. No Methodist can be true to his church without giving his cordial approval to local option and no Methodist ought to vote for any man for our next legislature who is not pledged to extend the local option to counties. If this had been done in our present law, seventy counties in Illinois would now be dry and perhaps more.

5. The saloon is based upon selfishness and all selfishness is sin. No man who has an interest in the liquor traffic cares for the welfare of his fellowmen. It is essentially anti Christian and the irrepressible conflict between the Church and the saloon must continue until the church shall rise in her might and under the leadership of God shall crush this infamous institution out of existence. With joy, therefore, we hail the success of the Anti-Saloon League in uniting all the churches for an overwhelming onslaught upon this device of hell for the destruction of mankind.

6 The Church is the logical enemy of the saloon. Christ, who is the head of the Church, came to destroy the works of the devil. While the churches may confederate for the purpose of a speedy triumph in this great battle, the Church as such has no right to turn over its appropriate work to any outside organization.

We therefore call attention to the organized Temperance Society of the Methodist Episcopal Church of which Bishop McIntyre is President, and urge

all our pastors to hold Church and Sunday School temperance anniversaries at which the total abstinence pledge shall be presented and all our people, young and old, urged to greater activity in this branch of Church work. We also urge an active co-operation with our own Conference Temperance Society whose principal work has been and should be the publishing and distribution of good temperance literature.

7. While rejoicing in the triumphs of our cause we would not conceal the fact that the great battle with the saloon is yet to be fought and won. The liquor power commands an immense amount of money which it uses unscrupulously, without conscience it controls a vast political influence, it appeals to every base passion of fallen men, and especially to man's greed for money.

The theory that moderate use of liquors is harmless and can be used with impunity, is everywhere advocated by the friends of the saloon, and thus is popularized the road to drunkenness.

A large per cent of the drunkards of to-day have been deceived by that theory. Total abstinence is the only safety, and this feature of Christianity should be strongly urged.

8. Dry territory should be legally protected not only in its right to exclude the saloon, but against liquor selling by any method. It is a burning shame that our general government should grant a so-called license where the local laws prohibit the sale of liquor. We should demand a candidate for Congress who has a clear record on this matter. All intoxicants shipped or carried into dry territory should be subject to seizure and destruction, and the person offending to fine and imprisonment.

9. The law abiding people of Illinois should demand of our legislators a search and seizure law to aid in the proper enforcement of prohibition.

10 We give a condensed statement of the action of our last General Conference which we fully endorse and commend to all our people.

The drink habit is an unmixed evil. The traffic in intoxicants is a curse that should be legally abated. The policy of licensing evil is anti-Christian The liquor traffic cannot be legalized without sin: Local option should be understood as *local prohibition,* and as such should be supported by our people.

The general government should be sharply condemned for its protection of the saloon and should be freed from further complicity with the liquor traffic. While aiding the Anti-Saloon League and other temperance societies, we should remember that the Methodist Episcopal Church is a temperance Society and should give it our sincere sympathy and hearty co-operation in its work for the suppression of the saloon through our organized temperance society. It is the duty of every Christian voter not only to oppose the saloon, but to cast his ballot in the way most effective against the saloon. We record our deliberate judgment that no candidate for any office which has to do with the liquor traffic has a right to expect, nor ought he to receive the support of Christian men so long as he refuses to put himself in an attitude of open hostility to the saloon.

11. We also urge that all possible aid be given to the Vigilance Committee of Illinois in their commendable efforts to suppress the white slave traffic, so allied to the rum traffic of our country.

12. We hail with delight the triumph of the temperance reform in the South, and express a sincere desire that old animosities should be forever buried,

and that the good people North and South should be harmoniously united for the destruction of the saloon and other political evils.

13. We recommend the appointment of J. G. Evans and T S. Pittenger as Delegates to the Thirteenth National Anti-Saloon Convention to be held in Chicago, Ill., the 6th, 7th, 8th and 9th of December, 1909.

14. We recommend the appointment of C. W. Ayling and E. F. Roe as Trustees of the Illinois Anti-Saloon League.

J. G. Evans, *Chairman.*

S. L. Clark, *Secretary.*

## USE OF TOBACCO

Since the indulgence in the use of tobacco is uncleanly, expensive and detrimental to both the physical and the moral well-being, and is out of keeping with the best Christian example, we urge that both ministers and laymen abstain from the use of it, and that they do all in their power to discourage the use thereof among the young men of our Churches, Sunday Schools and Epworth Leagues.

F. I. Stevens, *Chairman.*

Harry Bell, *Secretary.*

## WOMAN'S FOREIGN MISSIONARY SOCIETY.

Realizing that the brilliant and unparalleled success of the Foreign Missionary work at large has been so greatly aided by the intense activity of the Woman's Foreign Missionary Society, therefore we will aid in every way and encourage the auxiliaries already existing on our charges and will also aid in organizing new ones wherever practicable.

G. H. Thorpe, *Chairman.*

O. E. Clapp, *Secretary.*

## WOMAN'S HOME MISSIONARY SOCIETY.

The Woman's Home Missionary Society reports a substantial increase over last year in the amounts contributed in its various lines of work. There is a growing need for the kinds of work done by this Society. We therefore rejoice in its success, and recommend the organization of auxiliaries in all our charges where they do not now exist and that our pastors encourage and strengthen the work in every way possible.

# Resolutions

While always in the spirit of loyalty we receive whomsoever our General Superintendents select to preside over our sessions, we deem it but just to say that the Presidency of our beloved Bishop William Fraser McDowell has given to us much more than ordinary pleasure. His urbanity and unfeigned brotherliness to us all without distinction—the promptness and justness of his rulings—his approachableness,—the Scripturalness unction, directness and searching character of his Spirit-directed addresses in our morning Conference devotions, and the masterful presentation of motive and appeal to the class to be admitted into full connection in the Conference, and in the discourse of Sabbath morning, have made an ineffaceable impression on us for good, and have been an inspiration that must lead us to a more winning and helpful ministry on behalf of those for whom Jesus died; therefore,

*Resolved,* That with delight we will hail his coming to us again as our President and that we will pray that God may long spare him to be as great a blessing everywhere as he has been to us.

*Resolved,* That we express our appreciation of the thoughtfulness manifested by our Brother T. E. Newland, pastor of this church in the care and comfort of the Conference during our stay in Carthage, and especially do we thank him for the privilege of hearing the instructive and very helpful addresses of Dr. F. J. McConnell, President of DePauw University.

*Resolved,* That our gratitude is due the officers and members of the Methodist Episcopal Church of this city for the use of their beautiful house of worship for our sessions, and also to the other churches of the city that have opened their buildings for the use of the Conference.

*Resolved,* That we thank all who have in any way contributed to the pleasure of our stay at the Conference by freely opening their homes to us.

C. O. McCulloch.
Samuel Van Pelt.
J. H. Ryan.

## INTER-CONFERENCE MINISTERIAL INSTITUTE.

Whereas, There is a plan launched to organize an Inter-Conference Ministerial Institute, be it

*Resolved,* That we elect a Conference Institute Committee of three, the Chairman of which, together with the Chairmen of like committees from each of the other Conferences co-operating, shall form an Executive Committee who shall have authority to organize and maintain an Inter-Conference Ministerial Institute with the provisions that: First. It shall have no power to incur any financial indebtedness on the Central Illinois Conference. Second That the faculty shall as far as possible be manned by our strongest theological professors. Third. The tuition fee shall not exceed $10 00. We recommend that A. R. Lambert, A. Wirt Lowther and R. E. Smith be the Conference Institute Committee.

*Secretary Committee on Education.*

## APPRECIATION OF R. E. BUCKEY, DISTRICT SUPERINTENDENT.

*Resolved,* That we, the preachers of the Galesburg District, do hereby give expression to our appreciation.

First. Of Dr. Buckey's fine and large spirituality. He has been a real pastor to us, emphasizing and exemplifying the loftier spiritual truths and experiences, giving the sort of brotherly counsel that develops the qualities of

leadership, and putting the glory of Christ before the appearances of success.

Second. We desire at the same time to express our appreciation of the material results of Dr. Buckey's leadership in the building of churches and parsonages, the general increase of offerings for benevolences, and the needed and merited increase of salaries.

Third. We have been gratified to see Dr. Buckey always ready to take a position on any issue of importance on our charges or in the District just and righteous. He has ably defended the cause in difficult situations and commanded the respect of all concerned in doing so.

It is with regret that we part with our brother as District Superintendent, and we wish him God's favor and power with great success upon his re-entrance into the pastorate.

## REPORTS OF DISTRICT SUPERINTENDENTS.

Resolution adopted at the Peoria District Ministerial Association held at Yates City, Illinois, May 3rd-5th, 1909.

## PETER STRYKER GARRETSON.

Rev. Peter Stryker Garretson was born near Bound Brook, Somerset County, New Jersey, August 6, 1840, and died suddenly in his garden in Council Grove, Morris County, Kan., on September 28, 1908. He was baptized in infancy by Rev. Abraham Messler, pastor of First Dutch Reformed Church of Somerville, N. J. He was converted near Bound Brook on May 26, 1869, and was received on probation in our church in East Millstone by the pastor, Rev. John Hanlon, on June 3, 1860, and into full membership by the same person and in the same place, December 9, 1861. He attended Pennington Seminary about two years during the principalships of Rev. D. C. Knowles and I. W. Wiley, afterward Bishop Wiley. On September 3, 1862, he enlisted in the Thirteenth Regiment of New Jersey Volunteer Infantry for nine months, and was discharged by reason of expiration of his term of service. He was at Fredricksburg under General Burnside, and at Chancellorsville under General Hooker. He was under General Mead, and was on the march to Gettysburg with General Reynolds when discharged. On April 10, 1865, he re-enlisted for one year, or during the war, in Company I, 159th New York Infantry, and was sent to Hart Island, New York Harbor, to guard bounty jumpers and rebel prisoners. On the death of Abraham Lincoln, Brother Garretson was detailed to guard the President's body as it lay in state in New York City, but exchanged places with a comrade who desired that honor. He was licensed to exhort by the official board of Bound Brook charge, Rahway District Newark Conference, September 8, 1862. In September, 1865, he moved to Illinois, and during the following winter entered Hedding Seminary at Abingdon. In 1866 he received license as a local preacher at Fairview, Ill., Rev. Richard Haney being the Presiding Elder. In the fall of 1867 he was appointed junior preacher on the Orion charge, Rock Island District Central Illinois Conference, Rev. Milton Morey preacher in charge. He was admitted on trial into the Central Illinois Conference on September 28, 1868, Bishop Joseph C. Hartzell being a member of the same class. He was ordained a deacon by Bishop Ames, September 17, 1871, and elder by Bishop E. G. Andrews in 1873. He was in the active pastorate in Central Illinois Conference until October, 1897, when he took a superannuate relation at his own request and moved with his family to Wilsey, Morris County, Kan. On February 15, 1907, he moved to Council Grove, where he continued in the superannuate relation in Central Illinois Conference until his death on September 28, 1908, making just exactly forty years of membership. He married Miss Mary M. Pratt in Abingdon, Ill., in 1871. Six children blessed this union, four of whom survive.

Brother Garretson was a man who soon won the respect and esteem of all he met because of his upright, straightforward, Christian character. His funeral was conducted by his pastor, assisted by Rev. P. C. Weyant. The sermon was preached from I Thes. 4:14. Interment was in the Wilsey cemetery.

## D. M. HILL.

Darius Murray Hill was born in England Feb. 16th, 1829. He came with his parents to New York when he was a year old, and a year afterward they moved to Toronto, Canada, where he grew to manhood

While he was a little boy his godly mother consecrated him to the work of the ministry. He was converted at the age of ten and was licensed to preach when sixteen, and ordained when twenty. After preaching several years in Canada he came to Illinois and joined the Rock River Conference, and served Fox River Circuit and Sheffield and Anawan charge.

When the Conference was divided in 1856, his lot fell in the Central Illinois Conference. His subsequent appointments were: Ottawa, Ash Grove, Onarga, Berwick, Galva, Buda, Wyoming, Kickapoo, Lewiston Circuit, Summit, Biggsville and Oquawka. The last twenty-three years of his active life were spent as agent of the American Bible Society in Stark and Peoria counties, occupying the same field that his father Rev. G. F. Hill, had occupied until his death in 1872. In 1879 he was granted a supernumerary relation, and at a later date he was superannuated.

Bro. Hill had a remarkable memory. He was especially familiar with the Bible. He seldom used a concordance, but could give chapter and verse of almost any passage named. As a pastor he was always deeply interested in the young, and was active in the Sunday School and Young People's societies. His ministry was honored with conversions. Bishop Fowler and Jennie F. Willing were converted under his ministry. It is said that at Toulon he received two hundred converts as the result of a revival that he conducted He was apparently frail, but was a member of a long-lived family and lived to be more than eighty.

He was married on the 4th of July 1856, to Miss Elinor Davis, who walked by his side and gave him cheer during all the years that he was pastor. She died Feb. 21st, 1887, twenty-two years before death came to him. He had three daughters. One died in infancy, two are living: Mrs. William Holmes, of Prescott, Iowa and Mrs. G. R. Coburn, of Peoria, Ill. He also leaves three grandchildren and two great grandchildren. It was a great comfort to him to know that his grandchildren were devoted workers in the church, and that his only grandson has been for years a Sunday School superintendent.

For several years he was troubled with failing sight, and for a few years he was entirely blind. For a long time he was shut in and for eight weeks he was confined to his bed. As he grew weaker and did not expect to recover, he said, "It is all right either way." On the 16th of February, 1909 at the home of his daughter, Mrs. William Holmes of Prescott, Iowa, his spirit passed peacefully to the saints' everlasting rest. His body was brought to Toulon and appropriate services were held in the church where his ministry had been so greatly blessed with revival power. His funeral was attended by a large number of the members of the Conference, also by a delegation of his Masonic brethren from Peoria and Toulon and a concourse of loving friends His body was tenderly laid to rest beside that of his wife in the Toulon cemetery.

Thus has passed away another of the old legion. Peace to his ashes—honor to his memory.

J. S. CUMMING.

## W. H. HITCHCOCK.

W. H. Hitchcock was born at Waterville, Oneida County, N. Y., Jan. 29, 1839. Here he grew into young manhood, learning and plying the trade of a printer. When the threats of secession by the South became ominous, and before the first gun of the rebellion had been fired, he enlisted Oct. 5th, 1860, in the Fifth U. S. Cavalry, at New York City. He was honorably discharged March 4, 1863. He re-enlisted Feb 24th, 1864 at Detroit, Mich., in the Third Michigan Veteran Vol Cavalry and was honorably discharged from the service March 15th, 1866 after the close of the war. He was a faithful, loyal soldier, taking part in the following famous battles: Falling Water, Siege of Yorktown, Williamsburg, Hanover Court House, Mechanicsville, Gain's Mill, Savage Station, Malvern Hill South Mountain, and Antietam. This is truly a notable military record. In all his after life he was a zealous patriot.

He entered the Central Illinois Annual Conference in 1872. His first pastoral appointment was to Yates City. After that he served the following churches: Pleasant Mound, Dallas City, Utah Whitefield, Sparland, Smithfield Fairview, Bardolph and Terre Haute. In 1888 he was given the supernumerary relation, and was made effective again in 1890, and was appointed to Cuba, Vermont, and Pennington Point successively. He was superannuated in 1894. He was a member of the Central Illinois Conference thirty-seven years and was effective twenty-two years.

It was not the writer's privilege to know him in the years of his effective service but those who knew him well, and were associated with him in those years, bear frank and eager witness to his unwavering devotion to the work of a Methodist preacher. Ever steadfastly pursuing the highest ideal of a minister of Christ, aflame with the divine Spirit his heart was consumed in his great desire to reach and help and save the lost, and to administer comfort to the distressed and sorrowing. Not seeking the applause of men, nor the honors and emoluments of high position though amply qualified, he eagerly followed his Master's footsteps to bring the blessed evangel to the poor and needy and was glad for a chance to work in God's harvest field, even in the lowliest place. In every Conference relation he was a loyal and faithful preacher and Christian. Those who were privileged to be his pastor during the years of his superannuation testify that it would be difficult to conceive of a more ideal superannuated minister. Ever loyal to the pastor and the highest interests of the church, generous to a fault, he commanded the respect, admiration, and deepest affection of each succeeding pastor. They all rise up to call him blessed They bless his memory to-day. He was called "the pastor's friend."

He died the morning of the 18th of May last, and while his war comrades from far and near came to follow his body to the grave and hold their beautiful and significant service at the grave of a dead soldier, his pastor conducted his funeral service, paid tribute to his memory, and committed his body to the ground. A brave and patriotic citizen, a devoted Christian, father, husband and friend was he, a true preacher of the gospel of Christ.

## THOMAS H. PRYOR.

Rev. Thomas H. Pryor was born in England on the first day of September, 1836. In early life he removed with his parents to America and located at Scales Mound, Ill. In 1857 he was united in marriage with Miss Elizabeth Ward Eustice, who died in 1886, leaving four children, three of whom are still living: J. H. Pryor and Mrs. L. E. Roberts of Chicago, and Mrs. Elmer McKeever of Los Angeles, Cal In 1887 he was married to Mrs. Nellie Tarbox, who, with her daughter, Mrs. Mervin W. Lay of Syracuse, N. Y., survive him. After thorough preparation for the ministry in some of our best schools, Bro. Pryor was received into this Conference on trial at the session held at Streator in 1878. He was admitted into full connection and ordained a deacon by Bishop Hurst in 1880. In 1882 he was ordained an elder by Bishop Harris. He served the following charges in the order named: Secor, Reynolds Cleveland and Colona, Cameron, Piper City, Goodwine, Cissna Park, Waldron and DelRey. Between 1886 and 1891 he sustained a supernumerary relation to the Conference. In 1895 he was again granted a supernumerary relation and in 1901 was placed on the superannuated list. His active relation to our Conference covered a period of but eleven years. The charges he served were not conspicuous and his pastorate terms were short, but he was an earnest, faithful servant of God, a workman that needed not to be ashamed, either of his work or of himself as a minister of Christ. His sermons were always instructive and edifying. His personal relations with the people were such as to command the utmost confidence and respect. He was a quiet, unassuming man, utterly sincere and genuinely religious. Brother Pryor was never a place seeker, he never clamored for recognition. He was content to go wherever he was sent, counting the ministry of Christ his highest privilege and chief joy. We have had many men among us more conspicuous and brilliant than he, but none who were more ingenuous or more deserving of our affectionate remembrance. Bro. Pryor's death occurred at Pasadena, Cal., May 6th of the present year.

In the land where no winters come to blast the radiant flowers or waving palms, his body was tenderly laid to rest, while his spirit went to the better country beyond the skies. R. B. Williams.

## BENJAMIN WEBB BAKER.

Benjamin Webb Baker was born in Coles County, Ill., Nov. 25th, 1841, and died in Guthrie, Oklahoma, June 20th. 1909. He lived the life of the ordinary farmer boy of that period in Illinois, attending school during a brief time in the winter months, his teachers being able to "read rite and cipher to the rule of three." He grew into a strong, active young man under the eye of a mother of more than ordinary strength of character, his father having died when the son was but a few years of age. His grandfather was a Methodist preacher, the circuit rider of his day and generation. This man was much in the home of

Dr. Baker's mother and undoubtedly had much to do in forming his character and molding his life.

In 1861, when Abraham Lincoln called for volunteers to serve for three years or during the war, he enlisted in Co. E. 25th Illinois Infantry and served during the war. The regiment saw active service from the day it entered the field until the close of the war and Dr. Baker participated in its marches and battles excepting when in the hospital recovering from wounds. During his army service he was wounded three times. On that awful Sunday at Chickamauga when Longstreet swept through the gap in our right wing, Dr. Baker was struck by a minnie ball on the left shoulder, causing a wound from which he never entirely recovered, and the ball was carried with him to his grave. He was a model soldier in every respect, loved and respected by his comrades in arms

At the close of the war he went to Normal, Illinois, and worked his way through the State Normal University, graduating in the class of 1870. After graduation he taught in the University four years with remarkable success, laying the foundation for his great educational work in later years. He had long felt the call to preach and in 1874 he was admitted on trial in the Central Illinois Conference at the session held in Carthage and presided over by Bishop Scott. He was stationed at Lexington where he remained for two years when he was appointed to Watseka for two years, Sheldon two years and to Fairbury in 1880. During his first year at Fairbury the disease which finally caused his death began to trouble him. He was advised to seek a higher altitude and accordingly he was transferred to the Colorado Conference and stationed in Denver. He remained in Denver until 1883 when he returned to the Central Illinois Conference and was appointed to Metamora, where he served two years. In 1885 he was made Presiding Elder of the Streator District, which he served four years when he received the responsible position of Financial Secretary of the Illinois Weslevan University at Bloomington. He suucceeded in a remarkable manner in interesting people in the school. His addresses on educational topics were filled with helpful suggestions to both old and young. His own experiences in obtaining an education were an inspiration to many a young man who was hesitating about a college course. His intense earnestness and zeal were instrumental in bringing to the University many thousands of dollars and hundreds of students.

He remained with the "Weslevan" until 1893 when he was elected President of Chaddock College at Quincy, Illinois. He held this position for five years and succeeded in clearing up the financial matters, which had become embarrassing, and building up a creditable school. In 1898 he was elected President of the Missouri Wesleyan College at Cameron, Missouri. Here he threw his great soul into the work and surmounting difficulties which would have discouraged a man of ordinary ability he gave it standing among institutions of learning throughout the west. His work in Cameron was the climax of his career as an educator. His failing health reminded him continually that he must seek rest and the first vacation he ever took came with his resignation in 1905 when he resigned the Presidency of The Missouri Wesleyan. He took his wife, who was also in failing health, on a southern trip Restless without work he supplied our church at De Funiac Springs, Florida, for some time. In 1907

Bishop Cranston appointed him as a supply to the West Side Methodist Church in Guthrie, Oklahoma. This he served for one year when his health became so much impaired that he found it necessary to cease his active labors.

On Dec. 14th, 1871, he was united in marriage to Miss Martha Frances Henry, of Lisbon, Illinois, who survives him. Seven children were born to this union, of whom four are living. Mrs. Mary J. Agnew of Chattanooga, Tenn.; Webb E. Baker, of Guthrie, Oklahoma, Rev. James C. Baker, of Urbana, Ill., and Mrs. Zilpha E. Bentley, of St. Joseph, Missouri.

Dr. Baker was a thinker of more than ordinary ability, his sermons always exhibited originality and depth of thought, and his personality was such that conviction was driven home to the heart of the listener. He impressed himself on the community in which he labored as a man who had a message in which he absolutely believed himself and proposed that others should believe it as he did. His personal character was uncompromisingly honest, and believing in God and himself, he went straight to the mark he had set, always higher up. He had that in his character which compelled men to believe in him as a man who was honest and upright in his life, a man who stood for the best things and who had the courage of his convictions. These convictions were always decided. When he had once made up his mind his course was on a direct line to the end. His views were honestly entertained and openly expressed, and always commanded attention. He was a most lovable, noble and manly man. He attached himself to his friends with hooks of steel for the reason that he always proved faithful. To know him was to admire and love him. He lived close to God every day of his life and caused one to feel that somehow God surely communed with him and gave him large vision of the ways of life.

As an educator he had few equals, being endowed largely with that peculiar talent of making others see what he saw. He inspired his pupils with a wonderful enthusiasm and a determination to succeed. He was revered by the members of the classes he taught who looked upon it as a great privilege to recite to him. Many a man has made a success of his college work because of the inspiration received from Dr. Baker. The Illinois Wesleyan University conferred on him the degree of Ph. D., and the honorary degree of D. D. He represented his Conference in the General Conference of 1888.

In the last days of his consciousness there were no clouds in his spiritual sky. He died as he lived, fully aware of the fact that he was a child of a King. His home life was beautiful and his influence over the lives of his children told for the best things in life. The eldest daughter is the wife of Prof. Walter Agnew, dean of the school of theology of Grant University, Chattanooga, Tenn. The youngest daughter is the wife of Prof. Bentley, professor of Latin in the High School, St. Joseph, Mo. Webb E. is a lawyer and real estate agent, Guthrie, Okla., representing one of the largest firms in the West. James C. is the pastor of Trinity Church, Urbana, Ill., one of the most important appointments in the Illinois Conference.

The funeral was in charge of the writer, assisted by Dr. Bradford, President of Epworth League University, Oklahoma City, and Dr. Simes, pastor of the M. E. Church, Winfield, Kan. Interment was at Guthrie, Okla.

JOE BELL.

## MRS. JOHN ROGERS.

Mary Emma, daughter of Rev William and Serelda Haney, was born May 29, 1843 in the parsonage at Marietta, Ill, and died in the parsonage at Pre emption, Ill., October 1, 1908, at the age of sixty-five years. In early life she attended the public schools, but later attending Hedding College. She had artistic taste which she cultivated, and her home was beautified by many of her own paintings. As a young lady she was agreeable and winning, and consequently had warm friends, especially among her student friends in the college. On September 24, 1873, she married Rev. John Rogers and went at once to Pink Prairie, their first charge, in Central Illinois Conference, into which her husband had just been received on probation. Her whole life was spent in the home of an itinerant Methodist preacher. To this union four children were born: Myrtle Ivy, Lizzie Leota, Otto Bratton, and Donald Haney. Myrtle passed away Nov. 26, 1906. Sister Rogers had two brothers and one sister. Her parents and all the children are now deceased except one brother now a resident of Des Moines, Iowa. In her early life she was active in Christian work. In later life her health began to fail, and six years ago she had a stroke of paralysis which so enfeebled her that it was with difficulty that she even attended the public services, and for two years past was unable to attend at all, which was a great deprivation to her. The death of her daughter made a marked impression upon her already weakened body, and her decline was more rapid thereafter.

Having often been entertained in the home, and at times for several days, I observed with pleasure the happy, harmonious, Christian spirit which prevailed and made it indeed a place of comfort, of rest of help, of encouragement, of inspiration and cheer for the tired husband and for growing childhood and youth. Her efforts and labors for the home were constant and a beautiful fruitage was the result. Sister Rogers was a true wife, a kind and faithful mother, self-sacrificing, forgetful of self, mindful of the needs of others, quiet unassuming, patient to an unusual degree. Especially was this manifest in her long sickness, no word of complaint coming from her lips. She was converted when a child, under her father's ministry. She ever had an abiding faith and unwavering trust in her Heavenly Father's goodness. Her end came peacefully, in the presence of her family and friends that had cared for her so tenderly and faithfully during her sickness. At the last she was unconscious, but there were no signs of pain or suffering. The tired spirit simply flew away to be forever with the Lord whom she had loved and served so long.

## MRS. H. T. JACKSON.

Nettie Irene DeBruler, was born September 8, 1878 near Sullivan, Illinois, where she grew to womanhood. She was united in marriage to Rev. H. T. Jackson, of Windsor, Illinois, August 1, 1899. They at once moved to Bloomington, Illinois, where she, with her husband entered the Wesleyan University, Mrs. Jackson taking a course in music After the husband's graduation they removed to Selma, where they had charge of the Methodist church for four years thence to Deer Creek one year and to Sunbeam two years.

Mrs. Jackson possessed a kind, loving and sympathetic nature and made hosts of friends among the people whom she served so faithfully. She has

been a great sufferer for years but bore her sufferings with Chistian fortitude, rarely murmuring even to her closest friends. Her last illness was brief, she having passed away at the Wesley Hospital in Chicago, October 14th, 1908, where all that medical skill and the love of a devoted husband was done that could be done for her. Our hearts go out in sympathy to the young husband, who is so soon bereft of his beloved and faithful companion, and we ask with him, "Why did you leave us so soon?"

Besides her husband, she leaves a father, five brothers, three sisters and a host of friends to mourn their loss.

The funeral services were conducted at the Methodist church, 1:30 p. m., October 17, 1908, in charge of Dr. B. F. Ship assisted by Rev. McConkey, of Maroa, and Rev. Haynie and Rev. Moore, of Bethany. Interment took place in the Bethany cemetery.

## MRS. J. G. EVANS.

Jenette Gardner was born in Delaware Co., Ohio, Nov. 28th, 1829, and died in her home in Lake Bluff, Ill., August 30th, 1909, being 69 years, 9 months and one day of age. Her childhood days were spent on a farm and all her earliest recollections clustered around that country home.

Upon reaching young womanhood, she began her higher education, by entering Worthington Female Seminary at Worthington, Ohio, and later entered the Ladies' College at Delaware, Ohio.

From childhood she was an earnest Christian. Upon conversion, she entered the Methodist Episcopal church, faithfully kept her rules, "Held sacred her ordinances, and ever endeavored as much as in her lay, to promote the welfare of the Brethren, and the advancement of the Redeemer's Kingdom."

On June 14th, 1857, she was united in marriage with Rev. Jervis G Evans, a member of the Peoria, now Central Illinois Conference, with whom she shared the burdens and responsibilities of an itinerant preacher's life, for more than fifty-two years. June 14, 1907, Dr. Evans and his companion of fifty years, celebrated their golden wedding at Kankakee, Ill. Three years after her husband was elected to the presidency of Hedding College she was chosen as preceptress, and for twelve years performed the duties belonging to this responsible position, faithfully and well. Her influence among the young women was immeasurable many of them testifying to having been led into a Christian experience through her beautiful Christian character, and by her personal inter-

est in them. Her administration as preceptress was marked with piety, prudence and wisdom. Though she is gone her work will remain, and though dead, in the lives of many, she will not cease to live.

As a home factor, she was of incalculable worth. She was always hopeful, and though clouds sometimes lowered and trials seemed to multiply, she ever steadied her husband's hands with prophecies of brighter days soon to come. In bodily strength she has for many years been weak, but spiritually, and as an apostle of good cheer, she has been a tower of strength. For many years she kept and tenderly cared for her aged mother, who only a few days before the daughter died fell asleep and was not, for God took her. Heaven's welcome had scarcely ceased ringing for the home coming of the aged pilgrim, ere the dutiful and beloved daughter arrived.

To the writer she said as a few weeks ago we were in conversation, "I shall not get well, but let us be cheerful. The sunset of a Christian's day should be bright." So closed the life of one of God's noblest ones, exemplifying the words of Wesley, "Our people die well."

Her final illness extended over a period of several months but through it all she was patient, bearing her pain without murmuring, saying now and then, God is love, and he knows best By her request she was buried at Abingdon, where she and Dr. Evans toiled so heroically for so many years for Hedding College. The funeral services were held from the church at Abingdon, Tuesday afternoon, Aug. 31st, in charge of Pastor O'Harra, assisted by Rev. P. A. Rolin, and the writer. J. F. Robinson

## MRS. EDWARD WASMUTH.

Orpha Minerva Ward was born in Hindsdale, Columbia County, New York, Nov. 29, 1831. The family consisted of eight children, four sons and four daughters. When the subject of this sketch was twelve years of age, the family was bereft of the mother and at that early stage in life she was brought to the serious responsibility of doing a mother's part for the younger members of the family.

In 1858 the family came to Illinois and settled on a farm two and one-half miles west of Henry, where in time they became members of a class at the Snyder school house, on the Snatchwine charge.

She was married to Edward Wasmuth Dec. 20, 1860, Rev. Benjamin Applebee, pastor at Lacon, officiating, and immediately she took up the exacting duties of the wife of an intinerant minister in the city of Moline, where her husband was then pastor, having previously served Tiskilwa, Wethersfield, now a part of Kewanee, and Snatchwine.

The record of her church service was a long and honorable one, as is indicated in the list of appointments where she supplemented her husband's zealous ministry with tact and ability; Moline, 2 years; Geneseo, 3 years; New Boston, 1 year; Monmouth, 3 years; Canton, 2 years. During the pastorate at Canton, an unusual responsibility long sustained, came to the pastor, under which his health gave way and it became necessary to take an extended vacation. On his return to Conference, he asked for lighter work, and the family moved to Princeville for a two-year pastorate. The largest revival in their ministry occurred here, over two hundred were added to the membership at Princeville, and seventy-five at West Princeville now Monica.

From Princeville to First Church, Peoria, for two years, Pekin two years, Rock Island District four years, and on leaving the district Pontiac was the pastoral appointment, where they remained for three years, at the end of which time ill health on the part of the pastor caused a leave of absence, the time being spent in the east, from Conference till June of the following year, when the family returned to Elmwood, and at the fall Conference their appointment was Wenona, where three years were spent and when the present church edifice was built. Onarga one year, Fairbury two years, where their first supreme sorrow came, in the death of Florence, then Mrs. C. W. Hickman From Fairbury to Kiethsburg for two years, Ipava five years, Eureka two years, LaRose and Varna two years and superannuation in 1902. This list comprises eighteen charges and forty-two years of service, and in each instance the appointment was received by Mrs. Wasmuth as of the Lord, and its responsibilities were met with a loyalty that raised no question in a single instance. Forty-two years of life, devoted to the ministry, with its trials and triumphs, its crises and sacred memories, would give opportunity for innumerable lessons, of both practical and pathetic character. To Mrs. Wasmuth these were not years of passive service, which is satisfied to look upon things seen, but periods of time, which mark an unsparing devotion to things unseen and eternal. From girlhood she served the church in song, and for the forty-two years she shared her husband's plans, she ceased not to lend an unusual talent to this form of public praise. As a Sunday School teacher, her efficiency grew with years, and culminated in a peculiar harmony of zeal, devotion and skill. If the men and women whose childhood had been influenced by this type of service were to suddenly stand forth what an object lesson would appear to emphasize the power and possibility of a consecrated life! Such was her relation to her life work as a servant of the church, but those who did not know her in her personal devotional nature, were not acquainted with the deeper currents of her religious life. She welcomed the coming of prayer meeting night as a season of spiritual refreshing. It was the mid-week oasis in the desert of care. Thus oft meeting her Lord at the altar of prayer she became embolden to ask largely for spiritual accomplishments, and to esteem it her personal privilege to live on familiar terms with the Most High.

With superannuation, a new relation came, with its peculiar trial known only to those who have put off the insignia of leadership to be led in turn by others. For seven years she served in the rank and file of the church's membership with a grace and dignity which held to her the wealth of friendship she had ever and always deserved. The church's triumph was her joy. Its victories, the answer to her prayers, and the pastor's praise, the emulation of her own example.

The last twelve months had brought the tell tale story to her hosts of friends,—care and anxiety left traces that had but one interpretation, and sickness left weakness where once was strength. The one who had so long mingled in the social life of the church became a shut-in and no one knew its meaning better than herself. As the frail temple of flesh reached its limitation, the spirit's faith found its compensation through the devotion and discipline of a lifetime. Divine grace had proven a power on which she dared to lean, and, when too weary to journey longer, she halted by the wayside, it was to find that rest "that remaineth for the people of God."

Crumbaker and District Superintendent Dr. Richard Crewes assisted the pastor in the funeral services, which were held in the Methodist Episcopal church in Pontiac. JOHN H. RYAN.

## MRS. LOUISA DIXON TULLIS.

Louisa Dixon was born October 24, 1840 on a farm a few miles north of Tonica, Illinois. She was born again in a "protracted meeting" held in the Methodist Episcopal Church, Cedar Point, Illinois, during the winter of 1855. Immediately she united with the church that was instrumental in her conversion.

She was united in marriage with Rev. A. K. Tullis, Sept. 25, 1860, about two weeks after he had been admitted on trial in Central Illinois Annual Conference, the Rev. J. G. Evans, who, in these memorial services by singular coincidence, sits a mourner of his own beloved wife's recent departure, pronouncing the ceremony.

With her husband she went to their first appointment, Grand Rapids, now known as Grand Ridge in the Normal District. Thence they went to Henderson, from which place Brother Tullis was called to the chaplaincy of one of the Union regiments in the Civil War. And when we speak the names Winona, Leda, Magnolia Phelps Chapel, Moline, Tiskilwa, Altona, Monmouth District, Geneseo, Macomb, Hale Chapel, Peoria, Onarga, Lewiston, Normal, Henry, Milford, Viola Melvin, we see passing before us the fields upon which he led the hosts of God, cheered and strengthened first by the Great Captain, and then by the chivalrous and unfaltering comrade by his side. Through fifty-eight revival meetings, four District camp meetings, and two Circuit camp meetings, in which many souls were led to Christ, they continued this associate leadership As a laborer in the vineyard of the Lord she had no fad to exploit at the cost of things perhaps more desirable of accomplishment. She was poised, sane, judicious wise, giving each great thing its due proportion of attention. She wrought to no small purpose in the Missionary Societies of the church, for the women in the foreign and home fields, in the Ladies' Aid Society, the Epworth and Junior Leagues, and the Sabbath School. It is meet to say that in the Junior League at Viola and at Lewiston her ability in working in this field was signally displayed, in the latter of the two she led not less than thirty boys to Christ.

This rare woman, it is none too strong to speak so, excelled as a home builder. She gripped the members of her charming home circle with hooks beautiful as gold and powerful as steel. Not only through the days but many, many times far into the night without complaint, patiently, persistently, she toiled for the good, for the better, for the best of those God gave her. Nine times motherhood crowned her, and each time the diadem increased in beauty as God enriched her. No tongue can tell what wondrous things she wrought within the limitations of the itinerant's wardrobe and larder. It was only over the road described by those words "those who bless must bleed," could it be made possible for all her children to have the possibilities of a collegiate education Do you wonder, then, that when on the thirtieth of March, last, when the great hush fell on the parsonage in Melvin, to this husband and the son and daughters, the bereavement and loneliness seemed unspeakable?

No school of letters had the honor to enroll her among its graduates. But how she learned as she sat at Jesus' feet! Not one of her college bred children but feels it would be an honor to have it said of him or her, "beautiful in soul, symmetrical in character, useful in life, as mother."

She was truly born of God born again when but fifteen years of age. And so thoroughly pliant was she in the hands of God who was fashioning her for her life-work that not for one moment was her brain smitten with an ambition for something outside of her proper sphere, or beyond her just limitations. For fifty-four years she walked in a vale lustrous with holy contentment, and redolent with the fragrance of absolute abandonment to the righteous will of God.

Out of life's dark mystery, on March 30th, last, she passed into life's open day, and found it beautiful "to be with God." We sorrow, but with HOPE. No power can restrain our tears, but on them all sits the rainbow promise of the morning.

God who found service for her in this world will doubtless find use for her in the world to come The kind Father who gave her to bless a family here. will without fail preserve her for the home-coming of the same circle to the land beyond. And so across the narrow flood we look and say:

"Oh wife of a brother beloved, devoted mother of children, honored associate member of a host itinerant in the conquest of the world, daughter of God, farewell till we hail thee in the morning."

Special tributes to the memory of Mrs. J. G. Evans were given and sympathetic mention made of Mrs. A. K. Tullis, Mrs. H. D. Jackson, Mrs. John Rogers Mrs. E. Wasmuth, and Mrs R. A. Brown, all deceased during the Conference year.

Motion obtained that through the minutes of the Association we extend our sincere sympathy to all those who have experienced suffering and bereavement during the past year.

Mrs. W. F. McDowell, wife of the presiding Bishop, was made an honorary member of the Association.

The suggestion that the little blue bow be continued as a medium of recognition, approved.

An interesting discussion of different phases of a pastor's wife's work followed.

The following officers were elected: President, Mrs. J. W. Frizzelle; Vice Presidents, Mrs. W. R. Wiley, Mrs R. Crewes, Mrs. O. T. Dwinell Mrs. Joseph Bell; Secretary, Mrs. T. E. Newland; Treasurer, Mrs. W. F. Dudman.

Mrs. T. E. Newland, Secretary.

# Journal of Lay Association

The fourteenth annual meeting of the Lay Association, Central Illinois Conference, was held in the Presbyterian Church, Carthage, Ill., Friday, Sept. 17, 1909. At 9 o'clock the meeting was called to order by Vice President Bridgford. The announcement was made that the President, Dr. D. T. Douglass, had died during the year. C. W. Bridgford of Millersburg was installed president, according to Article VII of the by-laws. Secretary J. S. Price was present.

The opening praise service, led by C. W. Neitz, followed the line of Bishop McDowell's morning talk to the Conference.

J. B. Johnson, of Carthage, in inspiring words welcomed the Lay Association to Carthage and the President happily responded in behalf of the members.

The Secretary named his assistants, Earl Freeland and Harry McCaskrin.

The following delegates were enrolled, some coming in later failed to give credentials: Galesburg District—C. H. Anderson, J. W. Byers, G. W. Bailey, Jos. Campbell, J. M. Freeland, P. F. Folk, S. B. Harned, J. W. Hoover, J. B Johnson, Mrs. S. F. Kennedy, W. F. Linbarger, J. F. LaFaner, W. S. Moore, S. L. McCrory, A Newland, O. A. Pettaim, I. Quinby, N. A. Simple, J. H. Ullrich, S. R. Wolfe, L. B. Wolfe. Kankakee District—J. N. Bethume, C. W. Neitz; Normal District—Chas. Cottrell, Sarah J. Dudman, D. H. Kent, J. S Murphy, C. H. Long, H. Simpson, C. R. Tombaugh; Peoria District—Dora Edwards, Mrs. F. A. Edwards, Mrs. Graham, L. L. Graham, Mrs Ida Lackland J. E. Millard, Jas. Rose, F. Ramp L. W. Tate; Rock Island District—C. W. Bridgford, Mrs. C. W. Bridgford, N E. Freeland, F. Hendrickson, Byron Jordan, H. McCaskrin, J. S. Price, Mrs. S. L. Thompson, R A. Turner.

The committee on nominations was appointed consisting of C. W. Neitz, Fairbury; C. R. Tombaugh, Pontiac; J. E. Millard, E. Peoria; J. H Johnson, Carthage; S. L. McCrory, Carthage.

On resolutions, C. H. Long, Pontiac; Judson Hoover, Galesburg; Dr. L. N. Tate, Brimfield; Mary M. McCaskrin, Rock Island.

President MacVey of Hedding College then addressed the Association in behalf of the College and explained the plan of raising $50 000 for the College. He also brought a request that the Lay Association elect a committee of three from Hedding College territory to visit the College the ensuing year.

A general discussion upon the work of the Association was participated in by several of the members.

Rev. J. S. Cumming and Rev. G. R. Palmer, a committee sent by the Annual Conference, were introduced and presented a resolution by the Conference inviting the Lay Association to meet in joint session with the Conference at 11 o'clock. The invitation was accepted, the meeting was adjourned, and the laymen were escorted by the committee to the church and seated as a body in the Conference. Bishop McDowell made the address to the class of young men and received them into full membership. This was greatly appreciated by the

laymen and the desire was expressed that the joint session might become an established custom.

At 1:45 C. W. Neitz conducted the song service.

J. A. Patten of Chattanooga, Tenn., President of the General Laymen's Association of the Methodist Episcopal Church, addressed the Association at some length. He outlined the growth of the Conference Lay Associations, and referred to the constructive work being done by these associations in many Conferences. He congratulated Central Illinois upon the improvement being made in ministerial support; but showed the need of further attention by giving statistics of last year. Mr. Patton asked the co-operation of the laymen with the commission on ministerial support, recently appointed by the Bishops. He also plead for a larger participation of the laymen in the vital and spiritual affairs of the church and told of the lay preaching being done in the Wesleyan Church. In closing he described a leader as one who was willing to do more than his share and keep sweet about it.

"Open Conference," conducted by Dr. C. H. Long, brought out some discussion on methods of providing current church funds and on some phases of Sunday School work. The main discussion was concerning church finances and the best plan brought out was to budget the whole expenses of the church, apportion them among the members and then see that the members paid their apportionment, with emphasis on the last clause. Some excellent hints on this may be obtained by writing Dr. C. H. Long, Pontiac, Ill.

"Church Finances" was ably presented by C. W. Bridgford.

"Our Superannuates" were carefully represented by S. L. McCrory, who gave statistics showing the meager support supplied by most of the Conferences. He urged carrying out the plan as adopted by the General Conference.

The Anti-Saloon League was represented by J. K. Shields.
